(iii) require that the Borrower Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof);

(iv) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law; and

(b) Upon the occurrence of an Event of Default arising from a breach of Section 7.10 that has occurred and is continuing, the Administrative Agent shall, at the request of, or may, with the consent of, the Required Revolving Credit Lenders, take any or all of the actions specified in Section 8.02(a) in respect of the Initial Revolving Credit Commitments (including any obligation of the L/C Issuer to make L/C Credit Extensions), the Initial Revolving Credit Loans and the L/C Obligations;

provided that upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under the Bankruptcy Code of the United States, the Commitments shall automatically terminate and the obligation of each Lender to make Loans and any obligation of the L/C Issuer to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, and the obligation of the Borrower to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

Section 8.03. *Application of Funds.* After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 8.02), any amounts received on account of the Obligations shall be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including Attorney Costs payable under Section 11.04 and amounts payable under Article 3 but excluding principal of, and interest on, any Loan) payable to the Administrative Agent in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest and Secured Hedging Obligations and Cash Management Obligations) payable to the Lenders (including Attorney Costs payable under Section 11.05 and amounts payable under Article 3), ratably among them in proportion to the amounts described in this clause Second payable to them;

155

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans and L/C Borrowings, ratably among the Lenders in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans and L/C Borrowings, Secured Hedging Obligations and Cash Management Obligations ratably among the Lenders, each Hedge Bank or Cash Management Bank in proportion to the respective amounts described in this clause Fourth held by them;

Fifth, to the Administrative Agent for the account of the L/C Issuer, to Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit;

Sixth, to the payment of all other Obligations of the Loan Parties that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.

Subject to Section 2.04(c), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fifth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above and, if no Obligations remain outstanding, delivered to the Borrower. Notwithstanding the foregoing, no amounts received from any Guarantor shall be applied to any Excluded Swap Obligation of such Guarantor.

Section 8.04. *Borrower's Right to Cure.* Notwithstanding anything to the contrary in this Agreement (including this Article 8), upon the occurrence of a Default or Event of Default as a result of the Borrower's failure to comply with Section 7.10 above for any fiscal quarter, the Borrower shall have the right (the "Cure Right") (at any time during such fiscal quarter or thereafter until the date that is 15 Business Days after the date on which financial statements for such fiscal quarter are required to be delivered pursuant to Section 6.01(a) or (b), as applicable) to issue Qualified Equity Interests or other equity (such other equity to be on terms reasonably acceptable to the Administrative Agent) for cash or otherwise receive cash contributions in

respect of its Qualified Equity Interests (the “Cure Amount”), and thereupon compliance with Section 7.10 shall be recalculated giving effect to a pro forma increase in the amount of Consolidated EBITDA by an amount equal to the Cure Amount (notwithstanding the absence of a related addback in the definition of “Consolidated EBITDA”) solely for the purpose of determining compliance with Section 7.10 as of the end of such fiscal quarter and for applicable subsequent periods that include such fiscal quarter. If, after giving effect to the foregoing recalculation (but not, for the avoidance of doubt, taking into account any repayment of Indebtedness in connection therewith), the requirements of Section 7.10 would be satisfied, then the requirements of Section 7.10 shall be deemed satisfied as of the end of the relevant fiscal quarter with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of Section 7.10 that had occurred (or would have occurred) shall be deemed cured for the purposes of this Agreement. Notwithstanding anything herein to the contrary, (i) in each four consecutive fiscal quarter period there shall be at least two fiscal quarters (which may, but are not required to be, consecutive) in which the Cure Right is not exercised, (ii) during the term of this Agreement, the Cure Right shall not be exercised more than five times, (iii) the amount of the issuance of Qualified Equity Interests given effect as a Cure Amount shall be no greater than the amount required for the purpose of complying with Section 7.10, (iv) there shall be no pro forma or actual reduction of the amount of Indebtedness by the amount of any Cure Amount for purposes of determining compliance with Section 7.10 for the fiscal quarter in respect of which the Cure Right was exercised (provided that, with respect to any future period, to the extent of any portion of such Cure Amount that is actually applied to repay Indebtedness under the Loan Documents, such repayment may be given effect) and (v) such Cure Amount shall be disregarded for purposes of determining (x) any financial ratio-based condition to the availability of any carve-out set forth

in Article 7 of this Agreement or any other basket set forth in Article 7 of this Agreement, (y) any ratio-based stepdown in Article 2 of this Agreement or (z) the Applicable Margin.

ARTICLE 9 ADMINISTRATIVE AGENT AND OTHER AGENTS

Section 9.01. *Appointment and Authorization of Administrative Agent.* (a) Each Lender hereby irrevocably appoints, designates and authorizes the Administrative Agent to take such action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere herein or in any other Loan Document, the Administrative Agent shall have no duties or responsibilities, except those expressly set forth herein or therein, nor shall the Administrative Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent. Without limiting the generality of the foregoing sentence, the use of the term “agent” herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article 9 with respect to any acts taken or omissions suffered by each L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and the applications and agreements for letters of credit pertaining to such Letters of Credit as fully as if the term “**Agent**” as used in this Article 9 and in the definition of “Agent-Related Person” included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer.

(c) The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (in its capacities as a Lender, Swing Line Lender (if applicable), L/C Issuer (if applicable) potential provider of Cash Management Obligations and a potential Hedge Bank) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or on trust for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits afforded to the Administrative Agent of all provisions of this Article 9 (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full herein with respect thereto.

Section 9.02. *Delegation of Duties.* The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article 9 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

Section 9.03. *Exculpatory Provisions.* The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given in writing to the Administrative Agent by the Borrower, a Lender or the L/C Issuer.

The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, (vi) the satisfaction of any condition set forth in Article 4 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or (vii) compliance by Sponsor Affiliated Lenders with the terms hereof relating to Sponsor Affiliated Lenders.

The Administrative Agent, in its capacity as such, shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Institutions or Sponsor Affiliated Lenders. Without limiting the generality of the foregoing, the Administrative Agent, in its capacity as such, shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or Affiliated Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Institution or Sponsor Affiliated Lender.

The Administrative Agent, in its capacity as such, does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the

administration, submission or any other matter related to the rates in the definition of “Eurocurrency Rate” or with respect to any comparable or successor rate thereto.

Section 9.04. *Reliance by Administrative Agent.* The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 9.05. *Credit Decision; Disclosure of Information by Agents.* Each Lender acknowledges that no Agent-Related Person or Arranger has made any representation or warranty to it, and that no act by any Agent or Arranger hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any of their Subsidiaries thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person or Arranger to any Lender as to any matter, including whether Agent-Related Persons or Arrangers have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person or Arranger and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of each Loan Party, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person or Arranger and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of each Loan Party or any of their Subsidiaries. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any Loan Party or any of their Subsidiaries which may come into the possession of any Agent-Related Person. Each Lender acknowledges and agrees that the extensions of credit made hereunder are commercial loans and letters of credit and not investments in a business enterprise or securities.

Section 9.06. *Indemnification of Agents.* The Lenders shall indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), pro rata, and hold harmless each Agent-Related Person from and against any and all Indemnified Liabilities in connection with its role as an Agent-Related Person; *provided* that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting from such Agent-Related Person’s own gross negligence, willful misconduct or material breach of the Loan Documents by it in bad faith; *provided* that no action taken in accordance with the directions of the Required Lenders shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 9.06; *provided further* that to the extent an L/C Issuer is entitled to indemnification under this Section 9.06 solely in connection with its role as an L/C Issuer, only the Initial Revolving Credit Lenders shall be required to indemnify such L/C Issuer in accordance with this Section 9.06. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.06 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for

its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower. The undertaking in this Section 9.06 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.

Section 9.07. *Agents in their Individual Capacities.* Bank of America and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each Loan Party or any of their Subsidiaries as though Bank of America were not the Administrative Agent or the L/C Issuer hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, Bank of America or its Affiliates may receive information regarding any Loan Party or any of their Subsidiaries (including information that may be subject to confidentiality obligations in favor of such Loan Party or any of their Subsidiaries) and acknowledge that the Administrative Agent shall be under no obligation to provide such information to them. With respect to its Loans, Bank of America shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not the Administrative Agent or the L/C Issuer, and the terms “Lender” and “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include Bank of America in its individual capacity.

Section 9.08. *Successor Agents.*

(a) The Administrative Agent may at any time give notice of its resignation to the Lenders, the L/C Issuer and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States, which successor agent shall be consented to by the Borrower at all times other than during the existence of an Event of Default under Section 8.01(f) or (g) (with respect to the Borrower) (which consent of the Borrower shall not be unreasonably withheld or delayed). If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the “**Resignation Effective Date**”), then the retiring Administrative Agent may (but shall not be obligated to) on behalf of the Lenders and the L/C Issuer, appoint a successor Administrative Agent, which successor agent shall be consented to by the Borrower at all times other than during the existence of an Event of Default under Section 8.01(f) and (g) (which consent of the Borrower shall not be unreasonably withheld or delayed), meeting the qualifications set forth above; *provided* that in no event shall any such successor Administrative Agent be a Defaulting Lender. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Borrower and/or the Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Borrower and such Person remove such Person as Administrative Agent and, appoint a successor, which successor agent shall be consented to by the Borrower at all times other than during the existence of an Event of Default under Section 8.01(f) and (g) (which consent of the Borrower shall not be unreasonably withheld or delayed). If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days (or such earlier day as shall be agreed by the Required Lenders) (the “**Removal Effective Date**”), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date. If no successor agent is appointed by the Required Lenders pursuant to this Section 9.08(b) prior to the date that is ten (10) Business Days following the Removal Effective Date, the Borrower may appoint, after consulting with the Required Lenders, a successor agent from among the Lenders (other than any Sponsor Affiliated Lender).

(c) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (1) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the L/C Issuer under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (2) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and the L/C Issuer directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Administrative Agent (other than as provided in Section 3.01(g) and other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable) and shall promptly enter into a licensing agreement with the Reference Pricing Agent, and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article, Section 11.04 and Section 11.05 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them (i) while the retiring or removed Administrative Agent was acting as Administrative Agent and (ii) after such resignation or removal for as long as any of them continues to act in any capacity hereunder or under the other Loan Documents, including (a) acting as collateral agent or otherwise holding any collateral security on behalf of any of the Lenders and (b) in respect of any actions taken in connection with transferring the agency to any successor Administrative Agent.

(d) Any resignation by Bank of America as Administrative Agent pursuant to this Section shall also constitute its resignation as L/C Issuer and Swing Line Lender. If Bank of America resigns as an L/C Issuer, it shall retain all the rights, powers, privileges and duties of the L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto, including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.04(c). If Bank of America resigns as Swing Line Lender, it shall retain all the rights of the Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.05(c). Upon the appointment by the Borrower of a successor L/C Issuer or Swing Line Lender hereunder (which successor shall in all cases be a Lender other than a Defaulting Lender), (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swing Line Lender, as applicable, (b) the retiring L/C Issuer and Swing Line Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (c) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to Bank of America to effectively assume the obligations of Bank of America with respect to such Letters of Credit.

Section 9.09. *Administrative Agent May File Proofs of Claim; Credit Bidding.* In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the

L/C Issuer and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuer and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuer and the Administrative Agent under Sections 2.04(i), 2.04(j), 2.10 and 11.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, the L/C Issuer to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Sections 2.10 and 11.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or the L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or the L/C Issuer to authorize the Administrative Agent to vote in respect of the claim of any Lender or the L/C Issuer in any such proceeding.

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Secured Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any similar Laws in any other jurisdictions to which a Loan Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable Law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 11.01(a) of this Agreement, (iii) the Administrative Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Secured Party or acquisition vehicle to take any further action, and (iv) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action.

Section 9.10. *Collateral and Guaranty Matters.* Each of the Secured Parties (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank) irrevocably authorizes and directs the Administrative Agent:

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) on the Termination Date, (ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document to any Person other than a Loan Party, (iii) subject to Section 11.01, if approved, authorized or ratified in writing by the Required Lenders, (iv) owned by a Subsidiary Guarantor upon release of such Subsidiary Guarantor from its obligations under its Subsidiary Guaranty pursuant to Section 9.10(b) below or (v) otherwise becomes an Excluded Asset or ceases to constitute Collateral;

(b) to release any Subsidiary Guarantor from its obligations under any Loan Document to which it is a party if such Person (i) ceases to be a Restricted Subsidiary, (ii) ceases to be a Subsidiary, (iii) becomes an Excluded Subsidiary (other than any Excluded Subsidiary the Borrower elects to maintain as a Subsidiary Guarantor) or (iv) in the Borrower's sole discretion, release at any time, any Excluded Subsidiary, that the Borrower, in its sole discretion, previously elected to cause to become a Subsidiary Guarantor, from its obligations under the Guaranty Agreement, in each case of clauses (b), (b) and (b), as a result of a transaction or designation permitted hereunder; *provided* that no such release shall occur if such Subsidiary Guarantor continues to be a guarantor in respect of any Senior Unsecured Notes or any Permitted Refinancing thereof, any Senior Secured Notes or any Permitted Refinancing thereof or any Junior Indebtedness with a principal amount in excess of the Threshold Amount unless and until such Subsidiary Guarantor is (or is being simultaneously) released from its guarantee with respect to such Indebtedness; *provided, further*, that (a) solely in the case of any election to maintain a Non-U.S. Discretionary Guarantor as a Subsidiary Guarantor, consent of the Administrative Agent shall be required prior to such election, such consent not to be unreasonably withheld, delayed or conditioned (it being understood that such consent may be withheld if the Administrative Agent reasonably determines that such Non-U.S. Discretionary Guarantor is organized under the laws of a jurisdiction (i) where the amount and enforceability of the contemplated guarantee that may be entered into by a Person organized in the relevant jurisdiction is materially and adversely limited by applicable law or contractual limitations, (ii) where the security interests (and the enforceability thereof) that may be granted with respect to assets (or various classes of assets) located in the relevant jurisdiction are materially and adversely limited by applicable law or (iii) that is not a member of the Organization for Economic Cooperation and Development or is the target of any Sanctions; *provided*, that no such consent shall be required for the Borrower's election to maintain an Excluded Subsidiary as a Subsidiary Guarantor if such Excluded Subsidiary was already a Guarantor and has not changed its jurisdiction of organization and/or is organized under the laws of the United States, Canada, the United Kingdom, the Netherlands and Luxembourg) and (b) unless previously provided with respect to such Non-U.S. Discretionary Guarantor, the Administrative Agent shall have received at least two Business Days prior to such election all documentation and other information in respect of such Excluded Subsidiary as has been reasonably requested by the Administrative Agent in writing that is required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including without limitation the USA PATRIOT Act (and, upon any request made by a Lender to the Administrative Agent, the Administrative Agent will provide the Lenders with all such information made available to it in accordance with, and subject to, the provisions of this Agreement); and

(c) to subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Sections 7.01(f), 7.01(i), 7.01(m), 7.01(p), 7.01(s), 7.01(t), 7.01(v), 7.01(x) (to the extent the relevant Lien is of the type to which the Lien of the Administrative Agent is otherwise required to be subordinated under this clause (c) pursuant to any of the other exceptions to Section 7.01 that are expressly included in this clause (c)), 7.01(y) (to the extent the relevant Lien secures Indebtedness permitted under Section 7.03(z)(i)) and/or 7.01(ff); *provided*, that the subordination of any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent shall only be required with respect to any Lien on such property that is permitted by Sections 7.01(f), 7.01(i), 7.01(m), 7.01(p), 7.01(s), 7.01(t), 7.01(v), 7.01(x), 7.01(y) and/or 7.01(ff) to the extent that the Lien of the Administrative Agent or the Collateral Agent (as applicable) with respect to such property is required to be subordinated to the relevant Lien permitted by

Section 7.01 in accordance with the documentation governing the Indebtedness that is secured by such Lien permitted by Section 7.01; and

(d) to enter into any subordination, intercreditor, collateral trust and/or similar agreement contemplated hereunder, including any Acceptable Intercreditor Agreement, including with respect to Indebtedness that is (i) required or permitted to be subordinated in right of payment hereunder and/or (ii) secured by Liens and required or permitted to be pari passu with or junior to the Liens securing the Secured Obligations, and with respect to which Indebtedness, an intercreditor, subordination, collateral trust or similar agreement is contemplated under this Agreement and including an Acceptable Intercreditor Agreement, an “**Additional Agreement**”), and the Secured Parties party hereto acknowledge that any Additional Agreement is binding upon them. Each Secured Party party hereto hereby (a) agrees that they will be bound by, and will not take any action contrary to, the provisions of any Additional Agreement and (b) authorizes and instructs the Administrative Agent to enter into any Additional Agreement and to subject the Liens on the Collateral securing the Secured Obligations to the provisions thereof. The foregoing provisions are intended as an inducement to the Secured Parties to extend credit to the Borrower, and the Secured Parties are intended third-party beneficiaries of such provisions and the provisions of any Intercreditor Agreement and/or any Additional Agreement.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent’s authority to release its interest in particular types or items of property, or to release any Subsidiary Guarantor from its obligations under the Loan Documents pursuant to this Section 9.10. In each case as specified in this Section 9.10, the Administrative Agent will (and each Lender irrevocably requires the Administrative Agent to), at the Borrower’s expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence (i) the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents (including the filing of termination statements or the return of pledged collateral), or (ii) to release such Subsidiary Guarantor from its obligations under the Loan Documents, in each case in accordance with the terms of the Loan Documents and this Section 9.10; *provided*, that prior to any such request, the Borrower shall have in each case delivered to the Administrative Agent written request therefor and, to the extent reasonably requested by the Administrative Agent, a certificate of the Borrower to the effect that the release of such Guarantor or Collateral, as applicable, is in compliance with the Loan Documents. Each of the Lenders (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank) irrevocably authorizes and directs the Administrative Agent to rely on any such certificate without independent investigation and release its interests in any Collateral or release any Subsidiary Guarantor from its obligations under the Loan Documents pursuant to this Section 9.10 (including, in each case of the foregoing, by filing applicable termination statements and/or returning pledged Collateral); it being acknowledged and agreed by each Lender that the Administrative Agent, in its capacity as such, shall have no liability with respect to relying on such certificate and taking actions to evidence such release.

Subject to the second paragraph of Section 11.03, anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrower, the Administrative Agent and each other Secured Party hereby agree that no Secured Party shall have any right individually to realize upon any of the Collateral, to enforce the Guaranty or take any other enforcement action hereunder or under any other Loan Document, it being understood and agreed that all powers, rights and remedies hereunder and under any of the Loan Documents may be exercised solely by the Administrative Agent for the benefit of the Secured Parties in accordance with the terms hereof and thereof and this paragraph is for the benefit of, and may be enforced by, each of the parties hereto.

No Secured Hedging Agreement or Cash Management Obligations will create (or be deemed to create) in favor of counterparty that is a party thereto any rights in connection with the management or release of any Collateral or of the obligations of any Guarantor under the Loan Documents except as expressly provided in the Security Agreement. By accepting the benefits of the Collateral, such counterparty shall be deemed to have appointed Administrative Agent, in its capacity as collateral agent, as its agent and agreed to be bound by the Loan Documents as a Secured Party, subject to the limitations set forth in this paragraph. The benefit of the provisions of the Loan Documents directly relating to the Collateral or any Lien granted thereunder shall extend to and be available to any Secured Party that is not the Administrative Agent, a

Lender or an L/C Issuer as long as, by accepting such benefits, such Secured Party agrees, as among the Administrative Agent and all other Secured Parties, that such Secured Party is bound by (and, if requested by the Administrative Agent, shall confirm such agreement in a writing in form and substance acceptable to the Administrative Agent) this Article 9, and Section 11.09, and the decisions and actions of the Administrative Agent and the Required Lenders (or, where expressly required by the terms of this Agreement, a greater proportion of the Lenders) to the same extent a Lender is bound; *provided* that, notwithstanding the foregoing, (i) such Secured Party shall be bound by Section 11.05 only to the extent of liabilities, costs and expenses relating to the Collateral held for the benefit of such Secured Party, in which case the obligations of such Secured Party thereunder shall be such Secured Party's pro rata share (based on the amount of Obligations owing to such Secured Party relative to the aggregate amount of Obligations) of such liabilities, costs and expenses, (ii) except as set forth specifically herein, the Administrative Agent, the Lenders and the L/C Issuer shall be entitled to act in its sole discretion, without regard to the interest of such Secured Party, regardless of whether any Obligation to such Secured Party thereafter remains outstanding, is deprived of the benefit of the Collateral, becomes unsecured or is otherwise affected or put in jeopardy thereby, and without any duty or liability to such Secured Party or any such Obligation and (iii) except as specifically set forth herein, such Secured Party shall not have any right to be notified of, consent to, direct, require or be heard with respect to, any action taken or omitted in respect of the Collateral or under any Loan Document.

Section 9.11. *Other Agents; Arrangers and Managers.* None of the Lenders or other Persons identified on the facing page and/or signature pages of this Agreement as a "senior managing agent", "co-syndication agent," "co-documentation agent," "joint bookrunner," "arranger," or "joint lead arranger" shall have any right, power, obligation, liability, responsibility or duty under this Agreement. Without limiting the foregoing, none of the Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

Section 9.12. *Secured Cash Management Agreements and Secured Hedge Agreements.* No Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.03, the Guaranty or any Collateral by virtue of the provisions hereof or of the Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article 9 to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Cash Management Agreements and Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

ARTICLE 11 MISCELLANEOUS

Section 11.01. *Amendments, Etc.* (a) Except as provided in Section 2.16 with respect to any Incremental Joinder, Section 2.18 with respect to any Extension Amendment, Section 2.19 with respect to any Refinancing Amendment, Section 3.03 as it relates to any amendment to replace LIBOR with a LIBOR Successor Rate and any LIBOR Successor Rate Conforming Changes or as otherwise provided in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by any Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders, the Borrower or the applicable Loan Party, as the case may be (with an executed copy thereof promptly delivered to the Administrative Agent if not otherwise party thereto; provided that, failure to deliver such a copy shall not result in any Default or Event of Default nor affect the effectiveness of any such amendment, waiver or consent) and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that:

(i) no amendment, waiver or consent shall, without the written consent of each Lender directly and adversely affected thereby (but, for the avoidance of doubt, not the Required Lenders):

(A) extend or increase the Commitment of any Lender (it being understood that a waiver of any condition precedent set forth in Section 4.01 or 4.02, or the waiver of any Default, Event of Default or mandatory prepayment shall not constitute an extension or increase of any Commitment of any Lender);

(B) postpone any date scheduled for any payment of principal or interest under Section 2.08 or 2.09 or fees under Section 2.04(i), 2.04(j), 2.10(b), 2.17(c)(iv), 2.17(c)(v), it being understood that the amendment, supplement, modification and/or waiver of (or amendment to the terms of) any mandatory prepayment of the Term Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest and the application thereof shall not constitute a postponement or reduction of the amount of interest or other amounts;

(C) reduce or forgive the principal of, or the rate of interest specified herein on, any Loan or L/C Borrowing, or (subject to clause (3) of the second proviso to this Section 11.01(a)) any fees or other amounts payable hereunder or under any other Loan Document, it being understood that any change to the definition of any financial ratio (including the Senior Secured Leverage Ratio, the Secured Leverage Ratio, the Total Leverage Ratio and/or the Interest Coverage Ratio), or in each case, the component definitions thereof shall, in each case of the foregoing, not constitute a reduction in the rate of interest or fees or other amounts payable; *provided* that only the consent of the Required Lenders shall be necessary to amend the definition of “Default Rate”, to waive any obligation of the Borrower to pay interest at the Default Rate (including to waive interest that has already accrued at the Default Rate); or

(D) change Section 8.03 in any manner (it being understood and agreed that this clause (D) shall not apply to any transaction permitted under Sections 2.15, 2.16, 2.18, 2.19, 11.07(k), or 11.07(l) or as otherwise provided in this Agreement); and

(ii) no amendment, waiver or consent shall, without the written consent of each Lender:

(A) change any provision of this Section 11.01 or lower the number or percentages set forth in the definition of “Required Lenders”, “Required Class Lenders”, “Required Revolving Credit Lenders” or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder; or

(B) release all or substantially all of the Collateral in any transaction or series of related transactions, or release all or substantially all of the value of the Guaranty;

provided further that:

(1) no amendment, waiver or consent shall, unless in writing and signed by the relevant L/C Issuer in addition to the Lenders required above, affect the rights or duties of such L/C Issuer under this Agreement or any Letter of Credit Application relating to any Letter of Credit issued or to be issued by it;

(2) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lender in addition to the Lenders required above, affect the rights or duties of the Swing Line Lender under this Agreement;

(3) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document;

(4) the definition of "Letter of Credit Sublimit" may be amended or rights and privileges thereunder waived with only the consent of each L/C Issuer, the Administrative Agent and the Required Revolving Credit Lenders;

(5) the Fee Letters may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto;

(6) (I) any condition as to any Credit Extension under one or more Classes (including, with respect to any Revolving Credit Facility, any condition set forth in Section 4.02) may be amended or rights and privileges thereunder waived only with the consent of the applicable Required Class Lenders (and, in the case of a Credit Extension that constitutes the issuance of a Letter of Credit, the applicable L/C Issuer) and (II) any term or provision which directly affects Lenders under one or more Classes and does not directly affect Lenders under any other Class, in each case, may be amended, waived or modified with only the written consent of the applicable Required Class Lenders under such applicable Class (and in the case of multiple Classes which are affected, with respect to all such Classes, such consent shall be effected by the Required Class Lenders of each such Class); *provided*, that, for the avoidance of doubt, the amendments, waivers or modifications described in this clause (6) shall not require the consent of any Lenders other than the applicable Required Class Lenders under such Class or Classes; and

(7) only the consent of the Required Revolving Credit Lenders shall be necessary to amend, modify or waive the terms and provision of the financial covenants set forth in Section 7.10 (and any related definitions as used in such Section, but not as used in other Sections of this Agreement).

(b) Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment of such Lender may not be increased or extended nor the principal amount owed to such Lender reduced nor the final maturity thereof extended without the consent of such Lender (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded from a vote of the Lenders hereunder requiring any consent of the Lenders).

(c) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders and the Borrower (i) to add one or more additional credit facilities to this Agreement in accordance with Section 2.16, Section 2.18 or 2.19 and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Initial Term Loans, the Repatriation Bridge Loans and the Initial Revolving Credit Loans and the accrued interest and fees in respect thereof and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

(d) Notwithstanding anything to the contrary contained herein, in order to implement any Incremental Term Loan Class or Incremental Revolving Credit Commitments in accordance with Section 2.16, this Agreement and the other Loan Documents may be amended, without the consent of the other

Lenders, as may be necessary or appropriate, as reasonably determined by the Administrative Agent and the Borrower, to add such Incremental Term Loan Class or Incremental Revolving Credit Commitments in accordance with Section 2.16 and otherwise effect the provisions of Section 2.16, which amendments may also be effectuated in the applicable Incremental Joinder. The Lenders hereby irrevocably authorize the Administrative Agent to enter into any Incremental Joinder and any amendment to any of the other Loan Documents with the Loan Parties, as may be requested by the Borrower from time to time, in order to establish new tranches or sub-tranches in respect of Loans or Commitments increased or extended pursuant to Section 2.16 and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new Loans or Commitments, in each case, on terms consistent with Section 2.16, including any changes to this Agreement as may be necessary to ensure that any Incremental Term Loan Class is fungible with the applicable Class of existing Term Loans if such Incremental Term Loan Class is intended to be of the same Class as the relevant existing Term Facility (including by adding terms to an existing Class of Loans or Commitments that are more favorable to the Lenders of such Class (as reasonably determined by the Administrative Agent)); it being acknowledged and agreed by each Lender that the Administrative Agent, in its capacity as such, shall have no liability with respect to entry in any of the foregoing amendments.

(e) Notwithstanding anything to the contrary contained in this Section 11.01, any guarantees, collateral security documents and related documents executed by any Loan Party of its subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended, supplemented and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any Lender if such amendment, supplement or waiver is delivered in order (i) to comply with local Law, (ii) to correct or cure (x) ambiguities, errors, mistakes, omissions or defects, (y) to effect administrative changes of a technical or immaterial nature or (z) incorrect cross references or similar inaccuracies in this Agreement or the applicable Loan Document or (iii) to cause such guarantee, collateral security document or other Loan Document to be consistent with this Agreement and the other Loan Documents; it being agreed that in the case of any conflict between this Agreement and any other Loan Document, the provisions of this Agreement shall control (except that in the case of any conflict between this Agreement and an Acceptable Intercreditor Agreement, such Acceptable Intercreditor Agreement with respect to the Collateral shall control).

(f) Notwithstanding anything to the contrary contained in this Section 11.01, in the event that the Borrower requests that this Agreement be modified or amended in a manner that would require the unanimous consent of all of the Lenders (or all affected Lenders) and such modification or amendment is agreed to by the Required Lenders (other than in connection with an extension of maturity, in which case such consent shall not be necessary), then the Borrower shall be permitted to (A) replace the Lender or Lenders that did not agree to the modification or amendment requested by the Borrower (such Lender or Lenders, collectively the “**Dissenting Lenders**”) (without the consent of any Dissenting Lender) by causing such Dissenting Lenders to (and such Dissenting Lenders shall be obligated to) assign 100% of its relevant Commitments and the principal of its relevant outstanding Loans (including, for the avoidance of doubt, any L/C Advances and Swing Line Loans made by any Dissenting Lender) at par plus any accrued and unpaid interest pursuant to Section 11.07(d) (without any assignment fee to be paid by the Borrower) all of its relevant rights and obligations under this Agreement to one or more Eligible Assignees; or (B) terminate the Commitment of such Dissenting Lender and repay all obligations of the Borrower owing to such Dissenting Lender relating to the Loans and participations held by such Dissenting Lender as of such termination date;

Section 11.02. Notices and Other Communications; Facsimile Copies. (a) Generally. Unless otherwise expressly provided herein, all notices and other communications provided for under any Loan Document shall be in writing (including by facsimile transmission and, except as otherwise specifically provided herein, electronic mail). All such written notices shall be mailed, faxed or delivered to the applicable address, facsimile number or (subject to Section 11.02(c)) electronic mail address, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrower, the Administrative Agent, the L/C Issuers or the Swing Line Lender, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 11.02 or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

(ii) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the Borrower, the Administrative Agent, the L/C Issuer and the Swing Line Lender.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii), if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice, email or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

All such notices and other communications shall be deemed to be given or made upon the earlier of (x) actual receipt by the relevant party and (y) (A) if delivered by hand or by courier, when signed for by or on behalf of the relevant party; (B) if delivered by mail, four Business Days after deposit in the mails, postage prepaid; (C) if delivered by facsimile, when sent and receipt has been confirmed by telephone; and (D) if delivered by electronic mail, when delivered; *provided* that notices and other communications to the Administrative Agent, the L/C Issuer and the Swing Line Lender pursuant to Article 2 shall not be effective until actually received by such Person. In no event shall a voice mail message be effective as a notice, communication or confirmation hereunder.

(b) *Effectiveness of Facsimile Documents and Signatures.* Loan Documents may be transmitted and/or signed by facsimile or other electronic means. The effectiveness of any such documents and signatures shall, subject to applicable Law, have the same force and effect as manually signed originals and shall be binding on each Loan Party, each Agent and each Lender. The Administrative Agent may also require that any such documents and signatures be confirmed by a manually signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any facsimile document or signature.

(c) *Electronic Communications.* Notices and other communications to the Lenders and the L/C Issuer hereunder may be delivered or furnished by electronic communication (including electronic mail, EPML Messaging and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; *provided* that the foregoing shall not apply to notices to any Lender or the L/C Issuer pursuant to Article 2 if such Lender or the L/C Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications.

(d) *Reliance by Agents and Lenders.* Reliance by Agents and Lenders. The Administrative Agent, the L/C Issuer and the Lenders shall be entitled to rely and act upon any notices (including telephonic notices, Loan Notices, Letter of Credit Applications and Swing Line Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify each Agent-Related Person the L/C Issuer, and each Lender from all losses, costs,

expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower in the absence of gross negligence or willful misconduct. All telephonic notices to the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording; *provided* that, it is acknowledged and agreed that any recording of telephonic communications (other than such telephonic notices) between a Loan Party and the Administrative Agent may not be recorded without the express written consent of the Borrower.

(e) THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Agent-Related Persons (collectively, the “Agent Parties”) or the Borrower have any liability to any other party hereto for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the transmission of Borrower Materials or notices through the platform, any other electronic platform or electronic messaging service, or through the Internet; except to the extent such losses, claims, damages, liabilities or expenses result from the gross negligence, willful misconduct, bad faith or material breach of this Agreement (as determined by a court of competent jurisdiction).

Section 11.03. *No Waiver; Cumulative Remedies.* No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges provided under each Loan Document are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the Borrower, the Administrative Agent and each Secured Party hereby irrevocably agree that the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of their Affiliates shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders and the L/C Issuers and the other Secured Parties; *provided*, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) any L/C Issuer or the Swing Line Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as L/C Issuer or Swing Line Lender, as the case may be) hereunder and under the other Loan Documents, or (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and *provided, further*, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b) and (c) of the preceding proviso and subject to Section 2.14, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it solely during the time (and to the extent) authorized expressly in writing by the Required Lenders and agrees to cease such enforcement and rescind any ongoing actions and proceedings at law and if and to the extent directed by the Required Lenders.

Section 11.04. *Attorney Costs, Expenses.* The Borrower agrees (a) to pay or reimburse the Administrative Agent and its Affiliates for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents, and any amendment, waiver, consent or other modification of the provisions

hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, but in the case of Attorney Costs, limited to the reasonable fees and reasonable documented out-of-pocket expenses of a single primary firm of counsel to the Arrangers and the Administrative Agent, and, if necessary, of a single firm of local counsel to the Arrangers and the Administrative Agent in each appropriate material jurisdiction, and (b) to pay or reimburse the Administrative Agent and each Lender for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law), but in the case of Attorney Costs, limited to the reasonable fees and reasonable documented out-of-pocket expenses of a single primary firm of counsel to (and, if necessary, of a single firm of local counsel in each appropriate material jurisdiction to the Administrative Agent and the Lenders, taken as a whole, unless the Administrative Agent and the Lenders reasonably determine that separate counsel is necessary to avoid an actual or perceived conflict of interest in which case one additional counsel may be appointed for all affected parties, taken as a whole). The foregoing costs and expenses shall include all search, filing, recording, title insurance and appraisal charges relevant to the Collateral and fees, and the related reasonable and documented out-of-pocket expenses incurred by any Agent. All amounts due under this Section 11.04 shall be paid within thirty (30) days after receipt by the Borrower of an invoice in reasonable detail. The agreements in this Section 11.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. Without limiting the provisions of Section 3.01, this Section 11.04 shall not apply with respect to Taxes other than any Taxes that represent costs or expenses arising from any non-Tax claim.

Section 11.05. *Indemnification by the Borrower.* Whether or not the transactions contemplated hereby are consummated, the Borrower shall indemnify and hold harmless each Agent, each Arranger, each Lender, each L/C Issuer and each of their respective Related Parties and other representatives and successors of the foregoing (collectively the “**Indemnitees**”) from and against any and all liabilities, losses, damages, claims and costs of any kind or nature (including Attorney Costs, which shall be limited to a single primary counsel to the Indemnitees, taken as a whole (and, if necessary, of a single firm of local counsel to the Indemnitees, taken as a whole, in each appropriate material jurisdiction)), unless the Indemnitees reasonably determine that separate counsel is necessary to avoid an actual or perceived conflict of interest, in which case one additional counsel may be appointed for all affected Indemnitees, taken as a whole, for any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with:

- (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby or, in the case of the Administrative Agent (and any sub agent thereof) and its Related Parties only, the administration of this Agreement and the other Loan Documents (including in respect of any matters addressed in Section 3.01);
- (b) any Commitment, Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit); or
- (c) any actual or alleged presence or release of Hazardous Materials on or from any property currently or formerly owned, leased or operated by any Restricted Company or any of their Subsidiaries, or any Environmental Liability related in any way to any Restricted Company or any of their Subsidiaries; or
- (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not such claim, litigation, investigation or proceeding is brought by the Borrower or any other Loan Party or their respective equity holders, Affiliates, creditors or any other third Person and based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) and regardless of whether any Indemnitee is a party thereto (a “**Proceeding**”);

(all the foregoing, collectively, the “**Indemnified Liabilities**”), in all cases, whether or not caused by or arising, in whole or in part, out of the negligence of the Indemnitee; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, losses, damages, claims and costs (collectively, the “**Losses**”) (x) have resulted from the gross negligence or willful misconduct or bad faith or material breach of the Loan Documents of or by such Indemnitee or any of its Affiliates or any of the officers, directors, employees, advisors, agents or other representatives or successors of any of the foregoing, as determined by the final non-appealable judgment of a court of competent jurisdiction, (y) arise from claims of any of the Indemnitees solely against one or more Indemnitees (other than any claims against an Indemnitee in its capacity as agent, arranger or other similar role hereunder) that have not resulted from any misrepresentation, default or the breach of any Loan Document or any actual or alleged performance or non-performance by the Borrower or any other Loan Party, any direct or indirect parent or controlling person thereof or their respective Subsidiaries or any of their respective officers, directors, stockholders, partners, members, employees, agents, representatives or advisors or (z) have resulted from any agreement governing any settlement referred to below by such Indemnitee that is effected without the Borrower’s prior written consent (which consent shall not be unreasonably withheld or delayed), but if settled with the Borrower’s written consent or if there is a final judgment in any such Proceeding, the Loan Parties agree to indemnify and hold harmless each Indemnitee from and against any and all losses, claims, damages, liabilities and expenses by reason of such settlement or judgment in accordance with, and to the extent required by, this Section 11.05. Each Indemnitee shall be obligated to refund and return any and all amounts paid by you (or on your behalf) under this Section 11.05 to such Indemnitee to the extent such Indemnitee is not entitled to payment of such amounts in accordance with the terms hereof. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through SyndTrak, IntraLinks or other similar information transmission systems in connection with this Agreement, except to the extent resulting from the willful misconduct, gross negligence or material breach of the Loan Documents in bad faith of or by such Indemnitee as determined by the final non-appealable judgment of a court of competent jurisdiction, nor shall any Indemnitee or any Loan Party have any liability (whether direct or indirect, in contract or in tort or otherwise) for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date); *provided*, however, that the foregoing liability exclusion with respect to the Loan Parties shall not limit the indemnification obligations of the Loan Parties otherwise provided for above in respect of third party claims against the Indemnitees for which such Indemnitees are otherwise entitled to indemnification hereunder. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 11.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, shareholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 11.05 shall be paid within thirty days of receipt by the Borrower of an invoice in reasonable detail. The agreements in this Section 11.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. Without limiting the provisions of Section 3.01, this Section 11.05 shall not apply with respect to Taxes other than any Taxes that represent Losses arising from any non-Tax claim.

The Loan Parties shall not be liable for any settlement of any Proceeding (or any expenses related thereto) effected without the Borrower's written consent (which consent shall not be unreasonably withheld or delayed), but if settled with the Borrower's written consent or if there is a final and non-appealable judgment by a court of competent jurisdiction in any such Proceeding, the Loan Parties agree to indemnify and hold harmless each Indemnitee from and against any and all Losses and reasonable and documented or invoiced legal or other out-of-pocket expenses by reason of such settlement or judgment in accordance with and to the extent provided in the other provisions of this Section 11.05.

The Loan Parties shall not shall not, without the prior written consent of any Indemnitee (which consent shall not be unreasonably withheld or delayed, it being understood that the withholding of consent due to non-satisfaction of any of the conditions described in clauses (i) and (ii) of this sentence shall be deemed reasonable), effect any settlement of any pending or threatened Proceeding in respect of which indemnity could have been sought hereunder by such Indemnitee unless such settlement (i) includes an unconditional

release of such Indemnitee in form and substance reasonably satisfactory to such Indemnitee from all liability or claims that are the subject matter of such Proceeding and (ii) does not include any statement as to or any admission of fault, culpability, wrongdoing or a failure to act by or on behalf of any Indemnitee.

In case any Proceeding is instituted involving any Indemnitee for which indemnification is to be sought hereunder by such Indemnitee, then such Indemnitee will promptly notify the Borrower of the commencement of any Proceeding; provided, however, that the failure to so notify the Borrower will not relieve the Borrower from any liability that it may have to such Indemnitee pursuant to this Section 11.05.

Section 11.06. *Payments Set Aside.* To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then:

(a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and

(b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Federal Funds Rate from time to time in effect.

Section 11.07. *Assigns.* (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 11.07(f) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Notwithstanding Section 11.07(a), the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender, except as provided in Section 7.04.

(c) Notwithstanding Section 11.07(a), no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of Section 11.07(d), (ii) by way of participation in accordance with the provisions of Section 11.07(f), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Sections 11.07(h) and 11.07(j) or (iv) to an SPC in accordance with the provisions of Section 11.07(i) (and any other attempted assignment or transfer by any party hereto shall be null and void).

(d) Any Lender may at any time assign to one or more Eligible Assignees (which, for the avoidance of any doubt, shall not include any Disqualified Institutions to the extent the list of Disqualified Institutions has been provided to the Lenders) all or a portion of its rights and obligations under this Agreement; *provided that*

(i) except in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or, in the case of an assignment to a Lender or an Affiliate of a Lender or, in the case of the Term Loan Facility, an Approved Fund, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the outstanding principal balance of the Loan of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the

Administrative Agent or, if “Trade Date” is specified in the Assignment and Assumption, as of such Trade Date, shall not be less than \$5,000,000, in the case of any assignment in respect of the Revolving Credit Facility, or \$1,000,000, in the case of any assignment in respect of any Term Loans and Repatriation Bridge Loans, unless each of the Administrative Agent and, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed);

(ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender’s rights and obligations under this Agreement with respect to the Loans or the Commitment assigned, except that this clause (ii) shall not (x) apply to rights in respect of Swing Line Loans or (y) prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis;

(iii) any assignment of a Term Loan, Repatriation Bridge Loan or a Revolving Credit Commitment to an Eligible Assignee must be approved, if applicable, by the Persons specified for such assignment in the definition of Eligible Assignee; *provided* that solely in the case of assignments of Term Loans, the Borrower shall be deemed to have consented to any such assignment of Term Loans unless the Borrower has objected to such assignment by written notice to the Administrative Agent within fifteen (15) Business Days after having received written notice from the Administrative Agent requesting its consent to such assignment; *provided further* that, it is agreed that the Borrower may withhold its consent to an assignment to any person that is known by it to be an affiliate of a Disqualified Institution (regardless of whether it is readily identifiable as an Affiliate by virtue of its name (other than, in the case of Disqualified Institutions under clause (ii) of the definition thereof, such Affiliates that are Bona Fide Lending Affiliates));

(iv) the parties (other than the Borrower unless its consent to such assignment is required hereunder) to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500 (which fee the Borrower shall have no obligation to pay except as required in Section 3.09 and 11.01(f)) and if the assignee is not a Lender prior to such assignment, such assignee shall deliver to the Administrative Agent any Tax forms required by Section 3.01(e); and

(v) the assigning Lender shall deliver any Notes evidencing such Loans to the Borrower or the Administrative Agent (and the Administrative Agent shall deliver such Notes to the Borrower).

Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 11.07(e), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits (subject to the obligations and limitations) of Sections 3.01, 3.04, 3.07, 11.04 and 11.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and after the surrender by the assigning Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this clause (d) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 11.07(f). The Administrative Agent, in its capacity as such, shall not be responsible or have any liability for, or have any duty to inquire into, monitor, or enforce, the provisions set forth in this Agreement relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent, in its capacity as such, shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Institution.

(e) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying the Unreimbursed Amounts), L/C Borrowings and amounts due under Section 2.04 owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, each Agent and each Lender shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and, as to entries pertaining to it, any Lender, at any reasonable time and from time to time upon reasonable prior notice. The parties intend that all extensions of credit to the Borrower and its Affiliates hereunder shall at all times be treated as being in registered form within the meaning of Sections 163(f), 871(h)(2), and 881(c)(2) of the Code (and any successor provisions) and the regulations thereunder and shall interpret the provisions herein regarding the Register and the Participant Register (as defined in clause (g) below) consistent with such intent.

(f) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent sell participations to any Person (other than to one or more natural persons, a holding company, investment vehicle or trust for, or owned and operated by or for the primary benefit of a natural person, or solely to the extent the list of Disqualified Institutions is made available to the Lenders, a Disqualified Institution) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement; *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, each Agent and each other Lender shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in Section 11.01(a)(i) or 11.01(a)(ii) that directly affects such Participant. Subject to Section 11.07(g), each Participant shall be entitled to the benefits of Section 3.01, and Sections 3.04 through 3.07 (subject to the requirements and limitations therein, including the requirements under Section 3.01(f) (it being understood that the documentation required under Section 3.01(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 11.07(d); *provided* that such Participant agrees to be subject to the provisions of Sections 3.08(e) and 3.09 as if it had acquired its interest by assignment pursuant to Section 11.07(d). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.10 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.14 as though it were a Lender.

(g) A Participant shall not be entitled to receive any greater payment under Section 3.01 and Sections 3.04 through 3.07 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation and each Granting Lender shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and each applicable SPC, as applicable, and the principal amounts (and stated interest) of each Participant's or SPC's, as applicable, interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or SPC, or any information relating to a Participant's or SPC's interest in any Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive (absent manifest error) as to the identity of each Participant and each SPC and the amount of Loans, Commitments and other obligations under the Loan Documents attributed to such Participant or SPC, and such Lender shall

treat each Person whose name is recorded in the Participant Register as the owner of such participation or Loan granted to such SPC for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(h) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement under its Note, if any to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Lender; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(i) Notwithstanding anything to the contrary contained herein:

(i) any Lender (a “**Granting Lender**”) may grant to a special purpose funding vehicle (an “**SPC**”) (which, for the avoidance of doubt, may not be a Disqualified Institution) identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that

(A) nothing herein shall constitute a commitment by any SPC to fund any Loan,

(B) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof, and

(C) each SPC that elects to exercise such option shall satisfy the requirements under Section 3.01(e) (it being understood that the documentation required under Section 3.01(e) shall be delivered to the applicable Granting Lender).

(ii) (A) Neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01 or Sections 3.04 through 3.07), (B) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (C) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document and any indemnity or similar payment obligation under this Agreement, remain the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender.

(iii) Any SPC may (A) with notice to, but without prior consent of the Borrower or the Administrative Agent and with the payment of a processing fee of \$3,500, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (B) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(j) Notwithstanding anything to the contrary contained herein, any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee (who may not be a Disqualified Institution) for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 11.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents, (ii) such trustee

shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise (unless such trustee is an Eligible Assignee which has complied with the requirements of Section 11.07(d)).

(k) In case of an assignment to a Sponsor Affiliated Lender (other than an Affiliated Debt Fund, which shall, in each case, even if not expressly excluded, only be subject to the requirement set forth in clause (10)), (1) after giving effect to such assignment, together with all other assignments to Sponsor Affiliated Lenders, the aggregate principal amount of all Loans and Commitments then held by all Sponsor Affiliated Lenders (other than Affiliated Debt Funds) shall not exceed 25% of the aggregate unpaid principal amount of the Term Loans then outstanding (determined at the time of such purchase), (2) no Revolving Credit Loans or Revolving Credit Commitments shall be assigned to any Sponsor Affiliated Lender (other than Affiliated Debt Funds), (3) no proceeds of Revolving Credit Loans shall be used, directly or indirectly, to consummate such assignment, (4) any Loans assigned or contributed to Holdings or its Subsidiaries shall be automatically cancelled upon such assignment (it being agreed that documentation evidencing such cancellation, if necessary), may be entered promptly thereafter), (5) in the event that any proceeding under the Bankruptcy Code shall be instituted by or against the Borrower or any Guarantor, each Sponsor Affiliated Lender shall acknowledge and agree that they are each “insiders” under Section 101(31) of the Bankruptcy Code and, as such, the claims associated with the Loans and Commitments owned by it shall not be included in determining whether the applicable class of creditors holding such claims has voted to accept a proposed plan for purposes of Section 1129(a)(10) of the Bankruptcy Code, or, alternatively, to the extent that the foregoing designation is deemed unenforceable for any reason, each Sponsor Affiliated Lender shall vote in such proceedings in the same proportion as the allocation of voting with respect to such matter by those Lenders who are not Sponsor Affiliated Lenders, except to the extent that any plan of reorganization proposes to treat the Obligations held by such Sponsor Affiliated Lender in a manner that is less favorable in any material respect to such Sponsor Affiliated Lender than the proposed treatment of similar Obligations held by Lenders that are not Sponsor Affiliated Lenders, (6) the assigning Lender and the Sponsor Affiliated Lender (other than Affiliated Debt Funds) purchasing such Lender’s Loans and/or Commitments shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit A-2 hereto (an “**Affiliated Lender Assignment and Assumption**”), (7) such Sponsor Affiliated Lender will not receive information provided solely to Lenders and will not be permitted to attend or participate in (or receive any notice of) Lender meetings or conference calls, will not be entitled to challenge the Administrative Agent’s and the Lenders’ attorney-client privilege as a result of their status as Sponsor Affiliated Lenders and, other than with respect to Affiliated Debt Funds, will not have any rights to bring any action against the Administrative Agent in its capacity as such, (8) [reserved], (9) the portion of the Total Outstandings held or deemed held by any Lenders that are Sponsor Affiliated Lenders (other than Affiliated Debt Funds) shall be excluded for all purposes of making a determination of Required Lenders, (10) Affiliated Debt Funds may not, in the aggregate, account for more than 49.9% of the amount necessary to establish that the Required Lenders have consented to an action and the portion of the Total Outstandings held or deemed held by any Affiliated Debt Funds in excess of such amount shall be excluded for all purposes of making a determination of Required Lenders, (11) any purchases by Sponsor Affiliated Lenders shall require that such Sponsor Affiliated Lender clearly identify itself as a Sponsor Affiliated Lender in any Affiliated Lender Assignment and Assumption executed in connection with such purchases or sales and (12) each such Affiliated Lender Assignment and Assumption shall contain customary “big boy” representations but no requirement to make representations as to the absence of any material non-public information; it being understood and agreed that, notwithstanding anything to the contrary contained herein, any Loans or Commitments acquired by a Sponsor Affiliated Lender (other than Holdings or its Restricted Subsidiaries) may, with the consent of the Borrower, be contributed to the Borrower (whether through any of its Parent Entities or otherwise) and exchanged for debt or equity securities that are otherwise permitted to be issued at such time *provided*, that any such Loans or Commitments so contributed shall be deemed cancelled for all purposes and no longer outstanding.

(l) The Administrative Agent, in its capacity as such, may conclusively rely upon any list provided by the Borrower in connection with any amendment or waiver hereunder and shall not have any responsibility for monitoring any acquisition or disposition of Term Loans by any Sponsor Affiliated Lender

or liability for any losses suffered by any Person as a result of any purported assignment to or from a Sponsor Affiliated Lender.

(m) Notwithstanding anything to the contrary contained herein, if any Loans or Commitments are assigned or participated (x) to a Disqualified Institution or (y) without complying with the Borrower consent or notice requirements of this Section 11.07, then: (a) the Borrower may (i) terminate any Commitment of such Person and prepay any applicable outstanding Loans at a price equal to the lesser of (x) the current trading price of the Loans, (y) par and (z) the amount such Person paid to acquire such Loans or Commitments, in each case, without premium, penalty, prepayment fee or breakage, and/or (ii) require such person to assign its rights and obligations to one or more Eligible Assignees at the price indicated above (which assignment shall not be subject to any processing and recordation fee) and if such person does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption reflecting such assignment within three (3) Business Days of the date on which the assignee Lender executes and delivers such Assignment and Assumption to such person, then such person shall be deemed to have executed and delivered such Assignment and Assumption without any action on its part, (b) no such Person shall receive any information or reporting provided by the Borrower, the Administrative Agent or any Lender, (c) for purposes of voting, any Loans or Commitments held by such person shall be deemed not to be outstanding, and such person shall have no voting or consent rights with respect to “Required Lender” or Class votes or consents, (d) for purposes of any matter requiring the vote or consent of each Lender affected by any amendment or waiver, such person shall be deemed to have voted or consented to approve such amendment or waiver if a majority of the affected Class (giving effect to clause (c) above) so approves, and (e) such person shall not be entitled to any expense reimbursement or indemnification rights under any Loan Documents (including Sections 11.04 and 11.05) and the Borrower expressly reserves all rights against such person under contract, tort or any other theory and shall be treated in all other respects as a Defaulting Lender; it being understood and agreed that the foregoing provisions shall not apply to any assignee of a Disqualified Institution that becomes a Lender so long as such assignee is not a Disqualified Institution or an affiliate thereof. The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to provide the list of Disqualified Institutions provided by the Borrower and any updates thereto from time to time (collectively, the “**DQ List**”) to each Lender requesting such DQ List.

Section 11.08. *Successors.* Notwithstanding anything to the contrary contained herein, any or all of Bank of America or any other L/C Issuer may, upon 30 days’ notice to the Borrower and the Lenders, resign as L/C Issuer, and Bank of America may, upon 30 days’ notice to the Borrower and the Lenders, resign as Swing Line Lender; provided that on or prior to the expiration of such 30-day period with respect to such resignation as L/C Issuer, the applicable L/C Issuer shall have identified a successor L/C Issuer reasonably acceptable to the Borrower willing to accept its appointment as successor L/C Issuer with an L/C Commitment at equal to the L/C Commitment of the resigning L/C Issuer (unless otherwise agreed by the Borrower). In the event of any such resignation as L/C Issuer or Swing Line Lender, the Borrower shall be entitled to appoint a successor L/C Issuer or Swing Line Lender from among the Lenders willing to accept such appointment; provided that a failure by the Borrower to appoint any such successor shall not affect the resignation as L/C Issuer or Swing Line Lender, as the case may be, except as provided above. If an L/C Issuer resigns, it shall retain all the rights and obligations of the L/C Issuer with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.04(c)).

Section 11.09. *Confidentiality.* Each Agent and each Lender agrees to maintain the confidentiality of the Information, except that the Information may be disclosed (a) to its Affiliates, and its and their respective Related Parties who need to know such information solely in connection with the Facilities (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and who have agreed or are otherwise obligated to keep such Information confidential, and the applicable Agent or Lender shall be responsible for compliance by such Persons with such obligations); (b) to the extent requested by any regulatory authority having or purporting to have jurisdiction over the applicable Agent or Lender or any of its Affiliates *provided* that the Agent or Lender that discloses any Information pursuant to this clause (b) shall (except with respect to any audit or examination conducted by bank accountants or any self regulatory authority or governmental regulatory

authority exercising examiner or regulatory authority), to the extent practicable and permitted by law, provide the Borrower prompt notice of such disclosure; (c) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process (except with respect to any audit or examination conducted by bank accountants or any self regulatory authority or governmental regulatory authority exercising examiner or regulatory authority); *provided* that the Agent or Lender that discloses any Information pursuant to this clause (c) shall, to the extent practicable and permitted by law, provide the Borrower prompt notice of such disclosure; (d) to any other party to this Agreement; (e) [reserved], (x) to any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights or obligations under this Agreement or (y) to any direct, indirect, actual or prospective counterparty (and its advisor) to any swap, derivative or securitization transaction related to its obligations under this Agreement, in each case, other than a Disqualified Institution; *provided* that notwithstanding anything to the contrary in this Section 11.09, any Agent or any Lender may disclose the list of Disqualified Institutions to any prospective assignee, participant or counterparty who is not (i) a Disqualified Institution or (ii) readily identifiable as an Affiliate of a Disqualified Institution set forth on such list by virtue of its name to such Disqualified Institution for the purpose of such prospective assignee, participant or counterparty representing and warranting to the such Agent or such Lender that such prospective assignee, participant or counterparty is not a Disqualified Institution; (f) with the written consent of the Borrower; (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 11.09; (h) to the extent such Information is independently developed by such Agent or Lender without the use of any confidential information and without violating the terms of this Section 11.09; (i) to the extent such Information is received from a third party that is not known by such Agent or Lender to be subject to any confidentiality obligations owed to the Borrower; or (k) for purposes of establishing a “due diligence” defense. In addition, any Agent and any Lender may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to any Agent and any Lender in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments, and the Credit Extensions. For the purposes of this Section 11.09, “**Information**” means all information received from or on the behalf of any Loan Party relating to any Loan Party or its business, other than any such information that is publicly available to any Agent or any Lender prior to disclosure by any Loan Party other than as a result of a breach of this Section 11.09.

Section 11.10. *Set-off.* In addition to any rights and remedies of each Lender provided by Law, upon the occurrence and during the continuance of any Event of Default, after obtaining the prior written consent of the Administrative Agent, each Lender is authorized at any time and from time to time, without prior notice to any Loan Party, any such notice being waived by the Borrower (on its own behalf and on behalf of each other Loan Party) to the fullest extent permitted by Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, but not any deposits held in a custodial, trust or other fiduciary capacity), at any time held by, and other Indebtedness at any time owing by, such Lender to or for the credit or the account of the respective Loan Parties against any and all Obligations owing to such Lender hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Lender; *provided* that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent and each Lender under this Section 11.10 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent and such Lender may have.

Section 11.11. *Interest Rate Limitation.* Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under any Loan Document shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “**Maximum Rate**”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments

and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 11.12. *Counterparts.* This Agreement and each other Loan Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier.

Section 11.13. *Integration.* This Agreement, together with the other Loan Documents, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; *provided* that the inclusion of supplemental rights or remedies in favor of any Agent or any Lender in any other Loan Document shall not be deemed a conflict with this Agreement and subject, in the case of Letter of Credit Applications, to the last sentence of Section 2.04(b). Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof.

Section 11.14. *Survival of Representations and Warranties.* All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

Section 11.15. *Severability.* If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 11.16. *Governing Law.* (a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK; PROVIDED, THAT (I) THE INTERPRETATION OF THE DEFINITION OF "CLOSING DATE MATERIAL ADVERSE EFFECT" AND THE DETERMINATION OF WHETHER A CLOSING DATE MATERIAL ADVERSE EFFECT HAS OCCURRED, (II) THE DETERMINATION OF THE ACCURACY OF ANY SPECIFIED ACQUISITION AGREEMENT REPRESENTATION AND WHETHER AS A RESULT OF ANY INACCURACY THEREOF MERGER SUB OR ITS APPLICABLE AFFILIATE HAS A RIGHT TO TERMINATE ITS OBLIGATIONS UNDER THE ACQUISITION AGREEMENT OR DECLINE TO CONSUMMATE THE ACQUISITION AND (III) THE DETERMINATION OF WHETHER THE ACQUISITION HAS BEEN CONSUMMATED IN ACCORDANCE WITH THE TERMS OF THE ACQUISITION AGREEMENT AND, IN ANY CASE, ANY CLAIM OR DISPUTE ARISING OUT OF ANY SUCH INTERPRETATION OR DETERMINATION OR ANY ASPECT THEREOF, SHALL IN EACH CASE BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF DELAWARE REGARDLESS OF THE LAWS THAT MIGHT OTHERWISE GOVERN UNDER APPLICABLE PRINCIPLES OF CONFLICTS OF LAWS.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT SHALL BE BROUGHT IN THE COURTS OF

THE STATE OF NEW YORK IN THE CITY OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY, EACH AGENT AND EACH LENDER CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS. EACH LOAN PARTY, EACH AGENT AND EACH LENDER IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO (EXCEPT THAT, (X) IN THE CASE OF ANY SECURITY DOCUMENT, PROCEEDINGS MAY ALSO BE BROUGHT BY THE ADMINISTRATIVE AGENT IN THE STATE OR OTHER JURISDICTION IN WHICH THE RESPECTIVE COLLATERAL IS LOCATED OR ANY OTHER RELEVANT JURISDICTION AND (Y) IN THE CASE OF ANY BANKRUPTCY, INSOLVENCY OR SIMILAR PROCEEDINGS WITH RESPECT TO THE ADMINISTRATIVE AGENT, ANY L/C ISSUER, ANY SWING LINE LENDER OR ANY OTHER LENDER, ACTIONS OR PROCEEDINGS RELATED TO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS MAY BE BROUGHT IN SUCH COURT HOLDING SUCH BANKRUPTCY, INSOLVENCY OR SIMILAR PROCEEDINGS).

Section 11.17. *Waiver of Right to Trial by Jury.* EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 11.17 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

Section 11.18. *Binding Effect.* This Agreement shall become effective when it shall have been executed by Holdings, the Borrower and each other Closing Date Loan Party and the Administrative Agent shall have been notified by each Lender, each Swing Line Lender and the L/C Issuer that each such Lender, Swing Line Lender and the L/C Issuer has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, each Agent and each Lender and their respective successors and assigns, except that the Borrower shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders.

Section 11.19. *No Implied Duties.* The Borrower acknowledges that (a) the sole role of the Arrangers is to syndicate the Facilities and to arrange for future amendments and other modifications hereto and (b) no Agent has any duty other than as expressly provided herein. Without limiting the generality of the foregoing, the Borrower agrees that no Arranger, Agent or Lender shall in any event be subject to any fiduciary or other implied duties. Additionally, the Borrower acknowledges and agrees that the Arrangers are not advising the Borrower as to any legal, Tax, investment, accounting or regulatory matters in any jurisdiction. The Borrower has consulted and will continue to consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated hereby (including any amendments or other modifications hereto), and no Arranger or Secured Party shall have any responsibility or liability to the Borrower with respect thereto. Any review by any Arranger or Secured Party of the Borrower, the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of such Arranger or Secured Party and shall not be on behalf of the Borrower.

Section 11.20. *USA Patriot Act Notice.* Each Lender that is subject to the USA Patriot Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies

the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “**USA Patriot Act**”), it is required to obtain, verify and record information that identifies the Borrower and each Guarantor, which information includes the name and address of the Borrower or Guarantor and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrower or such Guarantor in accordance with the Act. The Borrower shall, reasonably promptly following a request by the Administrative Agent, provide all documentation and other information that the Administrative Agent requests in order to comply with ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the Act; provided that, no Default or Event of Default shall result from non-compliance by this Section 11.20.

Section 11.21. *Acknowledgement and Consent to Bail-In of EEA Financial Institutions.* Solely to the extent any Lender or L/C Issuer that is an EEA Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender or L/C Issuer that is an EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender or L/C Issuer that is an EEA Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 11.22. *ERISA Representations.*

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, that at least one of the following is and will be true:

- (i) such Lender is not using Plan Assets in connection with such Lender’s entrance into, participation, administration of and performance of the Loans, the Commitments or this Agreement,
- (ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable and the conditions are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, and the conditions for exemptive relief thereunder are and will continue to be satisfied in connection therewith, or

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender, such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

Section 11.23. *No Advisory or Fiduciary Responsibility.* In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower and each other Loan Party acknowledges and agrees, and acknowledges its Affiliates’ understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Arrangers, and the Lenders are arm’s-length commercial transactions between the Borrower, each other Loan Party and their respective Affiliates, on the one hand, and the Administrative Agent, the Arrangers, and the Lenders, on the other hand, (B) each of the Borrower and the other Loan Parties has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower and each other Loan Party is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, the Arrangers and each Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, any other Loan Party or any of their respective Affiliates, or any other Person and (B) neither the Administrative Agent, the Arrangers nor any Lender has any obligation to the Borrower, any other Loan Party or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Arrangers and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, the other Loan Parties and their respective Affiliates, and neither the Administrative Agent, the Arrangers, nor any Lender has any obligation to disclose any of such interests to the Borrower, any other Loan Party or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and each other Loan Party hereby waives and releases any claims that it may have against the Administrative Agent, the Arrangers or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 11.24. *Electronic Execution of Assignments and Certain Other Documents.* The words “execute,” “execution,” “signed,” “signature,” and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Assumptions, amendments or other modifications, Loan Notices, Swing Line Loan Notices, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding

anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

Section 11.25. *The Borrower as Loan Party Representative.* Each Loan Party (other than the Borrower) hereby designates the Borrower as its representative and agent for all purposes under the Loan Documents, including requests for Revolving Credit Loans, designation of interest rates, delivery or receipt of communications, preparation and delivery of financial reports, receipt and payment of Obligations, requests for waivers, amendments or other accommodations, actions under the Loan Documents (including in respect of compliance with covenants), and all other dealings with the Administrative Agent or any Lender. The Borrower hereby accepts such appointment. The Administrative Agent and the Lenders shall be entitled to rely upon, and shall be fully protected in relying upon, any notice or communication (including any Loan Notice) delivered by Borrower on behalf of any other Loan Party. The Administrative Agent, the Collateral Agent and the Lenders may give any notice or communication with a Loan Party hereunder to the Borrower on behalf of such Loan party. Each of the Administrative Agent, the Collateral Agent and the Lenders shall have the right, in its discretion, to deal exclusively with the Borrower for any or all purposes under the Loan Documents. Each Loan Party agrees that any notice, election, communication, representation, agreement or undertaking made on its behalf by the Borrower shall be binding upon and enforceable against it.

Section 11.26. *Judgment Currency.* If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “Judgment Currency.”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “Agreement Currency.”), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable law).

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.]

AMENDMENT No. 1, dated as of February 10, 2020 (this "Amendment"), to the Credit Agreement dated as of February 8, 2019 ("Credit Agreement"; the Credit Agreement as amended by this Amendment, the "Amended Credit Agreement"), by and among The Dun & Bradstreet Corporation, a Delaware corporation (the "Borrower"), Star Intermediate III, LLC, a Delaware limited liability company ("Holdings"), the other Guarantors party hereto, BANK OF AMERICA, N.A. ("BOA") as administrative agent and collateral agent (in such capacities, the "Administrative Agent") and each lender from time to time party thereto (collectively, the "Lenders" and individually, a "Lender"); capitalized terms used and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement.

WHEREAS, the Borrower desires to amend the Credit Agreement on the terms set forth herein;

WHEREAS, (a) Section 2.19 of the Credit Agreement provides that the Borrower may obtain Refinancing Term Loans pursuant to a Refinancing Amendment, the proceeds of which shall be used to prepay in full Initial Term Loans outstanding under the Credit Agreement as of the Amendment No. 1 Effective Date (immediately prior to giving effect to this Amendment) (the "Existing Term Loans"; and the Initial Lenders holding such Existing Term Loans, the "Existing Term Lenders"); and (b) Section 11.01 provides that the relevant Loan Parties and the Required Lenders may amend the Credit Agreement and the other Loan Documents for certain purposes;

WHEREAS, (a) BofA Securities, Inc., has agreed to act in the roles and pursuant to the titles set forth in the Engagement Letter, dated as of January 22, 2020, between the Borrower and BofA Securities, Inc., in respect of such Refinancing Term Loans (in such capacity, the "Lead-Left Arranger") and (b) the Lead-Left Arranger, together with Citigroup Global Markets Inc. and RBC Capital Markets shall act as joint lead arrangers and joint bookrunners in respect of such Refinancing Term Loans (acting in its capacity in such roles and titles, the "Lead Arrangers");

WHEREAS, (a) BOA has agreed to provide Refinancing Term Loans (such Refinancing Term Loans, collectively with the Refinancing Term Loans provided pursuant to clause (b) below, the "New Term Loans") in an aggregate principal amount equal to the outstanding principal amount of Existing Term Loans in effect as of the Amendment No. 1 Effective Date *minus* the aggregate Rollover Amount (as defined below) (BOA, in such capacity, the "New Fronting Term Lender") and (b) each Rollover Lender (as defined below) has agreed to have all of its outstanding Existing Term Loans converted into a like principal amount of New Term Loans, in each case of clauses (a) and (b), effective as of the Amendment No. 1 Effective Date, in accordance with the terms and conditions set forth herein and in the Credit Agreement; and

WHEREAS, the New Term Lenders (as defined below) have agreed to provide New Term Loans (or in the case of the Rollover Lenders, convert their Existing Term Loans to New Term Loans) and (ii) the Borrower has requested, and each of the New Term Lenders have agreed to, an amendment to the Credit Agreement pursuant to which certain other provisions of the Credit Agreement will be amended as set forth herein.

NOW, THEREFORE, in consideration of the premises contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

Section 1. **New Term Loans; Amendment.**

(a) With effect from and including the Amendment No. 1 Effective Date, the New Term Lenders shall become party to the Amended Credit Agreement as a "Lender", a "Initial

Lender” and “Term Lender”, shall have a commitment to provide Refinancing Term Loans in accordance with the terms hereof (i) in the case of the New Fronting Term Lender, in an aggregate principal amount equal to the outstanding principal amount of Existing Term Loans in effect as of the Amendment No. 1 Effective Date **minus** the aggregate Rollover Amount for all other New Term Lenders and (ii) in the case of each Rollover Lender, in the amount equal to such Lender’s Rollover Amount (each such commitment, a “**New Term Loan Commitment**”), as applicable, and shall have all of the rights and obligations of a “Lender”, “Initial Term Lender” and “Term Lender” under the Amended Credit Agreement and the other Loan Documents. On the Amendment No. 1 Effective Date, each Existing Term Lender (in its capacity as such, but not in any other capacity) shall cease to be a Lender party to the Credit Agreement (and, for the avoidance of doubt, shall not be a party to the Amended Credit Agreement with respect to Initial Term Loans (except to the extent that it shall subsequently become party thereto (i) pursuant to an Assignment and Assumption entered into with any Lender in accordance with the terms of the Amended Credit Agreement, (ii) with respect to any Rollover Lender, pursuant to a “cashless roll” in accordance with this Amendment or (iii) through other means in accordance with the terms and provisions of the Amended Credit Agreement)), and all accrued and unpaid fees and other amounts payable under the Credit Agreement for the account of each Existing Term Lender shall be due and payable on such date.

(b) On the Amendment No. 1 Effective Date,

(i) each New Term Lender, severally and not jointly, shall make (or in the case of any Rollover Lender, be deemed to make) a Refinancing Term Loan to the Borrowers in accordance with this Section 1(b) and Section 2.19 of the Credit Agreement by being deemed to deliver to the Administrative Agent immediately available funds in an amount equal to its New Term Loan Commitment;

(ii) the Borrowers shall prepay in full the Existing Term Loans by (A) delivering to the Administrative Agent funds in an amount equal to the excess, if any, of (1) the aggregate of the Existing Term Loan Prepayment Amounts for all of the Existing Term Lenders (except to the extent otherwise agreed by any Existing Term Lender) over (2) the sum of the New Lender Net Funding Amount (as defined below) plus (without duplication of any New Lender Net Funding Amount) the Rollover Amount (such excess, the “**Borrower’s Payment**”); and (B) directing the Administrative Agent to apply the funds made available to the Administrative Agent pursuant to Section 1(b)(i) hereof, net of fees and expenses as agreed by the Borrower and the Administrative Agent not otherwise paid by or on behalf of the Borrower (the “**New Lender Net Funding Amount**”), along with the Borrower’s Payment, if any, and the Rollover Amount to prepay in full the Existing Term Loans; and

(iii) the Administrative Agent shall apply the Borrowers’ Payment to pay to each Existing Term Lender an amount equal to such Existing Term Lender’s Existing Term Loan Prepayment Amount (except as otherwise agreed by such Existing Term Lender).

The transactions described in this Section 1(b) shall be deemed to occur immediately prior to the effectiveness of the amendment of the Credit Agreement pursuant to Section 1(d) hereof. The New Term Loan Commitments provided for hereunder shall terminate on the Amendment No. 1 Effective Date immediately upon the borrowing of the New Term Loans pursuant to Section 1(b). For purposes of this Amendment, the “**Existing Term Loan Prepayment Amount**” shall mean, for each Existing Term Lender, the sum of (i) the aggregate principal amount of Existing Term Loans owing to such Existing Term Lender on the Amendment No. 1 Effective Date plus (ii) all accrued and unpaid interest and other amounts due and

payable in accordance with the Credit Agreement on such Existing Term Lender's Existing Term Loans as of the Amendment No. 1 Effective Date.

(c) Any Existing Term Lender may elect for a "cashless roll" of 100% (or such lesser amount as may be determined by the Lead-Left Arranger and separately notified to such Existing Term Lender by the Lead-Left Arranger prior to the Amendment No. 1 Effective Date) of its Existing Term Loans into New Term Loans in the same principal amount by executing its appropriate signature page to this Amendment and delivering such signature page to the Lead-Left Arranger (such electing Existing Term Lenders, the "Rollover Lenders" and, together with the New Fronting Term Lender, the "New Term Lenders"). It is understood and agreed that (i) simultaneously with the deemed making of New Term Loans by each Rollover Lender and the payment to such Rollover Lender of all accrued and unpaid fees and other amounts in respect of the Existing Term Loan in respect of such Rollover Amount (as defined below), such elected amount (or such lesser amount as may be determined by the Lead-Left Arranger and separately notified to such Rollover Lender by the Lead-Left Arranger prior to the Amendment No. 1 Effective Date) of the Existing Term Loans held by such Rollover Lender (the "Rollover Amount") shall be deemed to be extinguished, repaid and no longer outstanding and such Rollover Lender shall thereafter hold a New Term Loan in an aggregate principal amount equal to such Rollover Lender's Rollover Amount, (ii) no Rollover Lender shall receive any prepayment being made to other Existing Term Lenders holding Existing Term Loans from the proceeds of the New Term Loans to the extent of such Rollover Lender's Rollover Amount and (iii) any Existing Term Loan held by a Rollover Lender that is not so allocated to such Rollover Lender as a Rollover Amount shall be repaid in full on the Amendment No. 1 Effective Date together with all accrued and unpaid amounts owing to such Existing Term Lender in respect of such amount.

(d) The Credit Agreement is, effective as of the Amendment No. 1 Effective Date (as defined below), hereby amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken-text~~) and to add the double-underlined text (indicated textually in the same manner as the following example: double-underlined text) as set forth in the pages of the Credit Agreement attached as Exhibit A hereto.

(e) With effect from the effectiveness of this Amendment, each New Term Loan made on the Amendment No. 1 Effective Date in accordance with Section 1(b) shall constitute, for all purposes of the Amended Credit Agreement, an Initial Term Loan made pursuant to the Amended Credit Agreement and this Amendment; provided that each such New Term Loan shall constitute an "Initial Term Loan" for all purposes of the Amended Credit Agreement, and all provisions of the Amended Credit Agreement applicable to Initial Term Loans shall continue to be applicable to such New Term Loans.

Section 2. **Representations and Warranties.** Holdings and the Borrower hereby represent and warrant, on behalf of each Loan Party, that, as of the Amendment No. 1 Effective Date (as defined below), this Amendment has been duly authorized, executed and delivered by such Loan Party and constitutes the legal, valid and binding obligation of such Loan Party enforceable against it in accordance with its terms, except as such enforceability may be limited by Debtor Relief Laws and by general principles of equity.

Section 3. **Effectiveness.** This Amendment shall become effective on the date (such date, the "Amendment No. 1 Effective Date") that the following conditions have been satisfied:

(e) Closing Certificates. The Lead Arrangers and the Administrative Agent shall have received a certificate dated as of the Amendment No. 1 Effective Date and executed by a Responsible Officer of the Borrower certifying, after giving effect to this Amendment, that, as of the Amendment No. 5 Effective Date, (i) the representations and warranties of each Loan Party contained in Article 5 of the Credit Agreement or any other Loan Document shall be true and correct in all material respects, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects as of such earlier date (except that, in each case, any representation and warranty that is qualified as to "materiality" or "Material Adverse Effect" shall be true and correct in all respects as so qualified) and (ii) no Default exists, or would result from this Amendment and the incurrence of the New Term Loans;

Section 1.08. Certain Calculations and Tests.

(a) [Reserved].

(b) For purposes of determining the permissibility of any action, change, transaction or event that requires a calculation of any financial ratio or test (including, without limitation, the Senior Secured Leverage Ratio, the Secured Leverage Ratio, the Total Leverage Ratio, the Interest Coverage Ratio, any other financial ratios, Consolidated EBITDA, Consolidated Total Assets and other financial calculations pursuant to Section 7.10), such financial ratio or test shall be calculated on a pro forma basis at the time such action is taken (subject to Section 1.15), such change is made, such transaction is consummated or such event occurs, as the case may be, and no Default or Event of Default shall be deemed to have occurred solely as a result of a change in such financial ratio or test occurring after the time such action is taken, such change is made, such transaction is consummated or such event occurs, as the case may be.

(c) Notwithstanding anything to the contrary herein, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that does not require compliance with a financial ratio or test (including, without limitation, Section 7.10 hereof, any Senior Secured Leverage Ratio test, any Secured Leverage Ratio test, any Total Leverage Ratio test and/or any Interest Coverage Ratio test) (any such amounts, the “**Fixed Amounts**”) substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement within the same covenant (including for purposes of Section 7.03, any Incremental Facility and/or Incremental Equivalent Debt incurred in reliance on the Incremental Cap) that requires compliance with a financial ratio or test (including, without limitation, Section 7.10 hereof, any Senior Secured Leverage Ratio test, any Secured Leverage Ratio test, any

Total Leverage Ratio test and/or any Interest Coverage Ratio test) (any such amounts, the “**Incurrence-Based Amounts**”), it is understood and agreed that (x) at the election of the Borrower, the Fixed Amounts shall be disregarded in the calculation of the financial ratio or test applicable to the Incurrence-Based Amounts and (y) to the extent amounts initially allocated to a Fixed Amount could be reclassified pursuant to Section 1.02(g) to an Incurrence-Based Amount if the relevant test would be satisfied in any subsequent Test Period, then such reclassification shall be deemed to have automatically occurred at such time.

(d) If at any time any change in GAAP (including the adoption of IFRS) would result in a change in the method of calculation of financial covenants, standards or terms (collectively, the “**Accounting Changes**”) in this Agreement, and either the Borrower or the Required Lenders shall so request, the Borrower, the Lenders and the Administrative Agent agree to enter into good faith negotiations in order to amend such provisions of this Agreement (including the levels applicable herein to any computation of the Senior Secured Leverage Ratio, the Secured Leverage Ratio, the Total Leverage Ratio or the Interest Coverage Ratio) so as to reflect equitably the Accounting Changes with the desired result that the criteria for evaluating the Borrower’s financial condition shall be substantially the same after such change as if such change had not been made. Until such time as such an amendment shall have been executed and delivered by the Borrower, the Administrative Agent and the Required Lenders, all financial covenants, standards and terms in this Agreement shall continue to be calculated or construed in accordance with GAAP as if such change had not occurred (as determined in good faith by a Responsible Officer of the Borrower) (it being agreed that the Borrower shall, until such amendment is so executed and delivered, provide to the Administrative Agent and the Lenders financial statements or other documents reasonably requested hereunder setting forth a reconciliation between the calculation of such covenants, standards or terms made before and after giving effect to such change in GAAP (including conversion to IFRS)).

(e) in the case of any Indebtedness or Liens initially incurred in reliance on an amount calculated based on a percentage of Consolidated EBITDA, such Indebtedness (and related Liens) may be refinanced in a manner that is otherwise in accordance with the provisions of this Agreement in an amount not in excess of the original principal amount therefor (without giving effect to any fees, premiums, original issue discount or similar amounts, but giving effect to any capitalized interest or other amounts that increase such principal), notwithstanding that Consolidated EBITDA may no longer permit the initial incurrence of such amount at such time.

Section 1.09. Exchange Rates; Currencies Generally.

(a) For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, Lien, Restricted Payment, Restricted Prepayment, Investment or an affiliate transaction, the U.S. dollar-equivalent principal amount of Indebtedness, or amount of Lien, Restricted Payment, Restricted Prepayment, Investment or affiliate transaction, in each case, denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term Indebtedness, or first committed, in the case of revolving credit Indebtedness incurred or made in the case of any Lien, Restricted Payment, Restricted Prepayment, Investment or affiliate transaction; provided that if any such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced. Notwithstanding anything to the contrary in this Agreement, the maximum amount of any Indebtedness,

Liens, Restricted Payments, Restricted Prepayments, Investments or affiliate transactions that the Restricted Companies may incur in compliance with this Agreement shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

(b) The Administrative Agent or the L/C Issuer, as applicable, shall determine the Spot Rates as of each Revaluation Date to be used for calculating Dollar Equivalent amounts of Credit Extensions and Outstanding Amounts denominated in Alternate Currencies. Such Spot Rates shall become effective as of such Revaluation Date and shall be the Spot Rates employed in converting any amounts between the applicable currencies until the next Revaluation Date to occur. Except for purposes of financial statements delivered by Loan Parties hereunder or calculating financial covenants hereunder or except as otherwise provided herein, the applicable amount of any currency (other than Dollars) for purposes of the Loan Documents shall be such Dollar Equivalent amount as so determined by the Administrative Agent or the L/C Issuer, as applicable.

(c) Wherever in this Agreement in connection with an Initial Revolving Credit Borrowing, conversion, continuation or prepayment of a Eurocurrency Rate Loan or the issuance, amendment or extension of a Letter of Credit, an amount, such as a required minimum or multiple amount, is expressed in Dollars, but such Borrowing, Eurocurrency Rate Loan or Letter of Credit is denominated in an Alternate Currency, such amount shall be the relevant Alternate Currency Equivalent of such Dollar amount (rounded to the nearest unit of such Alternate Currency, with 0.5 of a unit being rounded upward), as determined by the Administrative Agent or the L/C Issuer, as the case may be.

(d) The Administrative Agent does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the administration, submission or any other matter related to the rates in the definition of “Eurocurrency Rate” or with respect to any comparable or successor rate thereto.

Section 1.10. Cashless Rollovers. Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, to the extent that any Lender extends the maturity date of, or replaces, renews or refinances, any of its then-existing Loans with Additional Loans, Refinancing Term Loans, Loans in connection with any Refinancing Revolving Credit Facility, Extended Term Loans, Extended Revolving Credit Loans or loans incurred under a new credit facility, in each case, to the extent such extension, replacement, renewal or refinancing is effected with such Lender’s consent by means of a “cashless roll” by such Lender, such extension, replacement, renewal or refinancing shall be deemed to comply with any requirement hereunder or any other Loan Document that such payment be made “in Dollars” or the relevant Alternate Currency, “in immediately available funds”, “in cash” or any other similar requirement.

Section 1.11. Additional Alternate Currencies.

(a) The Borrower may from time to time request that Revolving Credit Loans be made and/or Letters of Credit be issued in a currency other than those specifically listed in the definition of “Alternate Currency”; provided that such requested currency is a lawful currency (other than Dollars) that is readily available and freely transferable and convertible into Dollars. In the case of any such request with respect to the making of Revolving Credit Loans, such request shall be subject to the approval of the Administrative Agent and each of the Revolving Credit Lenders; and in the case of any such request with respect to the issuance of Letters of Credit, such request shall be subject to the approval of the Administrative Agent and the applicable L/C Issuer.

(b) Any such request shall be made to the Administrative Agent not later than 11:00 a.m., ten (10) Business Days prior to the date of the desired Credit Extension (or such other time or date as may be agreed by the Administrative Agent and, in the case of any such request pertaining to Letters of Credit, the relevant L/C Issuer in its reasonable discretion). In the case of any such request pertaining to Revolving Credit Loans, the Administrative Agent shall promptly notify each Revolving Credit Lender of the applicable Class thereof, and in the case of any such request pertaining to Letters of Credit, the Administrative Agent shall promptly notify the relevant L/C Issuer thereof. Each such Revolving Credit Lender (in the case of any such request pertaining to Revolving Credit Loans) and the relevant L/C Issuer (in the case of a request pertaining to Letters of Credit) shall notify the Administrative Agent, not later than 11:00 a.m., five (5) Business Days after receipt of such request whether it consents, in its sole discretion, to the making of Revolving Credit Loans or the issuance of Letters of Credit, in such requested currency.

(c) Any failure by a Revolving Credit Lender or the relevant L/C Issuer to respond to such request within the time period specified in the preceding paragraph (b) shall be deemed to be a refusal by such Revolving Credit Lender or L/C Issuer, as the case may be, to permit Revolving Credit Loans to be made or Letters of Credit, as applicable, to be issued in such requested currency. If the Administrative Agent and all the Revolving Credit Lenders that would be obligated to make Credit Extensions denominated in such requested currency consent to making Revolving Credit Loans in such requested currency, the Administrative Agent shall so notify the Borrower and such currency shall thereupon be deemed for all purposes to be an Alternate Currency hereunder for purposes of any Borrowings of Revolving Credit Loans; and if the Administrative Agent and the relevant L/C Issuer consent to the issuance of Letters of Credit in such requested currency, the Administrative Agent shall so notify the Borrower and such currency shall thereupon be deemed for all purposes to be an Alternate Currency hereunder for purposes of any Letter of Credit. If the Administrative Agent shall fail to obtain the requisite consent to any request for an additional currency under this Section 1.11, the Administrative Agent shall promptly so notify the Borrower.

(d) Subject to the provisions of Sections 3.04, 3.07, 3.08 and 3.09 and other applicable provisions of this Agreement, each Lender may, at its option, make any Loan available to the Borrower by causing any foreign or domestic branch or Affiliate of such Lender to make such Loan; *provided* that any exercise of such option shall not affect the obligation of such Borrower to repay such Loan in accordance with the terms of this Agreement.

Section 1.12. Limited Condition Transactions.

(a) In connection with any action being taken in connection with a Limited Condition Transaction (including any incurrence or assumption of Indebtedness and the use of proceeds thereof, the incurrence or assumption of any Liens or the making of any Investments, Restricted Payments or fundamental changes, the repayment of any Indebtedness for which an irrevocable notice of prepayment or redemption is required or the designation of any Restricted Subsidiaries or Unrestricted Subsidiaries in connection with a Permitted Acquisition or permitted Investment, in each case, in connection with such Limited Condition Transaction), for purposes of (i) determining compliance with any provision of this Agreement which requires the calculation of the Senior Secured Leverage Ratio, the Secured Leverage Ratio, the Total Leverage Ratio, the Interest Coverage Ratio and/or any other financial ratio; or (ii) testing availability under baskets set forth in this Agreement (including baskets measured as a percentage of Consolidated Total Assets or Consolidated EBITDA, if any), in each case, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "**LCT Election**"), the date of determination of whether any such transaction is permitted hereunder shall be deemed to be the date (the "**LCT Test Date**"), (x) the definitive agreement for such Limited Condition Transaction is entered into (or, if applicable, delivery of

irrevocable notice or similar event), and not at the time of consummation of such Limited Condition Transaction or (y) solely in connection with an acquisition to which the United Kingdom City Code on Takeovers and Mergers applies (or similar law in another jurisdiction), the date on which a “Rule 2.7 announcement” of a firm intention to make an offer (or equivalent announcement in another jurisdiction) (a “**Public Offer**”) in respect of a target of such acquisition, and if, after giving pro forma effect to such Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence or assumption of Indebtedness and the use of proceeds thereof, the incurrence or assumption of any Liens or the making of any Investments, Restricted Payments or fundamental changes, the repayment of any Indebtedness for which an irrevocable notice of prepayment or redemption is required or the designation of any Restricted Subsidiaries or Unrestricted Subsidiaries in connection with a Permitted Acquisition or permitted Investment, in each case, in connection with such Limited Condition Transaction) as if they had occurred at the beginning of the most recent test period ending prior to the LCT Test Date, the Borrower could have taken such action on the relevant LCT Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with.

(b) For the avoidance of doubt, if the Borrower has made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in Consolidated Total Assets or Consolidated EBITDA of the Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining whether the relevant transaction or action is permitted to be consummated or taken; provided that if such ratios or baskets improve as a result of such fluctuations, such improved ratios and/or baskets may be utilized. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio or basket availability with respect to the incurrence of Indebtedness or Liens, or the making of Restricted Payments, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement for such Limited Condition Transaction is terminated or expires (or, if applicable, the irrevocable notice is terminated or expires or, as applicable, the offer in respect of a Public Offer for, such acquisition is terminated) without consummation of such Limited Condition Transaction, any such ratio or basket shall be tested by calculating the availability under such ratio or basket on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith have been consummated (including any incurrence of Indebtedness and any associated Lien and the use of proceeds thereof; provided that Consolidated Interest Charges for purposes of the Interest Coverage Ratio will be calculated using an assumed interest rate based on the indicative interest margin contained in any financing commitment documentation with respect to such Indebtedness or, if no such indicative interest margin exists, as reasonably determined by the Borrower in good faith).

(c) In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of determining compliance with any provision of this Agreement which requires that no Default, Event of Default or Specified Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Borrower, be deemed satisfied, so long as no Default, Event of Default or Specified Event of Default, as applicable, exists on the date the definitive agreements for such Limited Condition Transaction are entered into, irrevocable prepayment or redemption notices are provided to the applicable holders or a Public Offer is made, as applicable. For the avoidance of doubt, if the Borrower has exercised its option under this Section 1.12, and any Default, Event of Default or Specified Event of Default occurs

following the date the definitive agreements for the applicable Limited Condition Transaction were entered into and prior to the consummation of such Limited Condition Transaction, any such Default, Event of Default or specified Event of Default shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted hereunder.

Section 1.13. Letter of Credit Amounts. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the Dollar Equivalent of the stated amount of such Letter of Credit in effect at such time; provided, however, that with respect to any Letter of Credit that, by its terms or the terms of any Issuer Document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the Dollar Equivalent of the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

(a) Each Term Borrowing, each Revolving Credit Borrowing, the borrowing of Repatriation Bridge Loans, each conversion of Term Loans, Repatriation Bridge Loans or Revolving Credit Loans from one Type to the other, and each continuation of Eurocurrency Rate Loans shall be made upon the Borrower's irrevocable notice to the Administrative Agent, which may be given by telephone. Each telephonic notice by the Borrower pursuant to this Section 2.02(a) must be confirmed immediately by delivery to the Administrative Agent of a written Loan Notice, appropriately signed

by a Responsible Officer of the Borrower. Each such Loan Notice must be received by the Administrative Agent not later than (i) 12:00 p.m. three Business Days prior to the requested date of any Borrowing of Eurocurrency Rate Revolving Credit Loans and Repatriation Bridge Loans, continuation of Eurocurrency Rate Revolving Credit Loans and Repatriation Bridge Loans or any conversion of Base Rate Revolving Credit Loans and Repatriation Bridge Loans to Eurocurrency Rate Revolving Credit Loans or Repatriation Bridge Loans, as applicable, denominated in Dollars, (ii) 12:00 p.m. three Business Days prior to the requested date of any Borrowing of Eurocurrency Rate Term Loans, continuation of Eurocurrency Rate Term Loans or any conversion of Base Rate Term Loans to Eurocurrency Rate Term Loans denominated in Dollars (*provided* that, in each cases of clauses (i) and (ii), if such Borrowing is an initial Credit Extension to be made on the Closing Date, notice must be received by the Administrative Agent not later than, in the case of Initial Term Loans, Revolving Credit Loans and Repatriation Bridge Loans, 1:00 p.m. one Business Day prior to the Closing Date), (iii) 12:00 p.m. four Business Days (or five Business Days in the case of a Special Notice Currency) prior to the requested date of any Borrowing of Eurocurrency Rate Loans, continuation of Eurocurrency Rate Loans or any conversion of Base Rate Loans to Eurocurrency Rate Loans denominated in an Alternate Currency, and (iv) 12:00 p.m. on the requested date of any Borrowing of Base Rate Loans. Each telephonic notice by the Borrower pursuant to this Section 2.02(a) must be confirmed promptly by delivery to the Administrative Agent of a written Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Each Borrowing of, conversion to or continuation of Eurocurrency Rate Loans shall be in a principal amount of the Dollar Equivalent of \$1,000,000 or a whole multiple of \$1,000,000 in excess thereof (or (x) €1,000,000 in the case of any Borrowing denominated in Euros, (y) £1,000,000 in the case of any Borrowing denominated in Pounds Sterling or (z) the Dollar Equivalent thereof in the case of any Borrowing denominated in any other Alternate Currency). Except as provided in Section 2.04(c)(i) and Section 2.05(c)(i), each Borrowing of or conversion to Base Rate Loans shall be in a principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof. Each Loan Notice (whether telephonic or written) shall specify (i) whether the Borrower is requesting a Term Borrowing, a Revolving Credit Borrowing, a borrowing of Repatriation Bridge Loans, a conversion of Term Loans, Repatriation Bridge Loans or Revolving Credit Loans from one Type to the other, or a continuation of Eurocurrency Rate Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of Loans to be borrowed, converted or continued (in Dollars or in an Alternate Currency), (iv) the Type of Loans to be borrowed or which existing Term Loans, Repatriation Bridge Loans or Revolving Credit Loans are to be converted, (v) whether such Borrowing will be made in Dollars or an Alternate Currency and (vi) if applicable, the duration of the Interest Period with respect thereto. Any such automatic conversion to Eurocurrency Rate Loans with an Interest Period of one month shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurocurrency Rate Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of Eurocurrency Rate Loans in any such Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month. Notwithstanding the foregoing each Revolving Credit Loan denominated in an Alternate Currency shall be a Eurocurrency Rate Loan.

(b) Following receipt of a Loan Notice, the Administrative Agent shall promptly notify each Appropriate Lender of the amount of its Pro Rata Share of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Eurocurrency Rate Loans with an Interest Period of one month or continuation described in Section 2.02(a). In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office not later than 2:00 p.m. on the Business Day specified in the applicable Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.02 (and, if such Borrowing is the initial Credit Extension, Section 4.01), the Administrative Agent shall make all funds so received available to the Borrower in like funds as received by the Administrative Agent either by (i) crediting the account of the Borrower on the books of Bank of America with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to the Administrative Agent by the Borrower; *provided* that if, on the date the

Loan Notice with respect to such Borrowing is given by the Borrower, there are Swing Line Loans or L/C Borrowings outstanding, then the proceeds of such Borrowing shall be applied, first, to the payment in full of any such L/C Borrowings, second, to the payment in full of any such Swing Line Loans, and third, to the Borrower as provided above.

(c) Except as otherwise provided herein, a Eurocurrency Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Rate Loan unless the Borrower pays the amount due, if any, under Section 3.07 in connection therewith. During the existence of an Event of Default, the Administrative Agent or the Required Lenders may require that no Loans may be converted to or continued as Eurocurrency Rate Loans.

(d) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurocurrency Rate Loans upon determination of such interest rate. The determination of the Eurocurrency Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in Bank of America's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Term Borrowings, all Revolving Credit Borrowings, all conversions of Term Loans or Revolving Credit Loans from one Type to the other, and all continuations of Term Loans or Revolving Credit Loans as the same Type, there shall not be more than 12 Interest Periods in effect with respect to Loans.

(f) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

Section 2.03. [Reserved].

Section 2.04. Letters of Credit.

(a) *The Letter of Credit Commitment.* (i) Subject to the terms and conditions set forth herein, (A) each L/C Issuer agrees, in reliance upon the agreements of the other Initial Revolving Credit Lenders set forth in this Section 2.04, (1) from time to time on any Business Day during the period from the Closing Date until the Letter of Credit Expiration Date, to issue Letters of Credit denominated in Dollars or an Alternate Currency for the account of the Borrower and to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.04(b), and (2) to honor drafts under the Letters of Credit; and (B) the Initial Revolving Credit Lenders severally agree to participate in Letters of Credit issued for the account of the Borrower; *provided* that no L/C Issuer shall be obligated to issue any commercial Letter of Credit, and no Lender shall be obligated to participate in any Letter of

Credit if as of the date of such L/C Credit Extension or after giving effect thereto, (w) the Total Revolving Outstandings with respect to the Initial Revolving Credit Facility would exceed the aggregate Initial Revolving Credit Commitments, (x) the Revolving Outstandings of any Lender under the Initial Revolving Credit Facility would exceed such Lender’s Initial Revolving Credit Commitment, (y) the Outstanding Amount of the L/C Obligations would exceed the Letter of Credit Sublimit or (z) the Outstanding Amount of the L/C Obligations with respect to Letters of Credit issued by such L/C Issuer would exceed such L/C Issuer’s L/C Commitment (in each case, taking the Dollar Equivalent of all amounts in an Alternate Currency). Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower’s ability to obtain Letters of Credit shall be fully revolving, and accordingly

the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed.

(ii) An L/C Issuer shall be under no obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or request that such L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which, in each case, such L/C Issuer in good faith deems material to it;

(B) subject to Section 2.04(b)(iii), the expiry date of such requested Letter of Credit would occur more than twelve months after the date of issuance or last renewal, unless all Initial Revolving Credit Lenders (other than any Initial Revolving Credit Lender that is a Defaulting Lender) and such L/C Issuer have approved such expiry date;

(C) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless all Initial Revolving Credit Lenders (other than any Initial Revolving Credit Lender that is a Defaulting Lender) and such L/C Issuer have approved such expiry date; or

(D) the issuance of such Letter of Credit would violate any Laws or one or more policies of such L/C Issuer.

(iii) An L/C Issuer shall be under no obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(b) *Procedures for Issuance and Amendment of Letters of Credit; Auto-Renewal Letters of Credit.* (i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to an L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the Borrower. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any Letter of Credit Application or other agreement submitted by the Borrower to, or entered into by the Borrower with the applicable L/C Issuer relating to any Letter of Credit, the terms and conditions of this Agreement shall control. Such Letter of Credit Application must be received by the relevant L/C Issuer and the Administrative Agent not later than 1:00 p.m. at least

two Business Days prior to the proposed issuance date or date of amendment, as the case may be, or such later date and time as the relevant L/C Issuer may agree in a particular instance in its sole discretion. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount and currency thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (G) such other matters as the relevant L/C Issuer may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer: (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment; and (4) such other matters as the relevant L/C Issuer may reasonably request. No Letter of Credit, Letter of Credit Application or other document entered into by the Borrower with any L/C Issuer relating to any Letter of Credit shall contain any representations or warranties, covenants or events of default not set forth in this Agreement (and to the extent inconsistent herewith shall be rendered null and void (or reformed automatically without further action by any Person to conform to the terms of this Agreement), and if any Letter of Credit Application includes representations and warranties, covenants and/or events of default that do not contain the materiality qualifiers, exceptions or thresholds that are applicable to the analogous provisions of this Agreement or other Loan Documents, or are otherwise more restrictive, the relevant qualifiers, exceptions and thresholds contained herein shall be incorporated therein or, to the extent more restrictive, shall be deemed for purposes of such Letter of Credit Application to be the same as the analogous provisions herein.

(ii) Promptly after receipt of any Letter of Credit Application, the relevant L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the Borrower and, if not, the relevant L/C Issuer will provide the Administrative Agent with all information with respect to such Letter of Credit Application as reasonably requested by the Administrative Agent. Upon receipt by the relevant L/C Issuer of confirmation from the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof (such confirmation to be promptly provided by the Administrative Agent), then, subject to the terms and conditions hereof, the relevant L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the Borrower or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Letter of Credit, each Initial Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the relevant L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Lender's Pro Rata Share times the amount of such Letter of Credit.

(iii) If the Borrower so requests in any applicable Letter of Credit Application, the relevant L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic renewal provisions (each, an "**Auto-Extension Letter of Credit**"); *provided* that any such Auto-Extension Letter of Credit must permit the relevant L/C Issuer to prevent any such renewal at least once in each twelve month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "**Non-Extension Notice Date**") in each such twelve month period to be agreed upon at the time such Letter of

Credit is issued. Unless otherwise directed by the relevant L/C Issuer, the Borrower shall not be required to make a specific request to such L/C Issuer for any such renewal. Once an Auto-Renewal Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the relevant L/C Issuer to permit the renewal of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; *provided* that the relevant L/C Issuer shall not permit any such renewal if (A) such L/C Issuer has determined that it would have no obligation at such time to issue such Letter of Credit in its renewed form under the terms hereof (by reason of the provisions of Section 2.04(a), (ii) or otherwise), or (B) to the extent the face amount of the applicable Letter of Credit is increasing, it has received notice (which may be by telephone or in writing) on or before the day that is five Business Days before the Nonrenewal Notice Date from the Administrative Agent, any Initial Revolving Credit Lender or the Borrower that one or more of the applicable conditions specified in Section 4.02 is not then satisfied.

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the relevant L/C Issuer will also deliver to the Borrower (through the Administrative Agent) and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) *Drawings and Reimbursements; Funding of Participations.* (i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the relevant L/C Issuer shall examine such documents within the period stipulated by terms and conditions of Letter of Credit. After such examination, the relevant L/C Issuer shall notify the Borrower (through the Administrative Agent) and the Administrative Agent thereof. Not later than 3:00 p.m. on the date of any payment by the relevant L/C Issuer under a Letter of Credit (each such date, an “**Honor Date**”), the Borrower shall reimburse the L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing and in Dollars or the applicable Alternate Currency; *provided* that if notice of such drawing is not provided to the Borrower prior to 12:00 noon on the Honor Date, then the Borrower shall reimburse such L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing and in Dollars on the next succeeding Business Day and such extension of time shall be reflected in computing fees in respect of any such Letter of Credit. If the Borrower fails to so reimburse the relevant L/C Issuer by such time, the Administrative Agent shall promptly notify each Initial Revolving Credit Lender of the Honor Date, the amount of the unreimbursed drawing (the “**Unreimbursed Amount**”), and the amount of such Initial Revolving Credit Lender’s Pro Rata Share thereof. In such event, the Borrower shall be deemed to have requested an Initial Revolving Credit Borrowing of (x) in the case of a Letter of Credit denominated in Dollars, a Base Rate Loan denominated in Dollars in an equivalent amount and (y) in the case of a Letter of Credit denominated in an Alternate Currency, a Eurocurrency Rate Loan denominated in such Alternate Currency to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02(a) for the principal amount of Base Rate Loans, but subject to the amount of the unutilized portion of the Initial Revolving Credit Commitments. Any notice given by the relevant L/C Issuer or the Administrative Agent pursuant to this Section 2.04(c)(i) may be given by telephone if immediately confirmed in writing; *provided* that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Initial Revolving Credit Lender (including the Lender acting as the relevant L/C Issuer) shall upon any notice pursuant to Section 2.04(c)(i) make

funds available to the Administrative Agent for the account of the relevant L/C Issuer at the Administrative Agent's Office in an amount equal to its Pro Rata Share of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent (if such notice is provided to the Initial Revolving Credit Lenders prior to 11:00 a.m. on such date, and otherwise, by no later than two hours after receipt of such notice), whereupon, subject to the provisions of Section 2.04(c)(ii), each Initial Revolving Credit Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the relevant L/C Issuer in Dollars.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by an Initial Revolving Credit Borrowing of Base Rate Loans, the Borrower shall be deemed to have incurred from the relevant L/C Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Initial Revolving Credit Lender's payment to the Administrative Agent for the account of the relevant L/C Issuer pursuant to Section 2.04(c)(i) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.04.

(iv) Until each Initial Revolving Credit Lender funds its Initial Revolving Credit Loan or L/C Advance pursuant to this Section 2.04(c) to reimburse the relevant L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Pro Rata Share of such amount shall be solely for the account of such L/C Issuer.

(v) Each Initial Revolving Credit Lender's obligation to make Initial Revolving Credit Loans or L/C Advances to reimburse the relevant L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.04(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against such L/C Issuer, the Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default; or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; it being agreed that each Initial Revolving Credit Lender's obligation to make Initial Revolving Credit Loans pursuant to this Section 2.04(c) shall not be subject to the conditions set forth in Section 4.02. No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrower to reimburse the relevant L/C Issuer for the amount of any payment made by such L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Initial Revolving Credit Lender fails to make available to the Administrative Agent for the account of the relevant L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), such L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such

amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate per annum equal to the applicable Overnight Rate from time to time in effect. If such Lender pays such amount (with interest as aforesaid), the amount so paid shall constitute such Lender's Loan included in the relevant Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of the relevant L/C Issuer submitted to any Initial Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.04(c)(vi) shall be conclusive absent manifest error.

(d) *Repayment of Participations.* (i) If, at any time after the relevant L/C Issuer has made a payment under any Letter of Credit and has received from any Initial Revolving Credit Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.04(c)(i), the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Pro Rata Share thereof in Dollars or Alternate Currency and in the same funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of relevant L/C Issuer pursuant to Section 2.04(c) (i) is required to be returned under any of the circumstances described in Section 11.06 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each Initial Revolving Credit Lender shall pay to the Administrative Agent for the account of such L/C Issuer its Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

(e) *Obligations Absolute.* The obligation of the Borrower to reimburse any L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other Loan Document, or any term or provision therein;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that the Borrower may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the relevant L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the relevant L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not comply with the terms of such Letter of Credit; or any payment made by the relevant L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any exchange, release or nonperfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Obligations of the Borrower in respect of such Letter of Credit; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder;

Neither the Administrative Agent, the Lenders nor the L/C Issuer, nor any of their Agent-Related Persons, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the relevant L/C Issuer; *provided* that the foregoing shall not excuse any L/C Issuer from liability to the Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages) suffered by the Borrower that are caused by such L/C Issuer's gross negligence or willful misconduct (as finally determined by a court of competent jurisdiction). The Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the Borrower's instructions or other irregularity, the Borrower will promptly notify the relevant L/C Issuer.

(f) *Role of L/C Issuer.* Each Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the relevant L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of any L/C Issuer, any Agent-Related Person nor any of the respective correspondents, participants or assignees of such L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Required Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; *provided* that this assumption is not intended to, and shall not, preclude the Borrower from pursuing such rights and remedies as it may have against the beneficiary or transferee at Law or under this Agreement or any other agreement. None of any L/C Issuer, any Agent-Related Person, nor any of the respective correspondents, participants or assignees of such L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (vi) of Section 2.04(e); *provided* that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against any L/C Issuer, and any L/C Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to special, indirect, consequential or punitive

damages suffered by the Borrower which the Borrower proves were caused by such L/C Issuer's willful misconduct or gross negligence or such L/C Issuer's willful or grossly negligent failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit (as finally determined by a court of competent jurisdiction). In furtherance and not in limitation of the foregoing, the relevant L/C Issuer may accept documents that appear on their face to be in order without responsibility for further investigation, regardless of any notice or information to the contrary, and the relevant L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(g) *Cash Collateral.* Upon the request of the Administrative Agent or the relevant L/C Issuer, (i) if the relevant L/C Issuer has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in an L/C Borrowing, or (ii) if, as of the Letter of Credit Expiration Date, any Letter of Credit may for any reason remain outstanding and partially or wholly undrawn, the Borrower shall, within three Business Days, Cash Collateralize the then Outstanding Amount of all L/C Obligations (in an amount equal to such Outstanding Amount determined as of the date of such L/C Borrowing or the Letter of Credit Expiration Date, as the case may be) or, in the case of clause (ii), provide a back-to-back letter of credit in a face amount at least equal to the then undrawn amount of such Letter of Credit from an issuer and in form and substance reasonably satisfactory to the relevant L/C Issuer. For purposes hereof, "**Cash Collateralize**" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the relevant L/C Issuer and the Lenders, as collateral for the L/C Obligations, cash or deposit account balances ("**Cash Collateral**") pursuant to documentation in form and substance reasonably satisfactory to the Administrative Agent and the relevant L/C Issuer (which documents are hereby consented to by the Lenders). Derivatives of such term have corresponding meanings. Cash Collateral shall be maintained in a Cash Collateral Account. If at any time the Administrative Agent determines that any funds held as Cash Collateral are subject to any right or claim of any Person other than rights or claims of the Administrative Agent arising by operation of law or that the total amount of such funds is less than the aggregate Outstanding Amount of all L/C Obligations, the Borrower will, forthwith upon demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited and held in the Cash Collateral Account, an amount equal to the excess of (A) such aggregate Outstanding Amount over (B) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Law, to reimburse the relevant L/C Issuer. To the extent the amount of any Cash Collateral exceeds the aggregate Outstanding Amount of all L/C Obligations and so long as no Event of Default has occurred and is continuing, the excess shall be refunded to the Borrower.

(h) *Applicability of ISP98 and UCP.* Unless otherwise expressly agreed by the relevant L/C Issuer and the Borrower when a Letter of Credit is issued, (i) the rules of the "International Standby Practices 1998" published by the Institute of International Banking Law & Practice (or such later version thereof as may be in effect at the time of issuance) shall apply to each standby Letter of Credit, and (ii) the rules of the Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce at the time of issuance shall apply to each commercial Letter of Credit and on an exception basis only, shall apply to certain standby Letters of Credit as may be required by local law or statute.

(i) *Letter of Credit Fees.* The Borrower shall pay to the Administrative Agent for the account of each Initial Revolving Credit Lender in accordance with its Pro Rata Share a Letter of Credit fee (each an "**L/C Fee**") for each Letter of Credit issued for the account of the Borrower equal

to the Applicable Margin times the daily maximum amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit). Such letter of credit fees shall be computed on a quarterly basis in arrears. Such letter of credit fees shall be due and payable on the first Business Day after the end of each March, June, September and December that occurs after the first full fiscal quarter in which the Closing Date occurs, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Margin during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Margin separately for each period during such quarter that such Applicable Margin was in effect.

(j) *Fronting Fee and Documentary and Processing Charges Payable to L/C Issuer.* The Borrower shall pay directly to each L/C Issuer for its own account, in Dollars, a fronting fee with respect to each Letter of Credit issued by such L/C Issuer for the account of the Borrower in an amount equal to a percentage to that may be agreed by the Borrower and such L/C Issuer (but in any case not to exceed 0.125% per annum) of the daily maximum amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit). Such fronting fees shall be computed on a quarterly basis in arrears. Such fronting fees shall be due and payable on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. In addition, the Borrower shall pay directly to each L/C Issuer for its own account, in Dollars, the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within five Business Days of demand and are nonrefundable.

(k) *Conflict with Letter of Credit Application.* In the event of any conflict between the terms hereof and the terms of any Letter of Credit Application, the terms hereof shall control.

(l) *Defaulting Lenders.* This Section 2.04 shall be subject to the applicable provisions of Section 2.17 in the event any Initial Revolving Credit Lender becomes a Defaulting Lender.

(m) *Provisions Related to Extended Revolving Credit Commitments.* If the maturity date in respect of any tranche of Initial Revolving Credit Commitments occurs prior to the expiration of any Letter of Credit, then (i) if one or more other tranches of Revolving Credit Commitments in respect of which the maturity date shall not have occurred are then in effect and which the Revolving Credit Lenders thereunder have agreed to participate in the L/C Obligations, (x) the outstanding Initial Revolving Credit Loans shall be repaid pursuant to Section 2.09 on such maturity date to the extent and in an amount sufficient to permit the reallocation of the Outstanding Amount of L/C Obligations relating to the outstanding Letters of Credit contemplated by clause (y) below and (y) such Letters of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Revolving Credit Lenders to purchase participations therein and to make payments in respect thereof pursuant to Section 2.04(c)) under (and ratably participated in by the applicable Revolving Credit Lenders pursuant to) the Revolving Credit Commitments in respect of such non-terminating tranches up to an aggregate amount not to exceed the aggregate principal amount of the Revolving Credit Commitments in respect of such nonterminating tranches at such time (it being understood that (1) the participations therein of Initial Revolving Credit Lenders under the maturing tranche shall be correspondingly released and (2) no partial face amount of any Letter of Credit may be so reallocated) and (ii) to the extent not reallocated pursuant to the immediately preceding clause (i), but without limiting the obligations with respect thereto, the Borrower shall provide a backstop letter of credit or

Cash Collateral with respect to any such Letter of Credit in a manner reasonably satisfactory to the applicable L/C Issuer. If, for any reason, such backstop letter of credit or Cash Collateral is not provided, or the reallocation does not occur, the Initial Revolving Credit Lenders under the maturing tranche shall continue to be responsible for their participating interests in the Letters of Credit; *provided* that, notwithstanding anything to the contrary contained herein, upon any subsequent repayment of the Initial Revolving Credit Loans, the reallocation set forth in clause (i) shall automatically and concurrently occur to the extent of such repayment (it being understood that no partial face amount of any Letter of Credit may be so reallocated). Except to the extent of reallocations of participations pursuant to clause (i) of this Section 2.04(m), the occurrence of a maturity date with respect to the Initial Revolving Credit Commitments shall have no effect upon (and shall not diminish) the percentage participations of the Initial Revolving Credit Lenders in any Letter of Credit issued before such maturity date. Commencing with the maturity date of the Initial Revolving Credit Commitments, the Letter of Credit Sublimit under any tranche of Revolving Credit Commitments that has not so then matured shall be as agreed by the Borrower with such Revolving Credit Lenders; *provided* that in no event shall such sublimit be less than the sum of (x) the Outstanding Amount of L/C Obligations with respect to the Revolving Credit Lenders under such extended tranche immediately prior to such maturity date and (y) the face amount of the Letters of Credit reallocated to such tranche of Revolving Credit Commitments pursuant to clause (i) of this Section 2.04(m) (assuming Initial Revolving Credit Loans are repaid in accordance with clause (i)(x)).

(n) *L/C Issuer Reports to the Administrative Agent.* Unless otherwise agreed by the Administrative Agent, each L/C Issuer shall, on a monthly basis and when requested by the Administrative Agent, in addition to its notification obligations set forth elsewhere in this Section 2.04, provide the Administrative Agent a Letter of Credit Report, as follows: (i) reasonably prior to the time that such L/C Issuer issues, amends, increases or decreases a Letter of Credit, the date of such issuance, amendment, increase or decrease and the stated amount of the Letters of Credit issued by such L/C Issuer after giving effect to such issuance or amendment (and whether the amounts thereof shall have changed); (ii) on each Business Day on which such L/C Issuer makes a payment pursuant to a Letter of Credit, the date and amount of such payment; (iii) on any Business Day on which the Borrower fails to reimburse a payment made pursuant to a Letter of Credit required to be reimbursed to such L/C Issuer on such day, the date of such failure and the amount of such payment; (iv) on any Business Day, such other information as the Administrative Agent shall reasonably request as to the Letters of Credit issued by such L/C Issuer; and (v) for so long as any Letter of Credit issued by such L/C Issuer is outstanding, such L/C Issuer shall deliver to the Administrative Agent (A) on the last Business Day of each calendar quarter, (B) at all other times a Letter of Credit Report is required to be delivered pursuant to this Agreement, and (C) on each date that there is any expiration, cancellation and/or disbursement, in each case, with respect to any such Letter of Credit, a Letter of Credit Report appropriately completed with the information for every outstanding Letter of Credit issued by such L/C Issuer.

Section 2.05. Swing Line Loans.

(a) *The Swing Line.* Subject to the terms and conditions set forth herein, the Swing Line Lender agrees to make loans in Dollars (each such loan, a “**Swing Line Loan**”) to the Borrower from time to time on any Business Day until the Initial Revolver Maturity Date in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit; *provided* that after giving effect to any Swing Line Loan, (x) the aggregate principal amount of outstanding Swing Line Loans made by the Swing Line Lender shall not exceed such Swing Line Lender’s Swing Line Commitment, (y) the Total Revolving Outstandings with respect to the Initial Revolving Credit Facility shall not exceed the aggregate Initial Revolving Credit Commitments and (z) the Revolving Outstandings of any Lender under the Initial Revolving Credit Facility shall not exceed such Lender’s Revolving Credit Commitment (in each case, taking the Dollar Equivalent of all amounts in an Alternate Currency);

provided, further that the Borrower shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.05, prepay under Section 2.06 and reborrow under this Section 2.05. Each Swing Line Loan shall be a Base Rate Loan. Immediately upon the making of a Swing Line Loan, each Initial Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Lender's Pro Rata Share times the amount of such Swing Line Loan.

(b) *Borrowing Procedures.* Each Swing Line Borrowing shall be made upon the Borrower's irrevocable notice to the Swing Line Lender and the Administrative Agent, which may be given by telephone. Each telephonic notice by the Borrower pursuant to this Section 2.05 must be confirmed immediately by delivery to the Swing Line Lender and the Administrative Agent of a written Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Each such Swing Line Loan Notice must be received by the Swing Line Lender and the Administrative Agent not later than 2:00 p.m. on the requested borrowing date or such later time on the requested borrowing date as may be approved by the Swing Line Lender in its sole discretion, and shall specify (i) the amount to be borrowed, which shall be a minimum of \$100,000, and (ii) the requested borrowing date, which shall be a Business Day. Each such telephonic notice must be confirmed promptly by delivery to the Swing Line Lender and the Administrative Agent of a written Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Promptly after receipt by the Swing Line Lender of any telephonic Swing Line Loan Notice, the Swing Line Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swing Line Loan Notice and, if not, the Swing Line Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swing Line Lender has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Initial Revolving Credit Lender) prior to 3:30 p.m. on the date of the proposed Swing Line Borrowing (A) directing the Swing Line Lender not to make such Swing Line Loan as a result of the limitations set forth in the provisos to the first sentence of Section 2.05(a), or (B) that one or more of the applicable conditions specified in Section 4.02 is not then satisfied, then, subject to the terms and conditions hereof, the Swing Line Lender will, not later than 4:00 p.m. on the borrowing date specified in such Swing Line Loan Notice, make the amount of their Swing Line Loan available to the Borrower.

(c) *Refinancing of Swing Line Loans.* (i) The Swing Line Lender at any time in its sole and absolute discretion may request, on behalf of the Borrower (which hereby irrevocably authorizes the Swing Line Lender to so request on its behalf), that each Initial Revolving Credit Lender make a Base Rate Loan in an amount equal to such Lender's Pro Rata Share of the amount of Swing Line Loans then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02(a), without regard to the minimum and multiples specified therein for the principal amount of the Base Rate Loans nor the satisfaction of the conditions set forth in Section 4.02, but subject to the unutilized portion of the Initial Revolving Credit Facility. The Swing Line Lender shall furnish the Borrower with a copy of the applicable Loan Notice promptly after delivering such notice to the Administrative Agent. Each Initial Revolving Credit Lender shall make an amount equal to its Pro Rata Share of the amount specified in such Loan Notice available to the Administrative Agent in immediately available funds for the account of the Swing Line Lender at the Administrative Agent's Office not later than 1:00 p.m. on the day specified in such Loan Notice (if such notice is provided to the Initial Revolving Credit Lenders prior to 11:00 a.m. on such date, and otherwise by no later than two hours after receipt of such notice), whereupon, subject to Section 2.05(c)(ii), each Initial Revolving Credit Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such an Initial Revolving Credit Borrowing in accordance with Section 2.05(c)(i), the request for Base Rate Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lender that each of the Initial Revolving Credit Lenders fund its risk participation in the relevant Swing Line Loan and each Initial Revolving Credit Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.05(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Initial Revolving Credit Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.05(c) by the time specified in Section 2.05(c)(i), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the applicable Federal Funds Rate from time to time in effect, plus any administrative, processing or similar fees customarily charged by the Swing Line Lender in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Loan included in the relevant Borrowing or funded participation in the relevant Swing Line Loan, as the case may be. A certificate of the Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Initial Revolving Credit Lender's obligation to make Initial Revolving Credit Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.05(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against any Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; it being understood and agreed that each Initial Revolving Credit Lender's obligation to make Initial Revolving Credit Loans pursuant to this Section 2.05(c) shall not be subject to the conditions set forth in Section 4.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay Swing Line Loans, together with interest as provided herein.

(d) *Repayment of Participations.* (i) At any time after any Initial Revolving Credit Lender has purchased and funded a risk participation in a Swing Line Loan, if the Swing Line Lender receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute to such Lender its Pro Rata Share of such payment in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing

Line Lender under any of the circumstances described in Section 11.06 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Initial Revolving Credit Lender shall pay to the Swing Line Lender its Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the applicable Federal Funds Rate. The Administrative Agent will make such demand upon the request of the Swing Line Lender.

(e) *Interest for Account of Swing Line Lender.* The Swing Line Lender shall be responsible for invoicing the Borrower for interest on the Swing Line Loans. Until each Initial Revolving Credit Lender funds its Base Rate Loan or risk participation pursuant to this Section 2.05 to refinance such Lender's Pro Rata Share of any Swing Line Loan, interest in respect of such Pro Rata Share shall be solely for the account of the Swing Line Lender.

(f) *Payments Directly to Swing Line Lender.* The Borrower shall make all payments of principal and interest in respect of the Swing Line Loans directly to each Swing Line Lender.

(g) *Defaulting Lenders.* This Section 2.05 shall be subject to the applicable provisions of Section 2.17 in the event any Initial Revolving Credit Lender becomes a Defaulting Lender.

(h) *Provisions Related to Extended Revolving Credit Commitments.* If the maturity date shall have occurred in respect of any Initial Revolving Credit Commitments at a time when another tranche or tranches of Revolving Credit Commitments is or are in effect with a longer maturity date, then on the earliest occurring maturity date all then outstanding Swing Line Loans shall be repaid in full on such date (and there shall be no adjustment to the participations in such Swing Line Loans as a result of the occurrence of such maturity date); *provided* that if on the occurrence of such earliest maturity date (after giving effect to any repayments of Initial Revolving Credit Loans and any reallocation of participating interests as contemplated in Section 2.04(m)) there shall exist sufficient unutilized Extended Revolving Credit Commitments with Revolving Credit Lenders that have agreed to participate in the Swing Line Loans so that the respective outstanding Swing Line Loans could be incurred pursuant to such Extended Revolving Credit Commitments which will remain in effect after the occurrence of such maturity date, then there shall be an automatic adjustment on such date of the participations in such Swing Line Loans and the same shall be deemed to have been incurred solely pursuant to the relevant Extended Revolving Credit Commitments, and such Swing Line Loans shall not be so required to be repaid in full on such earliest maturity date.

Section 2.06. *Prepayments.* (a) *Optional.* (i) The Borrower may, upon notice from the Borrower to the Administrative Agent, at any time or from time to time, voluntarily prepay the Term Loans of any Class, Repatriation Bridge Loans of any Class and/or Revolving Credit Loans of any Class in whole or in part without premium or penalty; *provided* that (A) such notice must be received by the Administrative Agent not later than 11:00 a.m. (1) three Business Days prior to any date of prepayment of Eurocurrency Rate Revolving Credit Loans or Repatriation Bridge Loans, as applicable, denominated in Dollars, (2) three Business Days prior to any date of prepayment of Eurocurrency Rate Term Loans, denominated in Dollars, (3) four Business Days (or five Business Days in the case of a Special Notice Currency) prior to any date of prepayment of Eurocurrency Rate Loans denominated in an Alternate Currency and (4) on the date of prepayment of Base Rate Loans; (B)) any prepayment of Eurocurrency Rate Loans shall be in a minimum principal amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof; (C) any prepayment of Base Rate Loans shall be in a principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof (or, the same numerical number with respect to the applicable Alternate Currency in the case of any prepayment of Loans denominated in an Alternate Currency) or, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's

Pro Rata Share of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurocurrency Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.07. Each prepayment of the Loans pursuant to this Section 2.06(a) shall be applied among the Facilities, Classes and/or Class in such amounts as the Borrower may direct in its sole discretion; *provided* that any such prepayment of any Class of Term Loans shall be applied against the then remaining scheduled amortization payments under the Term Loans in order of their maturities. Each prepayment in respect of a particular Facility shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares.

(ii) [Reserved].

(iii) The Borrower may, upon notice to the Swing Line Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; *provided* that (A) such notice must be received by the Swing Line Lender and the Administrative Agent not later than 2:00 p.m. on the date of the prepayment, (B) any such prepayment shall be in a minimum principal amount of the lesser of \$100,000 and the total principal amount of the Swing Line Loans then outstanding and (C) any such prepayment shall be applied to the outstanding Swing Line Loans held by the Swing Line Lender. Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(iv) Notwithstanding anything to the contrary contained in this Agreement, any notice of prepayment under Section 2.06(a) (i) or 2.06(a)(iii) may be conditioned upon the effectiveness of other transactions, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(v) [Reserved].

(vi) In the event that, prior to the date that is ~~twelvesix (126)~~ months after the ~~Closing~~Closing Amendment No. 1 Effective Date, the Borrower (x) prepays, repays, refinances, substitutes or replaces any Initial Term Loans in connection with a Repricing Event (including, for the avoidance of doubt, any prepayment made pursuant to Section 2.06(b)(ii) that constitutes a Repricing Event) or (y) effects any amendment, modification or waiver of, or consent under, this Agreement resulting in a Repricing Event, the Borrower shall pay to the Administrative Agent for the ratable account of each of the applicable Lenders, (I) in the case of clause (x), a premium of 1.00% of the aggregate principal amount of the Initial Term Loans so prepaid, repaid, refinanced, substituted or replaced and (II) in the case of clause (y), a fee equal to 1.00% of the aggregate principal amount of the Initial Term Loans that are the subject of such Repricing Event outstanding immediately prior to such amendment. Such amounts shall be due and payable on the date of effectiveness of such Repricing Event; *provided*, however, that for the avoidance of doubt, in the case of the exercise by the Borrower of its rights under Section 11.01(f) in connection with a Repricing Event effected through an amendment, the prepayment premium described in the immediately preceding clause (I) shall be payable to any Lender replaced or repaid pursuant to Section

11.01(f) (and not any Person who replaces such Lender) in respect of the Initial Term Loans assigned pursuant to Section 11.01(f) immediately prior to such Repricing Event.

(b) *Mandatory.*

(i) (A) If (1) any Prepayment Asset Sale occurs or (2) any Casualty Event occurs, which in the aggregate results in the realization or receipt by any Restricted Company of Net Cash Proceeds, the Borrower shall cause to be prepaid on or prior to the date which is ten Business Days after the date of the realization or receipt of such Net Cash Proceeds an aggregate principal amount of Initial Term Loans in an amount equal to the Asset Sale Percentage of all Net Cash Proceeds received (the “**Applicable Asset Sale Proceeds**”); *provided* that (x) no such prepayment shall be required pursuant to this Section 2.06(b)(i)(A) if, on or prior to such date, the Borrower shall have given written notice to the Administrative Agent of its intention to reinvest all or a portion of such Net Cash Proceeds in accordance with Section 2.06(b)(i)(B) (which election may only be made if no Specified Event of Default has occurred and is then continuing) and (y) if at the time that any such prepayment would be required, the Borrower is required to offer to repurchase any Indebtedness outstanding at such time that is secured by a Lien on the Collateral ranking pari passu with the Lien securing the Initial Term Loans pursuant to the terms of the documentation governing such Indebtedness with the Net Cash Proceeds of such Disposition or Casualty Event (such Indebtedness required to be offered to be so repurchased, “**Other Applicable Indebtedness**”), then the Borrower, at its election, may apply the Applicable Asset Sale Proceeds on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness at such time) and the remaining Net Cash Proceeds so received to the prepayment of such Other Applicable Indebtedness; *provided, further*, that (x) the portion of the Applicable Asset Sale Proceeds (but not the other Net Cash Proceeds received) allocated to the Other Applicable Indebtedness shall not exceed the amount of Applicable Asset Sale Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such Net Cash Proceeds shall be allocated to the Initial Term Loans in accordance with the terms hereof to the prepayment of the Initial Term Loans and the amount of prepayment of the Initial Term Loans that would have otherwise been required pursuant to this Section 2.06(b)(i) shall be reduced accordingly and (y) to the extent the holders of Other Applicable Indebtedness decline to have such indebtedness repurchased or prepaid, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Initial Term Loans in accordance with the terms hereof;

(B) With respect to any Net Cash Proceeds realized or received with respect to any Disposition or any Casualty Event required to be applied in accordance with Section 2.06(b)(i)(A), at the option of the Borrower, the Borrower may reinvest all or any portion of such Net Cash Proceeds in the acquisition, improvement or maintenance of assets useful in the operations of the Restricted Companies within (x) 12 months following receipt of such Net Cash Proceeds or (y) if the Borrower enters into a contract to reinvest such Net

Cash Proceeds within such 12 month period following receipt thereof, 18 months following receipt of such Net Cash Proceeds; *provided* that if any Net Cash Proceeds are no longer intended to be so reinvested at any time after delivery of a notice of reinvestment election or are not so reinvested during such 12 month period or 18 month period, as applicable, an amount equal to any such Net Cash Proceeds shall within ten Business Days be applied to the prepayment of the Initial Term Loans as set forth in this Section 2.06.

(ii) If any Restricted Company incurs or issues any Indebtedness not expressly permitted to be incurred or issued pursuant to Section 7.03 (other than Refinancing Indebtedness which shall be treated in accordance with Section 2.19), the Borrower shall cause to be prepaid an aggregate principal amount of Initial Term Loans in an amount equal to 100% of all Net Cash Proceeds received therefrom on or prior to the date which is five Business Days after the receipt of such Net Cash Proceeds.

(iii) Within ten Business Days after financial statements have been or are required to be delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been or is required to be delivered pursuant to Section 6.02(a) for the relevant Excess Cash Flow Period, the Borrower shall cause to be prepaid an aggregate principal amount of the Initial Term Loans and any other Term Loans then subject to ratable prepayment requirements in accordance with Section 2.06(b)(iv) in an amount equal to the Excess Cash Flow Percentage of Excess Cash Flow, if any, for the Excess Cash Flow Period covered by such financial statements minus the sum of (1) the amount of any voluntary prepayments of the Term Loans, Repatriation Bridge Loans and any other prepayments of Incremental Equivalent Debt and/or other Indebtedness secured by Liens on the Collateral on a pari passu or senior basis with the Liens on the Collateral securing the Initial Term Loans during the Excess Cash Flow Period covered by such financial statements and after the end of such Excess Cash Flow Period and prior to the payment date (including in connection with debt buybacks made by the Borrower in an amount equal to the discounted amount actually paid in respect thereof pursuant to Section 2.06(d), Section 2.07 of the Guaranty Agreement and/or otherwise, and/or the application of yank-a-bank provisions that result in a reduction of such Loans) and (2) solely to the extent the Revolving Credit Commitments (or revolving commitments, as applicable) are reduced in connection therewith (and solely to the extent of the amount of such reduction), the amount of any prepayments of the Revolving Credit Loans and/or other revolving indebtedness secured by Liens on the Collateral on a pari passu or senior basis to the Liens on the Collateral securing the Initial Term Loans during the Excess Cash Flow Period covered by such financial statements and after the end of such Excess Cash Flow Period and prior to the payment date, except, in the case of each of clause (1) and (2), to the extent such prepayments were financed with the proceeds of long-term Indebtedness (other than revolving debt) (the amount of Excess Cash Flow required to be prepaid hereunder, the “**Applicable ECF Proceeds**”); *provided* that, (x) if at the time that any such prepayment would be required, the Borrower is required to offer to repurchase any Other Applicable Indebtedness, then the Borrower, at its election, may apply the Applicable ECF Proceeds on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness at such time) and the remaining

Excess Cash Flow so received to the prepayment of such Other Applicable Indebtedness, (y) the portion of the Applicable ECF Proceeds allocated to the Other Applicable Indebtedness shall not exceed the Applicable ECF Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such Excess Cash Flow shall be allocated to the Initial Term Loans and the amount of prepayment of the Initial Term Loans that would have otherwise been required pursuant to this Section 2.06(b)(iii) shall be reduced accordingly and (z) such Applicable ECF Proceeds (calculated without giving effect to clause (x) above) shall only be required to be prepaid under this Section 2.06(b)(iii) if, and to the extent, in excess of the Excess Cash Flow Threshold (and will only require the prepayment of the Applicable ECF Proceeds in excess of such Excess Cash Flow Threshold).

(iv) Except as otherwise provided in any Incremental Joinder, Refinancing Amendment or Extension Amendment, in each case with respect to the Class or Classes of Term Loans covered thereby, each prepayment of Term Loans pursuant to this Section 2.06(b) shall be applied in a manner as directed by the Borrower among any Class or Classes of Term Loans, and without any such direction, ratably to each Class of the Term Loans (based on the amount of outstanding principal) and in direct order of maturities to the principal repayment installments of the Term Loans that are due after the date of such prepayment; *provided* that, the Borrower may not direct any mandatory prepayments under one Class or Classes of Term Loans to a later maturing Class or Classes of Term Loans without at least a pro rata repayment of any related earlier maturing Class or Classes.

(v) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Initial Term Loans required to be made pursuant to clauses (i), (ii) and (iii) of this Section 2.06(b) at least (A) in the case of the prepayment of Initial Term Loans which are Base Rate Loans, one Business Day and (B) in the case of prepayments of Initial Term Loans which are Eurocurrency Rate Loans, three Business Days, in each case prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower's prepayment notice and of such Appropriate Lender's Pro Rata Share of the prepayment.

(vi) In the event that on any Revaluation Date (after giving effect to the determination of the Total Revolving Outstandings with respect to the applicable Revolving Credit Facility) the Total Revolving Outstandings with respect to such Revolving Credit Facility exceeds an amount equal to 105% of the total Revolving Credit Commitments under such Revolving Credit Facility, the Borrower shall, within two Business Days of receipt of notice from the Administrative Agent, prepay the Revolving Credit Loans or Swing Line Loans and/or reduce L/C Obligations (in each case, taking the Dollar Equivalent of any amounts in an Alternate Currency), in an aggregate amount sufficient to reduce such Total Revolving Outstandings as of the date of such payment to an amount not to exceed 100% of the total Revolving Credit Commitment then in effect with respect to such Revolving Credit Facility by taking any of the following actions as it shall determine at its sole discretion:
(I) prepayment of Revolving

Credit Loans or Swing Line Loans in accordance with Section 2.06, (II) with respect to such excess L/C Obligations, deposit of Cash in a Cash Collateral Account or “backstopping” or replacement of such Letters of Credit, in each case, in an amount equal to 100% of such excess L/C Obligations (minus the amount then on deposit in the Cash Collateral Account).

(vii) [Reserved].

(viii) Notwithstanding any other provisions of Section 2.06(b), to the extent any prepayment otherwise required by the realization or receipt of any or all of the Net Cash Proceeds of any Disposition of property or assets by a Non-U.S. Subsidiary (or any of their Subsidiaries) (a “**Foreign Asset Sale**”), the Net Cash Proceeds of any Casualty Event realized or received by a Non-U.S. Subsidiary (or any of its Subsidiaries) (a “**Foreign Recovery Event**”), or Excess Cash Flow attributable to Non-U.S. Subsidiaries (or any of their Subsidiaries) (a “**Foreign Cash Sweep**”) would result in material and adverse Tax consequences to the Borrower or its direct or indirect owners or Subsidiaries as reasonably determined by the Borrower or is prohibited or delayed by any applicable Law (including, without limitation, capital maintenance, financial assistance, corporate benefit or other restrictions (including as to lack of distributable reserves) on up streaming of cash intragroup and the fiduciary and statutory duties of the management of the relevant members of the relevant Non-U.S. Subsidiary or any of its Subsidiaries giving rise to any risk of personal liability, including any civil or criminal liability) or other material agreements from being repatriated to or passed on to or used for the benefit of the Borrower, the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to prepay the Initial Term Loans at the times provided in Section 2.06(b) but may be retained by the applicable Non-U.S. Subsidiary or any of its Subsidiaries so long, but only so long, as such material and adverse Tax consequences would so result or the applicable Law or material agreement will not permit repatriation or the passing on to or otherwise using for the benefit of the Borrower, as applicable (the Borrower hereby agreeing to use (or cause the applicable Non-U.S. Subsidiary or its applicable Subsidiary to use) all commercially reasonable efforts for one year to promptly overcome or eliminate any such restrictions on repatriation, passing on or other use for the benefit of the Borrower and/or use the other cash sources of the Borrower and the Restricted Subsidiaries to make the relevant prepayment) and once such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable Law, such repatriation will be promptly effected and such repatriated Net Cash Proceeds or Excess Cash Flow will be applied promptly (and in any event not later than two Business Days after such repatriation) (net of additional Taxes payable or reserved against as a result thereof) to the prepayment of the Initial Term Loans pursuant to Section 2.06(b). For the avoidance of doubt, notwithstanding any other provisions of Section 2.06(b), any prepayment required as a result of a Foreign Asset Sale, Foreign Recovery Event or Foreign Cash Sweep (whether or not subject to the other terms of this Section 2.06(b)(viii)) shall be net of additional Taxes payable or reserved against as a result of such prepayment.

(ix) Notwithstanding the foregoing or any other provision in this Agreement, each Term Lender shall have the right to reject its applicable percentage of any repayment or prepayment of the Term Loans pursuant to Section 2.06(b) (each such Lender, a “**Rejecting Lender**”), in which case the amounts so rejected may be retained by the Borrower (the aggregate amount of such proceeds so rejected as of any date of determination, the “**Declined Proceeds**”).

(c) *Funding Losses, Etc.* All prepayments under this Section 2.06 shall be made together with, in the case of any such prepayment of a Eurocurrency Rate Loan on a date other than the last day of an Interest Period therefor, any amounts owing in respect of such Eurocurrency Rate Loan pursuant to Section 3.07. Notwithstanding any of the other provisions of Section 2.06(b), so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurocurrency Rate Loans is required to be made under Section 2.06(b), other than on the last day of the Interest Period therefor, the Borrower may, in its sole discretion, deposit the amount of any such prepayment otherwise required to be made thereunder into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with Section 2.06(b). Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with Section 2.06(b).

(d) *Discounted Voluntary Prepayments.*

(i) Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document, the Borrower shall have the right at any time and from time to time to prepay one or more Classes of Term Loans to the Lenders at a discount to the par value of such Loans and on a non pro rata basis (each, a “**Discounted Voluntary Prepayment**”) pursuant to the procedures described in this Section 2.06(d), provided that (A) no proceeds from Revolving Credit Loans shall be used to consummate any such Discounted Voluntary Prepayment, (B) any Discounted Voluntary Prepayment shall be offered to all Term Lenders of such Class on a pro rata basis, (C) after giving effect to the Discounted Voluntary Prepayment, the aggregate Outstanding Amount of all Term Loans that are held by Sponsor Affiliated Lenders (other than Affiliated Debt Funds) shall not exceed 25.0% of the aggregate Outstanding Amount of the Term Loans then outstanding and (D) the Borrower shall deliver to the Administrative Agent, together with each Discounted Prepayment Option Notice, a certificate of a Responsible Officer of the Borrower (1) stating that no Specified Event of Default has occurred and is continuing or would result from such Discounted Voluntary Prepayment, (2) stating that each of the conditions to such Discounted Voluntary Prepayment contained in this Section 2.06(d) has been satisfied and (3) specifying the aggregate principal amount of Term Loans of any Class offered to be prepaid pursuant to such Discounted Voluntary Prepayment.

(ii) To the extent the Borrower seeks to make a Discounted Voluntary Prepayment, the Borrower will provide written notice to the Administrative Agent substantially in the form of Exhibit I-1 hereto (each, a “**Discounted Prepayment Option Notice**”) that the Borrower desires to prepay Term Loans of one or more specified

Classes in an aggregate principal amount specified therein by the Borrower (each, a “**Proposed Discounted Prepayment Amount**”), in each case at a discount to the par value of such Loans as specified below. The Proposed Discounted Prepayment Amount of any Loans shall not be less than \$5,000,000 (or, the same numerical number with respect to the applicable Alternate Currency in the case any Loans denominated in an Alternate Currency). The Discounted Prepayment Option Notice shall further specify with respect to the proposed Discounted Voluntary Prepayment (A) the Proposed Discounted Prepayment Amount for Loans to be prepaid, (B) a discount range (which may be a single percentage) selected by the Borrower with respect to such proposed Discounted Voluntary Prepayment equal to a percentage of par of the principal amount of the Loans to be prepaid (the “**Discount Range**”), and (C) the date by which Lenders are required to indicate their election to participate in such proposed Discounted Voluntary Prepayment, which shall be at least three (3) Business Days from and including the date of the Discounted Prepayment Option Notice (the “**Acceptance Date**”).

(iii) Upon receipt of a Discounted Prepayment Option Notice, the Administrative Agent shall promptly notify each applicable Lender thereof. On or prior to the Acceptance Date, each such Lender may specify by written notice substantially in the form of Exhibit I-2 hereto (each, a “**Lender Participation Notice**”) to the Administrative Agent (A) a maximum discount to par (the “**Acceptable Discount**”) within the Discount Range (for example, a Lender specifying a discount to par of 20% would accept a purchase price of 80% of the par value of the Loans to be prepaid) and (B) a maximum principal amount (subject to rounding requirements specified by the Administrative Agent) of the Term Loans to be prepaid held by such Lender with respect to which such Lender is willing to permit a Discounted Voluntary Prepayment at the Acceptable Discount (“**Offered Loans**”). Based on the Acceptable Discounts and principal amounts of the Term Loans to be prepaid specified by the Lenders in the applicable Lender Participation Notice, the Administrative Agent, in consultation with the Borrower, shall determine the applicable discount for such Term Loans to be prepaid (the “**Applicable Discount**”), which Applicable Discount shall be (A) the percentage specified by the Borrower if the Borrower has selected a single percentage pursuant to Section 2.06(d)(ii) for the Discounted Voluntary Prepayment or (B) otherwise, the highest Acceptable Discount at which the Borrower can pay the Proposed Discounted Prepayment Amount in full (determined by adding the Outstanding Amount of Offered Loans commencing with the Offered Loans with the highest Acceptable Discount); provided, however, that in the event that such Proposed Discounted Prepayment Amount cannot be repaid in full at any Acceptable Discount, the Applicable Discount shall be the lowest Acceptable Discount specified by the Lenders that is within the Discount Range. The Applicable Discount shall be applicable for all Lenders who have offered to participate in the Discounted Voluntary Prepayment and have Qualifying Loans. Any Lender with outstanding Term Loans to be prepaid whose Lender Participation Notice is not received by the Administrative Agent by the Acceptance Date shall be deemed to have declined to accept a Discounted Voluntary Prepayment of any of its Loans at any discount to their par value within the Applicable Discount.

(iv) The Borrower shall make a Discounted Voluntary Prepayment by prepaying those Term Loans to be prepaid (or the respective portions thereof) offered by the Lenders (“**Qualifying Lenders**”) that specify an Acceptable Discount that is equal to or greater than the Applicable Discount (“**Qualifying Loans**”) at the Applicable Discount, provided that if the aggregate proceeds required to prepay all Qualifying Loans (disregarding any interest payable at such time) would exceed the amount of aggregate proceeds required to prepay the Proposed Discounted Prepayment Amount, such amounts in each case calculated by applying the Applicable Discount, the Borrower shall prepay such Qualifying Loans ratably among the Qualifying Lenders based on their respective principal amounts of such Qualifying Loans (subject to rounding requirements specified by the Administrative Agent). If the aggregate proceeds required to prepay all Qualifying Loans (disregarding any interest payable at such time) would be less than the amount of aggregate proceeds required to prepay the Proposed Discounted Prepayment Amount, such amounts in each case calculated by applying the Applicable Discount, the Borrower shall prepay all Qualifying Loans.

(v) Each Discounted Voluntary Prepayment shall be made within five (5) Business Days of the Acceptance Date (or such later date as the Administrative Agent shall reasonably agree, given the time required to calculate the Applicable Discount and determine the amount and holders of Qualifying Loans), without premium or penalty (but subject to Section 3.04), upon irrevocable notice substantially in the form of Exhibit I-3 hereto (each a “**Discounted Voluntary Prepayment Notice**”), delivered to the Administrative Agent no later than 1:00 p.m., New York City time, three (3) Business Days prior to the date of such Discounted Voluntary Prepayment, which notice shall specify the date and amount of the Discounted Voluntary Prepayment and the Applicable Discount determined by the Administrative Agent. Upon receipt of any Discounted Voluntary Prepayment Notice, the Administrative Agent shall promptly notify each relevant Lender thereof. If any Discounted Voluntary Prepayment Notice is given, the amount specified in such notice shall be due and payable to the applicable Lenders, subject to the Applicable Discount on the applicable Loans, on the date specified therein together with accrued interest (on the par principal amount) to but not including such date on the amount prepaid. The par principal amount of each Discounted Voluntary Prepayment of a Term Loan shall be applied ratably to reduce the remaining installments of such Class of Term Loans (as applicable).

(vi) To the extent not expressly provided for herein, each Discounted Voluntary Prepayment shall be consummated pursuant to procedures (including as to timing, rounding, minimum amounts, Type and Interest Periods and calculation of Applicable Discount in accordance with Section 2.06(d)(ii) above) established by the Administrative Agent and the Borrower, each acting reasonably.

(vii) Prior to the delivery of a Discounted Voluntary Prepayment Notice, (A) upon written notice to the Administrative Agent, the Borrower may withdraw or modify its offer to make a Discounted Voluntary Prepayment pursuant to any Discounted Prepayment Option Notice and (B) no Lender may withdraw its offer to participate in a Discounted Voluntary Prepayment pursuant to any Lender Participation

Notice unless the terms of such proposed Discounted Voluntary Prepayment have been modified by the Borrower after the date of such Lender Participation Notice.

(viii) Nothing in this Section 2.06(d) shall require the Borrower to undertake any Discounted Voluntary Prepayment.

(ix) Notwithstanding anything herein to the contrary, the Administrative Agent shall be under no obligation to act as manager for any Discounted Voluntary Prepayment.

Section 2.07. Termination or Reduction of Commitments. (a) *Optional*. The Borrower may, upon written notice to the Administrative Agent, terminate the aggregate Revolving Credit Commitments, or from time to time permanently reduce the Aggregate Revolving Credit Commitments of any Class; *provided* that (i) any such notice shall be received by the Administrative Agent three Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount (A) of \$500,000 or any whole multiple of \$100,000 in excess thereof or (B) equal to the Aggregate Revolving Credit Commitments, at such time, (iii) if, after giving effect to any reduction of the Aggregate Revolving Credit Commitments, the Letter of Credit Sublimit or the Swing Line Sublimit exceeds the amount of the Aggregate Revolving Credit Commitments, such sublimit shall be automatically reduced by the amount of such excess and (iv) the Borrower may not reduce Revolving Credit Commitments under one Class prior to any reduction under an earlier maturing Class of Revolving Credit Commitments. Notwithstanding the foregoing, the Borrower may rescind or postpone any notice of reduction or termination of the Aggregate Revolving Credit Commitments if such reduction or termination would have resulted from a refinancing of all or any part of the Facilities, which refinancing shall not be consummated or otherwise shall be delayed.

(b) *Mandatory*. The Initial Term Commitment of each Initial Term Lender shall be automatically and permanently reduced to \$0 on the Closing Date upon the making of the Initial Term Loans in accordance with Section 2.01. The Revolving Credit Commitments shall be automatically and permanently reduced to \$0 on the Initial Revolver Maturity Date applicable to such Class. The Repatriation Bridge Commitment of each Repatriation Bridge Lender shall be automatically and permanently reduced to \$0 on the Closing Date upon the making of the Repatriation Bridge Loans in accordance with Section 2.01. The Repatriation Bridge Commitment of each Repatriation Bridge Lender shall be automatically and permanently reduced to \$0 on the Closing Date upon the making of the Repatriation Bridge Loans in accordance with Section 2.01.

(c) *Application of Commitment Reductions; Payment of Fees*. The Administrative Agent will promptly notify the Lenders of any termination or reduction of unused portions of the Letter of Credit Sublimit or the Swing Line Sublimit or the unused Commitments of any Class or Class under this Section 2.07. Upon any reduction of unused Commitments of any Class or Class, the Commitment of each Lender of such Class or Class shall be reduced by such Lender's Pro Rata Share of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.09). All Commitment Fees accrued until the effective date of any termination of the Revolving Credit Commitments shall be paid on the effective date of such termination.

Section 2.08. Repayment of Loans.

(a) *Repatriation Bridge Loans*. The Borrower shall repay to the Administrative Agent for the ratable account of the Repatriation Bridge Lenders on the Repatriation Bridge Loan Maturity Date, an aggregate amount equal to the aggregate principal amount of all Repatriation Bridge Loans outstanding on such date.

(b) *Initial Term Loans.* The Borrower shall repay to the Administrative Agent for the ratable account of the Initial Term Lenders: (A) on or prior to the last day of each March, June, September and December that occurs prior to the ~~Initial Term Loan Maturity~~ Amendment No. 1 Effective Date, an aggregate amount equal to 0.25% of the initial aggregate principal amount of all Initial Term Loans made on the Closing Date, with the first such payment to be made on the last day of the fifth full fiscal quarter ending after the Closing Date, (B) on or prior to the last day of each March, June, September and December that occurs prior to the Initial Term Loan Maturity Date, an aggregate amount equal to 0.25% of the initial aggregate principal amount of all Initial Term Loans on the Amendment No. 1 Effective Date, with the first such payment to be made on the last day of the first full fiscal quarter ending after the Amendment No. 1 Effective Date and (C) on the Initial Term Loan Maturity Date, an aggregate amount equal to the aggregate principal amount of all Initial Term Loans outstanding on such date.

(c) *Revolving Credit Loans.* The Borrower shall repay to the Administrative Agent for the ratable account of the applicable Revolving Credit Lenders of any Class on the Maturity Date applicable to such Class of the aggregate principal amount of all of its Revolving Credit Loans of such Class outstanding on such date.

(d) *Swing Line Loans.* The Borrower shall repay each Swing Line Loan on the earlier to occur of (i) the date that is ten (10) Business Days after such Loan is made and (ii) the Initial Revolver Maturity Date.

Section 2.09. *Interest.* (a) Subject to the provisions of Section 2.09(b), (i) each Eurocurrency Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurocurrency Rate for such Loan Notice plus the Applicable Margin, (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Margin, and (iii) each Swing Line Loan denominated in Dollars shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Margin for Initial Revolving Credit Loans, or at such other rates as may be agreed between the Borrower and the Swing Line Lender.

(b) While any Specified Event of Default exists, the Borrower shall pay interest on all overdue Obligations hereunder (regarding which all applicable grace periods set forth in Section 8.01 have expired) at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

Section 2.10. *Fees.* In addition to certain fees described in Section 2.04(i) and 2.04(j):

(a) *[Reserved]*.

(b) *Commitment Fee for Initial Revolving Credit Commitments.* The Borrower shall pay to the Administrative Agent a commitment fee (the “**Commitment Fee**”) for the account of each Initial Revolving Credit Lender (other than any Defaulting Lender) in accordance with its Pro Rata Share of the Initial Revolving Credit Facility, in Dollars equal to the Applicable Margin times the actual daily amount by which the aggregate Initial Revolving Credit Commitments exceed the sum of (A) the Outstanding Amount of Initial Revolving Credit Loans, and (B) the Outstanding Amount of

L/C Obligations. For the avoidance of doubt, the Outstanding Amount of Swing Line Loans shall not be counted towards or considered usage of the Initial Revolving Credit Commitments for purposes of determining the Commitment Fee. The Commitment Fee shall accrue at all times from the Closing Date until the date on which the aggregate Initial Revolving Credit Commitments have terminated, the Outstanding Amounts on all Initial Revolving Credit Loans and the Swing Line Loans have been paid and the Outstanding Amounts on all L/C Obligations have been paid or Cash Collateralized (the “**Initial Revolving Termination Date**”), including at any time during which one or more of the conditions in Article 4 is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the first full fiscal quarter ending after the Closing Date, and on the Initial Revolving Termination Date. The Commitment Fee shall be calculated quarterly in arrears, and if there is any change in the Applicable Margin during any quarter, the actual daily amount shall be computed and multiplied by the Applicable Margin separately for each period during such quarter that such Applicable Margin was in effect.

(c) *Other Fees.* The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified.

Section 2.11. *Computation of Interest and Fees.* All computations of interest for Base Rate Loans when the Base Rate is determined by Bank of America’s “**prime rate**” shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year), or, in the case of interest in respect of Loans denominated in Alternative Currencies as to which market practice differs from the foregoing, in accordance with such market practice. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.13(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.12. *Evidence of Indebtedness.* Upon the request of any Lender to the Borrower made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender and its registered assigns, which shall evidence such Lender’s Loans to the Borrower. Each Lender may attach schedules to a Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

Section 2.13. *Payments Generally.* (a) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent’s Office in Dollars and in Same Day Funds not later than 2:00 p.m. (or, in the case of Section 2.06(a)(iii), 3:00 p.m.) on the date specified herein. The Administrative Agent will promptly distribute to each Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender’s Lending Office. All payments received by the Administrative Agent after 2:00 p.m. (or, in the case of Section 2.06(a)(iii), 3:00 p.m.) shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue.

(b) Unless the Borrower or any Lender has notified the Administrative Agent, prior to the date any payment is required to be made by it to the Administrative Agent hereunder, that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in immediately available funds, then:

(i) if the Borrower failed to make such payment, each Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender in immediately available funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds at the Overnight Rate; and

(ii) if any Lender failed to make such payment with respect to any Borrowing, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrower to the date such amount is recovered by the Administrative Agent (the “**Compensation Period**”) at a rate per annum equal to the Overnight Rate. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender’s Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent’s demand therefor, the Administrative Agent may make a demand therefor upon the Borrower, and the Borrower shall pay such amount to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.13(b) shall be conclusive, absent manifest error.

(c) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article 2, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article 4 are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) The obligations of the Lenders hereunder to make Loans and to fund participations in Letters of Credit and Swing Line Loans are several and not joint. The failure of any Lender to make any Loan or to fund any such participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(e) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share of the sum of (i) the Outstanding Amount of all Loans outstanding at such time and (ii) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

(g) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.04(c), 2.04(d), 2.05(c) or 9.07 (or if the Borrower shall have paid any amount or posted any cash collateral in respect of such Lender's Pro Rata Share of Swing Line Obligations or L/C Obligations pursuant to Section 2.17(c)(ii)), then notwithstanding any contrary provision hereof, with respect to any amounts thereafter received by the Administrative Agent for the account of such Lender, the Administrative Agent (i) shall apply such amounts (A) first, for the benefit of the Administrative Agent, the Swing Line Lender or the L/C Issuer to satisfy such Lender's obligations to it under such Section until all such unsatisfied obligations are fully paid, and (B) second, unless an Event of Default has occurred and is continuing, to reimburse the Borrower for any cash collateral posted by the Borrower until the Borrower is fully reimbursed, and (ii) thereafter, may, in its sole discretion, hold any such remaining amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under any such Section; *provided* any amounts held pursuant to clause (ii) hereof shall be released to such Lender upon the earlier of (x) the date on which any of the actions described in Section 8.02(a) or 8.02(b) or the proviso to Section 8.02 shall have been taken or occurred and (y) the Initial Revolver Maturity Date.

Section 2.14. Sharing of Payments. If, other than as expressly provided elsewhere herein, any Lender shall obtain on account of the Loans made by it, or the participations in L/C Obligations or in Swing Line Loans held by it, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them and/or such subparticipations in the participations in L/C Obligations or Swing Line Loans held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans or such participations, as the case may be, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 11.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of setoff, but subject to Section 11.10) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.14 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.14 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

(a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a “**Permitted Exchange Offer**”) made from time to time by the Borrower to all Lenders (other than, with respect to any Permitted Exchange Offer that constitutes an offering of securities, any Lender that, if requested by the Borrower, is unable to certify that it is (i) a “qualified institutional buyer” (as defined in Rule 144A under the Securities Act), (ii) an institutional “accredited investor” (as defined in Rule 501 under the Securities Act) or (iii) not a “U.S. person” (as defined in Rule 902 under the Securities Act)) with outstanding Term Loans of a particular Class, the Borrower may from time to time consummate one or more exchanges of such Term Loans for Indebtedness (in the form of senior secured, senior unsecured, senior subordinated, or subordinated notes or loans) and/or Equity Interests (such Indebtedness and/or Equity Interests, “**Permitted Exchange Securities**” and each such exchange, a “**Permitted Exchange**”), so long as the following conditions are satisfied:

(i) each such Permitted Exchange Offer shall be made on a pro rata basis to the Term Lenders (other than, (x) with respect to any Permitted Exchange Offer that constitutes an offering of securities, any Lender that, if requested by the Borrower, is unable to certify that it is (i) a “qualified institutional buyer” (as defined in Rule 144A under the Securities Act), (ii) an institutional “accredited investor” (as defined in Rule 501 under the Securities Act) or (iii) not a “U.S. person” (as defined in Rule 902 under the Securities Act) or (y) any Lender that, if requested by the Borrower, is unable to certify that it can receive the type of Permitted Exchange Securities being offered in connection with such Permitted Exchange) of each applicable Class based on their respective aggregate principal amounts of outstanding Term Loans under each such Class;

(ii) the aggregate principal amount (which, in the case of Qualified Equity Interests, shall be disregarded in such calculation) of such Permitted Exchange Securities shall not exceed the aggregate principal amount (calculated on the face amount thereof) of Term Loans so refinanced, except by an amount equal to any fees, expenses, commissions, underwriting discounts and premiums payable in connection with such Permitted Exchange;

(iii) the stated final maturity of such Permitted Exchange Securities constituting Indebtedness is not earlier than the latest Maturity Date for the Class or Classes of Term Loans being exchanged, and such stated final maturity is not subject to any conditions that could result in such stated final maturity occurring on a date that precedes such latest maturity date (it being understood that acceleration or mandatory repayment, prepayment, redemption or repurchase of such Permitted Exchange Securities upon the occurrence of an event of default, a change in control, an event of loss or an asset disposition shall not be deemed to constitute a change in the stated final maturity thereof);

(iv) such Permitted Exchange Securities are not required to be repaid, prepaid, redeemed, repurchased or defeased, whether on one or more fixed dates, upon the occurrence of one or more events or at the option of any holder thereof (except, in each case, upon the occurrence of an event of default, a change in control, an

event of loss or an asset disposition) prior to the latest Maturity Date for the Class or Classes of Term Loans being exchanged, provided that, notwithstanding the foregoing, scheduled amortization payments (however denominated, including scheduled offers to repurchase) of such Permitted Exchange Securities shall be permitted so long as the Weighted Average Life to Maturity of such Indebtedness shall be longer than the remaining Weighted Average Life to Maturity of the Class or Classes of Term Loans being exchanged;

(v) no Restricted Subsidiary is a guarantor with respect to such Indebtedness unless such Restricted Subsidiary is or substantially concurrently becomes a Loan Party and the borrower or issuer of such Indebtedness shall be the Borrower;

(vi) if such Permitted Exchange Securities are secured, such Permitted Exchange Securities are secured on a pari passu basis or junior priority basis to the Term Loans that are being exchanged (A) and such Permitted Exchange Securities are not secured by any assets not securing the Obligations unless such assets substantially concurrently secure the Obligations and (B) the beneficiaries thereof (or an agent on their behalf) shall have become party to an Acceptable Intercreditor Agreement;

(vii) the terms and conditions of such Permitted Exchange Securities (excluding pricing and optional prepayment or redemption terms or covenants or other provisions applicable only to periods after the Maturity Date of the Class or Classes of Term Loans being exchanged) reflect market terms and conditions at the time of incurrence or issuance; provided that if such Permitted Exchange Securities contain any financial maintenance covenants, such covenants shall not be more restrictive than (or in addition to) those contained in this Agreement (unless such covenants are also added for the benefit of the Lenders under this Agreement, which amendment to add such covenants to this Agreement shall not require the consent of any Lender or the Administrative Agent);

(viii) all Term Loans exchanged under each applicable Class by the Borrower pursuant to any Permitted Exchange shall automatically be cancelled and retired by the Borrower on date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Assumption, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Exchange to the Borrower for immediate cancellation), and accrued and unpaid interest on such Term Loans shall be paid to the exchanging Lenders on the date of consummation of such Permitted Exchange, or, if agreed to by the Borrower and the Administrative Agent, the next scheduled Interest Payment Date with respect to such Term Loans (with such interest accruing until the date of consummation of such Permitted Exchange);

(ix) if the aggregate principal amount of all Term Loans (calculated on the face amount thereof) of a given Class tendered by Lenders in respect of the

relevant Permitted Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof of the applicable Class actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of such Class offered to be exchanged by the Borrower pursuant to such Permitted Exchange Offer, then the Borrower shall exchange Term Loans under the relevant Class tendered by such Lenders ratably up to such maximum based on the respective principal amounts so tendered, or, if such Permitted Exchange Offer shall have been made with respect to multiple Classes without specifying a maximum aggregate principal amount offered to be exchanged for each Class, and the aggregate principal amount of all Term Loans (calculated on the face amount thereof) of all Classes tendered by Lenders in respect of the relevant Permitted Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of all relevant Classes offered to be exchanged by the Borrower pursuant to such Permitted Exchange Offer, then the Borrower shall exchange Term Loans across all Classes subject to such Permitted Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered;

(x) all documentation in respect of such Permitted Exchange shall be consistent with the foregoing, and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Borrower and the Administrative Agent; and

(xi) any applicable Minimum Tender Condition or Maximum Tender Condition, as the case may be, shall be satisfied or waived by the Borrower.

(xii) Notwithstanding anything to the contrary herein, no Lender shall have any obligation to agree to have any of its Loans or Commitments exchanged pursuant to any Permitted Exchange Offer.

(b) With respect to all Permitted Exchanges effected by the Borrower pursuant to this Section 2.15, such Permitted Exchange Offer shall be made for not less than \$25,000,000 in aggregate principal amount of Term Loans, provided that subject to the foregoing the Borrower may at its election specify (A) as a condition (a “**Minimum Tender Condition**”) to consummating any such Permitted Exchange that a minimum amount (to be determined and specified in the relevant Permitted Exchange Offer in the Borrower’s discretion) of Term Loans of any or all applicable Classes be tendered and/or (B) as a condition (a “**Maximum Tender Condition**”) to consummating any such Permitted Exchange that no more than a maximum amount (to be determined and specified in the relevant Permitted Exchange Offer in the Borrower’s discretion) of Term Loans of any or all applicable Classes will be accepted for exchange. The Administrative Agent and the Lenders hereby acknowledge and agree that the provisions of Sections 2.06, 2.07 and 2.14 do not apply to the Permitted Exchange and the other transactions contemplated by this Section 2.15 and hereby agree not to assert any Default or Event of Default in connection with the implementation of any such Permitted Exchange or any other transaction contemplated by this Section 2.15.

(c) In connection with each Permitted Exchange, (i) the Borrower shall provide the Administrative Agent at least five (5) Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof; provided that, failure to give such notice shall in no way affect the effectiveness of any Permitted Exchange consummated in accordance with this Section 2.15 and (ii) the Senior Representative, in consultation with the Administrative Agent, acting reasonably, shall establish such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.15; *provided* that the terms of any Permitted Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Exchange shall be not less than five (5) Business Days following the date on which the Permitted Exchange Offer is made. The Borrower shall provide the final results of such Permitted Exchange to the Administrative Agent no later than three (3) Business Days prior to the proposed date of effectiveness for such Permitted Exchange (or such shorter period agreed to by the Administrative Agent in its sole discretion) and the Administrative Agent shall be entitled to conclusively rely on such results.

(d) The Borrower shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws in connection with each Permitted Exchange, it being understood and agreed that (i) neither the Administrative Agent nor any Lender assumes any responsibility in connection with the Borrower's compliance with such laws in connection with any Permitted Exchange and (ii) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Exchange Act.

Section 2.16. Increase in Commitments.

(a) Upon notice to the Administrative Agent (which shall promptly notify the Lenders), the Borrower may request: additional Term Commitments and/or additional Revolving Credit Commitments denominated in any currency to be incurred by the Borrower and/or any U.S. Subsidiary Guarantor (each, an **"Incremental Facility"**) pursuant to any Incremental Joinder; *provided* that after giving effect to any such addition, the aggregate amount of all additional Term Commitments and additional Revolving Credit Commitments that have been added pursuant to this Section 2.16(a) shall be incurred in compliance with the requirements of the Incremental Cap, tested at the time of incurrence thereof. Each such addition under this Section 2.16(a), shall be in an aggregate amount of \$5,000,000 or any whole multiple of \$1,000,000 in excess thereof.

(b) Any loans made in respect of any such additional Term Commitments (the **"Incremental Term Loans"**) may be made, at the option of the Borrower, either by (i) increasing the Initial Term Loans with the same terms (including pricing) as the existing Initial Term Loans, or (ii) creating a new tranche of terms loans (an **"Incremental Term Loan Class"**); *provided* that any Incremental Term Loan Class (A) shall not mature prior to the stated Maturity Date applicable to the latest maturing Class of Term Loans on the date of incurrence of such Incremental Term Loans, (B) the Weighted Average Life to Maturity of any Incremental Term Loan Class shall be no less than the Weighted Average Life to Maturity of such latest maturing Class of Term Loans and (C) any Incremental Term Loans may participate on a pro rata basis, a less than pro rata basis (or, solely as compared to any later maturing Class of Term Loans, greater than pro rata basis) in any mandatory prepayments (but on a pro rata basis, greater than pro rata basis or a less than pro rata basis in any voluntary prepayments) with the then outstanding Term Loans; *provided* that clauses (A) and (B) above shall not apply to (X) any customary bridge loans so long as any loans, notes, securities or other Indebtedness which exchanged for or otherwise replace such bridge loans satisfies (or will satisfy at the time of incurrence or rollover) the requirements of such clauses and (Y) Incremental Facilities with an aggregate outstanding principal amount not in excess of \$350,000,000.

(c) Any such additional Revolving Credit Commitments may be made by (x) establishing one or more additional Classes of revolving credit commitments (an **"Incremental Revolving Facility"**); *provided* the (i) final maturity date of any such Incremental Revolving Facility shall be no earlier than the final maturity date of the Initial Revolving Credit Facility, (ii) such Incremental Revolving Facility shall require no scheduled amortization or mandatory commitment reduction prior to the final maturity date of the Initial Revolving Credit Facility and (iii) any Incremental Revolving Facility may participate on a pro rata basis or a less than pro rata basis (but not a greater than pro basis) in any reduction or termination as compared to earlier maturing Revolving Credit Commitments or (y) increasing any Class of Revolving Credit Commitments (the **"Incremental Revolving Credit Commitments"**) with the same terms as such existing Class of Revolving Credit Commitments (it being understood that, if required to consummate an Incremental Revolving Facility, the pricing, interest rate margins, rate floors and undrawn fees on the Revolving Credit Facility being increased may be increased for all Revolving Credit Lenders of the Revolving Credit Facility being increased, but additional upfront or similar fees may be payable to the Lenders participating in the Incremental Revolving Credit Commitments without any requirement to pay such amounts to any existing Revolving Credit Lenders).

(d) The Borrower may invite any Lender or any additional Eligible Assignees to become Term Lenders or Revolving Credit Lenders, as applicable, pursuant to a commitment increase and joinder agreement (each, an **"Incremental Joinder"**). No Lender will be obligated to provide all or any portion of any Incremental Facility and the determination to provide such commitment shall be within the sole and absolute discretion of such Lender. Any failure by a Lender to respond to any such invitation shall not be deemed an acceptance or agreement to provide such Incremental Facility.

(e) If any Term Commitments or Revolving Credit Commitments are added in accordance with this Section 2.16, the Administrative Agent and the Borrower shall determine the effective date (the **"Incremental Effective Date"**) and the final allocations of such additional Commitments. The Administrative Agent shall promptly notify the Borrower and the lenders providing such Incremental Facility of the final allocation thereof and the Incremental Effective Date. As a condition precedent to such addition, before and after giving effect to such increase, (i)(A) the representations and warranties contained in Article 5 and the other Loan Documents are true and correct in all material respects (except that any representation and warranty that is qualified as to "materiality" or "Material Adverse Effect" shall be true and correct in all respects as so qualified) on and as of the Incremental Effective Date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall have been true and correct in all material respects as of such earlier date, and (B) no Event of Default exists after giving effect to such addition (or, in the case incurred to fund a Permitted Acquisition, no Specified Event of Default exists after giving effect to such addition); *provided* that notwithstanding anything to the contrary in this Section 2.16 or in any other provisions of any Loan Document, if the proceeds of any Incremental Facility are intended to be applied to finance a Limited Condition Transaction, at the option of the Borrower, (1) the conditions to the Incremental Effective Date shall be subject to the LCT Provisions and (2) the only representations and warranties that will be required to be true and correct in all material respects as of the applicable Incremental Effective Date shall be the Specified Representations).

(f) On each Incremental Effective Date, (i) each Lender or Eligible Assignee which is providing an Incremental Term Loan Class (A) shall become a "Term Lender" for all purposes of this Agreement and the other Loan Documents, and (B) shall make an Incremental Term Loan to the Borrower or the applicable Subsidiary Guarantor in a principal amount equal to such additional Term Commitment, and such Incremental Term Loan

shall be deemed a “Term Loan” for all purposes of this Agreement and the other Loan Documents and (ii) each Lender or Eligible Assignee which is providing

an Incremental Revolving Credit Commitment shall become a “Revolving Credit Lender” for all purposes of this Agreement and the other Loan Documents, with a Revolving Credit Commitment of the applicable Class.

(g) The interest rate applicable to any Incremental Term Loans will be determined by the Borrower and the lenders providing such Incremental Term Loans; *provided* that in the case of any such Incremental Term Loans denominated in Dollars that are secured by the Collateral on a pari passu basis with the Initial Term Loans in right of payment and with respect to security (other than customary bridge loans), the All-In-Rate applicable thereto will not be more than 0.50% per annum higher than the All-In-Rate in respect of the Initial Term Loans unless the Applicable Margin (and/or, as provided in the proviso below, the Base Rate floor or Eurocurrency Rate floor) with respect to the Initial Term Loans is adjusted to be equal to the All-In-Rate applicable to such Indebtedness, *minus* 0.50% per annum (it being agreed that, the relative rate differentials in any pricing grid specified in the Applicable Margin shall continue to be maintained), provided that, unless otherwise agreed by the Borrower in its sole discretion, that any increase in All-In-Rate to any Initial Term Loan due to the application or imposition of an Base Rate floor or Eurocurrency Rate floor on any such Indebtedness shall be effected solely through an increase in (or implementation of, as applicable) any Base Rate floor or Eurocurrency Rate floor applicable to such Initial Term Loan.

(h) Any Incremental Facility, if secured, may be secured only by the Collateral (*provided* that, in the case of any Incremental Facility that is funded into Escrow pursuant to customary escrow arrangements, such Incremental Facility may be secured by the applicable funds and related assets held in Escrow (and the proceeds thereof) until the time of the release from Escrow of such funds (and may not be secured by any other assets prior to such release)) and rank pari passu or junior with respect to security with the Facilities (and if secured, subject to an Acceptable Intercreditor Agreement (which may be effective (or entered into) only immediately after such release from Escrow referred to herein)) and, if guaranteed, will not be guaranteed by an entity which is not (or does not become) a Loan Party.

(i) Except as otherwise specified above, the other terms of any Incremental Facility (including with respect to pricing, interest rate margins, rate floors, discounts, fees, premiums and prepayment or redemption terms and provisions), shall be on terms and pursuant to documentation to be determined between the Borrower and the lenders providing such Incremental Facility (and for the avoidance of doubt, no consent of the Administrative Agent shall be required except to the extent affecting the rights and duties of, or any fees or other amounts payable to, the Administrative Agent); *provided* that, at the election of the Borrower, to the extent any more restrictive covenant is added for the benefit of any Incremental Facility (except to the extent only applicable after the latest maturity date of the Facilities), such covenant may also be added for the benefit of all of the Facilities (or, in the case of a financial maintenance covenant, solely for the benefit of the Initial Revolving Credit Facility or other Facility that benefits from a financial maintenance covenant at such time); it being understood and agreed that no consent of the Administrative Agent and/or any Lender shall be required in connection with any amendment adding such covenant or implementing such Incremental Facility. The Borrower shall provide the Administrative Agent prompt written notice of any amendment to effect an Incremental Facility pursuant to this Section 2.16 and the Administrative Agent hereby agrees to (and is directed by each Lender to) acknowledge such amendment as promptly as practicable following such written notice; it being acknowledged and agreed by each Lender that the Administrative Agent, in its capacity as such, shall have no liability with respect to such acknowledgment and each Lender hereby irrevocably waives to the fullest extent permitted by Law any claims with respect to such acknowledgment; *provided* that, failure to obtain such acknowledgment shall in no way affect the effectiveness of any amendment entered into to effectuate such amendment in accordance with this Section 2.16.

(j) The proceeds of any Incremental Facility may be used by the Borrower and its Subsidiaries for working capital and other general corporate purposes, including the financing of permitted acquisitions and other Investments and any other use not prohibited by this Agreement.

Section 2.17. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Revolving Credit Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) The Commitment Fee shall cease to accrue on the unused portion of the Revolving Credit Commitments of such Defaulting Lender under Section 2.10(b);

(b) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article 8 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 11.10 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to the L/C Issuer or Swing Line Lender hereunder; third, to Cash Collateralize the L/C Issuer's Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.04(g) fourth, as the Borrower may request (so long as no Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the L/C Issuer's future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.04(g) sixth, to the payment of any amounts owing to the Lenders, the L/C Issuer or Swing Line Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the L/C Issuer or the Swing Line Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.02 were satisfied, waived or not required to be made, such payment shall be applied solely to pay the Loans of, and L/C Obligations owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Obligations owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in L/C Obligations and Swing Line Loans are held by the Lenders pro rata in accordance with the Commitments hereunder without giving effect to Section 2.17(c)(i). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.17(b) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(c) if any Swing Line Obligations or L/C Obligations exist at the time any Revolving Credit Lender becomes a Defaulting Lender then:

(i) all or any part of the Swing Line Obligations (other than the portion of such Swing Line Obligations referred to in clause (b) of the definition of such term) and L/C Obligations of such Defaulting Lender shall be reallocated among the non-Defaulting Lenders that are Revolving Credit Lenders in accordance with their respective Pro Rata Shares of the Swing Line Obligations and L/C Obligations but only to the extent (A) no Event of Default has occurred and is continuing at such time and (B) the sum of all non-Defaulting Lenders' Revolving Outstandings plus such Defaulting Lender's Pro Rata Share of all Swing Line Obligations and L/C Obligations does not exceed the total of all non-Defaulting Lenders' Revolving Credit Commitments;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall within three Business Days following notice by the Administrative Agent (x) first, prepay such Defaulting Lender's Pro Rata Share of all Swing Line Obligations and (y) second, cash collateralize for the benefit of the L/C Issuer only the Borrower's obligations corresponding to such Defaulting Lender's Pro Rata Share of all L/C Obligations (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 2.04(g) for so long as such Defaulting Lender's Pro Rata Share of all L/C Obligations is outstanding;

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's Pro Rata Share of all L/C Obligations pursuant to clause (ii) above, the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.04(i) with respect to such Defaulting Lender's Pro Rata Share of all L/C Obligations during the period such Defaulting Lender's Pro Rata Share of all L/C Obligations is cash collateralized;

(iv) if such Defaulting Lender's Pro Rata Share of all L/C Obligations is reallocated to the non-Defaulting Lenders pursuant to clause (i) above, then the fees payable to the non-Defaulting Lenders pursuant to Sections 2.04(i) and 2.10(b) shall be adjusted in accordance with such non-Defaulting Lenders' Pro Rata Shares; and

(v) if all or any portion of such Defaulting Lender's Pro Rata Share of all L/C Obligations is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of the L/C Issuer or any other Lender hereunder, all facility fees and commitment fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Revolving Credit Commitment that was utilized by such L/C Obligations) and letter of credit fees payable under Section 2.04(i) with respect to such Defaulting Lender's Pro Rata Share of all L/C Obligations shall be payable to the L/C Issuer until and to the extent that such Defaulting Lender's Pro Rata Share of all L/C Obligations is reallocated and/or cash collateralized; and

(d) so long as any Revolving Credit Lender is a Defaulting Lender, the Swing Line Lender shall not be required to fund such portion of any Swing Line Loan that equals such Defaulting Lender's Pro Rata Share of such Swing Line Loan, and the L/C Issuer shall not be required to issue,

amend or increase any Letter of Credit, unless they are satisfied (in their reasonable judgment) that the related exposure and the Defaulting Lender's then outstanding Pro Rata Share of all L/C Obligations will be 100% covered by the Revolving Credit Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.17(b), and participating interests in any newly made Swing Line Loan or any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.17(c)(i) (and such Defaulting Lender shall not participate therein).

(e) In the event that each of the Administrative Agent, the Borrower, the Swing Line Lender and the L/C Issuers agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Revolving Credit Lenders' Pro Rata Shares of the Swing Line Obligations and L/C Obligations shall be readjusted to reflect the inclusion of such Lender's Revolving Credit Commitment and on such date such Lender shall purchase at par such of the Revolving Credit Loans of the other Lenders (other than Swing Line Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Revolving Credit Loans in accordance with its Pro Rata Share, and such Lender shall cease to be a Defaulting Lender.

Section 2.18. Extension of Maturity Date.

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one (1) or more offers (each, an "**Extension Offer**") made from time to time by the Borrower to all Lenders holding Term Loans with a like maturity date or Revolving Credit Commitments with a like maturity date, in each case on a pro rata basis (based on the aggregate outstanding principal amount of the respective Term Loans, Revolving Credit Commitments with a like maturity date, as the case may be) and on the same terms to each such Lender, the Borrower is hereby permitted to consummate from time to time transactions with individual Lenders that accept the terms contained in such Extension Offers to extend the maturity date of all or a portion of each such Lender's Term Loans, and/or all of such Lender's Revolving Credit Commitments and otherwise modify the terms of such Term Loans, and/or Revolving Credit Commitments pursuant to the terms of the relevant Extension Offer (including by changing the interest rate or fees payable in respect of such Term Loans and/or Revolving Credit Commitments (and related outstandings) and/or modifying the amortization schedule in respect of such Term Loans) (each, an "**Extension**", and any Extended Term Loans shall constitute a separate Class of Term Loans from the Class of Term Loans from which they were converted and any Extended Revolving Credit Commitments shall constitute a separate Class of Revolving Credit Commitments from the Class of Revolving Credit Commitments from which they were converted), so long as the following terms are satisfied:

(i) no Event of Default shall have occurred and be continuing at the time the Extension Offer is made to the Lenders;

(ii) except as to interest rates, fees and final maturity (which shall be determined by the Borrower and set forth in the relevant Extension Offer), the Revolving Credit Commitment of any Lender that agrees to an extension with respect to such Revolving Credit Commitment extended pursuant to an Extension (an "**Extended Revolving Credit Commitment**"; and the Loans thereunder, "**Extended Revolving Credit Loans**"), and the related outstandings, shall be a Revolving Credit Commitment (or related outstandings, as the case may be) with the same terms (or terms not materially less favorable to existing Lenders, taken as a whole) as the original Revolving Credit Commitments (and related outstandings); *provided that*, (x) subject to the provisions of Section 2.04(m) and Section 2.05(h) to the extent dealing with Swing Line

Loans and Letters of Credit which mature or expire after a maturity date when a Class of Revolving Credit Commitments is extended such that there exists an Extended Revolving Credit Commitments with a longer maturity date with respect to such original Class, all Swing Line Loans and Letters of Credit of the original Class shall be participated in on a pro rata basis by all Lenders with Extended Revolving Credit Commitments with respect to such Class in accordance with their Pro Rata Share (and except as provided in Section 2.04(m) and Section 2.05(h), without giving effect to changes thereto on an earlier maturity date with respect to Swing Line Loans and Letters of Credit theretofore incurred or issued), (y) all borrowings and repayments (except for (A) payments of interest and fees at different rates on Extended Revolving Credit Commitments (and related outstandings), (B) repayments required upon the maturity date of the non-extending Revolving Credit Commitments and (C) repayments made in connection with a permanent repayment and reduction or termination of commitments of any Class of Revolving Credit Commitments) of Extended Revolving Credit Loans after the applicable Extension date shall be made on a pro rata basis with the original Class of Revolving Credit Commitments as to which such Extended Revolving Credit Commitments relate and (z) at no time shall there be Revolving Credit Commitments hereunder that have more than three different maturity dates;

(iii) subject to immediately succeeding clauses (iv), (v) and (vi), the other terms of the Term Loans (including with respect to pricing, interest rate margins, rate floors, discounts, fees, premiums and prepayment or redemption terms and provisions) of any Lender that agrees to an extension with respect to such Term Loans extended pursuant to any Extension (any such extended Term Loans, “**Extended Term Loans**” shall be as agreed between the Borrower and such Lenders (and for the avoidance of doubt, no consent of the Administrative Agent shall be required except to the extent affecting the rights or duties of, or any fees or other amounts payable to, the Administrative Agent); *provided that*, to the extent any more restrictive covenant is added for the benefit of any Class of Extended Term Loans such covenant (except to the extent only applicable after the latest maturity date of the Facilities) may also be added for the benefit of all of the Facilities (or, in the case of a financial maintenance covenant, solely for the benefit of the Initial Revolving Credit Facility or other Facility that benefits from a financial maintenance covenant at such time); it being understood and agreed that in each such case, no consent of the Administrative Agent and/or any Lender shall be required in connection with any amendment adding such covenant;

(iv) the Weighted Average Life to Maturity of any Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans extended thereby;

(v) any Extended Term Loans may participate on a pro rata basis, greater than pro rata basis or a less than pro rata basis (but not a greater than pro rata basis with respect to any earlier maturing Class of Term Loans without at least a pro rata repayment of any such related earlier maturing Classes) in any mandatory repayments or mandatory prepayments (but on a pro rata basis, greater than pro rata basis or a less than pro rata basis in any voluntary prepayments) in respect of the applicable Term Facility, in each case as specified in the respective Extension Offer;

(vi) if the aggregate principal amount of the Class of Term Loans (calculated on the face amount thereof) or Revolving Credit Commitments, as the case may be, in respect of which Term Lenders or Revolving Credit Lenders, as the case may be, shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Term Loans or Revolving Credit Commitments of such Class, as the case may be, offered to be extended by the Borrower pursuant to such Extension Offer, then the Term Loans or Revolving Credit Commitments of such Class, as the case may be, of such Term Lenders or Revolving Credit Lenders, as the case may be, shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Term Lenders or Revolving Credit Lenders, as the case may be, have accepted such Extension Offer,

(vii) all documentation in respect of such Extension (including the Extension Amendment) shall be consistent with the foregoing; and

(viii) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower and no Lender shall be obligated to extend its Term Loans or Revolving Credit Commitments unless it so agrees.

(b) With respect to all Extensions consummated by the Borrower pursuant to this Section 2.18, (i) such Extensions shall not constitute voluntary or mandatory payments or prepayments or commitment reductions for purposes of Sections 2.06, 2.07 or 2.08, (ii) the amortization schedules (in so far as such schedule affects payments due to Lenders participating in the relevant Facility) set forth in Section 2.08 shall be adjusted to give effect to the Extension of the relevant Facility and (iii) except as set forth in clause (a)(vii) above, no Extension Offer is required to be in any minimum amount or any minimum increment; *provided* that the Borrower may at its election specify as a condition (a “**Minimum Extension Condition**”) to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrower’s sole discretion and which may be waived by the Borrower) of Term Loans or Revolving Credit Commitments (as applicable) of any or all applicable Class to be tendered. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.18 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Term Loans and/or Extended Revolving Credit Commitments on such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including Sections 2.06, 2.07 or 2.08) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.18.

(c) No consent of any Lender or the Administrative Agent shall be required to effectuate any Extension, other than (A) the consent of each Lender agreeing to such Extension with respect to one or more of its Term Loans and/or Revolving Credit Commitments (or a portion thereof) and (B) with respect to any Extension of the Revolving Credit Commitments (or a portion thereof), the consent of the L/C Issuer and the Swing Line Lender applicable to such Revolving Credit Commitment (if such L/C Issuer or Swing Line Lender is being requested to issue letters of credit or make swing line loans with respect to the Class of Extended Revolving Credit Commitments), which consent shall not be unreasonably withheld or delayed. All Extended Term Loans and Extended Revolving Credit Commitments and all obligations in respect thereof shall be Obligations under this Agreement and the other Loan Documents; *provided* that if such Indebtedness is secured by a Lien on the Collateral that is junior

to the Lien securing the Secured Obligations, it shall be subject to an Acceptable Intercreditor Agreement. The Lenders hereby irrevocably authorize and direct the Administrative Agent to acknowledge amendments to this Agreement and the other Loan Documents, which is entered into among the Borrower and the Lenders providing such Extension, as may be necessary in order to establish new Classes or sub-Classes in respect of Revolving Credit Commitments or Term Loans so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new Classes or sub-Classes, in each case on terms consistent with this Section 2.18, which amendment shall be effective to amend this Agreement notwithstanding the provisions of Section 11.01. The Borrower shall provide the Administrative Agent prompt written notice of any such amendment pursuant to this Section 2.18(c) and the Administrative Agent hereby agrees to (and is directed by each Lender to) acknowledge such amendment as promptly as practicable following such written notice; it being acknowledged and agreed by each Lender that the Administrative Agent, in its capacity as such shall have no liability with respect to such acknowledgment and each Lender hereby irrevocably waives to the fullest extent permitted by Law any claims with respect to such acknowledgment; provided that, failure to obtain such acknowledgment shall in no way affect the effectiveness of any amendment entered into to effectuate such Extension in accordance with this Section 2.18. In addition, if so provided in such amendment and with the consent of the L/C Issuer, participants in Letters of Credit expiring on or after the latest maturity date (but in no event later than the date that is five Business Days prior to the Initial Revolver Maturity Date) in respect of the Revolving Credit Commitments shall be re-allocated from Lenders holding non-Extended Revolving Credit Commitments to Lenders holding Extended Revolving Credit Commitments in accordance with the terms of such amendment; *provided*, however, that such participation interests shall, upon receipt thereof by the relevant Lenders holding Revolving Credit Commitments, be deemed to be participation interests in respect of such Revolving Credit Commitments and the terms of such participation interests shall be adjusted accordingly.

(d) In connection with any Extension, the Borrower shall provide the Administrative Agent at least three Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures (including regarding timing, rounding and other adjustments and to ensure reasonable administrative management of the credit facilities hereunder after such Extension), if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.18; provided that, failure to give such notice or to follow such procedures shall in no way affect the effectiveness of any amendment entered into to effectuate such Extension in accordance with this Section 2.18. The Loan Parties hereby expressly consent to any such Extension and agree and acknowledge that any security granted or to be granted shall also cover and apply to such Extension.

Section 2.19. Refinancing Amendments.

(a) The Borrower or any Subsidiary Guarantor may, by written notice to the Administrative Agent from time to time, request Indebtedness in exchange for, or to extend, renew, replace or refinance, in whole or (in the case of Term Loans) in part, existing Term Loans or existing Revolving Credit Loans (or unused Revolving Credit Commitments), or any then existing Credit Agreement Refinancing Indebtedness (solely for purposes of this Section 2.19, "**Refinanced Debt**") in the form of (i) Refinancing Term Loans in respect of all or any portion of any Class of Term Loans then outstanding under this Agreement or (ii) Refinancing Revolving Credit Commitments in respect of all or any portion of any Revolving Credit Loans (and the unused Revolving Credit Commitments with respect to such Revolving Credit Loans) then outstanding under this Agreement, in each case pursuant to a Refinancing Amendment (such Indebtedness, "**Refinancing Indebtedness**"). Each written notice to the Administrative Agent requesting a Refinancing Amendment shall set forth (i) the amount of the Refinancing

Term Loans or Refinancing Revolving Credit Commitments being requested (which shall be in minimum increments of \$1,000,000 and a minimum amount of \$10,000,000) and (ii) the date on which such Refinancing Term Loans or Refinancing Revolving Credit Commitments are requested to become effective (which shall not be less than three Business Days (or such shorter period as the Administrative Agent may reasonably agree) after the date of such notice); provided that, failure to give such notice shall in no way affect the effectiveness of any amendment entered into to effectuate such Refinancing Indebtedness in accordance with this Section 2.19. The Borrower or any Subsidiary Guarantor may seek Refinancing Indebtedness from existing Lenders (each of which shall be entitled to agree or decline to participate in its sole discretion) or any Person that is an Eligible Assignee (each such Person that is not an existing Lender and that agrees to provide any portion of the Credit Agreement Refinancing Indebtedness pursuant to a Refinancing Amendment in accordance with this Section 2.19, an “**Additional Refinancing Lender**”).

(b) Notwithstanding the foregoing, the effectiveness of any Refinancing Amendment shall be subject to (i) on the date of effectiveness thereof, no Event of Default shall have occurred and be continuing or shall be caused thereby, (ii) the terms of the applicable Refinancing Indebtedness shall comply with Section 2.19(c), (iii) before and after giving effect to the incurrence of any Refinancing Indebtedness, each of the conditions set forth in Section 4.02 shall be satisfied and (iv) except as otherwise specified in the applicable Refinancing Amendment, the Administrative Agent shall have received legal opinions, board resolutions and other closing certificates reasonably requested by the Administrative Agent and consistent with those delivered on the Closing Date under Section 4.01.

(c) Except as otherwise specified below, the other terms and conditions of any Refinancing Indebtedness (including with respect to pricing, interest rate margins, rate floors, discounts, fees, premiums and prepayment or redemption terms and provisions) shall be as determined between the Borrower and the lenders providing such Refinancing Indebtedness (and for the avoidance of doubt, no consent of the Administrative Agent and/or any Lender shall be required in connection with any amendment adding such covenant except to the extent affecting the rights or duties of, or any fees or other amounts payable to, the Administrative Agent); *provided* that (i) there shall be no scheduled amortization of such Refinancing Indebtedness consisting of Refinancing Revolving Credit Commitments and the scheduled termination date of such Refinancing Revolving Credit Commitments shall not be earlier than the scheduled termination date of the Refinanced Debt, (ii) such Refinancing Indebtedness shall be guaranteed by the Guaranty, (iii) [reserved], (iv) such Refinancing Indebtedness (including, if such Indebtedness includes any Refinancing Revolving Credit Commitments, the unused portion of such Refinancing Revolving Credit Commitments) shall not have a greater principal amount than the principal amount of the Refinanced Debt plus accrued interest, fees and premiums (if any) thereon and reasonable fees and expenses associated with the refinancing, and the aggregate unused Refinancing Revolving Credit Commitments shall not exceed the unused Revolving Credit Commitments being replaced and (v) such Refinanced Debt shall be repaid, defeased or satisfied and discharged on a dollar-for-dollar basis, and all accrued interest, fees and premiums (if any) in connection therewith shall be paid, substantially concurrently with the incurrence of such Refinancing Indebtedness in accordance with the provisions of Section 2.13; *provided, further*, that to the extent that such Refinancing Indebtedness consists of Refinancing Revolving Credit Commitments, the Revolving Credit Commitments being refinanced by such Refinancing Indebtedness shall be terminated, and all accrued fees in connection therewith shall be paid, on the date such Refinancing Indebtedness is issued, incurred or obtained; *provided, further*, that, at the election of the Borrower, to the extent any more restrictive covenant is added for the benefit of any Refinancing Indebtedness, such covenant (except to the extent only applicable after the latest maturity date of the Facilities) may also be added for the benefit of all of the Facilities (or, in the case of a financial maintenance covenant, solely for the benefit of the Initial Revolving Credit Facility or other Facility that benefits from a financial maintenance covenant at such time).

(d) In connection with any Refinancing Indebtedness pursuant to this Section 2.19, the Borrower or any Subsidiary Guarantor and each applicable Lender or Additional Refinancing Lender shall execute and deliver to the Administrative Agent a Refinancing Amendment as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.19, including any amendments necessary to establish the Refinancing Term Loans and Refinancing Revolving Credit Commitments as new Classes, Class or sub-Class of Term Loans or Revolving Credit Commitments and such other technical amendments as may be necessary or appropriate in the reasonable opinion of the Borrower in connection therewith, in each case on terms not inconsistent with this Section 2.19. The Borrower shall provide the Administrative Agent prompt written notice of any such amendment pursuant to this Section 2.19 and the Administrative Agent hereby agrees to (and is directed by each Lender to) acknowledge such amendment as promptly as practicable following such written notice; it being acknowledged and agreed by each Lender that the Administrative Agent, in its capacity as such shall have no liability with respect to such acknowledgment and each Lender hereby irrevocably waives to the fullest extent permitted by Law any claims with respect to such acknowledgment; provided that, failure to obtain such acknowledgment shall in no way affect the effectiveness of any Refinancing Amendment in accordance with this Section 2.19. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment; provided that, failure to give such notice shall in no way affect the effectiveness of any Refinancing Amendment in accordance with this Section 2.19. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent reasonably necessary to reflect the existence and terms of the Refinancing Indebtedness incurred pursuant thereto.

ARTICLE 3 TAXES, INCREASED COSTS AND ILLEGALITY

Section 3.01. Taxes. (a) *Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.* Any and all payments by or on account of any obligation of the Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable Law. If any applicable Law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 3.01) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) *Payment of Other Taxes by the Borrower.* Without limiting the provisions of subsection (a) above, the Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable Laws, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) *Tax Indemnifications.*

(i) Without duplication of any amounts paid pursuant to Sections 3.01(a) or (b), the Borrower shall, and does hereby, indemnify each Recipient, and shall make payment in respect thereof within 30 days after demand therefor accompanied by the certificate described below in this clause (c)(i), for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) payable or paid by such Recipient or required

to be withheld or deducted from a payment to such Recipient, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error. Without limiting the obligation of the Lenders to indemnify the Administrative Agent and the Loan Parties pursuant to Section 3.01(c)(ii), the Borrower shall, and does hereby, indemnify the Administrative Agent, and shall make payment in respect thereof within 30 days after demand therefor, for any amount which a Lender for any reason fails to pay indefeasibly to the Administrative Agent as required pursuant to Section 3.01(c)(ii)(x) below.

(ii) Each Lender shall, and does hereby, severally indemnify, and shall make payment in respect thereof within 10 days after demand therefor, (x) the Administrative Agent against any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting or expanding any obligation of the Borrower to do so), (y) the Administrative Agent and the Loan Parties, as applicable, against any Taxes attributable to such Lender's failure to comply with the provisions of Section 11.07 relating to the maintenance of a Participant Register and (z) the Administrative Agent and the Loan Parties, as applicable, against any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent or a Loan Party, as applicable, in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent or a Loan Party, as applicable, shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent and any Loan Party, as applicable, to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent or any Loan Party, as applicable, under this clause (c)(ii).

(d) *Evidence of Payments.* As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority as provided in this Section 3.01, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by Laws to report such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) *Status of Lenders; Tax Documentation.*

(i) Any Recipient that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable Law or the taxing authorities of a

relevant jurisdiction pursuant to such applicable Law that is reasonably requested by the Borrower or the Administrative Agent and that will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Recipient, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Recipient is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation either (A) set forth in Section 3.01(e)(ii)(A), (ii)(B), and (ii)(D) below or (B) required by applicable Law other than the Code or the taxing authorities of a relevant jurisdiction pursuant to such applicable Law to comply with the requirements for exemption or reduction of withholding Tax in a relevant jurisdiction) shall not be required if in the Recipient's reasonable judgment such completion, execution or submission would subject such Recipient to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Recipient.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person,

(A) any Recipient that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Recipient becomes a Recipient under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding Tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the Borrower or the Administrative Agent, as applicable) on or prior to the date on which such Foreign Lender becomes a Recipient under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income Tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such Tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such Tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit J-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “**U.S. Tax Compliance Certificate**”) and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-2 or Exhibit J-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided* that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the Borrower or the Administrative Agent, as applicable) on or prior to the date on which such Foreign Lender becomes a Recipient under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Recipient under any Loan Document would be subject to Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Recipient shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and

to determine that such Recipient has complied with such Recipient's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) Each Recipient agrees that if any form or certification it previously delivered pursuant to this Section 3.01 expires or becomes obsolete or inaccurate in any respect, it shall promptly update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(f) *Treatment of Certain Refunds.* Unless required by applicable Laws, at no time shall the Administrative Agent have any obligation to file for or otherwise pursue on behalf of a Lender, or have any obligation to pay to any Lender, any refund of Taxes withheld or deducted from funds paid for the account of such Lender. If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section 3.01, it shall pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section 3.01 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), *provided* that the Borrower, upon the request of the Recipient, agrees to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient in the event the Recipient is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this subsection, in no event will the applicable Recipient be required to pay any amount to the Borrower pursuant to this subsection the payment of which would place the Recipient in a less favorable net after-Tax position than such Recipient would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require any Recipient to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the Borrower or any other Person.

(g) *Survival.* Each party's obligations under this Section 3.01 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

(h) *Defined Terms.* For purposes of this Section 3.01, the term "Lender" includes any L/C Issuer and any Swing Line Lender and the term "applicable Law" includes FATCA.

Section 3.02. *Illegality.* If any Lender determines that any Change in Law after the date on which such Lender becomes a Lender, has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurocurrency Rate, or to determine or charge interest rates based upon the Eurocurrency Rate, or any Governmental Authority has imposed materially adverse restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (a) any obligation of such Lender to make or continue Eurocurrency Rate Loans or to convert Base Rate Loans to Eurocurrency Rate Loans, shall be suspended and (b) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurodollar Rate component of the Base Rate,

the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (i) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurocurrency Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans and (ii) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurocurrency Rate, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurocurrency Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurodollar Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted, together with any additional amounts required pursuant to Section 3.07. Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.

Section 3.03. Inability to Determine Rates(a) . If in connection with any request for a Eurocurrency Rate Loan or a conversion to or continuation thereof, (a) (i) the Administrative Agent reasonably determines that deposits (whether in Dollars or an Alternate Currency) are not being offered to banks in the applicable offshore interbank market for such currency for the applicable amount and Interest Period of such Eurocurrency Rate Loan, or (ii) adequate and reasonable means do not exist for determining the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan (whether denominated in Dollars or an Alternate Currency) or in connection with an existing or proposed Base Rate Loan (in each case with respect to clause (a) above, “Impacted Loans”), or (b) the Administrative Agent or the Required Lenders determine that for any reason the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Eurocurrency Rate Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans in the affected currency or currencies shall be suspended, (to the extent of the affected Eurocurrency Rate Loans or Interest Periods), and (y) in the event of a determination described in the preceding sentence with respect to the Eurocurrency Rate component of the Base Rate, the utilization of the Eurocurrency Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans in the affected currency or currencies (to the extent of the affected Eurocurrency Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

(b) Notwithstanding the foregoing, if the Administrative Agent has made the determination described in this section, the Administrative Agent, in consultation with the Borrower and the Required Lenders, may establish an alternative interest rate for the Impacted Loans (which shall not be less than zero), in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (1) the Administrative Agent revokes the notice delivered with respect to the Impacted Loans under clause (a) of the first sentence of this section, (2) the Administrative Agent or the Required Lenders notify the Administrative Agent and the Borrower that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding the Impacted Loans, or (3) any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful,

for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to do any of the foregoing and provides the Administrative Agent and the Borrower written notice thereof.

(c) Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if the Administrative Agent reasonably determines (which determination shall be made in good faith and conclusive absent manifest error), or the Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a simultaneous copy to the Borrower) that the Borrower or Required Lenders (as applicable) have determined, that:

(i) adequate and reasonable means do not exist for ascertaining LIBOR for any requested Interest Period, including, without limitation, because the LIBOR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or

(ii) the administrator of the LIBOR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which LIBOR or the LIBOR Screen Rate shall no longer be made available, or used for determining the interest rate of loans (such specific date, the “Scheduled Unavailability Date”), or

(iii) syndicated loans currently being executed, or that include language similar to that contained in this Section 3.03, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace LIBOR,

then, reasonably promptly after such determination by the Administrative Agent or receipt by the Administrative Agent of such notice, as applicable, the Administrative Agent and the Borrower may amend this Agreement to replace LIBOR with an alternate benchmark rate (including any mathematical or other adjustments to the benchmark (if any) incorporated therein), giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated syndicated credit facilities for such alternative benchmarks (any such proposed rate, a “LIBOR Successor Rate”), together with any proposed LIBOR Successor Rate Conforming Changes (as defined below) and any such amendment shall become effective at 5:00 p.m. on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent a written notice that such Required Lenders do not accept such amendment. Such LIBOR Successor Rate shall be applied in a manner consistent with market practice; provided that to the extent such market practice is not administratively feasible for the Administrative Agent, such LIBOR Successor Rate shall be applied in a manner as otherwise reasonably determined by the Administrative Agent in good faith.

If no LIBOR Successor Rate has been determined and the circumstances under clause (i), above exist or the Scheduled Unavailability Date has occurred (as applicable), the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans shall be suspended, (to the extent of the affected Eurocurrency Rate Loans or Interest Periods), and (y) the Eurocurrency Rate component shall no longer be utilized in determining the Base Rate. Upon receipt of such notice, the Borrower may revoke any pending request for a

Borrowing of, conversion to or continuation of Eurocurrency Rate Loans (to the extent of the affected Eurocurrency Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans (subject to the foregoing clause (y)) in the amount specified therein.

Notwithstanding anything else herein, any definition of LIBOR Successor Rate shall provide that in no event shall such LIBOR Successor Rate be less than zero for purposes of this Agreement.

For purposes hereof, “LIBOR Successor Rate Conforming Changes” means, with respect to any proposed LIBOR Successor Rate, any conforming changes to the definition of Base Rate, Interest Period, timing and frequency of determining rates and making payments of interest and other administrative matters as may be appropriate, in the discretion of the Administrative Agent in consultation with the Borrower, to reflect the adoption of such LIBOR Successor Rate and to permit the administration thereof by the Administrative Agent in a manner substantially consistent with market practice (or, if the Administrative Agent determines that adoption of any portion of such market practice is not administratively feasible or that no market practice for the administration of such LIBOR Successor Rate exists, in such other manner of administration as the Administrative Agent determines is reasonably necessary in connection with the administration of this Agreement).

Section 3.04. Increased Costs. If any Change in Law shall:

(a) impose, modify or deem applicable any reserve, special deposit compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement contemplated by Section 3.06);

(b) subject any Lender or L/C Issuer (after the date on which such Lender or L/C Issuer became a Lender or L/C Issuer, as applicable) to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(c) impose on any Lender or the L/C Issuer or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Eurocurrency Rate Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender, or such L/C Issuer of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or L/C Issuer hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or L/C Issuer, the Borrower will pay to such Lender or L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or L/C Issuer, as the case may be, for such additional costs incurred or reduction suffered; *provided further* that no Lender or L/C Issuer shall make a demand for payment hereunder unless such Lender is also making demand for reimbursement of the relevant amounts from similarly situated borrowers under comparable syndicated credit facilities.

Section 3.05. Capital Requirements. If any Lender determines that any Change in Law, occurring after the date on which such Lender becomes a Lender, affecting such Lender or any Lending Office of such Lender or such Lender’s holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender’s capital or on the capital of such Lender’s holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Swing Line Loans held by, such Lender to a level below that which such Lender or such Lender’s holding company could have achieved but for such Change in Law other than due to Taxes (taking into consideration such Lender’s policies and the policies of such Lender’s holding company with respect to capital adequacy and liquidity), then from time to time, the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender’s holding company for any such reduction suffered; *provided* that no Lender shall make a demand for payment hereunder unless such Lender is also making demand for reimbursement of the relevant amounts from similarly situated borrowers under comparable syndicated credit facilities.

Section 3.06. Reserves on Eurocurrency Rate Loans. (a) If any Lender is required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits (currently known as “Eurocurrency liabilities”), the Borrower shall pay to such Lender additional interest on the unpaid principal amount of each Eurocurrency Rate Loan equal to the actual costs (other than due to Taxes) of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error), which shall be due and payable on each date on which interest is payable on such Loan, provided the Borrower shall have received at least fifteen days’ prior notice (with a copy to the Administrative Agent) of such additional interest from such Lender. If a Lender fails to give notice fifteen days prior to the relevant Interest Payment Date, such additional interest shall be due and payable fifteen days from receipt of such notice.

(b) If any Lender is required to comply with any reserve ratio requirement or analogous requirement of any central banking or financial regulatory authority or other Governmental Authority imposed in respect of the maintenance of the Commitments or the funding of the Eurocurrency Rate Loans, the Borrower shall pay such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs (other than due to Taxes) allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan. Any Lender requesting payment from the Borrower under Section 3.06(a) or (b) shall give the Borrower at least fifteen days’ prior notice (with a copy to the Administrative Agent). If a Lender fails to give notice fifteen days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable fifteen days from receipt of such notice.

Section 3.07. Funding Losses. Upon demand of any Lender (with a copy to the Administrative Agent), the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any actual loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Borrower; or

(c) any assignment of a Eurocurrency Rate Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 3.09(a) or Section 11.01;

including any actual loss or expense arising from the liquidation or reemployment of funds obtained by such Lender to maintain such Loan, or from fees payable to terminate the deposits from which such funds were obtained. The Borrower shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

For purposes of calculating amounts payable by the Borrower to the Lenders under this Section 3.05, each Lender shall be deemed to have funded each Eurocurrency Rate Loan made by it at the Eurocurrency Rate for such Loan by a matching deposit or other borrowing in the London interbank eurodollar market for a comparable amount and for a comparable period, whether or not such Eurocurrency Rate Loan was in fact so funded.

Section 3.08. Matters Applicable to All Requests for Compensation. (a) Any Agent or any Lender claiming compensation under this Article 3 (other than Section 3.01) shall deliver a certificate to the Borrower contemporaneously with the demand for payment setting forth in reasonable detail a calculation of the

additional amount or amounts to be paid to it hereunder which shall be conclusive in the absence of manifest error. In determining such amount, such Agent or such Lender may use any reasonable averaging and attribution methods. For the avoidance of doubt, any amounts required to be paid pursuant to Section 3.01 are subject to the limitations set forth in Section 3.01. The Borrower shall pay such Agent or Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

(b) (i) Except as provided in the following sentence, failure or delay on the part of any Lender to demand compensation pursuant to the provisions of this Article 3 shall not constitute a waiver of such Lender's right to demand such compensation. With respect to any Lender's claim for compensation under any of Sections 3.02 through 3.07, the Borrower shall not be required to compensate such Lender for any amount incurred more than 180 days prior to the date that such Lender notifies the Borrower of the circumstances that gives rise to such claim and of such Lender's intention to claim compensation therefor; *provided that*, if the circumstance giving rise to such increased cost or claim is retroactive, then such 180-day period referred to above shall be extended to include the period of retroactive effect thereof. If any Lender requests compensation from the Borrower under any of Sections 3.04 through 3.06, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue from one Interest Period to another Eurocurrency Rate Loans, or to convert Base Rate Loans into Eurocurrency Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.08(c) shall be applicable); *provided that* such suspension shall not affect the right of such Lender to receive the compensation so requested.

(ii) With respect to any Recipient's claim for compensation under Section 3.01, the Borrower shall not be required to compensate such Recipient for any Taxes to the extent such Taxes were either (A) paid by such Recipient to a Governmental Authority for the purpose of satisfying the Recipient's Tax liability related to the claim for compensation under Section 3.01 if such payment occurred more than 180 days prior to the date that such Recipient notifies the Borrower of such claim or (B) assessed by a Governmental Authority in writing more than 180 days prior to the date that such Recipient notifies the Borrower of the claim for compensation under Section 3.01 related to such assessment.

(c) If the obligation of any Lender to make or continue from one Interest Period to another any Eurocurrency Rate Loan (or to convert Base Rate Loans into Eurocurrency Rate Loans) shall be suspended pursuant to Section 3.08(b) hereof, such Lender's Eurocurrency Rate Loans shall be automatically converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for such Eurocurrency Rate Loans (or, in the case of an immediate conversion required by Section 3.02, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Sections 3.02 through 3.06 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Eurocurrency Rate Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's Eurocurrency Rate Loans shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another by such Lender as Eurocurrency Rate Loans shall be made or continued instead as Base Rate Loans, and all Base Rate Loans of such Lender that

would otherwise be converted into Eurocurrency Rate Loans shall remain as Base Rate Loans.

(d) If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in any of Sections 3.02 through 3.06 that gave rise to the conversion of such Lender's Eurocurrency Rate Loans pursuant to this Section 3.08 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurocurrency Rate Loans made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurocurrency Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding Eurocurrency Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments.

(e) (i) If the Borrower is required to pay any Indemnified Taxes or additional amounts to any Recipient or any Governmental Authority for the account of any Recipient pursuant to Section 3.01, then such Recipient shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Recipient, such designation or assignment (A) would eliminate or reduce amounts payable pursuant to Section 3.01 in the future and (B) would not subject such Recipient to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Recipient. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Recipient in connection with any such designation or assignment.

(ii) Each Lender agrees that if any Lender (A) requests compensation under any of Sections 3.04 through 3.06, or (B) notifies the Borrower that it has determined that it is unlawful for its applicable Lending Office to make, maintain or fund Eurocurrency Rate Loans, or to determine or charge interest rates based upon the Eurocurrency Rate and/or the provisions of Section 3.03 apply, then such Lender will, if requested by the Borrower, use commercially reasonable efforts to designate another Lending Office for any Loan or Letter of Credit affected by such event; *provided* that in each case, such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no material economic, legal or regulatory disadvantage, and *provided further* that nothing in this Section 3.08(e) shall affect or postpone any of the Obligations of the Borrower or the rights of such Lender pursuant to Sections 3.02 or 3.04 through 3.06.

Section 3.09. Replacement of Lenders Under Certain Circumstances. (a) If at any time:

(i) the Borrower becomes obligated to pay to any Person additional amounts or indemnity payments described in Section 3.01 or Sections 3.04 through 3.06, as a result of any condition described in such Sections or any Lender ceases to make Eurocurrency Rate Loans as a result of any condition described in Section 3.02, Section 3.03 or Sections 3.04 through 3.06 and, in each case, the applicable Lender has declined or is unable to designate a different Lending Office in accordance with Section 3.08(e), or

(ii) any Lender becomes a Defaulting Lender,

then the Borrower may, on ten Business Days' prior written notice to the Administrative Agent and such Lender, and at its sole expense and effort, either:

(A) replace such Lender by causing such Lender to (and such Lender shall be obligated to) assign, pursuant to Section 11.07(d), 100% of its relevant Commitments and the principal of its relevant outstanding Loans at par plus any accrued and unpaid interest (with the assignment fee to be paid by the Borrower unless waived by the Administrative Agent in such instance) along with all of its relevant rights (other than its existing rights to payments under Section 3.01 or Section 3.04) and obligations under this Agreement to one or more Eligible Assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender or other such Person or

(B) terminate the Commitment of such Lender and repay all obligations of the Borrower owing to such Lender relating to the Loans and participations held by such Lender as of such termination date;

provided, however, that in the case of a Defaulting Lender only, the Borrower shall have the right to take such action as it may elect (including no action) under the immediately preceding clauses (A) and/or (B) independently and at different times with respect to any one or more Class or Classes of Loans (and the related Commitments) of such Defaulting Lender, without being obligated to take the same action with respect to all Classes of Loans and related Commitments of such Defaulting Lender.

(b) Any Lender being replaced pursuant to Section 3.09(a) above shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's applicable Commitment and outstanding Loans and related participations in L/C Obligations and Swing Line Loans, and (ii) deliver any Notes evidencing such Loans to the Borrower or the Administrative Agent.

(c) Pursuant to an Assignment and Assumption arising by operation of Section 3.09(b), (i) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans, (ii) all obligations of the Borrower owing to the assigning Lender relating to the Loans and participations so assigned shall be paid in full by the assignee Lender to such assigning Lender concurrently with the execution of such Assignment and Assumption and (iii) upon such payment and, if so requested by the assignee Lender, delivery to the assignee Lender of the appropriate Note or Notes executed by the Borrower, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to be a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender.

(d) Notwithstanding anything to the contrary herein, (i) any Lender that acts as L/C Issuer may not be replaced by operation of this Section 3.09 at any time that it has any Letter of Credit outstanding unless arrangements reasonably satisfactory to such L/C Issuer (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer reasonably satisfactory to such L/C Issuer or the depositing of cash collateral into a Cash Collateral Account in amounts and pursuant to arrangements reasonably satisfactory to such L/C Issuer) have been made with respect to such outstanding Letter of Credit and (ii) any Lender that acts as Administrative Agent may not be replaced by operation of this Section 3.09 except in accordance with the terms of Section 9.09.

(e) The Borrower shall also be entitled to replace a Dissenting Lender in accordance with Section 11.01(f).

Section 3.10. Survival. All of the Borrower's obligations under this Article 3 shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder.

ARTICLE 4 CONDITIONS PRECEDENT TO CREDIT EXTENSIONS

Section 4.01. Conditions of Initial Credit Extension. The obligation of each Lender to make its initial Credit Extension hereunder is subject to satisfaction of the following conditions precedent:

(a) The Administrative Agent's (or its counsel's) receipt of the following, each properly executed by a Responsible Officer of the signing Loan Party (as applicable), each in form and substance reasonably satisfactory to the Administrative Agent:

(i) executed counterparts of this Agreement (or written evidence satisfactory to the Administrative Agent (which may include a facsimile or other electronic transmission) that such party has signed a counterpart);

(ix) Subject to the last paragraph of this Section 4.01, each document (including any UCC (or similar) financing statement) required by the applicable Collateral Documents listed on Schedule 4.01(a)(ix) or under law to be filed, registered or recorded in order to create in favor of the Administrative Agent, for the benefit of the Secured Parties, a perfected Lien on the Collateral required to be delivered on the Closing Date, prior and superior in right to any other Person (other than with respect to Liens permitted under this Agreement), shall be in proper form for filing, registration or recordation.

(A) certificates representing any certificated Pledged Equity referred to therein accompanied by undated stock powers executed in blank and instruments evidencing the Pledged Debt endorsed in blank;

(b) all fees pursuant to the Fee Letter and reasonable and documented out-of-pocket expenses required to be paid by (or on behalf of) the Borrower to the Administrative Agent, the Arrangers and the Lenders on or before the Closing Date shall have been paid in full in cash (which amounts may be offset against the loan proceeds funded on the Closing Date) (and in the case of expenses, to the extent invoiced at least three Business Days prior to the Closing Date).

(c) since August 8, 2018, (i) no Closing Date Material Adverse Effect shall have occurred that is continuing and (ii) no Effect (as defined in the Acquisition Agreement) shall have

occurred that, individually or in the aggregate, would reasonably be expected to have a Closing Date Material Adverse Effect.

(d) No later than three (3) Business Days in advance of the Closing Date, the Administrative Agent shall have received all documentation and other information about the Borrower and the Guarantors reasonably requested by the Administrative Agent (on behalf of any Lender) in writing at least ten (10) Business Days in advance of the Closing Date, which documentation or other information is required by regulatory authorities under applicable “know your customer” and anti-money laundering rules and regulations, including without limitation the USA PATRIOT Act and a beneficial ownership certificate to the extent required under 31 C.F.R. §1010.230.

(e) The Lead Arrangers shall have received the Specified Financial Statements and the Pro Forma Financial Statements.

(f) The Refinancing shall have been consummated, or shall be consummated substantially simultaneously with the borrowing of the Initial Term Loans.

(g) The Equity Contribution shall have been made, or will be made substantially concurrently with the borrowing of the Initial Term Loans.

(h) The Acquisition shall have been consummated, or shall be consummated substantially concurrently with the making of the Initial Credit Extension hereunder, in each case, in all material respects in accordance with the terms of the Acquisition Agreement without giving effect to any modifications, amendments, waivers or consents by Merger Sub (or its applicable affiliate) that are materially adverse to the interests of the Lenders (in their capacity as such).

(i) The Specified Acquisition Agreement Representations shall be true and correct as required by the terms of the definition thereof and the Specified Representations shall be true and correct in all material respects on and as of the Closing Date; *provided* that, in the case of any Specified Representation which expressly relates to a given date or period, such representation and warranty shall be true and correct in all material respects as of the respective date or for the respective period, as the case may be.

Without limiting the generality of the provisions of Section 9.03(b), for purposes of determining compliance with the conditions specified in this Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

Notwithstanding anything to the contrary contained herein, none of the making of any representation under Article 5 (except as expressly set forth in Section 4.01(i)) or the accuracy of any such representation or any supplement thereto (except as expressly set forth in Section 4.01(i)) shall constitute a condition precedent to the availability and/or initial funding of the Facilities on the Closing Date, and the only conditions (express or implied) to the availability of the Facilities on the Closing Date are those expressly set forth in this Section 4.01, and such conditions shall be subject in all respects to the provisions of this Section 4.01, including the paragraph below.

Notwithstanding the foregoing, to the extent any Guaranty or Collateral (including the creation or perfection of any security interest) is not or cannot be provided on the Closing Date (other than, (i) the Guaranties executed by the Closing Date Loan Parties, (ii) a Lien on Collateral of the Closing Date Loan Parties that may be perfected solely by the filing of a financing statement under the UCC and (iii) a pledge of the Equity Interests of the Closing Date Loan Parties (other than Holdings) with respect to which a Lien may be perfected on the Closing Date by the delivery of a stock or equivalent certificate (or entry in a stock register or equivalent)) after the Borrower's or Holdings' use of commercially reasonable efforts to do so without undue burden or expense, then the provision of any such Guaranty or Lien search and the provision and/or perfection of such Collateral (and, in the case of any such Guaranty or Collateral, any legal opinion or other deliverables with respect thereto required under Sections 4.01(a)(v)) shall not constitute a condition precedent to the availability and initial funding of the Loans on the Closing Date but may, if required, instead be delivered and/or perfected in accordance with Section 6.13 hereof.

Section 4.02. Conditions to All Credit Extensions. The obligation of each Lender to honor any Request for Credit Extension (other than a Loan Notice requesting only a conversion of Loans to the other Type, or a continuation of Eurocurrency Rate Loans and/or any Credit Extension governed by Sections 2.16, but only with respect to the applicable Commitments) is, in each case, as qualified by the LCT Provisions, if applicable, subject to the following conditions precedent:

(a) The representations and warranties of each Loan Party contained in Article 5 or any other Loan Document shall be true and correct in all material respects on and as of the date of such Credit Extension, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects as of such earlier date (except that, in each case, any representation and warranty that is qualified as to "materiality" or "Material Adverse Effect" shall be true and correct in all respects as so qualified).

(b) No Default shall exist, or would result from such Credit Extension or from the application of the proceeds therefrom.

(c) The Administrative Agent and, if applicable, the relevant L/C Issuer or the Swing Line Lender shall have received a Request for Credit Extension in accordance with the requirements hereof.

Each Request for Credit Extension (other than a Loan Notice requesting only a conversion of Loans to the other Type or a continuation of Eurocurrency Rate Loans and/or any Credit Extension governed by Sections 2.16) submitted by the Borrower shall be deemed to be a representation and warranty that the conditions specified in Section 4.02(a) and 4.02(b) (and, if applicable, (c)) have been satisfied on and as of the date of the applicable Credit Extension.

ARTICLE 5 Representations and Warranties

No material approval, consent, exemption, authorization, or other action by, or notice to, or filing with, any Governmental Authority or any other Person is necessary or required to be made or obtained by any Loan Party in connection with (a) the execution, delivery or performance by any Loan Party of this Agreement or any other Loan Document, (b) the grant by any Loan Party of the Liens granted by it pursuant to the Collateral Documents, (c) the perfection or maintenance of the Liens created under the Collateral Documents (including the priority thereof) or (d) the exercise by the Administrative Agent or any Lender of its rights under the Loan Documents or the remedies in respect of the Collateral pursuant to the Collateral Documents, except for (i) the Perfection Requirements, (ii) the approvals, consents, exemptions, authorizations, actions, notices and filings which have been duly obtained, taken, given or made and are in full force, (iii) those approvals, consents, exemptions, authorizations, actions, notices or filings described in the Security Agreement and (iv) those approvals, consents, exemptions, authorizations, actions, notices or filings, the failure of which to obtain or make could not reasonably be expected to have a Material Adverse Effect.

(b) As of the Closing Date, the unaudited combined pro forma balance sheet and related pro forma unaudited combined statement of operations of the Target as of September 30, 2018 and for the twelve-month period ending on September 30, 2018 (the “**Pro Forma Financial Statements**”), have been prepared in good faith after giving effect to the Transactions, based on assumptions believed by the Borrower to be reasonable as of the date of delivery thereof, and present fairly in all material respects on a pro forma basis the estimated financial position of the Borrower and its Subsidiaries as at September 30, 2018 and their estimated results of operations for the periods covered thereby as if the Transactions had occurred as of such date (in the case of such balance sheet) or at the beginning of such period (in the case of such statement of operations).

(a) Except as disclosed in Schedule 5.06, there are no actions, suits, proceedings, claims or disputes pending or, to the knowledge of the Borrower, threatened in writing, at law, in equity, in arbitration or before any Governmental Authority, by or against the Borrower or any of its Restricted Subsidiaries or against any of their properties or revenues that, either individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

(b) Other than as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, (i) none of the Borrower nor any of its Subsidiaries is subject to, or has received notice of any claim with respect to, any Environmental Liability or knows of any basis for any Environmental Liability and (ii) the Borrower and its Subsidiaries have been and are in compliance with all Environmental Laws and have obtained, maintained and complied with all permits, licenses or other approvals required under any Environmental Law.

To the knowledge of the Borrower, the conduct of the business of each Restricted Company does not infringe upon any IP Rights held by any other Person except for such infringements, individually or in the aggregate, which could not reasonably be expected to have a Material Adverse Effect. No claim or litigation regarding

any of the foregoing is pending or, to the knowledge of the Borrower, threatened, which, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

Section 5.08. Anti-Corruption Laws and Sanctions.

(g) *Inability to Pay Debts; Attachment.* (i) Any Material Company becomes unable or admits in writing its inability or fails generally to pay its debts as they become due, or (ii) any writ or warrant of attachment or execution or similar process is issued or levied against all or any material part of the property of any Material Company in an amount exceeding the Threshold Amount and is not paid, released, discharged, vacated or fully bonded within 60 days after its issue or levy; or

(h) *Judgments.* There is entered against any Material Company a final judgment or order for the payment of money in an amount exceeding the Threshold Amount (to the extent not covered by independent third-party insurance as to which the insurer has been notified of such judgment or order and does not deny coverage) and there is a period of 60 consecutive days during which such judgment has not been paid and during which a stay of enforcement of such judgment, by reason of a pending appeal or otherwise, is not in effect; or

(i) *ERISA.* (i) An ERISA Event occurs with respect to a Pension Plan or a Multiemployer Plan, or a similar event with respect to a Foreign Plan occurs, that, when taken together with all other such ERISA Events or events, has resulted or would reasonably be expected to result in a Material Adverse Effect, or (ii) the Borrower or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA under a Multiemployer Plan in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect; or

(j) *Change of Control.* There occurs any Change of Control; or

(k) *Collateral Documents.* Any Collateral Document after delivery thereof pursuant to Section 4.01 or Section 6.13 shall for any reason (other than pursuant to the terms thereof including as a result of a transaction permitted under Section 7.04 or Section 7.05) cease to create a valid and perfected first priority Lien on and security interest in any material portion of the Collateral, subject to Liens permitted under the Loan Documents, or any Loan Party shall assert in writing such invalidity or lack of perfection or priority (other than in an informational notice delivered to the Administrative Agent), except to the extent that any such loss of perfection or priority results from (x) the failure of the Administrative Agent to maintain possession of certificates or other possessory collateral actually delivered to it representing securities or other collateral pledged under the Collateral Documents or to file Uniform Commercial Code financing statements and/or filings regarding IP Rights or equivalent filings that have been delivered to the Administrative Agent which the Administrative Agent (or its counsel) has agreed to file, (y) a release of Collateral in accordance with the terms hereof or thereof and/or (z) the occurrence of the Termination Date; or

(l) *Guaranty.* Any material Guarantee purported to be created under any Loan Document shall cease to be, or shall be asserted by any Loan Party not to be, in full force and effect in accordance with its terms, except with respect to any Subsidiary Guarantor upon the consummation of any transaction permitted by this Agreement as a result of which such Subsidiary Guarantor providing such Guarantee ceases to be a Subsidiary or Becomes an Excluded Subsidiary or upon the termination of such Guarantee in accordance with its terms.

With respect to any Default or Event of Default, the words “exists”, “is continuing” or similar expressions with respect thereto shall mean that the Default or Event of Default has occurred and has not yet been cured or waived. If, prior to the taking of any action under Section 8.02 (or the occurrence of any event set forth in the proviso thereto), any Default or Event of Default occurs due to (i) the failure by any Loan Party to take any action (including any action by a specified time), such Default or Event of Default shall be deemed to have been cured at the time, if any, that the applicable Loan Party takes such action or (ii) the taking of any action by any Loan Party that is not then permitted by the terms of this Agreement or any other Loan Document, such Default or Event of Default shall be deemed to be cured on the earlier to occur of (x) the date on which such action would be permitted at such time to be taken under this Agreement and the other Loan Documents pursuant to an applicable amendment or waiver permitting such action and (y) the date on which such action is unwound or otherwise modified to the extent necessary for such revised action to be permitted at such time by this Agreement and the other Loan Documents (including after giving effect to any amendments or waivers under Section 11.01); provided that, subject in all respects to subsection (iv) of the immediately succeeding paragraph, an Event of Default resulting from the failure to deliver a notice pursuant to Section 6.03(a) shall cease to exist and be cured in all respects if the Default or Event of Default giving rise to such notice requirement shall have ceased to exist and/or be cured (including pursuant to this paragraph).

Notwithstanding anything to the contrary in this Section 8.01, an Event of Default (the “**Initial Default**”) may not be cured pursuant to the immediately preceding paragraph:

(i) if the taking of any action by any Loan Party or Subsidiary of a Loan Party that is not permitted during, and as a result of, the continuance of such Initial Default directly results in the cure of such Initial Default and the applicable Loan Party or Subsidiary had actual knowledge at the time of taking any such action that was not permitted that the Initial Default had occurred and was continuing;

(ii) in the case of an Event of Default under Section 8.01(k) or (l) that directly results in material impairment of the rights and remedies of the Lenders and Administrative Agent under the Loan Documents and that is incapable of being cured,

(iii) in the case of an Event of Default under Section 8.01(c) arising due to the failure to perform or observe Section 6.07 that directly results in a material adverse effect on the ability of the Borrower and the other Loan Parties (taken as a whole) to perform their respective payment obligations under any Loan Document to which the Borrower or any of the other Loan Parties is a party;

(iv) in the case of an Initial Default for which (i) the Borrower failed to give notice to the Agent and the Lenders of such Initial Default in accordance with Section 6.03(a) of this Agreement and (ii) the Borrower had actual knowledge of such failure to give such notice; or

(v) if the Initial Default had a material adverse effect on the Lenders or Administrative Agent, in their capacity as such.

Section 8.02. Remedies Upon Event of Default. (a) Except as provided in clause (b) below), if any Event of Default occurs and is continuing, the Administrative Agent shall, at the request of, or may, with the consent of, the Required Lenders, take any or all of the following actions:

(i) declare the Commitment of each Lender to make Loans and any obligation of the L/C Issuer to make L/C Credit Extensions to be terminated, whereupon such Commitments and obligation shall be terminated;

(ii) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower;

(iii) require that the Borrower Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof);

(iv) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law; and

(b) Upon the occurrence of an Event of Default arising from a breach of Section 7.10 that has occurred and is continuing, the Administrative Agent shall, at the request of, or may, with the consent of, the Required Revolving Credit Lenders, take any or all of the actions specified in Section 8.02(a) in respect of the Initial Revolving Credit Commitments (including any obligation of the L/C Issuer to make L/C Credit Extensions), the Initial Revolving Credit Loans and the L/C Obligations;

provided that upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under the Bankruptcy Code of the United States, the Commitments shall automatically terminate and the obligation of each Lender to make Loans and any obligation of the L/C Issuer to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts

as aforesaid shall automatically become due and payable, and the obligation of the Borrower to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

Section 8.03. Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 8.02), any amounts received on account of the Obligations shall be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including Attorney Costs payable under Section 11.04 and amounts payable under Article 3 but excluding principal of, and interest on, any Loan) payable to the Administrative Agent in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest and Secured Hedging Obligations and Cash Management Obligations) payable to the Lenders (including Attorney Costs payable under Section 11.05 and amounts payable under Article 3), ratably among them in proportion to the amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans and L/C Borrowings, ratably among the Lenders in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans and L/C Borrowings, Secured Hedging Obligations and Cash Management Obligations ratably among the Lenders, each Hedge Bank or Cash Management Bank in proportion to the respective amounts described in this clause Fourth held by them;

Fifth, to the Administrative Agent for the account of the L/C Issuer, to Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit;

Sixth, to the payment of all other Obligations of the Loan Parties that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.

Subject to Section 2.04(c), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fifth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above and, if no Obligations remain outstanding, delivered to the Borrower. Notwithstanding the foregoing, no amounts received from any Guarantor shall be applied to any Excluded Swap Obligation of such Guarantor.

Section 8.04. Borrower's Right to Cure. Notwithstanding anything to the contrary in this Agreement (including this Article 8), upon the occurrence of a Default or Event of Default as a result of the Borrower's failure to comply with Section 7.10 above for any fiscal quarter, the Borrower shall have the right (the "Cure Right") (at any time during such fiscal quarter or thereafter until the date that is 15 Business Days after the date on which financial statements for such fiscal quarter are required to be delivered pursuant to Section 6.01(a) or (b), as applicable) to issue Qualified Equity Interests or other equity (such other equity to be on terms reasonably acceptable to the Administrative Agent) for cash or otherwise receive cash contributions in respect of its Qualified Equity Interests (the "Cure Amount"), and thereupon compliance with Section 7.10 shall be recalculated giving effect to a pro forma increase in the amount of Consolidated EBITDA by an amount equal to the Cure Amount (notwithstanding the absence of a related addback in the definition of "Consolidated EBITDA") solely for the purpose of determining compliance with Section 7.10 as of the end of such fiscal quarter and for applicable subsequent periods that include such fiscal quarter. If, after giving effect to the foregoing recalculation (but not, for the avoidance of doubt, taking into account any repayment of Indebtedness in connection therewith), the requirements of Section 7.10 would be satisfied, then the requirements of Section 7.10 shall be deemed satisfied as of the end of the relevant fiscal quarter with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of Section 7.10 that had occurred (or would have occurred) shall be deemed cured for the purposes of this Agreement. Notwithstanding anything herein to the contrary, (i) in each four consecutive fiscal quarter period there shall be at least two fiscal quarters (which may, but are not required to be, consecutive) in which the Cure Right is not exercised, (ii) during the term of this Agreement, the Cure Right shall not be exercised more than five times, (iii) the amount of the issuance of Qualified Equity Interests given effect as a Cure Amount shall be no greater than the amount required for the purpose of complying with Section 7.10, (iv) there shall be no pro forma or actual reduction of the amount of Indebtedness by the amount of any Cure Amount for purposes of determining compliance with Section 7.10 for the fiscal quarter in respect of which the Cure Right was exercised (provided that, with respect to any future period, to the extent of any portion of such Cure Amount that is actually applied to repay Indebtedness under the Loan Documents, such repayment may be given effect) and (v) such Cure Amount shall be disregarded for purposes of determining (x) any financial ratio-based condition to the availability of any carve-out set forth in Article 7 of this Agreement or any other basket set forth in Article 7 of this Agreement, (y) any ratio-based stepdown in Article 2 of this Agreement or (z) the Applicable Margin.

ARTICLE 9 Administrative Agent and Other Agents

Section 9.01. Appointment and Authorization of Administrative Agent. (a) Each Lender hereby irrevocably appoints, designates and authorizes the Administrative Agent to take such action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere herein or in any other Loan Document, the Administrative Agent shall have no duties or responsibilities, except those expressly set forth herein or therein, nor shall the Administrative Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article 9 with respect to any acts taken or omissions suffered by each L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and the applications and agreements for letters of credit pertaining to such Letters of Credit as fully as if the term "**Agent**" as used in this Article 9 and in the definition of "Agent-Related

Person” included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer.

(c) The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (in its capacities as a Lender, Swing Line Lender (if applicable), L/C Issuer (if applicable) potential provider of Cash Management Obligations and a potential Hedge Bank) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or on trust for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits afforded to the Administrative Agent of all provisions of this Article 9 (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full herein with respect thereto.

Section 9.02. Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article 9 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

Section 9.03. Exculpatory Provisions. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given in writing to the Administrative Agent by the Borrower, a Lender or the L/C Issuer.

The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, (vi) the satisfaction of any condition set forth in Article 4 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or (vii) compliance by Sponsor Affiliated Lenders with the terms hereof relating to Sponsor Affiliated Lenders.

The Administrative Agent, in its capacity as such, shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Institutions or Sponsor Affiliated Lenders. Without limiting the generality of the foregoing, the Administrative Agent, in its capacity as such, shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or Affiliated Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Institution or Sponsor Affiliated Lender.

The Administrative Agent, in its capacity as such, does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the administration, submission or any other matter related to the rates in the definition of "Eurocurrency Rate" or with respect to any comparable or successor rate thereto.

Section 9.04. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In

determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 9.05. Credit Decision; Disclosure of Information by Agents. Each Lender acknowledges that no Agent-Related Person or Arranger has made any representation or warranty to it, and that no act by any Agent or Arranger hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any of their Subsidiaries thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person or Arranger to any Lender as to any matter, including whether Agent-Related Persons or Arrangers have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person or Arranger and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of each Loan Party, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person or Arranger and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of each Loan Party or any of their Subsidiaries. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any Loan Party or any of their Subsidiaries which may come into the possession of any Agent-Related Person. Each Lender acknowledges and agrees that the extensions of credit made hereunder are commercial loans and letters of credit and not investments in a business enterprise or securities.

Section 9.06. Indemnification of Agents. The Lenders shall indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), pro rata, and hold harmless each Agent-Related Person from and against any and all Indemnified Liabilities in connection with its role as an Agent-Related Person; *provided* that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting from such Agent-Related Person's own gross negligence, willful misconduct or material breach of the Loan Documents by it in bad faith; *provided* that no action taken in accordance with the directions of the Required Lenders shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 9.06; *provided further* that to the extent an L/C Issuer is entitled to indemnification under this Section 9.06 solely in connection with its role as an L/C Issuer, only the Initial Revolving Credit Lenders shall be required to indemnify such L/C Issuer in accordance with this Section 9.06. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.06 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower. The undertaking in this Section 9.06 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.

Section 9.07. Agents in their Individual Capacities. Bank of America and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Equity Interests in and

generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each Loan Party or any of their Subsidiaries as though Bank of America were not the Administrative Agent or the L/C Issuer hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, Bank of America or its Affiliates may receive information regarding any Loan Party or any of their Subsidiaries (including information that may be subject to confidentiality obligations in favor of such Loan Party or any of their Subsidiaries) and acknowledge that the Administrative Agent shall be under no obligation to provide such information to them. With respect to its Loans, Bank of America shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not the Administrative Agent or the L/C Issuer, and the terms “Lender” and “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include Bank of America in its individual capacity.

Section 9.08. Successor Agents.

(a) The Administrative Agent may at any time give notice of its resignation to the Lenders, the L/C Issuer and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States, which successor agent shall be consented to by the Borrower at all times other than during the existence of an Event of Default under Section 8.01(f) or (g) (with respect to the Borrower) (which consent of the Borrower shall not be unreasonably withheld or delayed). If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the “**Resignation Effective Date**”), then the retiring Administrative Agent may (but shall not be obligated to) on behalf of the Lenders and the L/C Issuer, appoint a successor Administrative Agent, which successor agent shall be consented to by the Borrower at all times other than during the existence of an Event of Default under Section 8.01(f) and (g) (which consent of the Borrower shall not be unreasonably withheld or delayed), meeting the qualifications set forth above; *provided* that in no event shall any such successor Administrative Agent be a Defaulting Lender. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Borrower and/or the Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Borrower and such Person remove such Person as Administrative Agent and, appoint a successor, which successor agent shall be consented to by the Borrower at all times other than during the existence of an Event of Default under Section 8.01(f) and (g) (which consent of the Borrower shall not be unreasonably withheld or delayed). If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days (or such earlier day as shall be agreed by the Required Lenders) (the “**Removal Effective Date**”), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date. If no successor agent is appointed by the Required Lenders pursuant to this Section 9.08(b) prior to the date that is ten (10) Business Days following the Removal Effective Date, the Borrower may appoint, after consulting with the Required Lenders, a successor agent from among the Lenders (other than any Sponsor Affiliated Lender).

(c) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (1) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the L/C Issuer under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (2) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all

payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and the L/C Issuer directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Administrative Agent (other than as provided in Section 3.01(g)) and other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable) and shall promptly enter into a licensing agreement with the Reference Pricing Agent, and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article, Section 11.04 and Section 11.05 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them (i) while the retiring or removed Administrative Agent was acting as Administrative Agent and (ii) after such resignation or removal for as long as any of them continues to act in any capacity hereunder or under the other Loan Documents, including (a) acting as collateral agent or otherwise holding any collateral security on behalf of any of the Lenders and (b) in respect of any actions taken in connection with transferring the agency to any successor Administrative Agent.

(d) Any resignation by Bank of America as Administrative Agent pursuant to this Section shall also constitute its resignation as L/C Issuer and Swing Line Lender. If Bank of America resigns as an L/C Issuer, it shall retain all the rights, powers, privileges and duties of the L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto, including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.04(c). If Bank of America resigns as Swing Line Lender, it shall retain all the rights of the Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.05(c). Upon the appointment by the Borrower of a successor L/C Issuer or Swing Line Lender hereunder (which successor shall in all cases be a Lender other than a Defaulting Lender), (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swing Line Lender, as applicable, (b) the retiring L/C Issuer and Swing Line Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (c) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to Bank of America to effectively assume the obligations of Bank of America with respect to such Letters of Credit.

Section 9.09. Administrative Agent May File Proofs of Claim; Credit Bidding. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and

unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuer and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuer and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuer and the Administrative Agent under Sections 2.04(i), 2.04(j), 2.10 and 11.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, the L/C Issuer to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Sections 2.10 and 11.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or the L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or the L/C Issuer to authorize the Administrative Agent to vote in respect of the claim of any Lender or the L/C Issuer in any such proceeding.

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Secured Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any similar Laws in any other jurisdictions to which a Loan Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable Law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the

termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 11.01(a) of this Agreement, (iii) the Administrative Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Secured Party or acquisition vehicle to take any further action, and (iv) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action.

Section 9.10. Collateral and Guaranty Matters. Each of the Secured Parties (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank) irrevocably authorizes and directs the Administrative Agent:

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) on the Termination Date, (ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document to any Person other than a Loan Party, (iii) subject to Section 11.01, if approved, authorized or ratified in writing by the Required Lenders, (iv) owned by a Subsidiary Guarantor upon release of such Subsidiary Guarantor from its obligations under its Subsidiary Guaranty pursuant to Section 9.10(b) below or (v) otherwise becomes an Excluded Asset or ceases to constitute Collateral;

(b) to release any Subsidiary Guarantor from its obligations under any Loan Document to which it is a party if such Person (i) ceases to be a Restricted Subsidiary, (ii) ceases to be a Subsidiary, (iii) becomes an Excluded Subsidiary (other than any Excluded Subsidiary the Borrower elects to maintain as a Subsidiary Guarantor) or (iv) in the Borrower's sole discretion, release at any time, any Excluded Subsidiary, that the Borrower, in its sole discretion, previously elected to cause to become a Subsidiary Guarantor, from its obligations under the Guaranty Agreement, in each case of clauses (i), (ii) and (iii), as a result of a transaction or designation permitted hereunder; *provided* that no such release shall occur if such Subsidiary Guarantor continues to be a guarantor in respect of any Senior Unsecured Notes or any Permitted Refinancing thereof, any Senior Secured Notes or any Permitted Refinancing thereof or any Junior Indebtedness with a principal amount in excess of the Threshold Amount unless and until such Subsidiary Guarantor is (or is being simultaneously) released from its guarantee with respect to such Indebtedness; *provided, further*, that (a) solely in the case of any election to maintain a Non-U.S. Discretionary Guarantor as a Subsidiary Guarantor, consent of the Administrative Agent shall be required prior to such election, such consent not to be unreasonably withheld, delayed or conditioned (it being understood that such consent may be withheld if the Administrative Agent reasonably determines that such Non-U.S. Discretionary Guarantor is organized under the laws of a jurisdiction (i) where the amount and enforceability of the contemplated guarantee that may be entered into by a Person organized in the relevant jurisdiction is materially and adversely limited by applicable law or contractual limitations, (ii) where the security interests (and the enforceability thereof) that may be granted with respect to assets (or various classes of assets) located in the relevant jurisdiction are materially and adversely limited by applicable law or (iii) that is not a member of the Organization for Economic Cooperation and Development or is the target of any Sanctions; *provided*,

that no such consent shall be required for the Borrower's election to maintain an Excluded Subsidiary as a Subsidiary Guarantor if such Excluded Subsidiary was already a Guarantor and has not changed its jurisdiction of organization and/or is organized under the laws of the United States, Canada, the United Kingdom, the Netherlands and Luxembourg) and (b) unless previously provided with respect to such Non-U.S. Discretionary Guarantor, the Administrative Agent shall have received at least two Business Days prior to such election all documentation and other information in respect of such Excluded Subsidiary as has been reasonably requested by the Administrative Agent in writing that is required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including without limitation the USA PATRIOT Act (and, upon any request made by a Lender to the Administrative Agent, the Administrative Agent will provide the Lenders with all such information made available to it in accordance with, and subject to, the provisions of this Agreement); and

(c) to subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Sections 7.01(f), 7.01(i), 7.01(m), 7.01(p), 7.01(s), 7.01(t), 7.01(v), 7.01(x) (to the extent the relevant Lien is of the type to which the Lien of the Administrative Agent is otherwise required to be subordinated under this clause (c) pursuant to any of the other exceptions to Section 7.01 that are expressly included in this clause (c)), 7.01(y) (to the extent the relevant Lien secures Indebtedness permitted under Section 7.03(z)(i)) and/or 7.01(ff); *provided*, that the subordination of any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent shall only be required with respect to any Lien on such property that is permitted by Sections 7.01(f), 7.01(i), 7.01(m), 7.01(p), 7.01(s), 7.01(t), 7.01(v), 7.01(x), 7.01(y) and/or 7.01(ff) to the extent that the Lien of the Administrative Agent or the Collateral Agent (as applicable) with respect to such property is required to be subordinated to the relevant Lien permitted by Section 7.01 in accordance with the documentation governing the Indebtedness that is secured by such Lien permitted by Section 7.01; and

(d) to enter into any subordination, intercreditor, collateral trust and/or similar agreement contemplated hereunder, including any Acceptable Intercreditor Agreement, including with respect to Indebtedness that is (i) required or permitted to be subordinated in right of payment hereunder and/or (ii) secured by Liens and required or permitted to be *pari passu* with or junior to the Liens securing the Secured Obligations, and with respect to which Indebtedness, an intercreditor, subordination, collateral trust or similar agreement is contemplated under this Agreement and including an Acceptable Intercreditor Agreement, an "**Additional Agreement**"), and the Secured Parties party hereto acknowledge that any Additional Agreement is binding upon them. Each Secured Party party hereto hereby (a) agrees that they will be bound by, and will not take any action contrary to, the provisions of any Additional Agreement and (b) authorizes and instructs the Administrative Agent to enter into any Additional Agreement and to subject the Liens on the Collateral securing the Secured Obligations to the provisions thereof. The foregoing provisions are intended as an inducement to the Secured Parties to extend credit to the Borrower, and the Secured Parties are intended third-party beneficiaries of such provisions and the provisions of any Intercreditor Agreement and/or any Additional Agreement.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release its interest in particular types or items of property, or to release any Subsidiary Guarantor from its obligations under the Loan Documents pursuant to this Section 9.10. In each case as specified in this Section 9.10, the Administrative Agent will (and each Lender irrevocably requires the Administrative Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence (i) the release

of such item of Collateral from the assignment and security interest granted under the Collateral Documents (including the filing of termination statements or the return of pledged collateral), or (ii) to release such Subsidiary Guarantor from its obligations under the Loan Documents, in each case in accordance with the terms of the Loan Documents and this Section 9.10; provided, that prior to any such request, the Borrower shall have in each case delivered to the Administrative Agent written request therefor and, to the extent reasonably requested by the Administrative Agent, a certificate of the Borrower to the effect that the release of such Guarantor or Collateral, as applicable, is in compliance with the Loan Documents. Each of the Lenders (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank) irrevocably authorizes and directs the Administrative Agent to rely on any such certificate without independent investigation and release its interests in any Collateral or release any Subsidiary Guarantor from its obligations under the Loan Documents pursuant to this Section 9.10 (including, in each case of the foregoing, by filing applicable termination statements and/or returning pledged Collateral); it being acknowledged and agreed by each Lender that the Administrative Agent, in its capacity as such, shall have no liability with respect to relying on such certificate and taking actions to evidence such release.

Subject to the second paragraph of Section 11.03, anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrower, the Administrative Agent and each other Secured Party hereby agree that no Secured Party shall have any right individually to realize upon any of the Collateral, to enforce the Guaranty or take any other enforcement action hereunder or under any other Loan Document, it being understood and agreed that all powers, rights and remedies hereunder and under any of the Loan Documents may be exercised solely by the Administrative Agent for the benefit of the Secured Parties in accordance with the terms hereof and thereof and this paragraph is for the benefit of, and may be enforced by, each of the parties hereto.

No Secured Hedging Agreement or Cash Management Obligations will create (or be deemed to create) in favor of counterparty that is a party thereto any rights in connection with the management or release of any Collateral or of the obligations of any Guarantor under the Loan Documents except as expressly provided in the Security Agreement. By accepting the benefits of the Collateral, such counterparty shall be deemed to have appointed Administrative Agent, in its capacity as collateral agent, as its agent and agreed to be bound by the Loan Documents as a Secured Party, subject to the limitations set forth in this paragraph. The benefit of the provisions of the Loan Documents directly relating to the Collateral or any Lien granted thereunder shall extend to and be available to any Secured Party that is not the Administrative Agent, a Lender or an L/C Issuer as long as, by accepting such benefits, such Secured Party agrees, as among the Administrative Agent and all other Secured Parties, that such Secured Party is bound by (and, if requested by the Administrative Agent, shall confirm such agreement in a writing in form and substance acceptable to the Administrative Agent) this Article 9, and Section 11.09, and the decisions and actions of the Administrative Agent and the Required Lenders (or, where expressly required by the terms of this Agreement, a greater proportion of the Lenders) to the same extent a Lender is bound; provided that, notwithstanding the foregoing, (i) such Secured Party shall be bound by Section 11.05 only to the extent of liabilities, costs and expenses relating to the Collateral held for the benefit of such Secured Party, in which case the obligations of such Secured Party thereunder shall be such Secured Party's pro rata share (based on the amount of Obligations owing to

such Secured Party relative to the aggregate amount of Obligations) of such liabilities, costs and expenses, (ii) except as set forth specifically herein, the Administrative Agent, the Lenders and the L/C Issuer shall be entitled to act in its sole discretion, without regard to the interest of such Secured Party, regardless of whether any Obligation to such Secured Party thereafter remains outstanding, is deprived of the benefit of the Collateral, becomes unsecured or is otherwise affected or put in jeopardy thereby, and without any duty or liability to such Secured Party or any such Obligation and (iii) except as specifically set forth herein, such Secured Party shall not have any right to be notified of, consent to, direct, require or be heard with respect to, any action taken or omitted in respect of the Collateral or under any Loan Document.

Section 9.11. Other Agents; Arrangers and Managers. None of the Lenders or other Persons identified on the facing page and/or signature pages of this Agreement as a “senior managing agent”, “co-syndication agent,” “co-documentation agent,” “joint bookrunner,” “arranger,” or “joint lead arranger” shall have any right, power, obligation, liability, responsibility or duty under this Agreement. Without limiting the foregoing, none of the Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

Section 9.12. Secured Cash Management Agreements and Secured Hedge Agreements. No Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.03, the Guaranty or any Collateral by virtue of the provisions hereof or of the Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article 9 to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Cash Management Agreements and Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be. Section 11.01. Amendments, Etc. (a) Except as provided in Section 2.16 with respect to any Incremental Joinder, Section 2.18 with respect to any Extension Amendment, Section 2.19 with respect to any Refinancing Amendment, Section 3.03 as it relates to any amendment to replace LIBOR with a LIBOR Successor Rate and any LIBOR Successor Rate Conforming Changes or as otherwise provided in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by any Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders, the Borrower or the applicable Loan Party, as the case may be (with an executed copy thereof promptly delivered to the Administrative Agent if not otherwise party thereto; provided that, failure to deliver such a copy shall not result in any Default or Event of Default nor affect the effectiveness of any such amendment, waiver or consent) and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided that*:

(i) no amendment, waiver or consent shall, without the written consent of each Lender directly and adversely affected thereby (but, for the avoidance of doubt, not the Required Lenders):

(A) extend or increase the Commitment of any Lender (it being understood that a waiver of any condition precedent set forth in Section 4.01 or 4.02, or the waiver of any Default, Event of Default or mandatory prepayment shall not constitute an extension or increase of any Commitment of any Lender);

(B) postpone any date scheduled for any payment of principal or interest under Section 2.08 or 2.09 or fees under Section 2.04(i), 2.04(j), 2.10(b), 2.17(c)(iv), 2.17(c)(v), it being understood that the amendment, supplement, modification and/or waiver of (or amendment to the terms of) any mandatory prepayment of the Term Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest and the application thereof shall not constitute a postponement or reduction of the amount of interest or other amounts;

(C) reduce or forgive the principal of, or the rate of interest specified herein on, any Loan or L/C Borrowing, or (subject to clause (3) of the second proviso to this Section 11.01(a)) any fees or other amounts payable hereunder or under any other Loan Document, it being understood that any change to the definition of any financial ratio (including the Senior Secured Leverage Ratio, the Secured Leverage Ratio, the Total Leverage Ratio and/or the Interest Coverage Ratio), or in each case, the component definitions thereof shall, in each case of the foregoing, not constitute a reduction in the rate of interest or fees or other amounts payable; *provided* that only the consent of the Required Lenders shall be necessary to amend the definition of “Default Rate”, to waive any obligation of the Borrower to pay interest at the Default Rate (including to waive interest that has already accrued at the Default Rate); or

(D) change Section 8.03 in any manner (it being understood and agreed that this clause (D) shall not apply to any transaction permitted under Sections 2.15, 2.16, 2.18, 2.19, 11.07(k), or 11.07(l) or as otherwise provided in this Agreement); and

(ii) no amendment, waiver or consent shall, without the written consent of each Lender:

(A) change any provision of this Section 11.01 or lower the number or percentages set forth in the definition of “Required Lenders”, “Required Class Lenders”, “Required Revolving Credit Lenders” or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder; or

(B) release all or substantially all of the Collateral in any transaction or series of related transactions, or release all or substantially all of the value of the Guaranty;

provided further that:

(1) no amendment, waiver or consent shall, unless in writing and signed by the relevant L/C Issuer in addition to the Lenders required above, affect the rights or duties of such L/C Issuer under this Agreement or any Letter of Credit Application relating to any Letter of Credit issued or to be issued by it;

(2) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lender in addition to the Lenders required above, affect the rights or duties of the Swing Line Lender under this Agreement;

(3) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document;

(4) the definition of "Letter of Credit Sublimit" may be amended or rights and privileges thereunder waived with only the consent of each L/C Issuer, the Administrative Agent and the Required Revolving Credit Lenders;

(5) the Fee Letters may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto;

(6) (I) any condition as to any Credit Extension under one or more Classes (including, with respect to any Revolving Credit Facility, any condition set forth in Section 4.02) may be amended or rights and privileges thereunder waived only with the consent of the applicable Required Class Lenders (and, in the case of a Credit Extension that constitutes the issuance of a Letter of Credit, the applicable L/C Issuer) and (II) any term or provision which directly affects Lenders under one or more Classes and does not directly affect Lenders under any other Class, in each case, may be amended, waived or modified with only the written consent of the applicable Required Class Lenders under such applicable Class (and in the case of multiple Classes which are affected, with respect to all such Classes, such consent shall be effected by the Required Class Lenders of each such Class); *provided*, that, for the avoidance of doubt, the amendments, waivers or modifications described in this clause (6) shall not require the consent of any Lenders other than the applicable Required Class Lenders under such Class or Classes; and

(7) only the consent of the Required Revolving Credit Lenders shall be necessary to amend, modify or waive the terms and provision of the financial covenants set forth in Section 7.10 (and any related definitions as used in such Section, but not as used in other Sections of this Agreement).

(b) Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment of such Lender may not be increased or extended nor the principal amount owed to such Lender reduced nor the final maturity thereof extended without the consent of such Lender (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded from a vote of the Lenders hereunder requiring any consent of the Lenders).

(c) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders and the Borrower (i) to add one or more additional credit facilities to this Agreement in accordance with Section 2.16, Section 2.18 or 2.19 and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Initial Term Loans, the Repatriation Bridge Loans and the Initial Revolving Credit Loans and the accrued interest and fees in respect thereof and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

(d) Notwithstanding anything to the contrary contained herein, in order to implement any Incremental Term Loan Class or Incremental Revolving Credit Commitments in accordance with Section 2.16, this Agreement and the other Loan Documents may be amended, without the consent of the other Lenders, as may be necessary or appropriate, as reasonably determined by the Administrative Agent and the Borrower, to add such Incremental Term Loan Class or Incremental Revolving Credit Commitments in accordance with Section 2.16 and otherwise effect the provisions of Section 2.16, which amendments may also be effectuated in the applicable Incremental Joinder. The Lenders hereby irrevocably authorize the Administrative Agent to enter into any Incremental Joinder and any amendment to any of the other Loan Documents with the Loan Parties, as may be requested by the Borrower from time to time, in order to establish new tranches or sub-tranches in respect of Loans or Commitments increased or extended pursuant to Section 2.16 and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new Loans or Commitments, in each case, on terms consistent with Section 2.16, including any changes to this Agreement as may be necessary to ensure that any Incremental Term Loan Class is fungible with the applicable Class of existing Term Loans if such Incremental Term Loan Class is intended to be of the same Class as the relevant existing Term Facility (including by adding terms to an existing Class of Loans or Commitments that are more favorable to the Lenders of such Class (as reasonably determined by the Administrative Agent)); it being acknowledged and agreed by each Lender that the Administrative Agent, in its capacity as such, shall have no liability with respect to entry in any of the foregoing amendments.

(e) Notwithstanding anything to the contrary contained in this Section 11.01, any guarantees, collateral security documents and related documents executed by any Loan Party of its subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended, supplemented and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any Lender if such amendment, supplement or waiver is delivered in order (i) to comply with local Law, (ii) to correct or cure (x) ambiguities, errors, mistakes, omissions or defects, (y) to

effect administrative changes of a technical or immaterial nature or (z) incorrect cross references or similar inaccuracies in this Agreement or the applicable Loan Document or (iii) to cause such guarantee, collateral security document or other Loan Document to be consistent with this Agreement and the other Loan Documents; it being agreed that in the case of any conflict between this Agreement and any other Loan Document, the provisions of this Agreement shall control (except that in the case of any conflict between this Agreement and an Acceptable Intercreditor Agreement, such Acceptable Intercreditor Agreement with respect to the Collateral shall control).

(f) Notwithstanding anything to the contrary contained in this Section 11.01, in the event that the Borrower requests that this Agreement be modified or amended in a manner that would require the unanimous consent of all of the Lenders (or all affected Lenders) and such modification or amendment is agreed to by the Required Lenders (other than in connection with an extension of maturity, in which case such consent shall not be necessary), then the Borrower shall be permitted to (A) replace the Lender or Lenders that did not agree to the modification or amendment requested by the Borrower (such Lender or Lenders, collectively the “**Dissenting Lenders**”) (without the consent of any Dissenting Lender) by causing such Dissenting Lenders to (and such Dissenting Lenders shall be obligated to) assign 100% of its relevant Commitments and the principal of its relevant outstanding Loans (including, for the avoidance of doubt, any L/C Advances and Swing Line Loans made by any Dissenting Lender) at par plus any accrued and unpaid interest pursuant to Section 11.07(d) (without any assignment fee to be paid by the Borrower) all of its relevant rights and obligations under this Agreement to one or more Eligible Assignees; or (B) terminate the Commitment of such Dissenting Lender and repay all obligations of the Borrower owing to such Dissenting Lender relating to the Loans and participations held by such Dissenting Lender as of such termination date;

Section 11.02. Notices and Other Communications; Facsimile Copies. (a) Generally. Unless otherwise expressly provided herein, all notices and other communications provided for under any Loan Document shall be in writing (including by facsimile transmission and, except as otherwise specifically provided herein, electronic mail). All such written notices shall be mailed, faxed or delivered to the applicable address, facsimile number or (subject to Section 11.02(c)) electronic mail address, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrower, the Administrative Agent, the L/C Issuers or the Swing Line Lender, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 11.02 or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

(ii) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the Borrower, the Administrative Agent, the L/C Issuer and the Swing Line Lender.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender’s receipt of an acknowledgement from the intended recipient (such as by the “return receipt requested” function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing

clause (i) of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii), if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice, email or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

All such notices and other communications shall be deemed to be given or made upon the earlier of (x) actual receipt by the relevant party and (y) (A) if delivered by hand or by courier, when signed for by or on behalf of the relevant party; (B) if delivered by mail, four Business Days after deposit in the mails, postage prepaid; (C) if delivered by facsimile, when sent and receipt has been confirmed by telephone; and (D) if delivered by electronic mail, when delivered; *provided* that notices and other communications to the Administrative Agent, the L/C Issuer and the Swing Line Lender pursuant to Article 2 shall not be effective until actually received by such Person. In no event shall a voice mail message be effective as a notice, communication or confirmation hereunder.

(b) *Effectiveness of Facsimile Documents and Signatures.* Loan Documents may be transmitted and/or signed by facsimile or other electronic means. The effectiveness of any such documents and signatures shall, subject to applicable Law, have the same force and effect as manually signed originals and shall be binding on each Loan Party, each Agent and each Lender. The Administrative Agent may also require that any such documents and signatures be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any facsimile document or signature.

(c) *Electronic Communications.* Notices and other communications to the Lenders and the L/C Issuer hereunder may be delivered or furnished by electronic communication (including electronic mail, EPML Messaging and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; *provided* that the foregoing shall not apply to notices to any Lender or the L/C Issuer pursuant to Article 2 if such Lender or the L/C Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications.

(d) *Reliance by Agents and Lenders.* Reliance by Agents and Lenders. The Administrative Agent, the L/C Issuer and the Lenders shall be entitled to rely and act upon any notices (including telephonic notices, Loan Notices, Letter of Credit Applications and Swing Line Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify each Agent-Related Person the L/C Issuer, and each Lender from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower in the absence of gross negligence or willful misconduct. All telephonic notices to the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording; *provided* that, it is acknowledged and agreed that any recording of telephonic communications (other than such telephonic notices) between a Loan Party and the Administrative Agent may not be recorded without the express written consent of the Borrower.

(e) THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Agent-Related Persons (collectively, the “Agent Parties”) or the Borrower have any liability to any other party hereto for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the transmission of Borrower Materials or notices through the platform, any other electronic platform or electronic messaging service, or through the Internet; except to the extent such losses, claims, damages, liabilities or expenses result from the gross negligence, willful misconduct, bad faith or material breach of this Agreement (as determined by a court of competent jurisdiction).

Section 11.03. No Waiver; Cumulative Remedies. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges provided under each Loan Document are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the Borrower, the Administrative Agent and each Secured Party hereby irrevocably agree that the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of their Affiliates shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders and the L/C Issuers and the other Secured Parties; provided, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) any L/C Issuer or the Swing Line Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as L/C Issuer or Swing Line Lender, as the case may be) hereunder and under the other Loan Documents, or (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b) and (c) of the preceding proviso and subject to Section 2.14, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it solely during the time (and to the extent) authorized expressly in writing by the Required Lenders and agrees to cease such enforcement and rescind any ongoing actions and proceedings at law and if and to the extent directed by the Required Lenders.

Section 11.04. **Attorney Costs, Expenses.** The Borrower agrees (a) to pay or reimburse the Administrative Agent and its Affiliates for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents, and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, but in the case of Attorney Costs, limited to the reasonable fees and reasonable documented out-of-pocket expenses of a single primary firm of counsel to the Arrangers and the Administrative Agent, and, if necessary, of a single firm of local counsel to the Arrangers and the Administrative Agent in each appropriate material jurisdiction, and (b) to pay or reimburse the Administrative Agent and each Lender for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law), but in the case of Attorney Costs, limited to the reasonable fees and reasonable documented out-of-pocket expenses of a single primary firm of counsel to (and, if necessary, of a single firm of local counsel in each appropriate material jurisdiction to the Administrative Agent and the Lenders, taken as a whole, unless the Administrative Agent and the Lenders reasonably determine that separate counsel is necessary to avoid an actual or perceived conflict of interest in which case one additional counsel may be appointed for all affected parties, taken as a whole). The foregoing costs and expenses shall include all search, filing, recording, title insurance and appraisal charges relevant to the Collateral and fees, and the related reasonable and documented out-of-pocket expenses incurred by any Agent. All amounts due under this Section 11.04 shall be paid within thirty (30) days after receipt by the Borrower of an invoice in reasonable detail. The agreements in this Section 11.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. Without limiting the provisions of Section 3.01, this Section 11.04 shall not apply with respect to Taxes other than any Taxes that represent costs or expenses arising from any non-Tax claim.

Section 11.05. **Indemnification by the Borrower.** Whether or not the transactions contemplated hereby are consummated, the Borrower shall indemnify and hold harmless each Agent, each Arranger, each Lender, each L/C Issuer and each of their respective Related Parties and other representatives and successors of the foregoing (collectively the “**Indemnitees**”) from and against any and all liabilities, losses, damages, claims and costs of any kind or nature (including Attorney Costs, which shall be limited to a single primary counsel to the Indemnitees, taken as a whole (and, if necessary, of a single firm of local counsel to the Indemnitees, taken as a whole, in each appropriate material jurisdiction)), unless the Indemnitees reasonably determine that separate counsel is necessary to avoid an actual or perceived conflict of interest, in which case one additional counsel may be appointed for all affected Indemnitees, taken as a whole, for any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with:

(a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby or, in the case of the Administrative Agent (and any sub agent thereof) and its Related Parties only, the administration of this Agreement and the other Loan Documents (including in respect of any matters addressed in Section 3.01);

(b) any Commitment, Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit); or

(c) any actual or alleged presence or release of Hazardous Materials on or from any property currently or formerly owned, leased or operated by any Restricted Company or any of their Subsidiaries, or any Environmental Liability related in any way to any Restricted Company or any of their Subsidiaries; or

(d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not such claim, litigation, investigation or proceeding is brought by the Borrower or any other Loan Party or their respective equity holders, Affiliates, creditors or any other third Person and based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) and regardless of whether any Indemnatee is a party thereto (a “**Proceeding**”);

(all the foregoing, collectively, the “**Indemnified Liabilities**”), in all cases, whether or not caused by or arising, in whole or in part, out of the negligence of the Indemnatee; *provided* that such indemnity shall not, as to any Indemnatee, be available to the extent that such liabilities, losses, damages, claims and costs (collectively, the “**Losses**”) (x) have resulted from the gross negligence or willful misconduct or bad faith or material breach of the Loan Documents of or by such Indemnatee or any of its Affiliates or any of the officers, directors, employees, advisors, agents or other representatives or successors of any of the foregoing, as determined by the final non-appealable judgment of a court of competent jurisdiction, (y) arise from claims of any of the Indemnitees solely against one or more Indemnitees (other than any claims against an Indemnatee in its capacity as agent, arranger or other similar role hereunder) that have not resulted from any misrepresentation, default or the breach of any Loan Document or any actual or alleged performance or non-performance by the Borrower or any other Loan Party, any direct or indirect parent or controlling person thereof or their respective Subsidiaries or any of their respective officers, directors, stockholders, partners, members, employees, agents, representatives or advisors or (z) have resulted from any agreement governing any settlement referred to below by such Indemnatee that is effected without the Borrower’s prior written consent (which consent shall not be unreasonably withheld or delayed), but if settled with the Borrower’s written consent or if there is a final judgment in any such Proceeding, the Loan Parties agree to indemnify and hold harmless each Indemnatee from and against any and all losses, claims, damages, liabilities and expenses by reason of such settlement or judgment in accordance with, and to the extent required by, this Section 11.05. Each Indemnatee shall be obligated to refund and return any and all amounts paid by you (or on your behalf) under this Section 11.05 to such Indemnatee to the extent such Indemnatee is not entitled to payment of such amounts in accordance with the terms hereof. No Indemnatee shall be liable for any damages arising from the use by others of any information or other materials obtained through SyndTrak, IntraLinks or other similar information transmission systems in connection with this Agreement, except to the extent resulting from the willful misconduct, gross negligence or material breach of the Loan Documents in bad faith of or by such Indemnatee as determined by the final non-appealable judgment of a court of competent jurisdiction, nor shall any Indemnatee or any Loan Party have any liability (whether direct or indirect, in contract or in tort or otherwise) for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date); *provided*, however, that the foregoing liability exclusion with respect to the Loan Parties shall not limit the indemnification obligations of the Loan Parties otherwise provided for above in respect of third party claims against the Indemnitees for which such Indemnitees are otherwise entitled to indemnification hereunder. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 11.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, shareholders or creditors or an Indemnatee or any other Person, whether or not any Indemnatee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 11.05 shall be paid within thirty days of receipt by the Borrower of an invoice in reasonable detail. The agreements in this Section 11.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. Without limiting the provisions of Section 3.01, this Section 11.05 shall not apply with respect to Taxes other than any Taxes that represent Losses arising from any non-Tax claim.

The Loan Parties shall not be liable for any settlement of any Proceeding (or any expenses related thereto) effected without the Borrower’s written consent (which consent shall not be unreasonably withheld or delayed), but if settled with the Borrower’s written consent or if there is a final and non-appealable judgment by a court of competent jurisdiction in any such Proceeding, the Loan Parties agree to indemnify and hold harmless each Indemnatee from and against any and all Losses and reasonable and documented or invoiced legal or other out-of-pocket expenses by reason of such settlement or judgment in accordance with and to the extent provided in the other provisions of this Section 11.05.

The Loan Parties shall not, without the prior written consent of any Indemnitee (which consent shall not be unreasonably withheld or delayed, it being understood that the withholding of consent due to non-satisfaction of any of the conditions described in clauses (i) and (ii) of this sentence shall be deemed reasonable), effect any settlement of any pending or threatened Proceeding in respect of which indemnity could have been sought hereunder by such Indemnitee unless such settlement (i) includes an unconditional release of such Indemnitee in form and substance reasonably satisfactory to such Indemnitee from all liability or claims that are the subject matter of such Proceeding and (ii) does not include any statement as to or any admission of fault, culpability, wrongdoing or a failure to act by or on behalf of any Indemnitee.

In case any Proceeding is instituted involving any Indemnitee for which indemnification is to be sought hereunder by such Indemnitee, then such Indemnitee will promptly notify the Borrower of the commencement of any Proceeding; provided, however, that the failure to so notify the Borrower will not relieve the Borrower from any liability that it may have to such Indemnitee pursuant to this Section 11.05.

Section 11.06. Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then:

(a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and

(b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Federal Funds Rate from time to time in effect.

Section 11.07. Assigns. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 11.07(f) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Notwithstanding Section 11.07(a), the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender, except as provided in Section 7.04.

(c) Notwithstanding Section 11.07(a), no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of Section 11.07(d), (ii) by way of participation in accordance with the provisions of Section 11.07(f), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Sections 11.07(h) and 11.07(j) or (iv) to an SPC in accordance with the provisions of Section 11.07(i) (and any other attempted assignment or transfer by any party hereto shall be null and void).

(d) Any Lender may at any time assign to one or more Eligible Assignees (which, for the avoidance of any doubt, shall not include any Disqualified Institutions to the extent the list of Disqualified Institutions has been provided to the Lenders) all or a portion of its rights and obligations under this Agreement; *provided that*

(i) except in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or, in the case of an assignment to a Lender or an Affiliate of a Lender or, in the case of the Term Loan Facility, an Approved Fund, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the outstanding principal balance of the Loan of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of such Trade Date, shall not be less than \$5,000,000, in the case of any assignment in respect of the Revolving Credit Facility, or \$1,000,000, in the case of any assignment in respect of any Term Loans and Repatriation Bridge Loans, unless each of the Administrative Agent and, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed);

(ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned, except that this clause (ii) shall not (x) apply to rights in respect of Swing Line Loans or (y) prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis;

(iii) any assignment of a Term Loan, Repatriation Bridge Loan or a Revolving Credit Commitment to an Eligible Assignee must be approved, if applicable, by the Persons specified for such assignment in the definition of Eligible Assignee; *provided* that solely in the case of assignments of Term Loans, the Borrower shall be deemed to have consented to any such assignment of Term Loans unless the Borrower has objected to such assignment by written notice to the Administrative Agent within fifteen (15) Business Days after having received written notice from the Administrative Agent requesting its consent to such assignment; *provided further* that, it is agreed that the Borrower may withhold its consent to an assignment to any person that is known by it to be an affiliate of a Disqualified Institution (regardless of whether it is readily identifiable as an Affiliate by virtue of its name (other than, in the case of Disqualified Institutions under clause (ii) of the definition thereof, such Affiliates that are Bona Fide Lending Affiliates));

(iv) the parties (other than the Borrower unless its consent to such assignment is required hereunder) to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500 (which fee the Borrower shall have no obligation to pay except as required in Section 3.09 and 11.01(f)) and if the assignee is not a Lender prior to such assignment, such assignee shall deliver to the Administrative Agent any Tax forms required by Section 3.01(e); and

(v) the assigning Lender shall deliver any Notes evidencing such Loans to the Borrower or the Administrative Agent (and the Administrative Agent shall deliver such Notes to the Borrower).

Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 11.07(e), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits (subject to the obligations and limitations) of Sections 3.01, 3.04, 3.07, 11.04 and 11.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and after the surrender by the assigning Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this clause (d) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 11.07(f). The Administrative Agent, in its capacity as such, shall not be responsible or have any liability for, or have any duty to inquire into, monitor, or enforce, the provisions set forth in this Agreement relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent, in its capacity as such, shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Institution.

(e) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying the Unreimbursed Amounts), L/C Borrowings and amounts due under Section 2.04 owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, each Agent and each Lender shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and, as to entries pertaining to it, any Lender, at any reasonable time and from time to time upon reasonable prior notice. The parties intend that all extensions of credit to the Borrower and its Affiliates hereunder shall at all times be treated as being in registered form within the meaning of Sections 163(f), 871(h)(2), and 881(c)(2) of the Code (and any successor provisions) and the regulations thereunder and shall interpret the provisions herein regarding the Register and the Participant Register (as defined in clause (g) below) consistent with such intent.

(f) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent sell participations to any Person (other than to one or more natural persons, a holding company, investment vehicle or trust for, or owned and operated by or for the primary benefit of a natural person, or solely to the extent the list of Disqualified Institutions is made available to the Lenders, a Disqualified Institution) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement; *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, each Agent and each other Lender shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in Section 11.01(a)(i) or 11.01(a)(ii) that directly affects such Participant. Subject to Section 11.07(g), each Participant shall be entitled to the benefits of Section 3.01, and Sections

3.04 through 3.07 (subject to the requirements and limitations therein, including the requirements under Section 3.01(f) (it being understood that the documentation required under Section 3.01(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 11.07(d); *provided* that such Participant agrees to be subject to the provisions of Sections 3.08(e) and 3.09 as if it had acquired its interest by assignment pursuant to Section 11.07(d). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.10 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.14 as though it were a Lender.

(g) A Participant shall not be entitled to receive any greater payment under Section 3.01 and Sections 3.04 through 3.07 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation and each Granting Lender shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and each applicable SPC, as applicable, and the principal amounts (and stated interest) of each Participant's or SPC's, as applicable, interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or SPC, or any information relating to a Participant's or SPC's interest in any Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive (absent manifest error) as to the identity of each Participant and each SPC and the amount of Loans, Commitments and other obligations under the Loan Documents attributed to such Participant or SPC, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation or Loan granted to such SPC for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(h) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement under its Note, if any to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Lender; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(i) Notwithstanding anything to the contrary contained herein:

(i) any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle (an "**SPC**") (which, for the avoidance of doubt, may not be a Disqualified Institution) identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that

(A) nothing herein shall constitute a commitment by any SPC to fund any Loan,

(B) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof, and

(C) each SPC that elects to exercise such option shall satisfy the requirements under Section 3.01(e) (it being understood that the documentation required under Section 3.01(e) shall be delivered to the applicable Granting Lender).

(ii) (A) Neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01 or Sections 3.04 through 3.07), (B) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (C) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document and any indemnity or similar payment obligation under this Agreement, remain the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender.

(iii) Any SPC may (A) with notice to, but without prior consent of the Borrower or the Administrative Agent and with the payment of a processing fee of \$3,500, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (B) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(j) Notwithstanding anything to the contrary contained herein, any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee (who may not be a Disqualified Institution) for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 11.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents, (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise (unless such trustee is an Eligible Assignee which has complied with the requirements of Section 11.07(d)).

(k) In case of an assignment to a Sponsor Affiliated Lender (other than an Affiliated Debt Fund, which shall, in each case, even if not expressly excluded, only be subject to the requirement set forth in clause (10)), (1) after giving effect to such assignment, together with all other assignments to Sponsor Affiliated Lenders, the aggregate principal amount of all Loans and Commitments then held by all Sponsor Affiliated Lenders (other than Affiliated Debt Funds) shall not exceed 25% of the aggregate unpaid principal amount of the Term Loans then outstanding (determined at the time of such purchase), (2) no Revolving Credit Loans or Revolving Credit Commitments shall be assigned to any Sponsor Affiliated Lender (other than Affiliated Debt Funds), (3) no proceeds of Revolving Credit Loans shall be used, directly or indirectly, to consummate such assignment, (4) any

Loans assigned or contributed to Holdings or its Subsidiaries shall be automatically cancelled upon such assignment (it being agreed that documentation evidencing such cancellation, if necessary), may be entered promptly thereafter), (5) in the event that any proceeding under the Bankruptcy Code shall be instituted by or against the Borrower or any Guarantor, each Sponsor Affiliated Lender shall acknowledge and agree that they are each “insiders” under Section 101(31) of the Bankruptcy Code and, as such, the claims associated with the Loans and Commitments owned by it shall not be included in determining whether the applicable class of creditors holding such claims has voted to accept a proposed plan for purposes of Section 1129(a)(10) of the Bankruptcy Code, or, alternatively, to the extent that the foregoing designation is deemed unenforceable for any reason, each Sponsor Affiliated Lender shall vote in such proceedings in the same proportion as the allocation of voting with respect to such matter by those Lenders who are not Sponsor Affiliated Lenders, except to the extent that any plan of reorganization proposes to treat the Obligations held by such Sponsor Affiliated Lender in a manner that is less favorable in any material respect to such Sponsor Affiliated Lender than the proposed treatment of similar Obligations held by Lenders that are not Sponsor Affiliated Lenders, (6) the assigning Lender and the Sponsor Affiliated Lender (other than Affiliated Debt Funds) purchasing such Lender’s Loans and/or Commitments shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit A-2 hereto (an “**Affiliated Lender Assignment and Assumption**”), (7) such Sponsor Affiliated Lender will not receive information provided solely to Lenders and will not be permitted to attend or participate in (or receive any notice of) Lender meetings or conference calls, will not be entitled to challenge the Administrative Agent’s and the Lenders’ attorney-client privilege as a result of their status as Sponsor Affiliated Lenders and, other than with respect to Affiliated Debt Funds, will not have any rights to bring any action against the Administrative Agent in its capacity as such, (8) [reserved], (9) the portion of the Total Outstandings held or deemed held by any Lenders that are Sponsor Affiliated Lenders (other than Affiliated Debt Funds) shall be excluded for all purposes of making a determination of Required Lenders, (10) Affiliated Debt Funds may not, in the aggregate, account for more than 49.9% of the amount necessary to establish that the Required Lenders have consented to an action and the portion of the Total Outstandings held or deemed held by any Affiliated Debt Funds in excess of such amount shall be excluded for all purposes of making a determination of Required Lenders, (11) any purchases by Sponsor Affiliated Lenders shall require that such Sponsor Affiliated Lender clearly identify itself as a Sponsor Affiliated Lender in any Affiliated Lender Assignment and Assumption executed in connection with such purchases or sales and (12) each such Affiliated Lender Assignment and Assumption shall contain customary “big boy” representations but no requirement to make representations as to the absence of any material non-public information; it being understood and agreed that, notwithstanding anything to the contrary contained herein, any Loans or Commitments acquired by a Sponsor Affiliated Lender (other than Holdings or its Restricted Subsidiaries) may, with the consent of the Borrower, be contributed to the Borrower (whether through any of its Parent Entities or otherwise) and exchanged for debt or equity securities that are otherwise permitted to be issued at such time *provided*, that any such Loans or Commitments so contributed shall be deemed cancelled for all purposes and no longer outstanding.

(l) The Administrative Agent, in its capacity as such, may conclusively rely upon any list provided by the Borrower in connection with any amendment or waiver hereunder and shall not have any responsibility for monitoring any acquisition or disposition of Term Loans by any Sponsor Affiliated Lender or liability for any losses suffered by any Person as a result of any purported assignment to or from a Sponsor Affiliated Lender.

(m) Notwithstanding anything to the contrary contained herein, if any Loans or Commitments are assigned or participated (x) to a Disqualified Institution or (y) without complying with the Borrower consent or notice requirements of this Section 11.07, then: (a) the Borrower may (i) terminate any Commitment of such Person and prepay any applicable outstanding Loans at a price equal to the lesser of (x) the current trading price of the Loans, (y) par and (z) the amount such Person

paid to acquire such Loans or Commitments, in each case, without premium, penalty, prepayment fee or breakage, and/or (ii) require such person to assign its rights and obligations to one or more Eligible Assignees at the price indicated above (which assignment shall not be subject to any processing and recordation fee) and if such person does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption reflecting such assignment within three (3) Business Days of the date on which the assignee Lender executes and delivers such Assignment and Assumption to such person, then such person shall be deemed to have executed and delivered such Assignment and Assumption without any action on its part, (b) no such Person shall receive any information or reporting provided by the Borrower, the Administrative Agent or any Lender, (c) for purposes of voting, any Loans or Commitments held by such person shall be deemed not to be outstanding, and such person shall have no voting or consent rights with respect to “Required Lender” or Class votes or consents, (d) for purposes of any matter requiring the vote or consent of each Lender affected by any amendment or waiver, such person shall be deemed to have voted or consented to approve such amendment or waiver if a majority of the affected Class (giving effect to clause (c) above) so approves, and (e) such person shall not be entitled to any expense reimbursement or indemnification rights under any Loan Documents (including Sections 11.04 and 11.05) and the Borrower expressly reserves all rights against such person under contract, tort or any other theory and shall be treated in all other respects as a Defaulting Lender; it being understood and agreed that the foregoing provisions shall not apply to any assignee of a Disqualified Institution that becomes a Lender so long as such assignee is not a Disqualified Institution or an affiliate thereof. The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to provide the list of Disqualified Institutions provided by the Borrower and any updates thereto from time to time (collectively, the “**DQ List**”) to each Lender requesting such DQ List.

Section 11.08. Successors. Notwithstanding anything to the contrary contained herein, any or all of Bank of America or any other L/C Issuer may, upon 30 days’ notice to the Borrower and the Lenders, resign as L/C Issuer, and Bank of America may, upon 30 days’ notice to the Borrower and the Lenders, resign as Swing Line Lender; provided that on or prior to the expiration of such 30-day period with respect to such resignation as L/C Issuer, the applicable L/C Issuer shall have identified a successor L/C Issuer reasonably acceptable to the Borrower willing to accept its appointment as successor L/C Issuer with an L/C Commitment at equal to the L/C Commitment of the resigning L/C Issuer (unless otherwise agreed by the Borrower). In the event of any such resignation as L/C Issuer or Swing Line Lender, the Borrower shall be entitled to appoint a successor L/C Issuer or Swing Line Lender from among the Lenders willing to accept such appointment; provided that a failure by the Borrower to appoint any such successor shall not affect the resignation as L/C Issuer or Swing Line Lender, as the case may be, except as provided above. If an L/C Issuer resigns, it shall retain all the rights and obligations of the L/C Issuer with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.04(c)).

Section 11.09. Confidentiality. Each Agent and each Lender agrees to maintain the confidentiality of the Information, except that the Information may be disclosed (a) to its Affiliates, and its and their respective Related Parties who need to know such information solely in connection with the Facilities (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and who have agreed or are otherwise obligated to keep such Information confidential, and the applicable Agent or Lender shall be responsible for compliance by such Persons with such obligations); (b) to the extent requested by any regulatory authority having or purporting to have jurisdiction over the applicable Agent or Lender or any of its Affiliates *provided* that the Agent or Lender that discloses any Information pursuant to this clause (b) shall (except with respect to any audit or examination conducted by bank accountants or any self regulatory authority or governmental regulatory authority exercising examiner or regulatory authority), to the extent practicable and permitted by law, provide the Borrower prompt notice of such disclosure; (c) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process (except with respect to any audit or examination conducted by bank accountants or any self regulatory authority or governmental regulatory authority exercising examiner or regulatory authority); *provided* that the Agent or Lender that discloses any Information pursuant to

this clause (c) shall, to the extent practicable and permitted by law, provide the Borrower prompt notice of such disclosure; (d) to any other party to this Agreement; (e) [reserved], (x) to any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights or obligations under this Agreement or (y) to any direct, indirect, actual or prospective counterparty (and its advisor) to any swap, derivative or securitization transaction related to its obligations under this Agreement, in each case, other than a Disqualified Institution; *provided* that notwithstanding anything to the contrary in this Section 11.09, any Agent or any Lender may disclose the list of Disqualified Institutions to any prospective assignee, participant or counterparty who is not (i) a Disqualified Institution or (ii) readily identifiable as an Affiliate of a Disqualified Institution set forth on such list by virtue of its name to such Disqualified Institution for the purpose of such prospective assignee, participant or counterparty representing and warranting to the such Agent or such Lender that such prospective assignee, participant or counterparty is not a Disqualified Institution; (f) with the written consent of the Borrower; (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 11.09; (h) to the extent such Information is independently developed by such Agent or Lender without the use of any confidential information and without violating the terms of this Section 11.09; (i) to the extent such Information is received from a third party that is not known by such Agent or Lender to be subject to any confidentiality obligations owed to the Borrower; or (k) for purposes of establishing a “due diligence” defense. In addition, any Agent and any Lender may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to any Agent and any Lender in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments, and the Credit Extensions. For the purposes of this Section 11.09, “**Information**” means all information received from or on the behalf of any Loan Party relating to any Loan Party or its business, other than any such information that is publicly available to any Agent or any Lender prior to disclosure by any Loan Party other than as a result of a breach of this Section 11.09.

Section 11.10. Set-off. In addition to any rights and remedies of each Lender provided by Law, upon the occurrence and during the continuance of any Event of Default, after obtaining the prior written consent of the Administrative Agent, each Lender is authorized at any time and from time to time, without prior notice to any Loan Party, any such notice being waived by the Borrower (on its own behalf and on behalf of each other Loan Party) to the fullest extent permitted by Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, but not any deposits held in a custodial, trust or other fiduciary capacity), at any time held by, and other Indebtedness at any time owing by, such Lender to or for the credit or the account of the respective Loan Parties against any and all Obligations owing to such Lender hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Lender; *provided* that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent and each Lender under this Section 11.10 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent and such Lender may have.

Section 11.11. Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under any Loan Document shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “**Maximum Rate**”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 11.12. Counterparts. This Agreement and each other Loan Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute

one and the same instrument. Delivery by telecopier of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier.

Section 11.13. Integration. This Agreement, together with the other Loan Documents, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; *provided* that the inclusion of supplemental rights or remedies in favor of any Agent or any Lender in any other Loan Document shall not be deemed a conflict with this Agreement and subject, in the case of Letter of Credit Applications, to the last sentence of Section 2.04(b)(i). Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof.

Section 11.14. Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

Section 11.15. Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 11.16. Governing Law. (a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK; PROVIDED, THAT (I) THE INTERPRETATION OF THE DEFINITION OF "CLOSING DATE MATERIAL ADVERSE EFFECT" AND THE DETERMINATION OF WHETHER A CLOSING DATE MATERIAL ADVERSE EFFECT HAS OCCURRED, (II) THE DETERMINATION OF THE ACCURACY OF ANY SPECIFIED ACQUISITION AGREEMENT REPRESENTATION AND WHETHER AS A RESULT OF ANY INACCURACY THEREOF MERGER SUB OR ITS APPLICABLE AFFILIATE HAS A RIGHT TO TERMINATE ITS OBLIGATIONS UNDER THE ACQUISITION AGREEMENT OR DECLINE TO CONSUMMATE THE ACQUISITION AND (III) THE DETERMINATION OF WHETHER THE ACQUISITION HAS BEEN CONSUMMATED IN ACCORDANCE WITH THE TERMS OF THE ACQUISITION AGREEMENT AND, IN ANY CASE, ANY CLAIM OR DISPUTE ARISING OUT OF ANY SUCH INTERPRETATION OR DETERMINATION OR ANY ASPECT THEREOF, SHALL IN EACH CASE BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF DELAWARE REGARDLESS OF THE LAWS THAT MIGHT OTHERWISE GOVERN UNDER APPLICABLE PRINCIPLES OF CONFLICTS OF LAWS.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT SHALL BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK IN THE CITY OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY, EACH AGENT AND EACH LENDER CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS. EACH LOAN PARTY,

EACH AGENT AND EACH LENDER IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO (EXCEPT THAT, (X) IN THE CASE OF ANY SECURITY DOCUMENT, PROCEEDINGS MAY ALSO BE BROUGHT BY THE ADMINISTRATIVE AGENT IN THE STATE OR OTHER JURISDICTION IN WHICH THE RESPECTIVE COLLATERAL IS LOCATED OR ANY OTHER RELEVANT JURISDICTION AND (Y) IN THE CASE OF ANY BANKRUPTCY, INSOLVENCY OR SIMILAR PROCEEDINGS WITH RESPECT TO THE ADMINISTRATIVE AGENT, ANY L/C ISSUER, ANY SWING LINE LENDER OR ANY OTHER LENDER, ACTIONS OR PROCEEDINGS RELATED TO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS MAY BE BROUGHT IN SUCH COURT HOLDING SUCH BANKRUPTCY, INSOLVENCY OR SIMILAR PROCEEDINGS).

Section 11.17. Waiver of Right to Trial by Jury. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 11.17 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

Section 11.18. Binding Effect. This Agreement shall become effective when it shall have been executed by Holdings, the Borrower and each other Closing Date Loan Party and the Administrative Agent shall have been notified by each Lender, each Swing Line Lender and the L/C Issuer that each such Lender, Swing Line Lender and the L/C Issuer has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, each Agent and each Lender and their respective successors and assigns, except that the Borrower shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders.

Section 11.19. No Implied Duties. The Borrower acknowledges that (a) the sole role of the Arrangers is to syndicate the Facilities and to arrange for future amendments and other modifications hereto and (b) no Agent has any duty other than as expressly provided herein. Without limiting the generality of the foregoing, the Borrower agrees that no Arranger, Agent or Lender shall in any event be subject to any fiduciary or other implied duties. Additionally, the Borrower acknowledges and agrees that the Arrangers are not advising the Borrower as to any legal, Tax, investment, accounting or regulatory matters in any jurisdiction. The Borrower has consulted and will continue to consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated hereby (including any amendments or other modifications hereto), and no Arranger or Secured Party shall have any responsibility or liability to the Borrower with respect thereto. Any review by any Arranger or Secured Party of the Borrower, the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of such Arranger or Secured Party and shall not be on behalf of the Borrower.

Section 11.20. USA Patriot Act Notice. Each Lender that is subject to the USA Patriot Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “**USA Patriot Act**”), it is required to obtain, verify and record information that identifies the Borrower and each Guarantor, which information includes the name and address of the Borrower or Guarantor and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the

Borrower or such Guarantor in accordance with the Act. The Borrower shall, reasonably promptly following a request by the Administrative Agent, provide all documentation and other information that the Administrative Agent requests in order to comply with ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the Act; provided that, no Default or Event of Default shall result from non-compliance by this Section 11.20.

Section 11.21. Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Solely to the extent any Lender or L/C Issuer that is an EEA Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender or L/C Issuer that is an EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender or L/C Issuer that is an EEA Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 11.22. ERISA Representations.

- (a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, that at least one of the following is and will be true:
 - (i) such Lender is not using Plan Assets in connection with such Lender’s entrance into, participation, administration of and performance of the Loans, the Commitments or this Agreement,
 - (ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house
-

asset managers), is applicable and the conditions are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, and the conditions for exemptive relief thereunder are and will continue to be satisfied in connection therewith, or

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender, such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

Section 11.23. No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower and each other Loan Party acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Arrangers, and the Lenders are arm's-length commercial transactions between the Borrower, each other Loan Party and their respective Affiliates, on the one hand, and the Administrative Agent, the Arrangers, and the Lenders, on the other hand, (B) each of the Borrower and the other Loan Parties has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower and each other Loan Party is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, the Arrangers and each Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, any other Loan Party or any of their respective Affiliates, or any other Person and (B) neither the Administrative Agent, the Arrangers nor any Lender has any obligation to the Borrower, any other Loan Party or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Arrangers and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, the other Loan Parties and their respective Affiliates, and neither the Administrative Agent, the Arrangers, nor any Lender has any obligation to disclose any of such interests to the Borrower, any other Loan Party or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and each other Loan Party hereby waives and releases any claims that it may have against the Administrative Agent, the Arrangers or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 11.24. Electronic Execution of Assignments and Certain Other Documents. The words "execute," "execution," "signed," "signature," and words of like import in or related to any document to be signed

in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Assumptions, amendments or other modifications, Loan Notices, Swing Line Loan Notices, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

Section 11.25. The Borrower as Loan Party Representative. Each Loan Party (other than the Borrower) hereby designates the Borrower as its representative and agent for all purposes under the Loan Documents, including requests for Revolving Credit Loans, designation of interest rates, delivery or receipt of communications, preparation and delivery of financial reports, receipt and payment of Obligations, requests for waivers, amendments or other accommodations, actions under the Loan Documents (including in respect of compliance with covenants), and all other dealings with the Administrative Agent or any Lender. The Borrower hereby accepts such appointment. The Administrative Agent and the Lenders shall be entitled to rely upon, and shall be fully protected in relying upon, any notice or communication (including any Loan Notice) delivered by Borrower on behalf of any other Loan Party. The Administrative Agent, the Collateral Agent and the Lenders may give any notice or communication with a Loan Party hereunder to the Borrower on behalf of such Loan party. Each of the Administrative Agent, the Collateral Agent and the Lenders shall have the right, in its discretion, to deal exclusively with the Borrower for any or all purposes under the Loan Documents. Each Loan Party agrees that any notice, election, communication, representation, agreement or undertaking made on its behalf by the Borrower shall be binding upon and enforceable against it.

Section 11.26. Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “Judgment Currency”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “Agreement Currency”), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable law).

Section 11.27. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Swap Contract or any other agreement or instrument that is a QFC (such support, “QFC Credit Support”, and each such QFC, a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 11.27, the following terms have the following meanings:

“BHC Act Affiliate” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“Covered Entity” means any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

Any calculation or measure that is determined with reference to the Company’s financial statements (including EBITDA, Consolidated Interest Expense, Consolidated Net Income, Fixed Charges, Fixed Charge Coverage Ratio, Consolidated Secured Leverage Ratio and Consolidated Total Leverage Ratio) may be determined with reference to the financial statements of a Parent Entity instead, so long as such Parent Entity does not hold any material assets other than, directly or indirectly, the Capital Stock of the Company.

(c) When calculating the availability under any basket or ratio under this Indenture or compliance with any provision of this Indenture in connection with any Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness and the use of proceeds thereof, the incurrence or creation of Liens, repayments, Restricted Payments and Asset Dispositions), in each case, at the option of the Company (the Company’s election to exercise such option, an “LCT Election”), the date of determination for availability under any such basket or ratio and whether any such action or transaction is permitted (or any requirement or condition therefor is complied with or satisfied

(including as to the absence of any continuing Default or Event of Default)) under this Indenture shall be deemed to be the date (the “LCT Test Date”) either (a) the definitive agreement for such Limited Condition Transaction is entered into (or, if applicable, the date of delivery of an irrevocable declaration of a Restricted Payment or similar event), or (b) solely in connection with an acquisition to which the United Kingdom City Code on Takeovers and Mergers applies, the date on which a “Rule 2.7 announcement” of a firm intention to make an offer (or equivalent announcement in another jurisdiction) (an “LCT Public Offer”) in respect of a target of a Limited Condition Transaction and, in each case, if, after giving pro forma effect to the Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness and the use of proceeds thereof, the incurrence or creation of Liens, repayments, Restricted Payments and Asset Dispositions) and any related pro forma adjustments, the Company or any of its Restricted Subsidiaries would have been permitted to take such actions or consummate such transactions on the relevant LCT Test Date in compliance with such ratio, test or basket (and any related requirements and conditions), such ratio, test or basket (and any related requirements and conditions) shall be deemed to have been complied with (or satisfied) for all purposes (in the case of Indebtedness, for example, whether such Indebtedness is committed, issued, assumed or incurred at the LCT Test Date or at any time thereafter); provided, that (a) if financial statements for one or more subsequent fiscal quarters shall have become available, the Company may elect, in its sole discretion, to redetermine all such ratios, tests or baskets on the basis of such financial statements, in which case, such date of redetermination shall thereafter be the applicable LCT Test Date for purposes of such ratios, tests or baskets, (b) except as contemplated in the foregoing clause (a), compliance with such ratios, test or baskets (and any related requirements and conditions) shall not be determined or tested at any time after the applicable LCT Test Date for such Limited Condition Transaction and any actions or transaction related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness and the use of proceeds thereof, the incurrence or creation of Liens, repayments, Restricted Payments and Asset Dispositions) and (c) Consolidated Interest Expense for purposes of the Fixed Charge Coverage Ratio will be calculated using an assumed interest rate as reasonably determined by the Company.

For the avoidance of doubt, if the Company has made an LCT Election, (1) if any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would at any time after the LCT Test Date have been exceeded or otherwise failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in EBITDA or total assets of the Company or the Person subject to such Limited Condition Transaction, such baskets, tests or ratios will not be deemed to have been exceeded or failed to have been complied with as a result of such fluctuations; (2) if any related requirements and conditions (including as to the absence of any continuing Default or Event of Default) for which compliance or satisfaction was determined or tested as of the LCT Test Date would at any time after the LCT Test Date not have been complied with or satisfied (including due to the occurrence or continuation of an Default or Event of Default), such requirements and conditions will not be deemed to have been failed to be complied with or satisfied (and such Default or Event of Default shall be deemed not to have occurred or be continuing); and (3) in calculating the availability under any ratio, test or basket in connection with any action or transaction unrelated to such Limited Condition Transaction following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or date for redemption, purchase or repayment specified in an irrevocable notice for such Limited Condition Transaction is terminated, expires or passes (or, if applicable, the irrevocable notice is terminated, expires or passes or, as applicable, the offer in respect of an LCT Public Offer for, such acquisition is terminated), as applicable, without consummation of such Limited Condition Transaction, any such ratio, test or basket shall be determined or tested giving pro forma effect to such Limited Condition Transaction.

ARTICLE II

THE NOTES

SECTION 2.1. Form, Dating and Terms.

(a) The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited. The Initial Notes issued on the date hereof will be in an aggregate principal amount of

\$700,000,000. In addition, the Issuer may issue, from time to time in accordance with the provisions of this Indenture, Additional Notes (as provided herein). Furthermore, Notes may be authenticated and delivered upon registration of transfer, exchange or in lieu of, other Notes pursuant to Sections 2.2, 2.6, 2.11, 2.13, 5.6 or 9.5, in connection with an Asset Disposition Offer, Collateral Asset Disposition Offer or Collateral Advance Offer pursuant to Section 3.5 or in connection with a Change of Control Offer pursuant to Section 3.9.

Notwithstanding anything to the contrary contained herein, the Issuer may not issue any Additional Notes, unless such issuance is in compliance with Section 3.2.

With respect to any Additional Notes, the Issuer shall set forth in one or more indentures supplemental hereto, the following information:

- (A) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture;
- (B) the issue price and the issue date of such Additional Notes, including the date from which interest shall accrue; and
- (C) whether such Additional Notes shall be Restricted Notes.

In authenticating and delivering Additional Notes, the Trustee shall be entitled to receive and shall be fully protected in relying upon, in addition to the Opinion of Counsel and Officer's Certificate required by Section 13.2, an Opinion of Counsel as to the due authorization, execution, delivery, validity and enforceability of such Additional Notes.

The Initial Notes and the Additional Notes shall be considered collectively as a single class for all purposes of this Indenture, *provided* that any Additional Notes will not be issued with the same CUSIP, ISIN or other identifying number as the Initial Notes unless such Additional Notes are fungible with the Initial Notes for U.S. federal income tax purposes. Holders of the Initial Notes and the Additional Notes will vote and consent together on all matters to which such Holders are entitled to vote or consent as one class, and none of the Holders of the Initial Notes or the Additional Notes shall have the right to vote or consent as a separate class on any matter to which such Holders are entitled to vote or consent.

(b) The Initial Notes are being offered and sold by the Issuer pursuant to a Purchase Agreement, dated February 1, 2019, among the Issuer and Citigroup Global Markets Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated and RBC Capital Markets, Inc. as representatives for the several Initial Purchasers. The Initial Notes and any Additional Notes (if issued as Restricted Notes) (the "Additional Restricted Notes") will be resold initially only to (A) Persons they reasonably believe to be QIBs in reliance on Rule 144A and (B) Non-U.S. Persons in reliance on Regulation S. Such Initial Notes and Additional Restricted Notes may thereafter be transferred to, among others, persons reasonably believed to be QIBs, purchasers in reliance on Regulation S, and AIs and IAIs in accordance with Rule 501 under the Securities Act in each case, in accordance with the procedure described herein. Additional Notes offered after the date hereof may be offered and sold by the Issuer from time to time pursuant to one or more purchase agreements in accordance with applicable law.

Initial Notes and Additional Restricted Notes offered and sold to persons reasonably believed to be QIBs in the United States of America in reliance on Rule 144A (the "Rule 144A Notes") shall be issued in the form of a permanent global Note substantially in the form of Exhibit A, which is hereby incorporated by reference and made a part of this Indenture, including appropriate legends as set forth in Section 2.1(d) (the "Rule 144A Global Note"), deposited with the Trustee, as custodian for DTC, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided. The Rule 144A Global Note may be represented by more than one certificate if so required by DTC's rules regarding the maximum principal amount to be represented by a single certificate. The aggregate principal amount of the Rule 144A Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee, as custodian for DTC or its nominee, as hereinafter provided.

Initial Notes and any Additional Restricted Notes offered and sold to non-U.S. Persons outside the United States of America (the "Regulation S Notes") in reliance on Regulation S shall be issued in the form of a permanent global Note substantially in the form of Exhibit A including appropriate legends as set forth in Section 2.1(d) (the "Regulation S Global Note"). Each Regulation S Global Note will be deposited upon issuance with, or on behalf of, the Trustee as custodian for DTC in the manner described in this Article II. Prior to the 40th day after the later of the commencement of the offering of the Initial Notes and the Issue Date (such period through and including such 40th day, the "Restricted Period"), interests in the Regulation S Global Note may only be transferred to non-U.S. persons pursuant to Regulation S, unless exchanged for interests in a Global Note in accordance with the transfer and certification requirements described herein.

Investors may hold their interests in the Regulation S Global Note through organizations other than Euroclear Bank S.A./N.V. ("Euroclear") or Clearstream Banking, *société anonyme* ("Clearstream") that are participants in DTC's system or directly through Euroclear or Clearstream, if they are participants in such systems, or indirectly through organizations which are participants in such systems. If such interests are held through Euroclear or Clearstream, Euroclear and Clearstream will hold such interests in the applicable Regulation S Global Note on behalf of their participants through customers' securities accounts in their respective names on the books of their respective depositories. Such depositories, in turn, will hold such interests in the applicable Regulation S Global Note in customers' securities accounts in the depositories' names on the books of DTC.

The Regulation S Global Note may be represented by more than one certificate if so required by DTC's rules regarding the maximum principal amount to be represented by a single certificate. The aggregate principal amount of the Regulation S Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee, as custodian for DTC or its nominee, as hereinafter provided.

Initial Notes and Additional Restricted Notes resold to IAIs (the "Institutional Accredited Investor Notes") in the United States of America will be issued in the form of a permanent global Note substantially in the form of Exhibit A including appropriate legends as set forth in Section 2.1(d) (the "Institutional Accredited Investor Global Note") deposited with the Trustee, as custodian for DTC, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided. The Institutional Accredited Investor Global Note may be represented by more than one certificate, if so required by DTC's rules regarding the maximum principal amount to be represented by a single certificate. The aggregate principal amount of the Institutional Accredited Investor Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee, as custodian for DTC or its nominee, as hereinafter provided.

Initial Notes and Additional Restricted Notes resold to AIs in the United States of America will be issued in the form of a Definitive Note substantially in the form of Exhibit A including the legend as set forth in Section 2.1(d) (an “Accredited Investor Note”).

The Rule 144A Global Note, the Regulation S Global Note and the Institutional Accredited Investor Global Note are sometimes collectively herein referred to as the “Global Notes.”

The principal of (and premium, if any) and interest on the Notes shall be payable at the office or agency of the Paying Agent designated by the Issuer maintained for such purpose (which shall initially be the office of the Trustee maintained for such purpose), or at such other office or agency of the Issuer as may be maintained for such purpose pursuant to Section 2.3; *provided, however*, that, at the option of the Paying Agent, each installment of interest may be paid by (i) check mailed to addresses of the Persons entitled thereto as such addresses shall appear on the Notes Register or (ii) wire transfer to an account located in the United States maintained by the payee, subject to the last sentence of this paragraph. Payments in respect of Notes represented by a Global Note (including principal, premium, if any, and interest) will be made by wire transfer of immediately available funds to the accounts specified by DTC. Payments in respect of Notes represented by Definitive Notes (including principal, premium, if any, and interest) held by a Holder of at least \$1,000,000 aggregate principal amount of Notes represented by Definitive Notes will be made in accordance with the Notes Register, or by wire transfer to a Dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 15 days immediately preceding the

relevant due date for payment (or such other date as the Trustee or Paying Agent, as applicable, may accept in its discretion).

The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage, in addition to those set forth on Exhibit A and in Section 2.1(d). The Issuer shall approve any notation, endorsement or legend on the Notes. Each Note shall be dated the date of its authentication. The terms of the Notes set forth in Exhibit A are part of the terms of this Indenture and, to the extent applicable, the Issuer, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to be bound by such terms.

(c) Denominations. The Notes shall be issuable only in fully registered form in minimum denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof.

(d) Restrictive and Global Note Legends.

(1) Unless and until (i) an Initial Note or an Additional Note issued as a Restricted Note is sold under an effective registration statement or (ii) the Issuer receives an Opinion of Counsel satisfactory to it to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act, the Rule 144A Global Note, the Regulation S Global Note, the Institutional Accredited Investor Global Note and the Accredited Investor Note shall each bear the following legend on the face thereof:

- (e) Book-Entry Provisions. (i) This Section 2.1(e) shall apply only to Global Notes deposited with the Trustee, as custodian for DTC, and for which the applicable procedures of DTC shall govern.

(1) Each Global Note initially shall (x) be registered in the name of DTC or the nominee of DTC, (y) be delivered to the Notes Custodian for DTC and (z) bear legends as set forth in Section 2.1(d)(2). Transfers of a Global Note (but not a beneficial interest therein) will be limited to transfers thereof in whole, but not in part, to DTC, its successors or its respective nominees, except as set forth in Section 2.1(e)(4) and 2.1(f). If a beneficial interest in a Global Note is transferred or exchanged for a beneficial interest in another Global Note, the Notes Custodian will (x) record a decrease in the principal amount of the Global Note being transferred or exchanged equal to the principal amount of such transfer or exchange and (y) record a like increase in the principal amount of the other Global Note. Any beneficial interest in one Global Note that is transferred to a Person who takes delivery in the form of an interest in another Global Note, or exchanged for an interest in another Global Note, will, upon transfer or exchange, cease to be an interest in such Global Note and become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer and exchange restrictions, if any, and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

(2) Members of, or participants in, DTC (“Agent Members”) shall have no rights under this Indenture with respect to any Global Note held on their behalf by DTC or by the Notes Custodian as the custodian of DTC or under such Global Note, and DTC may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices of DTC governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(3) In connection with any transfer of a portion of the beneficial interest in a Global Note pursuant to Section 2.1(f) to beneficial owners who are required to hold Definitive Notes, the Notes Custodian shall reflect on its books and records the date and a decrease in the principal amount of such

Global Note in an amount equal to the principal amount of the beneficial interest in the Global Note to be transferred, and the Issuer shall execute, and the Trustee shall authenticate and make available for delivery, one or more Definitive Notes of like tenor and amount.

(4) In connection with the transfer of an entire Global Note to beneficial owners pursuant to Section 2.1(f), such Global Note shall be deemed to be surrendered to the Trustee for cancellation, and the Issuer shall execute, and the Trustee shall authenticate and make available for delivery, to each beneficial owner identified by DTC in exchange for its beneficial interest in such Global Note, an equal aggregate principal amount of Definitive Notes of authorized denominations.

(5) The registered Holder of a Global Note may grant proxies and otherwise authorize any person, including Agent Members and persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(6) Any Holder of a Global Note shall, by acceptance of such Global Note, agree that transfers of beneficial interests in such Global Note may be effected only through a book-entry system maintained by (i) the Holder of such Global Note (or its agent) or (ii) any holder of a beneficial interest in such Global Note, and that ownership of a beneficial interest in such Global Note shall be required to be reflected in a book entry.

(f) Definitive Notes. Except as provided below, owners of beneficial interests in Global Notes will not be entitled to receive Definitive Notes. Definitive Notes shall be transferred to all beneficial owners in exchange for their beneficial interests in a Global Note if (A) DTC notifies the Issuer that it is unwilling or unable to continue as Depository for such Global Note or DTC ceases to be a clearing agency registered under the Exchange Act, at a time when DTC is required to be so registered in order to act as depository, and in each case a successor depository is not appointed by the Issuer within 90 days of such notice, (B) the Issuer in its sole discretion executes and deliver to the Trustee and Registrar an Officer's Certificate stating that such Global Note shall be so exchangeable or (C) an Event of Default has occurred and is continuing and the Registrar has received a written request from DTC. In the event of the occurrence of any of the events specified in the second preceding sentence or in clause (A), (B) or (C) of the preceding sentence, the Issuer shall promptly make available to the Registrar a reasonable supply of Definitive Notes. In addition, any Note transferred to an affiliate (as defined in Rule 405 under the Securities Act) of the Issuer or evidencing a Note that has been acquired by an affiliate in a transaction or series of transactions not involving any public offering must, until one year after the last date on which either the Issuer or any affiliate of the Issuer was an owner of the Note, be in the form of a Definitive Note and bear the legend regarding transfer restrictions in Section 2.1(d)(1). If required to do so pursuant to any applicable law or regulation, beneficial owners may also obtain Definitive Notes in exchange for their beneficial interests in a Global Note upon written request in accordance with DTC's and the Registrar's procedures.

(1) Any Definitive Note delivered in exchange for an interest in a Global Note pursuant to Section 2.1(e) shall, except as otherwise provided by Section 2.6(d), bear the applicable legend regarding transfer restrictions applicable to the Global Note set forth in Section 2.1(d)(1).

(2) If a Definitive Note is transferred or exchanged for a beneficial interest in a Global Note, the Trustee will (x) cancel such Definitive Note, (y) record an increase in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (z) in the event that such transfer or exchange involves less than the entire principal amount of the canceled Definitive Note, the Issuer shall execute, and the Trustee shall authenticate and make available for delivery, to the transferring Holder a new Definitive Note representing the principal amount not so transferred.

(3) If a Definitive Note is transferred or exchanged for another Definitive Note, (x) the Trustee will cancel the Definitive Note being transferred or exchanged, (y) the Issuer shall execute, and the Trustee shall authenticate and make available for delivery, one or more new Definitive Notes in authorized denominations having an aggregate principal amount equal to the principal amount of such transfer or exchange to the transferee (in the case of a transfer) or the Holder of the canceled Definitive Note (in the

case of an exchange), registered in the name of such transferee or Holder, as applicable, and (z) if such transfer or exchange involves less than the entire principal amount of the canceled Definitive Note, the Issuer shall execute, and the Trustee shall authenticate and make available for delivery to the Holder thereof, one or more Definitive Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Definitive Notes, registered in the name of the Holder thereof.

(4) Notwithstanding anything to the contrary in this Indenture, in no event shall a Definitive Note be delivered upon exchange or transfer of a beneficial interest in the Regulation S Global Note prior to the end of the Restricted Period.

SECTION 2.2. Execution and Authentication. One Officer of the Issuer shall sign the Notes for the Issuer by manual, facsimile or PDF signature. If the Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

A Note shall not be valid until an authorized officer of the Trustee manually authenticates the Note. The signature of the Trustee on a Note shall be conclusive evidence that such Note has been duly and validly authenticated and issued under this Indenture. A Note shall be dated the date of its authentication.

At any time and from time to time after the execution and delivery of this Indenture, the Trustee shall authenticate and make available for delivery: (1) Initial Notes for original issue on the Issue Date in an aggregate principal amount of \$700,000,000, and (2) subject to the terms of this Indenture, Additional Notes for original issue in an unlimited principal amount, in each case upon a written order of the Issuer signed by one Officer (the “Issuer Order”); provided that, with respect to the Initial Notes issued on the Issue Date described in clause (1) above, the Issuer Order shall be signed by one Officer of Merger Sub, requesting the authentication of the Initial Notes to be executed by the Company. Such Issuer Order shall specify whether the Notes will be in the form of Definitive Notes or Global Notes, the amount of the Notes to be authenticated, the date on which the original issue of Notes is to be authenticated, the Holder of the Notes and whether the Notes are to be Initial Notes or Additional Notes.

The Trustee may appoint an agent (the “Authenticating Agent”) reasonably acceptable to the Issuer to authenticate the Notes. Any such appointment shall be evidenced by an instrument signed by a Trust Officer, a copy of which shall be furnished to the Issuer. Unless limited by the terms of such appointment, any such Authenticating Agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by the Authenticating Agent. An Authenticating Agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

In case any of the Issuer or any Guarantor, pursuant to Article IV or Section 10.2, as applicable, shall be consolidated or merged with or into any other Person or shall convey, transfer, lease or otherwise dispose of its properties and assets substantially as an entirety to any Person, and the successor Person resulting from such consolidation, or surviving such merger, or into which the Issuer or any Guarantor shall have been merged, or the Person which shall have received a conveyance, transfer, lease or other disposition as aforesaid, shall have executed an indenture supplemental hereto with the Trustee pursuant to Article IV, any of the Notes authenticated or delivered prior to such consolidation, merger, conveyance, transfer, lease or other disposition may (but shall not be required), from time to time, at the request of the successor Person, be exchanged for other Notes executed in the name of the successor Person with such changes in phraseology and form as may be appropriate to reflect such successor Person, but otherwise in substance of like tenor as the Notes surrendered for such exchange and of like principal amount; and the Trustee, upon the Issuer Order of the successor Person, shall authenticate and make available for delivery Notes as specified in such order for the purpose of such exchange. If Notes shall at any time be authenticated and delivered in any new name of a successor Person pursuant to this Section 2.2 in exchange or substitution for or upon registration of transfer of any Notes, such successor Person, at the option of the Holders but without expense to them, shall provide for the exchange of all Notes at the time outstanding for Notes authenticated and delivered in such new name.

SECTION 2.3. Registrar and Paying Agent. The Issuer shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (the “Registrar”) and an office or agency where Notes may be presented for payment. The Registrar shall keep a register of the Notes and of their transfer and exchange (the “Notes Register”). The Issuer may have one or more co-registrars and one or more additional paying agents. The term “Paying Agent” includes any additional paying agent and the term “Registrar” includes any co-registrar.

The Issuer shall enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee in writing of the name and address of each such agent. If the Issuer fails to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.7. The Issuer or any Guarantor may act as Paying Agent, Registrar or Transfer Agent.

The Issuer initially appoints DTC to act as Depositary with respect to the Global Notes. The Issuer initially appoints the Trustee as Registrar and Paying Agent for the Notes. The Issuer may change any Registrar or Paying Agent without prior notice to the Holders, but upon written notice to such Registrar or Paying Agent and to the Trustee; *provided, however*, that no such removal shall become effective until (i) acceptance of any appointment by a successor as evidenced by an appropriate agreement entered into by the Issuer and such successor Registrar or Paying Agent, as the case may be, and delivered to the Trustee and the passage of any waiting or notice periods required by DTC procedures or (ii) written notification to the Trustee that the Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Registrar or Paying Agent may resign at any time upon written notice to the Issuer and the Trustee.

SECTION 2.4. Paying Agent to Hold Money in Trust. By no later than 11:00 a.m. (New York City time) on the date on which any principal of, premium, if any, or interest on any Note is due and payable, the Issuer shall deposit with the Paying Agent a sum sufficient in immediately available funds to pay such principal, premium or interest when due. The Issuer shall require each Paying Agent (other than the Trustee) to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal of, premium, if any, or interest on the Notes (whether such assets have been distributed to it by the Issuer or other obligors on the Notes), shall notify the Trustee in writing of any default by the Issuer or any Guarantor in making any such payment and shall during the continuance of any default by the Issuer (or any other obligor upon the Notes) in the making of any payment in respect of the Notes, upon the written request of the Trustee, forthwith deliver to the Trustee all sums held in trust by such Paying Agent for payment in respect of the Notes together with a full accounting thereof. If the Issuer or a Subsidiary of the Issuer acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Issuer at any time may require a Paying Agent (other than the Trustee) to pay all money held by it to the Trustee and to account for any funds or assets disbursed by such Paying Agent. Upon complying with this Section 2.4, the Paying Agent (if other than the Issuer or a Subsidiary of the Issuer) shall have no further liability for the money delivered to the Trustee. Upon any bankruptcy, reorganization or similar proceeding with respect to the Issuer, the Trustee shall serve as Paying Agent for the Notes.

SECTION 2.5. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuer, on its own behalf and on behalf of each of the Guarantors, shall furnish or cause the Registrar to furnish to the Trustee, in writing at least five (5) Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

SECTION 2.6. Transfer and Exchange.

(a) A Holder may transfer a Note (or a beneficial interest therein) to another Person or exchange a Note (or a beneficial interest therein) for another Note or Notes of any authorized denomination by presenting to the Registrar a written request therefor stating the name of the proposed transferee or requesting such an exchange, accompanied by any certification, opinion or other document required by this Section 2.6. The Registrar will

promptly register any transfer or exchange that meets the requirements of this Section 2.6 by noting the same in the Notes Register maintained by the Registrar for the purpose, and no transfer or exchange will be effective until it is registered in such Notes Register. The transfer or exchange of any Note (or a beneficial interest therein) may only be made in accordance with this Section 2.6 and Section 2.1(e) and 2.1(f), as applicable, and, in the case of a Global Note (or a beneficial interest therein), the applicable rules and procedures of DTC, Euroclear and Clearstream. The Registrar shall refuse to register any requested transfer or exchange that does not comply with this paragraph.

(b) Transfers of Rule 144A Notes and Institutional Accredited Investor Notes. The following provisions shall apply with respect to any proposed registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note prior to the date that is one year after the later of the date of its original issue and the last date on which the Issuer or any Affiliate of the Issuer was the owner of such Notes (or any predecessor thereto) (the “Resale Restriction Termination Date”):

(1) a registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note or a beneficial interest therein to a QIB shall be made upon the representation of the transferee in the form as set forth on the reverse of the Note that it is purchasing for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a “qualified institutional buyer” within the meaning of Rule 144A, and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Issuer as the undersigned has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A; *provided* that no such written representation or other written certification shall be required in connection with the transfer of a beneficial interest in the Rule 144A Global Note to a transferee in the form of a beneficial interest in that Rule 144A Global Note in accordance with this Indenture and the applicable procedures of DTC;

(2) a registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Global Note or a beneficial interest therein to an IAI or an AI shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Section 2.8 or Section 2.10, respectively, from the proposed transferee and the delivery of an Opinion of Counsel, certification and/or other information satisfactory to the Issuer; and

(3) a registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note or a beneficial interest therein to a Non-U.S. Person shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Section 2.9 from the proposed transferee and the delivery of an Opinion of Counsel, certification and/or other information satisfactory to the Issuer.

(c) Transfers of Regulation S Notes. The following provisions shall apply with respect to any proposed transfer of a Regulation S Note prior to the expiration of the Restricted Period:

(1) a transfer of a Regulation S Note or a beneficial interest therein to a QIB shall be made upon the representation of the transferee, in the form of assignment on the reverse of the certificate, that it is purchasing the Note for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a “qualified institutional buyer” within the meaning of Rule 144A, is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Issuer as the undersigned has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A;

(2) a transfer of a Regulation S Note or a beneficial interest therein to an IAI or an AI shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Section 2.8 or Section 2.10, respectively, from the

proposed transferee and the delivery of an Opinion of Counsel, certification and/or other information satisfactory to the Issuer; and

(3) a transfer of a Regulation S Note or a beneficial interest therein to a Non-U.S. Person shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Section 2.9 hereof from the proposed transferee and receipt by the Registrar or its agent of an Opinion of Counsel, certification and/or other information satisfactory to the Issuer.

After the expiration of the Restricted Period, interests in the Regulation S Note may be transferred in accordance with applicable law without requiring the certification set forth in Section 2.9 or any additional certification.

(d) Restricted Notes Legend. Upon the transfer, exchange or replacement of Notes not bearing a Restricted Notes Legend, the Registrar shall deliver Notes that do not bear a Restricted Notes Legend. Upon the transfer, exchange or replacement of Notes bearing a Restricted Notes Legend, the Registrar shall deliver only Notes that bear a Restricted Notes Legend unless (1) an Initial Note is being transferred pursuant to an effective registration statement, (2) Initial Notes are being exchanged for Notes that do not bear the Restricted Notes Legend in accordance with REF_Ref490527179 \w \h * MERGEFORMAT Section 2.6(e) or (3) there is delivered to the Registrar an Opinion of Counsel reasonably satisfactory to the Issuer to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act. Any Additional Notes sold in a registered offering shall not be required to bear the Restricted Notes Legend.

(e) [Reserved].

(f) Retention of Written Communications. The Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 2.1 or this Section 2.6. The Issuer shall have the right to inspect and make copies of all such letters, notices or other written communications, at the Issuer's expense, at any reasonable time upon the giving of reasonable prior written notice to the Registrar.

(g) Obligations with Respect to Transfers and Exchanges of Notes. To permit registrations of transfers and exchanges, the Issuer shall, subject to the other terms and conditions of this Article II, execute and the Trustee shall authenticate Definitive Notes and Global Notes at the Issuer's and the Registrar's written request.

No service charge shall be made to a Holder for any registration of transfer or exchange, but the Issuer may require the Holder to pay a sum sufficient to cover any transfer tax assessments or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charges payable upon exchange or transfer pursuant to Sections 2.2, 2.6, 2.11, 2.13, 3.5, 5.6 or 9.5).

The Issuer (and the Registrar) shall not be required to register the transfer of or exchange of any Note (A) for a period beginning (1) fifteen (15) calendar days before the mailing (or electronic delivery) of a notice of an offer to repurchase or redeem Notes and ending at the close of business on the day of such mailing (or electronic delivery) or (2) fifteen (15) calendar days before an interest payment date and ending on such interest payment date or (B) called for redemption, except the unredeemed portion of any Note being redeemed in part.

Prior to the due presentation for registration of transfer of any Note, the Issuer, the Trustee, the Paying Agent or the Registrar may deem and treat the person in whose name a Note is registered as the owner of such Note for the purpose of receiving payment of principal of, premium, if any, and (subject to paragraph 2 of the forms of Notes attached hereto as Exhibit A) interest on such Note and for all other purposes whatsoever, including without limitation the transfer or exchange of such Note, whether or not such Note is overdue, and none of the Issuer, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

Any Definitive Note delivered in exchange for an interest in a Global Note pursuant to Section 2.1(f) shall, except as otherwise provided by Section 2.6(d), bear the applicable legend regarding transfer restrictions applicable to the Definitive Note set forth in Section 2.1(d)(1).

All Notes issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

(h) No Obligation of the Trustee. (1) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in, DTC or other Person with respect to the accuracy of the records of DTC or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than DTC) of any notice (including any notice of redemption or purchase) or the payment of any amount or delivery of any Notes (or other security or property) under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders in respect of the Notes shall be given or made only to or upon the order of the registered Holders (which shall be DTC or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through DTC subject to the applicable rules and procedures of DTC. The Trustee may rely and shall be fully protected in relying upon information furnished by DTC with respect to its members, participants and any beneficial owners.

Neither the Registrar nor the Trustee shall have any obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among DTC participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof. Neither the Trustee nor any of its agents shall have any responsibility for any actions taken or not taken by DTC.

The undersigned represents and warrants to you that:

4. I am an "accredited investor" (as defined in Rule 501(a)(4) under the U.S. Securities Act of 1933, as amended (the "Securities Act")) and I am acquiring the Notes not with a view to, or for offer or sale in connection with, any distribution in violation of the Securities Act. SECTION 2.11. Mutilated, Destroyed, Lost or Stolen Notes.

If a mutilated Note is surrendered to the Registrar or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Note if the requirements of Section 8-405 of the UCC are met, such that the Holder (a) satisfies the Issuer and the Trustee that such Note has been lost, destroyed or wrongfully taken within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar has not registered a transfer prior to receiving such notification, (b) makes such request to the Issuer and the Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the UCC (a “protected purchaser”), (c) satisfies any other reasonable requirements of the Trustee and (d) provides an indemnity bond, as more fully described below; *provided, however*, if after the delivery of such replacement Note, a protected purchaser of the Note for which such replacement Note was issued presents for payment or registration such replaced Note, the Trustee and/or the Issuer shall be entitled to recover such replacement Note from the Person to whom it was issued and delivered or any Person taking therefrom, except a protected purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer or the Trustee in connection therewith. Such Holder shall furnish an indemnity bond sufficient in the judgment of the (i) Trustee to protect the Trustee and (ii) the Issuer to protect the Issuer, the Trustee, the Paying Agent and the Registrar, from any loss which any of them may suffer if a Note is replaced, and, in the absence of notice to the Issuer, any Guarantor or the Trustee that such Note has been acquired by a protected purchaser, the Issuer shall execute, and upon receipt of an Issuer Order, the Trustee shall authenticate and make available for delivery, in exchange for any such mutilated Note or in lieu of any such destroyed, lost or stolen Note, a new Note of like tenor and principal amount, bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Note, pay such Note.

Upon the issuance of any new Note under this Section 2.11, the Issuer may require that such Holder pay a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of counsel and of the Trustee) in connection therewith.

Subject to the proviso in the initial paragraph of this Section 2.11, every new Note issued pursuant to this Section 2.11, in lieu of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Issuer, any Guarantor (if applicable) and any other obligor upon the Notes, whether or

not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section 2.11 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

SECTION 2.12. Outstanding Notes. Notes outstanding at any time are all Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those paid pursuant to Section 2.11 and those described in this Section 2.12 as not outstanding. A Note does not cease to be outstanding in the event the Issuer or an Affiliate of the Issuer holds the Note; *provided, however*, that (i) for purposes of determining which are outstanding for consent or voting purposes hereunder, the provisions of Section 13.4 shall apply and (ii) in determining whether the Trustee shall be protected in making a determination whether the Holders of the requisite principal amount of outstanding Notes are present at a meeting of Holders of Notes for quorum purposes or have consented to or voted in favor of any request, demand, authorization, direction, notice, consent, waiver, amendment or modification hereunder, or relying upon any such quorum, consent or vote, only Notes which a Trust Officer of the Trustee actually knows to be held by the Issuer or an Affiliate of the Issuer shall not be considered outstanding.

If a Note is replaced pursuant to Section 2.11 (other than a mutilated Note surrendered for replacement), it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the replaced Note is held by a protected purchaser. A mutilated Note ceases to be outstanding upon surrender of such Note and replacement pursuant to Section 2.11.

If the Paying Agent segregates and holds in trust, in accordance with this Indenture, on a Redemption Date or maturity date, money sufficient to pay all principal, premium, if any, and accrued interest payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.13. Temporary Notes. In the event that Definitive Notes are to be issued under the terms of this Indenture, until such Definitive Notes are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form, and shall carry all rights, of Definitive Notes but may have variations that the Issuer considers appropriate for temporary Notes. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate Definitive Notes. After the preparation of Definitive Notes, the temporary Notes shall be exchangeable for Definitive Notes upon surrender of the temporary Notes at any office or agency maintained by the Issuer for that purpose and such exchange shall be without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Issuer shall execute, and the Trustee shall, upon receipt of an Issuer Order, authenticate and make available for delivery in exchange therefor, one or more Definitive Notes representing an equal principal amount of Notes. Until so exchanged, the Holder of temporary Notes shall in all respects be entitled to the same benefits under this Indenture as a Holder of Definitive Notes.

SECTION 2.14. Cancellation. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and dispose of such Notes in accordance with its internal policies and customary procedures (subject to the record retention requirements of the Exchange Act and the Trustee). If the Issuer or any Guarantor acquires any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.14. The Issuer may not issue new Notes to replace Notes it has paid or delivered to the Trustee for cancellation for any reason other than in connection with a transfer or exchange.

At such time as all beneficial interests in a Global Note have either been exchanged for Definitive Notes, transferred, redeemed, repurchased or canceled, such Global Note shall be returned by DTC to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial

interest in a Global Note is exchanged for Definitive Notes, transferred in exchange for an interest in another Global Note, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Notes Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Notes Custodian, to reflect such reduction.

SECTION 2.15. Payment of Interest; Defaulted Interest. Interest on any Note which is payable, and is punctually paid or duly provided for, on any interest payment date shall be paid to the Person in whose name such Note (or one or more Predecessor Notes) is registered at the close of business on the regular record date for such payment at the office or agency of the Issuer maintained for such purpose pursuant to Section 2.3.

Any interest on any Note which is payable, but is not paid when the same becomes due and payable and such nonpayment continues for a period of 30 days shall forthwith cease to be payable to the Holder on the regular record date, and such defaulted interest and (to the extent lawful) interest on such defaulted interest at the rate borne by the Notes (such defaulted interest and interest thereon herein collectively called “Defaulted Interest”) shall be paid by the Issuer, at its election, as provided in clause (a) or (b) below:

(a) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the close of business on a Special Record Date (as defined below) for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date (not less than 30 days after such notice) of the proposed payment (the “Special Interest Payment Date”), and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this Section 2.15(a). Thereupon the Issuer shall fix a record date (the “Special Record Date”) for the payment of such Defaulted Interest, which date shall be not more than twenty (20) calendar days and not less than fifteen (15) calendar days prior to the Special Interest Payment Date and not less than ten (10) calendar days after the receipt by the Trustee of the notice of the proposed payment. The Issuer shall promptly notify the Trustee in writing of such Special Record Date, and in the name and at the expense of the Issuer, the Trustee shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor to be given in the manner provided for in Section 13.1, not less than ten (10) calendar days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor having been so given, such Defaulted Interest shall be paid on the Special Interest Payment Date to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the provisions in Section 2.15(b).

(b) The Issuer may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after written notice given by the Issuer to the Trustee of the proposed payment pursuant to this Section 2.15(b), such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section 2.15, each Note delivered under this Indenture upon registration of, transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.16. CUSIP and ISIN Numbers.

The Issuer in issuing the Notes may use “CUSIP” and “ISIN” numbers and, if so, the Trustee shall use “CUSIP” and “ISIN” numbers in notices of redemption or purchase as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption or purchase and that reliance may be placed only on the

other identification numbers printed on the Notes, and any such redemption or purchase shall not be affected by any defect in or omission of such CUSIP and ISIN numbers. The Issuer shall promptly notify the Trustee in writing of any change in the CUSIP and ISIN numbers.

SECTION 3.1. Payment of Notes. The Issuer shall promptly pay the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal, premium, if any, and interest shall be considered paid on the date due if by 11:00 a.m. New York City time on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal, premium, if any, and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Issuer shall pay interest on overdue principal at the rate specified therefor in the Notes, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

Notwithstanding anything to the contrary contained in this Indenture, the Issuer may, to the extent it is required to do so by law, deduct or withhold income or other similar taxes imposed by the United States of America from principal or interest payments hereunder.

SECTION 3.2. Limitation on Indebtedness.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, incur any Indebtedness (including Acquired Indebtedness); provided, however, that the Company and any of its Restricted Subsidiaries may incur Indebtedness (including Acquired Indebtedness), if on the date of such incurrence and after giving pro forma effect thereto (including pro forma application of the proceeds thereof), either (i) the Fixed Charge Coverage Ratio of the Company and its Restricted Subsidiaries is greater than 2.00 to 1.00 or (ii) the Consolidated Total Leverage Ratio would have been no greater than 5.70 to 1.00; provided, further, that Non-Guarantors may not incur Indebtedness under this Section 3.2(a) if, after giving *pro forma* effect to such incurrence (including a pro forma application of the net proceeds therefrom), more than an aggregate of the greater of (a) \$260.0 million and (b) 35.0% of LTM EBITDA of Indebtedness of Non-Guarantors would be outstanding pursuant to this paragraph at such time.

(b) Section 3.2(a) will not prohibit the incurrence of the following Indebtedness (collectively, “Permitted Debt”):

(1) Indebtedness incurred under any Credit Facility (including letters of credit or bankers’ acceptances issued or created under any Credit Facility), including the Notes, and Guarantees in respect of such Indebtedness, up to an aggregate principal amount at the time of incurrence not exceeding the sum of (a) \$3,530.0 million, (b) the greater of \$740.0 million and 100.0% of LTM EBITDA and (c) an additional amount (with any amounts incurred under this clause (c) deemed to be Secured Indebtedness for this purpose) after all amounts have been incurred under clauses (1)(a) and (b), if after giving pro forma effect to the incurrence of such additional amount and the application of the proceeds therefrom, the Consolidated Secured Leverage Ratio would be no greater than 4.90 to 1.00 outstanding at any one time, and any Refinancing Indebtedness in respect thereof;

(2) Guarantees by the Company or any Restricted Subsidiary of Indebtedness or other obligations of the Company or any Restricted Subsidiary so long as the incurrence of such Indebtedness or other obligations is not prohibited by the terms of this Indenture;

(3) Indebtedness of the Company to any Restricted Subsidiary or Indebtedness of a Restricted Subsidiary to the Company or any Restricted Subsidiary; *provided, however*, that:

(i) any subsequent issuance or transfer of Capital Stock or any other event which results in any such Indebtedness being held by a Person other than the Company or a Restricted Subsidiary, and

(ii) any sale or other transfer of any such Indebtedness to a Person other than the Company or a Restricted Subsidiary,

shall be deemed, in each case, to constitute an incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be;

(4) Indebtedness represented by (a) the Unsecured Notes (other than any Additional Unsecured Notes), including any Guarantee thereof, (b) any Indebtedness (other than Indebtedness incurred pursuant to clauses (1), (3) or (4)(a) of this Section 3.2(b)) outstanding on the Issue Date and any Guarantees thereof, (c) Refinancing Indebtedness (including, with respect to the Unsecured Notes and any Guarantee thereof) incurred in respect of any Indebtedness described in this clause (4) or clause (5) of this Section 3.2(b) or incurred pursuant to Section 3.2(a), and (d) Management Advances;

(5) Indebtedness of (x) the Company or any Restricted Subsidiary incurred or issued to finance an acquisition or Investment or (y) Persons that are acquired by the Company or any Restricted Subsidiary or merged into, amalgamated or consolidated with the Company or a Restricted Subsidiary in accordance with the terms of this Indenture (including designating an Unrestricted Subsidiary as a Restricted Subsidiary); *provided* that such Indebtedness is in an aggregate amount not to exceed (i) the greater of \$185.0 million and 25.0% of LTM EBITDA at the time of incurrence, plus (ii) unlimited additional Indebtedness if after giving pro forma effect to such acquisition, merger, amalgamation or consolidation, either:

(a) the Company would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to Section 3.2(a);

(b) either the Fixed Charge Coverage Ratio of the Company and its Restricted Subsidiaries would not be lower or the Consolidated Total Leverage Ratio of the Company and its Restricted Subsidiaries would not be higher, in each case, than it was immediately prior to such acquisition, merger, amalgamation or consolidation; or

(c) such Indebtedness constitutes Acquired Indebtedness (other than Indebtedness incurred in contemplation of the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was otherwise acquired by the Company or a Restricted Subsidiary); *provided* that, in the case of this clause (c), the only obligors with respect to such Indebtedness shall be those Persons who were obligors of such Indebtedness prior to such acquisition, merger, amalgamation or consolidation.

(6) Hedging Obligations (excluding Hedging Obligations entered into for speculative purposes);

(7) Indebtedness (i) represented by Capitalized Lease Obligations or Purchase Money Obligations in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness incurred pursuant to this clause (7)(i) and then outstanding, does not exceed the greater of (a) \$225.0 million and (b) 30.0% of LTM EBITDA at the time of incurrence and any Refinancing Indebtedness in respect thereof, and (ii) arising out of Sale and Leaseback Transactions in an aggregate outstanding principal amount, which when taken together with the principal amount of all other Indebtedness incurred pursuant to this clause (7)(ii) and then outstanding, does not exceed the greater of (a) \$150.0 million and (b) 20.0% of LTM EBITDA at the time of incurrence and any Refinancing Indebtedness in respect thereof;

(8) Indebtedness in respect of (a) workers' compensation claims, health, disability or other employee benefits, property, casualty or liability insurance, self-insurance obligations, customer guarantees, performance, indemnity, surety, judgment, bid, appeal, advance payment (including progress premiums), customs, value added or other tax or other guarantees or other similar bonds, instruments or obligations, completion guarantees and warranties or relating to liabilities, obligations or guarantees incurred in the ordinary course of business or consistent with past practice; (b) the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business or consistent with past practice; (c) customer deposits and advance payments (including progress premiums) received from customers for goods or services purchased in the ordinary course of business or consistent with past practice; (d) letters of credit, bankers' acceptances, discounted bills of exchange, discounting or factoring of receivables or payables for credit management purposes, warehouse receipts, guarantees or other similar instruments or obligations issued or entered into, or relating to liabilities or obligations incurred in the ordinary course of business or consistent with past practice; (e) Cash Management Obligations; and (f) Settlement Indebtedness;

(9) Indebtedness arising from agreements providing for guarantees, indemnification, obligations in respect of earn-outs, deferred purchase price or other adjustments of purchase price or, in each case, similar obligations, in each case, incurred or assumed in connection with the acquisition or disposition of any business, assets, a Person (including any Capital Stock of a Subsidiary) or Investment (other than Guarantees of Indebtedness incurred by any Person acquiring or disposing of such business, assets, Person or Investment for the purpose of financing such acquisition or disposition);

(10) Indebtedness in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness incurred pursuant to this clause and then outstanding, will not exceed 200% of the net cash proceeds received by the Company from the issuance or sale (other than to a Restricted Subsidiary) of its Capital Stock or otherwise contributed to the equity (in each case, other than through the issuance of Disqualified Stock, Designated Preferred Stock or an Excluded Contribution) of the Company, in each case, subsequent to the Issue Date, and any Refinancing Indebtedness in respect thereof; provided, however, that (i) any such net cash proceeds that are so received or contributed shall not increase the amount available for making Restricted Payments to the extent the Company and its Restricted Subsidiaries incur Indebtedness in reliance thereon and (ii) any net cash proceeds that are so received or contributed shall be excluded for purposes of incurring Indebtedness pursuant to this clause to the extent such net cash proceeds or cash have been applied to make Restricted Payments;

(11) Indebtedness of Non-Guarantors in an aggregate principal amount not to exceed the greater of (a) \$150.0 million and (b) 20.0% of LTM EBITDA at the time of incurrence, and any Refinancing Indebtedness in respect thereof;

(12) (a) Indebtedness issued by the Company or any of its Subsidiaries to any future, present or former employee, director, officer, manager, contractor, consultant or advisor (or their respective Controlled Investment Affiliates or Immediate Family Members) of the Company, any of its Subsidiaries or any Parent Entity, in each case to finance the purchase or redemption of Capital Stock of the Company or any Parent Entity that is permitted by Section 3.3 and (b) Indebtedness consisting of obligations under deferred compensation or any other similar arrangements incurred in the ordinary course of business, consistent with past practice or in connection with the Transactions, any Investment or any acquisition (by merger, consolidation, amalgamation or otherwise);

(13) Indebtedness of the Company or any of its Restricted Subsidiaries consisting of (i) the financing of insurance premiums or (ii) take-or-pay obligations contained in supply arrangements, in each case incurred in the ordinary course of business or consistent with past practice;

(14) Indebtedness in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness incurred pursuant to this clause and then outstanding and any Refinancing Indebtedness in respect thereof, will not exceed the greater of (x) \$295.0 million and (y) 40.0% of LTM EBITDA;

(15) Indebtedness in respect of any Qualified Securitization Financing or any Receivables Facility;

(16) any obligation, or guaranty of any obligation, of the Company or any Restricted Subsidiary to reimburse or indemnify a Person extending credit to customers of the Company or a Restricted Subsidiary incurred in the ordinary course of business or consistent with past practice for all or any portion of the amounts payable by such customers to the Person extending such credit;

(17) Indebtedness to a customer to finance the acquisition of any equipment necessary to perform services for such customer; provided that the terms of such Indebtedness are consistent with those entered into with respect to similar Indebtedness prior to the Issue Date, including that (i) the repayment of such Indebtedness is conditional upon such customer ordering a specific amount of goods or services and (ii) such Indebtedness does not bear interest or provide for scheduled amortization or maturity;

(18) Indebtedness incurred by the Company or any of its Restricted Subsidiaries to the extent that the net proceeds thereof are promptly deposited with the Trustee to satisfy or discharge the Notes or exercise the Company's legal defeasance or covenant defeasance, in each case, in accordance with this Indenture; and

(19) Indebtedness of the Company or any of its Restricted Subsidiaries arising pursuant to any Permitted Tax Restructuring.

(c) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness incurred pursuant to and in compliance with, this Section 3.2:

(1) in the event that all or any portion of any item of Indebtedness meets the criteria of more than one of the types of Indebtedness described in Sections 3.2(a) and (b), the Company, in its sole discretion, shall classify, and may from time to time reclassify, such item of Indebtedness (or any portion thereof) and only be required to include the amount and type of such Indebtedness in Section 3.2(a) or one of the clauses of Section 3.2(b);

(2) additionally, all or any portion of any item of Indebtedness may later be reclassified as having been incurred pursuant to any type of Indebtedness described in Section 3.2(a) or (b) so long as such Indebtedness is permitted to be incurred pursuant to such provision and any related Liens are permitted to be incurred at the time of reclassification (it being understood that any Indebtedness incurred pursuant to one of the clauses of Section 3.2(b) shall cease to be deemed incurred or outstanding for purposes of such clause but shall be deemed incurred for the purposes of the Section 3.2(a) from and after the first date on which the Company or its Restricted Subsidiaries could have incurred such Indebtedness under Section 3.2(a) without reliance on such clause);

(3) all Indebtedness outstanding on the Issue Date under the Credit Agreement and the Notes shall be deemed incurred on the Issue Date under Section 3.2(b)(1);

(4) in the case of any Refinancing Indebtedness, when measuring the outstanding amount of such Indebtedness, such amount shall not include the aggregate amount of accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing;

(5) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(6) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are incurred pursuant to any Credit Facility and are being treated as incurred pursuant to Section 3.2(a) or any clause of Section 3.2(b) and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;

(7) the principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(8) Indebtedness permitted by this Section 3.2 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 3.2 permitting such Indebtedness;

(9) for all purposes under this Indenture, including for purposes of calculating the Fixed Charge Coverage Ratio, the Consolidated Secured Leverage Ratio or the Consolidated Total Leverage Ratio, as applicable, in connection with the incurrence, issuance or assumption of any Indebtedness pursuant to Section 3.2(a) or Section 3.2(b) or the incurrence or creation of any Lien pursuant to the definition of "Permitted Liens," the Company may elect, at its option, to treat all or any portion of the committed amount of any Indebtedness (and the issuance and creation of letters of credit and bankers' acceptances thereunder) which is to be incurred (or any commitment in respect thereof) or secured by such Lien, as the case may be (any such committed amount elected until revoked as described below, the "Reserved Indebtedness Amount"), as being incurred as of such election date, and, if such Fixed Charge Coverage Ratio, the Consolidated Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Indenture, as applicable, is complied with (or satisfied) with respect thereto on such election date, any subsequent borrowing or reborrowing thereunder (and the issuance and creation of letters of credit and bankers' acceptances thereunder) will be deemed to be permitted under this Section 3.2 or the definition of "Permitted Liens," as applicable, whether or not the Fixed Charge Coverage Ratio, the Consolidated Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Indenture, as applicable, at the actual time of any subsequent borrowing or reborrowing (or issuance or creation of letters of credit or bankers' acceptances thereunder) is complied with (or satisfied) for all purposes (including as to the absence of any continuing Default or Event of Default); provided that for purposes of subsequent calculations of the Fixed Charge Coverage Ratio, the Consolidated Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Indenture, as applicable, the Reserved Indebtedness Amount shall be deemed to be outstanding, whether or not such amount is actually outstanding, for so long as such commitments are outstanding or until the Company revokes an election of a Reserved Indebtedness Amount;

(10) notwithstanding anything in this Section 3.2 to the contrary, in the case of any Indebtedness incurred to refinance Indebtedness initially incurred in reliance on Section 3.2(b) measured by reference to a percentage of LTM EBITDA at the time of incurrence, if such refinancing would cause the percentage of LTM EBITDA restriction to be exceeded if calculated based on the percentage of LTM EBITDA on the date of such refinancing, such percentage of LTM EBITDA restriction shall not be deemed to be exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced, plus accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing; and

(11) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined in accordance with GAAP.

Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP, will not be deemed to be an incurrence of Indebtedness for purposes of this Section 3.2.

If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be incurred by a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be incurred as of such date under this Section 3.2, the Company shall be in default of this Section 3.2).

For purposes of determining compliance with any Dollar-denominated restriction on the incurrence of Indebtedness, the Dollar equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; provided, that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed (a) the principal amount of such Indebtedness being refinanced plus (b) the aggregate amount of accrued and unpaid interest, dividends, premiums (including tender premiums) defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing.

Notwithstanding any other provision of this Section 3.2, the maximum amount of Indebtedness that the Company or a Restricted Subsidiary may incur pursuant to this Section 3.2 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

SECTION 3.3. Limitation on Restricted Payments.

(a) The Company shall not, and shall not permit any of the Restricted Subsidiaries, directly or indirectly, to:

(1) declare or pay any dividend or make any distribution on or in respect of the Company's or any Restricted Subsidiary's Capital Stock (including any such payment in connection with any merger or consolidation involving the Company or any of the Restricted Subsidiaries) except:

(i) dividends, payments or distributions payable in Capital Stock of the Company (other than Disqualified Stock) or in options, warrants or other rights to purchase such Capital Stock of the Company; and

(ii) dividends, payments or distributions payable to the Company or a Restricted Subsidiary (and, in the case of any such Restricted Subsidiary making such dividend or distribution, to holders of its Capital Stock other than the Company or another Restricted Subsidiary on no more than a *pro rata* basis);

(4) make any Restricted Investment;

(any such dividend, distribution, payment, purchase, redemption, repurchase, defeasance, other acquisition, retirement or Restricted Investment referred to in clauses (1) through (4) above are referred to herein as a "Restricted Payment"), if at the time the Company or such Restricted Subsidiary makes such Restricted Payment:

(i) in the case of a Restricted Payment other than a Restricted Investment, an Event of Default shall have occurred and be continuing (or would immediately thereafter result therefrom);

(ii) the Company is not able to incur an additional \$1.00 of Indebtedness pursuant to Section 3.2(a) immediately after giving effect, on a pro forma basis, to such Restricted Payment; or

(iii) the aggregate amount of such Restricted Payment and all other Restricted Payments made subsequent to the Issue Date (and not returned or rescinded) (including Permitted Payments made pursuant to Section 3.3(b)(1) (without duplication) and Section 3.3(b)(2), but excluding all other Restricted Payments permitted by Section 3.3(b)) would exceed the sum of (without duplication):

(A) 50% of Consolidated Net Income for the period (treated as one accounting period) from the first day of the first fiscal quarter in which the Issue Date occurs to the end of the most recent fiscal quarter ending prior to the date of such Restricted Payment for which consolidated financial statements are available (which may be internal financial statements) (or, in the case such Consolidated Net Income is a deficit, minus 100% of such deficit);

(B) 100% of the aggregate amount of cash, and the fair market value of property or assets or marketable securities, received by the Company from the issue or sale of its Capital Stock or as the result of a merger or consolidation with another Person subsequent to the Issue Date or otherwise contributed to the equity (in each case other than through the issuance of Disqualified Stock or Designated Preferred Stock) of the Company or a Restricted Subsidiary (including the aggregate principal amount of any Indebtedness of the Company or a Restricted Subsidiary contributed to the Company or a Restricted Subsidiary for cancellation) or that becomes part of the capital of the Company or a Restricted Subsidiary through consolidation or merger subsequent to the Issue Date (other than (x) net cash proceeds or property or assets or marketable securities received from an issuance or sale of such Capital Stock to a Restricted Subsidiary or an employee stock ownership plan or trust established by the Company or any Subsidiary of the Company for the benefit of their employees to the extent funded by the Company or any Restricted Subsidiary, (y) cash or property or assets or marketable securities to the extent that any Restricted Payment has been made from such proceeds in reliance on Section 3.3(b)(6) and (z) Excluded Contributions);

(C) 100% of the aggregate amount of cash, and the fair market value of property or assets or marketable securities, received by the Company or any Restricted Subsidiary from the issuance or sale (other than to the Company or a Restricted

Subsidiary or an employee stock ownership plan or trust established by the Company or any Subsidiary of the Company for the benefit of their employees to the extent funded by the Company or any Restricted Subsidiary) by the Company or any Restricted Subsidiary subsequent to the Issue Date of any Indebtedness, Disqualified Stock or Designated Preferred Stock that has been converted into or exchanged for Capital Stock of the Company (other than Disqualified Stock or Designated Preferred Stock) plus, without duplication, the amount of any cash, and the fair market value of property or assets or marketable securities, received by the Company or any Restricted Subsidiary upon such conversion or exchange;

(D) 100% of the aggregate amount received in cash and the fair market value, as determined in good faith by the Company, of marketable securities or other property received by means of: (i) the sale or other disposition (other than to the Company or a Restricted Subsidiary) of, or other returns on Investment from, Restricted Investments made by the Company or the Restricted Subsidiaries and repurchases and redemptions of, or cash distributions or cash interest received in respect of, such Investments from the Company or the Restricted Subsidiaries and repayments of loans or advances, and releases of guarantees, which constitute Restricted Investments by the Company or the Restricted Subsidiaries, in each case after the Issue Date; or (ii) the sale or other disposition (other than to the Company or a Restricted Subsidiary) of the Capital Stock of an Unrestricted Subsidiary or a dividend, payment or distribution from an Unrestricted Subsidiary (other than to the extent of the amount of the Investment that constituted a Permitted Investment or was made under Section 3.3(b)(17) and will increase the amount available under the applicable clause of the definition of “Permitted Investment” or Section 3.3(b)(17), as the case may be) or a dividend from a Person that is not a Restricted Subsidiary after the Issue Date;

(E) in the case of the redesignation of an Unrestricted Subsidiary as a Restricted Subsidiary or the merger, amalgamation or consolidation of an Unrestricted Subsidiary into the Company or a Restricted Subsidiary or the transfer of all or substantially all of the assets of an Unrestricted Subsidiary to the Company or a Restricted Subsidiary after the Issue Date, the fair market value of the Investment in such Unrestricted Subsidiary (or the assets transferred), as determined in good faith by the Company at the time of the redesignation of such Unrestricted Subsidiary as a Restricted Subsidiary or at the time of such merger, amalgamation or consolidation or transfer of assets (after taking into consideration any Indebtedness associated with the Unrestricted Subsidiary so designated or merged, amalgamated or consolidated or Indebtedness associated with the assets so transferred), other than to the extent of the amount of the Investment that constituted a Permitted Investment or was made under Section 3.3(b)(17) and will increase the amount available under the applicable clause of the definition of “Permitted Investment” or Section 3.3(b)(17), as the case may be; and

(b) Section 3.3(a) will not prohibit any of the following (collectively, “Permitted Payments”):

(1) the payment of any dividend or distribution within 60 days after the date of declaration thereof, if at the date of declaration such payment would have complied with the provisions of this Indenture or the redemption, repurchase or retirement of Indebtedness if, at the date of any redemption notice, such payment would have complied with the provisions of this Indenture as if it were and is deemed at such time to be a Restricted Payment at the time of such notice;

(22) investments or other Restricted Payments in an aggregate amount not to exceed an amount equal to the Declined Collateral Excess Proceeds and Declined Excess Proceeds; and

(23) any Restricted Payment made in connection with a Permitted Intercompany Activity or Permitted Tax Restructuring.

For purposes of determining compliance with this Section 3.3, in the event that a Restricted Payment or Investment (or portion thereof) meets the criteria of more than one of the categories of Permitted Payments described in the clauses above, or is permitted pursuant to Section 3.3(a) and/or one or more of the clauses contained in the definition of “Permitted Investment”, the Company will be entitled to divide or classify (or later divide, classify or reclassify in whole or in part in its sole discretion) such Restricted Payment or Investment (or portion thereof) in any manner that complies with this Section 3.3, including as an Investment pursuant to one or more of the clauses contained in the definition of “Permitted Investment.”

The amount of all Restricted Payments (other than cash) shall be the fair market value on the date of such Restricted Payment of the asset(s) or securities proposed to be paid, transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to such Restricted Payment. The fair market value of any cash Restricted Payment shall be its face amount, and the fair market value of any non-cash Restricted Payment, property or assets other than cash shall be determined conclusively by the Company acting in good faith.

In connection with any commitment, definitive agreement or similar event relating to an Investment, the Company or applicable Restricted Subsidiary may designate such Investment as having occurred on the date of the commitment, definitive agreement or similar event relating thereto (such date, the “Election Date”) if, after giving pro forma effect to such Investment and all related transactions in connection therewith and any related pro forma adjustments, the Company or any of its Restricted Subsidiaries would have been permitted to make such Investment on the relevant Election Date in compliance with this Indenture, and any related subsequent actual making of such Investment will be deemed for all purposes under this Indenture to have been made on such Election Date, including for purposes of calculating any ratio, compliance with any test, usage of any baskets hereunder (if applicable) and EBITDA and for purposes of determining whether there exists any Default or Event of Default (and all such calculations on and after the Election Date until the termination, expiration, passing, rescission, retraction or rescindment of such commitment, definitive agreement or similar event shall be made on a pro forma basis giving effect thereto and all related transactions in connection therewith).

Unrestricted Subsidiaries may use value transferred from the Company and its Restricted Subsidiaries in a Permitted Investment to purchase or otherwise acquire Indebtedness or Capital Stock of the Company, any Parent Entity or any of the Company’s Restricted Subsidiaries, and to transfer value to the holders of the Capital Stock or any Parent Entity and to Affiliates thereof, and such purchase, acquisition, or transfer will not be deemed to be a “direct or indirect” action by the Company or its Restricted Subsidiaries.

If the Company or a Restricted Subsidiary makes a Restricted Payment which at the time of the making of such Restricted Payment would in the good faith determination of the Company be permitted under the provisions of this Indenture, such Restricted Payment shall be deemed to have been made in compliance with this Indenture

notwithstanding any subsequent adjustments made in good faith to the Company's financial statements affecting Consolidated Net Income or Consolidated EBITDA of the Company for any period.

For the avoidance of doubt, this Section 3.3 shall not restrict the making of, or dividends or other distributions in amounts sufficient to make, any "AHYDO catch-up payment" with respect to any Indebtedness of any Parent Entity, the Company or any of its Restricted Subsidiaries permitted to be incurred under this Indenture.

SECTION 3.4. Limitation on Restrictions on Distributions from Restricted Subsidiaries.

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, create or otherwise cause or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

- (3) sell, lease or transfer any of its property or assets to the Company or any Restricted Subsidiary;

provided that (x) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock and (y) the subordination of (including the application of any standstill requirements to) loans or advances made to the Company or any Restricted Subsidiary to other Indebtedness incurred by the Company or any Restricted Subsidiary shall not be deemed to constitute such an encumbrance or restriction.

(b) The provisions of Section 3.4(a) shall not prohibit:

- (1) any encumbrance or restriction pursuant to any Credit Facility or any other agreement or instrument, in each case, in effect at or entered into on the Issue Date;
- (2) any encumbrance or restriction pursuant to the Secured Note Documents;
- (3) any encumbrance or restriction pursuant to applicable law, rule, regulation or order;
- (4) any encumbrance or restriction pursuant to an agreement or instrument of a Person or relating to any Capital Stock or Indebtedness of a Person, entered into on or before the date on which such Person was acquired by or merged, consolidated or otherwise combined with or into the Company or any Restricted Subsidiary, or was designated as a Restricted Subsidiary or on which such agreement or instrument is assumed by the Company or any Restricted Subsidiary in connection with an acquisition of assets (other than Capital Stock or Indebtedness incurred as consideration in, or to provide all or any portion of the funds utilized to consummate, the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was acquired by the Company or was merged, consolidated or otherwise combined with or into the Company or any Restricted Subsidiary or entered into in contemplation of or in connection with such transaction) and outstanding on such date; *provided* that, for the purposes of this clause (4), if another Person is the Successor Company, any Subsidiary thereof or agreement or instrument of such Person or any such Subsidiary shall be deemed acquired or assumed by the Company or any Restricted Subsidiary when such Person becomes the Successor Company;
- (5) any encumbrance or restriction: (i) that restricts in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease, license or similar contract or agreement, or the assignment or transfer of any lease, license or other contract or agreement; (ii) contained in mortgages, pledges, charges or other security agreements permitted under this Indenture or securing

Indebtedness of the Company or a Restricted Subsidiary permitted under this Indenture to the extent such encumbrances or restrictions restrict the transfer or encumbrance of the property or assets subject to such mortgages, pledges, charges or other security agreements; (iii) restrictions or conditions contained in any trading, netting, operating, construction, service, supply, purchase, sale or other agreement to which the Company or any of its Restricted Subsidiaries is a party entered into in the ordinary course of business or consistent with past practice; *provided* that such agreement prohibits the encumbrance of solely the property or assets of the Company or such Restricted Subsidiary that are subject to such agreement, the payment rights arising thereunder or the proceeds thereof and does not extend to any other asset or property of the Company or such Restricted Subsidiary or the assets or property of another Restricted Subsidiary; or (iv) pursuant to customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Company or any Restricted Subsidiary;

(6) any encumbrance or restriction pursuant to Purchase Money Obligations and Capitalized Lease Obligations permitted under this Indenture, in each case, that impose encumbrances or restrictions on the property so acquired;

(7) any encumbrance or restriction imposed pursuant to an agreement entered into for the direct or indirect sale or disposition to a Person of all or substantially all of the Capital Stock or assets of the Company or any Restricted Subsidiary (or the property or assets that are subject to such restriction) pending the closing of such sale or disposition;

(8) customary provisions in leases, licenses, equityholder agreements, joint venture agreements, organizational documents and other similar agreements and instruments;

(9) encumbrances or restrictions arising or existing by reason of applicable law or any applicable rule, regulation or order, or required by any regulatory authority;

(10) any encumbrance or restriction on cash or other deposits or net worth imposed by customers under agreements entered into in the ordinary course of business or consistent with past practice;

(11) any encumbrance or restriction pursuant to Hedging Obligations;

(12) other Indebtedness of Foreign Subsidiaries permitted to be incurred or issued subsequent to the Issue Date pursuant to Section 3.2 that impose restrictions solely on the Foreign Subsidiaries party thereto or their Subsidiaries;

(13) restrictions created in connection with any Qualified Securitization Financing or Receivables Facility that, in the good faith determination of the Company, are necessary or advisable to effect such Securitization Facility or Receivables Facility;

(14) any encumbrance or restriction arising pursuant to an agreement or instrument relating to any Indebtedness permitted to be incurred subsequent to the Issue Date pursuant to Section 3.2 if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not materially less favorable to the Holders than (i) the encumbrances and restrictions contained in the Credit Agreement, together with the security documents associated therewith, or this Indenture as in effect on the Issue Date or (ii) in comparable financings (as determined in good faith by the Company) and where, in the case of clause (ii), either (A) the Company determines at the time of entry into such agreement or instrument that such encumbrances or restrictions will not adversely affect, in any material respect, the Company's ability to make principal or interest payments on the Notes or (B) such encumbrance or restriction applies only during the continuance of a default in respect of a payment relating to such agreement or instrument;

(15) any encumbrance or restriction existing by reason of any lien permitted under Section 3.6; or

(16) any encumbrance or restriction pursuant to an agreement or instrument effecting a refinancing of Indebtedness incurred pursuant to, or that otherwise refinances, an agreement or instrument referred to in the clauses above or this clause (16) (an “Initial Agreement”) or contained in any amendment, supplement or other modification to an agreement referred to in the clauses above or this clause (16); *provided, however*, that the encumbrances and restrictions with respect to such Restricted Subsidiary contained in any such agreement or instrument are no less favorable in any material respect to the Holders taken as a whole than the encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such refinancing or amendment, supplement or other modification relates (as determined in good faith by the Company).

SECTION 3.5. Limitation on Sales of Assets and Subsidiary Stock.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, make any Asset Disposition unless:

(1) the Company or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal to the fair market value (such fair market value to be determined on the date of contractually agreeing to such Asset Disposition), as determined in good faith by the Company, of the shares and assets subject to such Asset Disposition (including, for the avoidance of doubt, if such Asset Disposition is a Permitted Asset Swap);

(2) in any such Asset Disposition (except to the extent the Asset Disposition is a Permitted Asset Swap), at least 75% of the consideration from such Asset Disposition, together with all other Asset Dispositions since the Issue Date (on a cumulative basis), (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) received by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; and

(3) within 455 days from the later of (A) the date of such Asset Disposition and (B) the receipt of the Net Available Cash from such Asset Disposition (as may be extended by an Acceptable Commitment or a Second Commitment as set forth below, the “*Proceeds Application Period*”), an amount equal to 100% of such Net Available Cash is applied, to the extent the Company or any Restricted Subsidiary, as the case may be, elects:

(i) (a) to the extent such Net Available Cash are from an Asset Disposition of Collateral, (x) to reduce, prepay, repay or purchase any First Lien Obligations (other than the Notes), including Indebtedness under the Credit Agreement (or any Refinancing Indebtedness in respect thereof); *provided* that the Company ratably repay the Notes, (y) to make an offer (in accordance with the procedures set forth below for a Collateral Asset Disposition Offer or Asset Disposition Offer), redeem Notes as described under Section 5.7 or purchase Notes through open-market purchases or in privately negotiated transactions, or (z) to reduce, prepay, repay or purchase any Indebtedness of a Non-Guarantor (in each case, other than Indebtedness owed to the Company or any Restricted Subsidiary); *provided, however*, that, in connection with any reduction, prepayment, repayment or purchase of Indebtedness pursuant to this clause (i), the Company or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment (other than obligations in respect of any asset-based credit facility to the extent the assets sold or otherwise disposed of in connection with such Asset Disposition constituted “borrowing base assets”) to be reduced in an amount equal to the principal amount so reduced, prepaid, repaid or purchased;

(b) to the extent such Net Available Cash is from an Asset Disposition that does not constitute Collateral, (w) to reduce, prepay, repay or purchase any Indebtedness secured by a Lien on such asset, (x) to reduce, prepay, repay or purchase *Pari Passu* Indebtedness; *provided*, that the Company ratably repay the Notes, (y) to make an offer (in accordance with the procedures set

forth below for an Asset Disposition Offer), redeem Notes as described under Section 5.7 or purchase Notes through open-market purchases or in privately negotiated transactions, or (z) to reduce, prepay, repay or purchase any Indebtedness of a Non-Guarantor (in each case, other than Indebtedness owed to the Company or any Restricted Subsidiary); provided, however, that, in connection with any reduction, prepayment, repayment or purchase of Indebtedness pursuant to this clause (i), the Company or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment (other than obligations in respect of any asset-based credit facility to the extent the assets sold or otherwise disposed of in connection with such Asset Disposition constituted “borrowing base assets”) to be reduced in an amount equal to the principal amount so reduced, prepaid, repaid or purchased;

(ii) (a) to invest (including capital expenditures) in or commit to invest in Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary); or (b) to invest (including capital expenditures) in any one or more businesses (provided that any such business will be a Restricted Subsidiary), properties or assets that replace the businesses, properties and/or assets that are the subject of such Asset Disposition, with any such investment made by way of a capital or other lease valued at the present value of the minimum amount of payments under such lease (as reasonably determined by the Company); provided, however, that a binding agreement shall be treated as a permitted application of Net Available Cash from the date of such commitment with the good faith expectation that an amount equal to Net Available Cash will be applied to satisfy such commitment within 180 days of such commitment (an “Acceptable Commitment”) and, in the event of any Acceptable Commitment is later cancelled or terminated for any reason before such amount is applied in connection therewith, the Company or such Restricted Subsidiary enters into another Acceptable Commitment (a “Second Commitment”) within 180 days of such cancellation or termination; provided, further, that if any Second Commitment is later cancelled or terminated for any reason before such amount is applied, then such Net Available Cash shall constitute Collateral Excess Proceeds or Excess Proceeds, as the case may be; or

(iii) any combination of the foregoing;

provided that (1) pending the final application of the amount of any such Net Available Cash pursuant to this Section 3.5, the Company or the applicable Restricted Subsidiaries may apply such Net Available Cash temporarily to reduce Indebtedness (including under the Senior Credit Facilities) or otherwise apply such Net Available Cash in any manner not prohibited by this Indenture and (2) the Company (or any Restricted Subsidiary, as the case may be) may elect to invest in Additional Assets prior to receiving the Net Available Cash attributable to any given Asset Disposition (provided that such investment shall be made no earlier than the earliest of notice to the Trustee of the relevant Asset Disposition, execution of a definitive agreement for the relevant Asset Disposition, and consummation of the relevant Asset Disposition) and deem the amount so invested to be applied pursuant to and in accordance with clause (ii) above with respect to such Asset Disposition.

If, with respect to any Asset Disposition of Collateral, at the expiration of the Proceeds Application Period with respect to such Asset Disposition, there remains Net Available Cash in excess of the greater of \$75.0 million and 10.0% of LTM EBITDA (such amount, “Collateral Excess Proceeds”), then subject to the limitations with respect to Foreign Dispositions set forth below, the Company shall make an offer (a “Collateral Asset Disposition Offer”) no later than ten business days after the expiration of the Proceeds Application Period to all Holders of Notes and, if required by the terms of any First Lien Obligations or Obligations secured by a Lien permitted under this Indenture on the Collateral disposed of (which Lien is not subordinate to the Lien of the Notes with respect to the Collateral), to all holders of such First Lien Obligations or other Obligations, to purchase the maximum principal amount of such Notes and First Lien Obligations or other Obligations, as appropriate, on a pro rata basis, that may be purchased out of such Collateral Excess Proceeds, if any, at an offer price, in the case of the Notes, in cash in an amount equal to 100% of the principal amount thereof (or in the

event such other Indebtedness was issued with original issue discount, 100% of the accreted value thereof), plus accrued and unpaid interest, if any (or such lesser price with respect to First Lien Obligations or other Obligations, if any, as may be provided by the terms of such other Indebtedness), to, but not including, the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture and the agreement governing the First Lien Obligations or other Obligations, as applicable, in minimum denominations of \$2,000 and in integral multiples of \$1,000 in excess thereof. Notices of a Collateral Asset Disposition Offer shall be sent by first class mail or sent electronically, at least 10 days but not more than 60 days before the purchase date to each Holder of the Notes at such Holder's registered address or otherwise in accordance with the applicable procedures of DTC. The Company may satisfy the foregoing obligation with respect to any Net Available Cash from an Asset Disposition by making an Asset Disposition Offer prior to the expiration of the Proceeds Application Period (the "Collateral Advance Offer") with respect to all or a part of the Net Available Cash (the "Collateral Advance Portion") in advance of being required to do so by this Indenture.

To the extent that the aggregate amount (or accreted value, as applicable) of Notes and, if applicable, any other First Lien Obligations or Obligations secured by a Lien permitted under this Indenture on the Collateral disposed of, as the case may be, validly tendered or otherwise surrendered in connection with a Collateral Asset Disposition Offer is less than the amount offered in a Collateral Asset Disposition Offer (or, in the case of a Collateral Advance Offer, the Collateral Advance Portion), the Company may use any remaining Collateral Excess Proceeds (or, in the case of an Collateral Advance Offer, the Collateral Advance Portion) (the "Declined Collateral Excess Proceeds") for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount (or accreted value, as applicable) of the Notes or, if applicable, First Lien Obligations or other Obligations, as the case may be, validly tendered pursuant to any Collateral Asset Disposition Offer exceeds the amount of Collateral Excess Proceeds (or, in the case of a Collateral Advance Offer, the Collateral Advance Portion), the Company shall allocate the Collateral Excess Proceeds among the Notes, First Lien Obligations and other Obligations to be purchased on a pro rata basis on the basis of the aggregate principal amount (or accreted value, as applicable) of tendered Notes, First Lien Obligations and other Obligations; provided that no Notes, First Lien Obligations or other Obligations will be selected and purchased in an unauthorized denomination. Upon completion of any Collateral Asset Disposition Offer, the amount of Collateral Excess Proceeds shall be reset at zero.

If, with respect to any Asset Disposition that does not constitute Collateral, at the expiration of the Proceeds Application Period with respect to such Asset Disposition, there remains Net Available Cash in excess of the greater of \$75.0 million and 10.0% of LTM EBITDA (such amount, "Excess Proceeds"), then subject to the limitations with respect to Foreign Dispositions set forth below, the Company shall make an offer (an "Asset Disposition Offer") no later than ten business days after the expiration of the Proceeds Application Period to all Holders of Notes and, if required by the terms of any Pari Passu Indebtedness, to all holders of such Pari Passu Indebtedness, to purchase the maximum principal amount of such Notes and Pari Passu Indebtedness, as appropriate, on a pro rata basis, that may be purchased out of such Excess Proceeds, if any, at an offer price, in the case of the Notes, in cash in an amount equal to 100% of the principal amount thereof (or in the event such other Indebtedness was issued with original issue discount, 100% of the accreted value thereof), plus accrued and unpaid interest, if any (or such lesser price with respect to Pari Passu Indebtedness, if any, as may be provided by the terms of such other Indebtedness), to, but not including, the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture and the agreement governing the Pari Passu Indebtedness, as applicable, in minimum denominations of \$2,000 and in integral multiples of \$1,000 in excess thereof. Notices of an Asset Disposition shall be sent by first class mail or sent electronically, at least 10 days but not more than 60 days before the purchase date to each Holder of the Notes at such Holder's registered address or otherwise in accordance with the applicable procedures of DTC. The Company may satisfy the foregoing obligation with respect to any Net Available Cash from an Asset Disposition by making an Asset Disposition Offer prior to the expiration of the Proceeds Application Period (the "Advance Offer") with respect to all or a part of the Net Available Cash (the "Advance Portion") in advance of being required to do so by this Indenture.

(b) To the extent that the aggregate amount (or accreted value, as applicable) of Notes and, if applicable, any other Pari Passu Indebtedness validly tendered or otherwise surrendered in connection with an Asset Disposition Offer is less than the amount offered in an Asset Disposition Offer (or, in the case of an Advance Offer, the Advance Portion), the Company may use any remaining Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion) (the "Declined Excess Proceeds") for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount (or accreted value, as applicable) of the Notes or, if applicable, Pari Passu Indebtedness validly tendered pursuant to any Asset Disposition Offer exceeds the amount of Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion), the Company shall allocate the Excess Proceeds among the Notes and Pari Passu Indebtedness to be purchased on a pro rata basis on the basis of the aggregate principal amount (or accreted value, as applicable) of tendered Notes and Pari Passu Indebtedness; provided that no Notes or other Pari Passu Indebtedness will be selected and purchased in an unauthorized denomination. Upon completion of any Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than Dollars, the amount thereof payable in respect of the Notes shall not exceed the net amount of funds in Dollars that is actually received by the Company upon converting such portion into Dollars.

(c) Notwithstanding any other provisions of this Section 3.5,

(i) to the extent that any of or all the Net Available Cash of any Asset Disposition are received or deemed to be received by a Foreign Subsidiary (a "Foreign Disposition") is (x) prohibited or delayed by applicable local law, (y) restricted by applicable organizational documents or any agreement or (z) subject to other onerous organizational or administrative impediments from being repatriated to the United States, the portion of such Net Available Cash so affected will not be required to be applied in compliance with this Section 3.5, and such amounts may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law documents or agreements will not permit repatriation to the United States (the Company hereby agreeing to use reasonable efforts (as determined in the Company's reasonable business judgment) to otherwise cause the applicable Foreign Subsidiary to within one year following the date on which the respective payment would otherwise have been required, promptly take all actions reasonably required by the applicable local law, applicable organizational impediments or other impediment to permit such repatriation), and if within one year following the date on which the respective payment would otherwise have been required such repatriation of any of such affected Net Available Cash is permitted under the applicable local law, applicable organizational impediment or other impediment, such repatriation will be promptly effected and the amount of such repatriated Net Available Cash will be promptly (and in any event not later than five Business Days after such repatriation could be made) applied (net of additional Taxes payable or reserved against as a result thereof) (whether or not repatriation actually occurs) in compliance with this Section 3.5; and

(ii) to the extent that the Company has determined in good faith that repatriation of any of or all the Net Available Cash of any Foreign Disposition would have an adverse Tax consequence (which for the avoidance of doubt, includes, but is not limited to, any prepayment out of any such Net Available Cash whereby doing so the Company, any of its Subsidiaries, any Parent Entity or any of their

respective affiliates and/or equity owners would incur a Tax liability, including a Tax dividend, deemed dividend pursuant to Code Section 956 or a withholding Tax), the Net Available Cash so affected may be retained by the applicable Foreign Subsidiary. The non-application of any prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a Default or an Event of Default.

- (d) For the purposes of Section 3.5(a)(2) hereof, the following will be deemed to be cash:

(1) the assumption by the transferee of Indebtedness or other liabilities, contingent or otherwise of the Company or a Restricted Subsidiary (other than Subordinated Indebtedness of the Company or a Guarantor) or the release of the Company or such Restricted Subsidiary from all liability on such Indebtedness or other liability in connection with such Asset Disposition;

(2) securities, notes or other obligations received by the Company or any Restricted Subsidiary from the transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents, or by their terms are required to be satisfied for cash and Cash Equivalents (to the extent of the cash or Cash Equivalents received), in each case, within 180 days following the closing of such Asset Disposition;

(3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Company and each other Restricted Subsidiary are released from any Guarantee of payment of such Indebtedness in connection with such Asset Disposition;

(4) consideration consisting of Indebtedness of the Company (other than Subordinated Indebtedness) received after the Issue Date from Persons who are not the Company or any Restricted Subsidiary; and

(5) any Designated Non-Cash Consideration received by the Company or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this Section 3.5 that is at that time outstanding, not to exceed the greater of \$150.0 million and 20.0% of LTM EBITDA (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

(e) To the extent that the provisions of any securities laws, rules or regulations, including Rule 14e-1 under the Exchange Act, conflict with the provisions of this Indenture, the Company shall not be deemed to have breached its obligations described in this Indenture by virtue of compliance therewith.

(f) The provisions of this Indenture relative to the Company's obligation to make an offer to repurchase the Notes as a result of an Asset Disposition may be waived or modified with the written consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding.

SECTION 3.6. Limitation on Liens. The Company shall not, and shall not permit any Guarantor to, directly or indirectly, create, incur or permit to exist any Lien (except Permitted Liens) (each, an "Initial Lien") that secures obligations under any Indebtedness or any related guarantee, on any asset or property of the Company or any Guarantor, unless:

(1) in the case of Initial Liens on any Collateral, (i) such Initial Lien expressly has Junior Lien Priority on the Collateral relative to the Notes and the Guarantees or (ii) such Initial Lien is a Permitted Lien; and

(2) in the case of any Initial Lien on any asset or property that is not Collateral, (i) the Notes (or a Guarantee in the case of Initial Liens on assets or property of a Guarantor) are equally and ratably secured with (or on a senior basis to, in the case such Initial Lien secures any Subordinated Indebtedness) the Obligations secured by such Initial Lien until such time as such Obligations are no longer secured by such Initial Lien or (ii) such Initial Lien is a Permitted Lien,

except that the foregoing shall not apply to Liens securing the Notes (other than any Additional Notes) and the related Guarantees.

Any Lien created for the benefit of the Holders pursuant to the preceding sentence shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien.

With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “Increased Amount” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

SECTION 3.7. Limitation on Guarantees.

(a) The Company shall not permit any of its Wholly Owned Domestic Subsidiaries that are Restricted Subsidiaries (and non-Wholly Owned Domestic Subsidiaries if such non-Wholly Owned Domestic Subsidiaries guarantee other capital markets debt securities of the Company), other than a Guarantor, a Foreign Subsidiary or a Securitization Subsidiary, to Guarantee the payment of (i) any syndicated Credit Facility permitted under Section 3.2(b)(1) or (ii) capital markets debt securities of the Company or any other Guarantor unless:

(1) such Restricted Subsidiary within 60 days executes and delivers a supplemental indenture to this Indenture providing for a Guarantee by such Restricted Subsidiary, except that with respect to a guarantee of Indebtedness of the Company or any Guarantor, if such Indebtedness is by its express terms subordinated in right of payment to the Notes or such Guarantor’s Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the Notes or such Guarantor’s Guarantee of the Notes, and joinders to the Security Documents or new Security Documents, together with any filings and agreements required by the Security Documents to create or perfect the security interests for the benefit of the Holders in the Collateral of such Subsidiary, including all actions (if any) required to be taken with respect to such Restricted Subsidiary in order to satisfy the Collateral Requirement; and

(2) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Guarantee until payment in full of Obligations under this Indenture.

provided that this Section 3.7 shall not be applicable (i) to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary, or (ii) in the event that the Guarantee of the Company’s obligations under the Notes or this Indenture by such Subsidiary would not be permitted under applicable law.

(b) The Company may elect, in its sole discretion, to cause or allow, as the case may be, any Subsidiary or any of its Parent Entities that is not otherwise required to be a Guarantor to become a Guarantor, in which case, such Subsidiary or Parent Entity shall not be required to comply with the 60-day period described in Section 3.7(a) and such Guarantee may be released at any time in the Company’s sole discretion so long as any Indebtedness of such Subsidiary then outstanding could have been incurred by such Subsidiary (either (x) when so incurred or (y) at the time of the release of such Guarantee) assuming such Subsidiary were not a Guarantor at such time.

(c) If any Guarantor becomes an Immaterial Subsidiary, the Company shall have the right, by delivery of a supplemental indenture executed by the Company to the Trustee, to cause such Immaterial Subsidiary to automatically and unconditionally cease to be a Guarantor, subject to the requirement described in Section 3.7(a) above that such Subsidiary shall be required to become a Guarantor if it ceases to be an Immaterial

Subsidiary (except that if such Subsidiary has been properly designated as an Unrestricted Subsidiary it shall not be so required to become a Guarantor or execute a supplemental indenture); *provided, further*, that such Immaterial Subsidiary shall not be permitted to Guarantee the Credit Agreement or other Indebtedness of the Company or the other Guarantors, unless it again becomes a Guarantor.

SECTION 3.8. Limitation on Affiliate Transactions.

(a) The Company shall not, and shall not permit any Restricted Subsidiary to enter into or conduct any transaction (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Company (an “Affiliate Transaction”) involving aggregate value in excess of the greater of \$60.0 million and 7.5% of LTM EBITDA unless:

(1) the terms of such Affiliate Transaction taken as a whole are not materially less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction or the execution of the agreement providing for such transaction in arm’s length dealings with a Person who is not such an Affiliate; and

(2) in the event such Affiliate Transaction involves an aggregate value in excess of the greater of \$110.0 million and 15.0% of LTM EBITDA, the terms of such transaction have been approved by a majority of the members of the Board of Directors of the Company.

Any Affiliate Transaction shall be deemed to have satisfied the requirements set forth in clause (2) of this Section 3.8(a) if such Affiliate Transaction is approved by a majority of the Disinterested Directors of the Company, if any.

(b) The provisions of Section 3.8(a) above shall not apply to:

(1) any Restricted Payment permitted to be made pursuant to Section 3.3 (including Permitted Payments) or any Permitted Investment;

(2) any issuance, transfer or sale of (a) Capital Stock (other than Disqualified Stock), options, other equity-related interests or other securities, or other payments, awards or grants in cash, securities or otherwise to any Parent Entity, Permitted Holder or future, current or former employee, director, officer, manager, contractor, consultant or advisor (or their respective Controlled Investment Affiliates or Immediate Family Members) of the Company, any of its Subsidiaries or any of its Parent Entities and (b) directors’ qualifying shares and shares issued to foreign nationals as required under applicable law;

(3) any Management Advances and any waiver or transaction with respect thereto;

- (6) the entry into and performance of obligations of the Company or any of its Restricted Subsidiaries under the terms of any transaction arising out of, and any payments pursuant to or for purposes of funding, any agreement or instrument in effect as of or on the Issue Date, as these agreements and instruments may be amended, modified, supplemented, extended, renewed or refinanced from time to time in accordance with the other terms of this Section 3.8 or to the extent not disadvantageous in any material respect in the reasonable determination of the Company to the Holders when taken as a whole as compared to the applicable agreement as in effect on the Issue Date;
- (7) any transaction effected as part of a Qualified Securitization Financing or Receivables Facility, any disposition or acquisition of Securitization Assets, Receivables Assets or related assets in connection with any Qualified Securitization Financing or Receivables Facility;
- (8) transactions with customers, vendors, clients, joint venture partners, suppliers, contractors, distributors or purchasers or sellers of goods or services, in each case in the ordinary course of business or consistent with past practice, which are fair to the Company or its Restricted Subsidiaries, in the reasonable determination of the Company, or are on terms, taken as a whole, that are not materially less favorable as might reasonably have been obtained at such time from an unaffiliated party;
- (9) any transaction between or among the Company or any Restricted Subsidiary and any Person (including a joint venture, but excluding an Unrestricted Subsidiary) that is an Affiliate of the Company or an Associate or similar entity solely because the Company or a Restricted Subsidiary or any Affiliate of the Company or a Restricted Subsidiary or any Affiliate of any Permitted Holder owns an equity interest in or otherwise controls such Affiliate, Associate or similar entity;
- (10) any issuance, sale or transfer of Capital Stock (other than Disqualified Stock or Designated Preferred Stock) of the Company, any Parent Entity or any of its Restricted Subsidiaries or options, warrants or other rights to acquire such Capital Stock and the granting of registration and other customary rights (and the performance of the related obligations) in connection therewith or any contribution to capital of the Company or any Restricted Subsidiary;
- (11) (i) payments by the Company or any Restricted Subsidiary to any Permitted Holder (whether directly or indirectly), including to its affiliates or its designees, of management, consulting, monitoring, refinancing, transaction, advisory, indemnities and other fees, costs and expenses (plus any unpaid management, consulting, monitoring, transaction, advisory, indemnities and other fees, costs and expenses accrued in any prior year) and any exit and termination fees (including any such cash lump sum or present value fee upon the consummation of a corporate event, including an initial public offering) pursuant to any management services or similar agreements or the management services or other relevant provisions in an investor rights agreement, limited partnership agreement, limited liability company agreement or other equityholders' agreement, as the case may be, between the Investors or certain of the management companies associated with the Investors or their advisors or Affiliates, if applicable, and the Company and/or its Parent Entities or Subsidiaries, as in effect on the Issue Date (including any amendment thereto or replacement thereof so long as any such amendment or replacement is not materially disadvantageous in the reasonable determination of the Company to the Holders when taken as a whole, as compared to the management services or similar agreements as in effect immediately prior to such amendment or replacement) and (ii) payments by the Company or any Restricted Subsidiary to any Permitted Holder (whether directly or indirectly, including through any Parent Entity) for financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including in connection with acquisitions or divestitures, which payments are approved in the case of each of clauses (i) and (ii) in the reasonable determination of the Company or do not exceed the greater of \$2.0 million and 0.25% of LTM EBITDA;
- (12) payment to any Permitted Holder of all out of pocket expenses incurred by such Permitted Holder in connection with its direct or indirect investment in the Company and its Subsidiaries;

(13) the Transactions and the payment of all fees, costs and expenses (including all legal, accounting and other professional fees, costs and expenses) related to the Transactions, including Transaction Expenses;

(14) transactions in which the Company or any Restricted Subsidiary, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or meets the requirements of Section 3.8(a)(1);

(15) the existence of, or the performance by the Company or any Restricted Subsidiary of its obligations under the terms of, any equityholders, investor rights or similar agreement (including any registration rights agreement or purchase agreements related thereto) to which it is party as of the Issue Date and any similar agreement that it (or any Parent Entity) may enter into thereafter; *provided* that the existence of, or the performance by the Company or any Restricted Subsidiary (or any Parent Entity) of its obligations under any future amendment to any such existing agreement or under any similar agreement entered into after the Issue Date will only be permitted under this clause to the extent that the terms of any such amendment or new agreement are not otherwise, when taken as a whole, more disadvantageous to the Holders in any material respect in the reasonable determination of the Company than those in effect on the Issue Date;

(16) any purchases by the Company's Affiliates of Indebtedness or Disqualified Stock of the Company or any of the Restricted Subsidiaries the majority of which Indebtedness or Disqualified Stock is purchased by Persons who are not the Company's Affiliates; *provided* that such purchases by the Company's Affiliates are on the same terms as such purchases by such Persons who are not the Company's Affiliates;

(17) (i) investments by Affiliates in securities or loans of the Company or any of the Restricted Subsidiaries (and payment of reasonable out-of-pocket expenses incurred by such Affiliates in connection therewith) so long as the investment is being offered by the Company or such Restricted Subsidiary generally to other non-affiliated third party investors on the same or more favorable terms and (ii) payments to Affiliates in respect of securities or loans of the Company or any of the Restricted Subsidiaries contemplated in the foregoing subclause (i) or that were acquired from Persons other than the Company and its Restricted Subsidiaries, in each case, in accordance with the terms of such securities or loans;

In addition, if the Company or any of its Restricted Subsidiaries (i) purchases or otherwise acquires assets or properties from a Person which is not an Affiliate, the purchase or acquisition by an Affiliate of the Company of an interest in all or a portion of the assets or properties acquired shall not be deemed an Affiliate Transaction (or cause such purchase or acquisition by the Company or a Restricted Subsidiary to be deemed an Affiliate Transaction) and (ii) sells or otherwise disposes of assets or other properties to a Person who is not an Affiliate, the sale or other disposition by an Affiliate of the Company of an interest in all or a portion of the assets or properties sold shall not be deemed an Affiliate Transaction (or cause such sale or other disposition by the Company or a Restricted Subsidiary to be deemed an Affiliate Transaction).

SECTION 3.9. Change of Control.

(a) If a Change of Control occurs, unless the Company has previously or substantially concurrently therewith delivered a redemption notice with respect to all of the outstanding Notes as set forth under Section 5.7(a) or Section 5.7(d), the Company shall make an offer (the "Change of Control Offer") to purchase all of the Notes at a price in cash (the "Change of Control Payment") equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to but excluding the date of repurchase; provided that if the

repurchase date is on or after the record date and on or before the corresponding interest payment date, then Holders in whose name the Notes are registered at the close of business on such record date will receive the interest due on the repurchase date. Within 30 days following any Change of Control, the Issuer will deliver or cause to be delivered a notice of such Change of Control Offer electronically in accordance with the applicable procedures of DTC or by first class mail, with a copy to the Trustee, to each Holder of Notes at the address of such Holder appearing in the security register or otherwise in accordance with the applicable procedures of DTC, with the following information:

- (1) that a Change of Control Offer is being made pursuant to this Section 3.9, and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Issuer;
- (2) the purchase price and the purchase date, which will be no earlier than 30 days nor later than 60 days from the date such notice is delivered (the “Change of Control Payment Date”);
- (3) that any Note not properly tendered will remain outstanding and continue to accrue interest;
- (4) that unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest, on the Change of Control Payment Date;
- (5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of such Notes completed, to the applicable Paying Agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date, or otherwise comply with DTC procedures;
- (6) that Holders will be entitled to withdraw their tendered Notes and their election to require the Issuer to purchase such Notes; *provided* that the applicable Paying Agent receives, not later than the close of business on the second Business Day prior to the expiration date of the Change of Control Offer, a telegram, facsimile transmission or letter setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased, or otherwise comply with DTC procedures;
- (7) that Holders whose Notes are being purchased only in part will be issued new Notes and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered. The unpurchased portion of the Notes must be equal to at least \$2,000 or any integral multiple of \$1,000 in excess of \$2,000;
- (8) if such notice is delivered prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and
- (9) the other instructions, as determined by the Issuer, consistent with this Section 3.9, that a Holder must follow.

The applicable Paying Agent will promptly deliver to each Holder of the Notes tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note will be in a minimum principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. The Issuer will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

If the Change of Control Payment Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest will be paid on the Change of Control Payment Date to the Person in whose name a Note is registered at the close of business on such record date.

(b) On the Change of Control Payment Date, the Issuer will, to the extent permitted by law,

(1) accept for payment all Notes issued by it or portions thereof properly tendered pursuant to the Change of Control Offer,

(2) deposit with the applicable Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered, and

(3) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Issuer.

(c) The Issuer will not be required to make a Change of Control Offer following a Change of Control if (x) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer or (y) a notice of redemption of all outstanding Notes has been given pursuant to Section 5.7 hereof unless and until there is a default in the payment of the redemption price on the applicable redemption date or the redemption is not consummated due to the failure of a condition precedent contained in the applicable redemption notice to be satisfied.

(d) Notwithstanding anything to the contrary in this Section 3.9, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control.

(e) [Reserved]

(f) While the Notes are in global form and the Issuer makes an offer to purchase all of the Notes pursuant to the Change of Control Offer, a Holder may exercise its option to elect for the purchase of the Notes through the facilities of DTC, subject to its rules and regulations.

(g) The Issuer will comply, to the extent applicable, with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws, rules and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws, rules or regulations conflict with the provisions of this Indenture, the Issuer shall not be deemed to have breached its obligations described in this Indenture by virtue of compliance therewith.

SECTION 3.10. Reports.

(a) Notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, from and after the Issue Date, the Company shall deliver to the Trustee, within 15 days after the time periods specified below:

(1) within 120 days (or 135 days in the case of the fiscal year containing the Issue Date) after the end of each fiscal year (or if such day is not a Business Day, on the next succeeding Business Day), all financial information that would be required to be contained in an annual report on Form 10-K, or any successor or comparable form, filed with the SEC, including a "Management's discussion and analysis of financial condition and results of operations" and a report on the annual financial statements by the Company's independent registered public accounting firm;

(2) within 60 days (or 75 days in the case of the first fiscal quarter after the Issue Date) after the end of each of the first three fiscal quarters of each fiscal year (or if such day is not a Business Day, on the next succeeding Business Day), all financial information that would be required to be contained in a quarterly report on Form 10-Q, or any successor or comparable form, filed with the SEC, including a “Management’s discussion and analysis of financial condition and results of operations,” and financial statements prepared in accordance with GAAP; and

(3) promptly after the occurrence of any of the following events, all current reports that would be required to be filed with the SEC on Form 8-K as in effect on the Issue Date (if the Company had been a reporting company under Section 15(d) of the Exchange Act); *provided*, that the foregoing shall not obligate the Company to make available (i) any information regarding the occurrence of any of the following events if the Company determines in its reasonable determination that such event that would otherwise be required to be disclosed is not material to the Holders or the business, assets, operations, financial positions or prospects of the Company and its Restricted Subsidiaries taken as a whole, (ii) an exhibit or a summary of the terms of, any employment or compensatory arrangement, agreement, plan or understanding between the Company or any of its Subsidiaries and any director, officer or manager of the Company or any of its Subsidiaries, (iii) copies of any agreements, financial statements or other items that would be required to be filed as exhibits to a current report on Form 8-K or (iv) any trade secrets, privileged or confidential information obtained from another Person and competitively sensitive information:

- (A) the entry into or termination of material agreements;
- (B) significant acquisitions or dispositions (which shall only be with respect to acquisitions or dispositions that are significant pursuant to the definition of “Significant Subsidiary”);
- (C) bankruptcy;
- (D) cross-default under direct material financial obligations;
- (E) a change in the Company’s certifying independent auditor;
- (F) the appointment or departure of directors or executive officers (with respect to the principal executive officer, president, principal financial officer, principal accounting officer and principal operating officer only);
- (G) non-reliance on previously issued financial statements; and
- (H) change of control transactions,

in each case, in a manner that complies in all material respects with the requirements specified in such form, except as described above or below and subject to exceptions consistent with the presentation of information in the Offering Memorandum; *provided, however*, that the Company shall not be required to (i) comply with Regulation G under the Exchange Act or Item 10(e) of Regulation S-K with respect to any “non-GAAP” financial information contained therein, (ii) provide any information that is not otherwise similar to information currently included in the Offering Memorandum, (iii) provide separate financial statements or other information contemplated by Rules 3-05, 3-09, 3-10 or 3-16 of Regulation S-X, or in each case any successor provisions or any schedules required by Regulation S-X or (iv) contain any “segment reporting.” In addition, notwithstanding the foregoing, the Company will not be required to (i) comply with Sections 302, 906 and 404 of the Sarbanes-Oxley Act of 2002, as amended, or (ii) otherwise furnish any information, certificates or reports required by Items 307, 308 or 402 of Regulation S-K. To the extent any such information is not so filed or furnished, as applicable, within the time periods specified above and such information is subsequently filed or furnished, as applicable, the Company will be deemed to have satisfied its obligations with respect thereto at such time and any Default with respect thereto shall be deemed to have been

cured; *provided* that such cure shall not otherwise affect the rights of the Holders under Section 6.1 hereof if Holders of at least 30.0% in aggregate principal amount of the outstanding Notes have declared the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately and such declaration shall not have been rescinded or cancelled prior to such cure. In addition, to the extent not satisfied by the foregoing, the Company shall agree that, for so long as any Notes are outstanding, it shall furnish to Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(b) If the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries and such Unrestricted Subsidiaries or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, would constitute a Significant Subsidiary of the Company, then the annual and quarterly financial information required by Section 3.10(a)(1) and (2) will include a presentation of selected financial metrics, in the Company's sole discretion, of such Unrestricted Subsidiaries as a group in the "Management's Discussion and Analysis of Financial Condition and Results of Operations."

(c) Substantially concurrently with the furnishing of such information to the Trustee pursuant to Section 3.10(b), the Company shall also use its commercially reasonable efforts to post copies of such information required by Section 3.10(b) on a website (which may be nonpublic and may be maintained by the Company or a third party) to which access will be given to the Holders, prospective investors in the Notes (which prospective investors shall be limited to "qualified institutional buyers" within the meaning of Rule 144A of the Securities Act or non-U.S. persons (as defined in Regulation S under the Securities Act) that certify their status as such to the reasonable satisfaction of the Company), and securities analysts and market making financial institutions that are reasonably satisfactory to the Company. To the extent the Company determines in good faith that it cannot make such reports available in the manner described in the preceding sentence after the use of its commercially reasonable efforts, the Company shall furnish such reports to the Holders, upon their request. The Company may condition the delivery of any such reports to such Holders, prospective investors in the Notes and securities analysts and market making financial institutions on the agreement of such Persons to (i) treat all such reports (and the information contained therein) and information as confidential, (ii) not use such reports (and the information contained therein) and information for any purpose other than their investment or potential investment in the Notes and (iii) not publicly disclose any such reports (and the information contained therein) and information.

(d) The Company will participate in quarterly conference calls (which may be a single conference call together with investors and lenders holding other securities or Indebtedness of the Company, its Restricted Subsidiaries and/or any Parent Entity) to discuss results of operations. The conference call will be following the last day of each fiscal quarter of the Company and not later than twenty (20) Business Days from the time that the Company distributes the financial information as set forth in Section 3.10(a). No fewer than two days prior to the conference call, the Company will issue a press release or otherwise announce the time and date of such conference call and providing instructions for Holders, prospective investors in the Notes, securities analysts and market making financial institutions to obtain access to such call.

(e) The Company may satisfy its obligations pursuant to this Section 3.10 with respect to financial information relating to the Company by furnishing financial information relating to a Parent Entity; *provided* that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such Parent Entity (and other Parent Entities included in such information, if any), on the one hand, and the information relating to the Company and its Restricted Subsidiaries on a standalone basis, on the other hand. For the avoidance of doubt, the consolidating information referred to in the proviso in the preceding sentence need not be audited.

(f) Notwithstanding anything to the contrary set forth in this Section 3.10, if the Company or any Parent Entity has furnished to the Holders of Notes or filed with the SEC the reports described in this Section 3.10 with respect to the Company or any Parent Entity, the Company shall be deemed to be in compliance with the provisions of this Section 3.10.

(g) The Trustee shall have no duty to determine whether any filings or postings described in this Section 3.10 have been made.

SECTION 3.11. [Reserved].

SECTION 3.12. Maintenance of Office or Agency.

The Issuer will maintain an office or agency where the Notes may be presented or surrendered for payment, where, if applicable, the Notes may be surrendered for registration of transfer or exchange. The corporate trust office of the Trustee, which initially shall be located at Wilmington Trust, National Association, 50 South Sixth Street, Suite 1290, Minneapolis, Minnesota 55402, Attention: The Dun & Bradstreet Corporation Administrator, shall be such office or agency of the Issuer, unless the Issuer shall designate and maintain some other office or agency for one or more of such purposes. The Issuer will give prompt written notice to the Trustee of any change in the location of any such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations and surrenders may be made or served at the corporate trust office of the Trustee, and the Issuer hereby appoints the Trustee as its agent to receive all such presentations and surrenders.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind any such designation. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and any change in the location of any such other office or agency. No office of the Trustee shall be an office or agency of the Issuer for the purposes of service of legal process on the Issuer or any Guarantor.

SECTION 3.13. [Reserved].

SECTION 3.14. [Reserved].

SECTION 3.15. After-Acquired Collateral.

(a) From and after the Issue Date, if (a) any Subsidiary becomes a Guarantor or (b) the Issuer or any Guarantor acquires any property or rights which are of a type constituting Collateral under any Security Document (excluding, for the avoidance of doubt, any Excluded Assets or assets not required to be Collateral pursuant to this Indenture or the Security Documents), the Issuer or such Guarantor will be required to execute and deliver such security instruments, financing statements and such certificates as are required under this Indenture or any Security Document to vest in the Notes Collateral Agent a security interest (subject to Permitted Liens) in such after-acquired collateral (or all of its assets, except Excluded Assets, in the case of a new Guarantor) and to take such actions to add such after-acquired collateral to the Collateral and satisfy the Collateral Requirement in respect thereof, and thereupon all provisions of this Indenture and the Security Documents relating to the Collateral shall be deemed to relate to such after-acquired collateral to the same extent and with the same force and effect.

(b) Notwithstanding the foregoing, opinions of counsel will not be required in connection with any additional Guarantors entering into the Security Documents or to vest in the Notes Collateral Agent a perfected security interest in after-acquired collateral owned by such Guarantors.

SECTION 3.16. Compliance Certificate. The Issuer shall deliver to the Trustee within 120 days after the end of each fiscal year of the Issuer an Officer's Certificate, the signer of which shall be the principal executive officer, principal financial officer, principal accounting officer, principal legal officer, secretary or treasurer of the Issuer, stating that in the course of the performance by the signer of his or her duties as an Officer of the Issuer he or she would normally have knowledge of any Default or Event of Default and whether or not the signer knows of any Default or Event of Default that occurred during the previous fiscal year; *provided* that no such Officer's Certificate shall be required for any fiscal year ended prior to the Issue Date. If such Officer does have such knowledge, the certificate shall describe the Default or Event of Default, its status and the action the Issuer is taking or proposes to take with respect thereto.

97

SECTION 3.17. Further Instruments and Acts. Upon request of the Trustee or as necessary to comply with future developments or requirements, the Issuer will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 3.18. [Reserved].

SECTION 3.19. Statement by Officers as to Default. The Issuer shall deliver to the Trustee, as soon as possible and in any event within 30 days after the Issuer becomes aware of the occurrence of any Default or Event of Default, an Officer's Certificate setting forth the details of such Event of Default or Default, its status and the actions which the Issuer is taking or proposes to take with respect thereto.

SECTION 3.20. Designation of Restricted and Unrestricted Subsidiaries. The Company may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause an Event of Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate fair market value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments pursuant to Section 3.3 hereof or under one or more clauses of the definition of Permitted Investments, as determined by the Company. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Company may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause an Event of Default.

Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary will be evidenced to the Trustee by delivering to the Trustee an Officer's Certificate certifying that such designation complies with the preceding conditions and was permitted by Section 3.3 hereof. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary as of such date and, if such Indebtedness is not permitted to be incurred as of such date by Section 3.2 hereof, the Company will be in default of such covenant.

The Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will

only be permitted if (1) such Indebtedness is permitted under Section 3.2 hereof (including pursuant to Section 3.2(b)(5) treating such redesignation as an acquisition for the purpose of such clause), calculated on a *pro forma* basis as if such designation had occurred at the beginning of the applicable reference period; and (2) no Default or Event of Default would be in existence following such designation. Any such designation by the Company shall be evidenced to the Trustee by delivering to the Trustee an Officer's Certificate certifying that such designation complies with the preceding conditions.

SECTION 3.21. Suspension of Certain Covenants on Achievement of Investment Grade Status Beginning on the first day (a) the Notes have achieved Investment Grade Status and (b) no Default or Event of Default has occurred and is continuing under this Indenture, and ending on a Reversion Date (such period a "Suspension Period"), the Company and its Restricted Subsidiaries will not be subject to Sections 3.2, 3.3, 3.4, 3.5, 3.7, 3.8 and 4.1(a)(3) (the "Suspended Covenants").

If at any time the Notes cease to have such Investment Grade Status, then the Suspended Covenants shall thereafter be reinstated as if such covenants had never been suspended (the "Reversion Date") and be applicable pursuant to the terms of this Indenture (including in connection with performing any calculation or assessment to determine compliance with the terms of this Indenture), unless and until the Notes subsequently attain Investment Grade Status and no Default or Event of Default is in existence (in which event the Suspended Covenants shall no longer be in effect for such time that the Notes maintain an Investment Grade Status); provided, however, that no Default, Event of Default or breach of any kind shall be deemed to exist under this Indenture, the Notes or the Note Guarantees with respect to the Suspended Covenants based on, and none of the Company or any of its Subsidiaries

shall bear any liability for, any actions taken or events occurring during the Suspension Period, or any actions taken at any time pursuant to any contractual obligation arising prior to the Reversion Date, regardless of whether such actions or events would have been permitted if the applicable Suspended Covenants remained in effect during such period.

On the Reversion Date, all Indebtedness Incurred during the Suspension Period will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under Section 3.2(b)(4)(b). On and after the Reversion Date, all Liens created during the Suspension Period will be considered Permitted Liens. Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 3.3 will be made as though Section 3.3 had been in effect since the Issue Date and prior to, but not during, the Suspension Period. Accordingly, Restricted Payments made during the Suspension Period will not reduce the amount available to be made as Restricted Payments under Section 3.3(a). In addition, any future obligation to grant further Note Guarantees shall be released. All such further obligations to grant Guarantees shall be reinstated on the Reversion Date. As described above, however, no Default, Event of Default or breach of any kind shall be deemed to have occurred as a result of the Reversion Date occurring on the basis of any actions taken or the continuance of any circumstances resulting from actions taken or the performance of obligations under agreements entered into by the Company or any of the Restricted Subsidiaries during the Suspension Period (other than agreements to take actions after the Reversion Date that would not be permitted outside of the Suspension Period entered into in contemplation of the Reversion Date).

On and after each Reversion Date, the Company and its Subsidiaries will be permitted to consummate the transactions contemplated by any contract entered into during the Suspension Period, so long as such contract and such consummation would have been permitted during such Suspension Period.

The Trustee shall have no duty to monitor the ratings of the Notes, shall not be deemed to have any knowledge of the ratings of the Notes and shall have no duty to notify Holders if the Notes achieve Investment Grade Status or of the occurrence of a Reversion Date.

ARTICLE IV

SUCCESSOR COMPANY; SUCCESSOR PERSON

SECTION 4.1. Merger and Consolidation.

(a) The Company shall not consolidate with or merge with or into, or convey, transfer or lease all or substantially all its assets, in one transaction or a series of related transactions, to any Person, unless:

(1) the Company is the surviving Person or the resulting, surviving or transferee Person (the “*Successor Company*”) will be a Person organized or existing under the laws of the jurisdiction of the Company or the United States of America, any State of the United States or the District of Columbia and the Successor Company (if not the Company) will expressly assume all the obligations of the Company under the Notes, this Indenture and the applicable Security Documents pursuant to supplemental indentures or other documents and instruments;

(2) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the applicable Successor Company or any Subsidiary of the applicable Successor Company as a result of such transaction as having been incurred by the applicable Successor Company or such Subsidiary at the time of such transaction), no Event of Default shall have occurred and be continuing;

(3) immediately after giving pro forma effect to such transaction, either (a) the applicable Successor Company or the Company would be able to incur at least an additional \$1.00 of Indebtedness pursuant to Section 3.2(a) hereof, (b) the Fixed Charge Coverage Ratio of the Company and its Restricted Subsidiaries would not be lower than it was immediately prior to giving effect

to such transaction or (c) the Consolidated Total Leverage Ratio of the Company and its Restricted Subsidiaries would not be higher than it was immediately prior to giving effect to such transaction;

(4) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture and an Opinion of Counsel stating that such supplemental indenture (if any) is a legal and binding agreement enforceable against the Successor Company; *provided* that in giving an Opinion of Counsel, counsel may rely on an Officer's Certificate as to any matters of fact, including as to satisfaction of clauses (2) and (3) above; and

(5) to the extent any assets of the Person which is merged or consolidated with or into the Issuer are assets of the type which would constitute Collateral under the Security Documents, the Issuer or the Successor Company, as applicable, will take such action, if any, as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the applicable Security Documents in the manner and to the extent required in this Indenture or the applicable Security Documents and shall take all reasonably necessary action so that such Lien is perfected to the extent required by the applicable Security Documents.

(b) [Reserved].

(c) The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Company under the Notes and this Indenture, and the Company will automatically and unconditionally be released and discharged from its obligations under the Notes and this Indenture (except in the case of (x) a lease or (y) a sale of less than all of its assets).

(d) Notwithstanding any other provisions of this Section 4.1, (i) the Company may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to a Guarantor, (ii) the Company may consolidate or otherwise combine with or merge into an Affiliate organized or existing under the laws of the jurisdiction of the Company or the United States of America, any State of the United States or the District of Columbia incorporated or organized for the purpose of changing the legal domicile of the Company, reincorporating the Company in another jurisdiction, or changing the legal form of the Company, (iii) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to the Company or a Guarantor, (iv) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to any other Restricted Subsidiary and (v) the Company and its Restricted Subsidiaries may complete any Permitted Tax Restructuring.

(e) The foregoing provisions (other than the requirements of clause (a)(2)) shall not apply to the creation of a new Subsidiary as a Restricted Subsidiary.

(f) Subject to Section 10.2(b), no Guarantor may consolidate with or merge with or into, or convey, transfer or lease all or substantially all of its assets, in one or a series of related transactions, to any Person, unless:

(1)(a) the other Person is the Company or any Restricted Subsidiary that is a Guarantor or becomes a Guarantor concurrently with the transaction; or

either (x) the Company or a Guarantor is the continuing Person or (y) the resulting, surviving or transferee Person expressly assumes all the obligations of the Guarantor under its Note Guarantee, this Indenture and the applicable Security Documents;

(b) immediately after giving effect to the transaction, no Event of Default shall have occurred and be continuing; and

(c) to the extent any assets of the Person which is merged, consolidated or amalgamated with or into such Guarantor are assets of the type which would constitute Collateral

under the Security Documents, such Guarantor or the Successor Person will take such action, if any, as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the applicable Security Documents in the manner and to the extent required in this Indenture or the applicable Security Documents and shall take all reasonably necessary action so that such Lien in perfected to the extent required by the applicable Security Documents; or

(2) the transaction constitutes a sale, disposition or transfer of the Guarantor or the conveyance, transfer or lease of all or substantially all of the assets of the Guarantor (in each case other than to the Company or a Restricted Subsidiary) otherwise permitted by this Indenture.

Notwithstanding any other provision of this Section 4.1, any Guarantor may (a) consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to another Guarantor or the Company, (b) consolidate or otherwise combine with or merge into an Affiliate incorporated or organized for the purpose of changing the legal domicile of the Guarantor, reincorporating the Guarantor in another jurisdiction, or changing the legal form of the Guarantor, (c) convert into a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor, (d) liquidate or dissolve or change its legal form if the Company determines in good faith that such action is in the best interests of the Company and (e) complete any Permitted Tax Restructuring. Notwithstanding anything to the contrary in this Section 4.1, the Company may contribute Capital Stock of any or all of its Subsidiaries to any Guarantor.

Any reference herein to a merger, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, limited partnership or trust, or an allocation of assets to a series of a limited liability company, limited partnership or trust (or the unwinding of such a division or allocation), as if it were a merger, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, as applicable, to, of or with a separate Person. Any division of a limited liability company, limited partnership or trust shall constitute a separate Person hereunder (and each division of any limited liability company, limited partnership or trust that is a Subsidiary, Restricted Subsidiary, Unrestricted Subsidiary, joint venture or any other like term shall also constitute such a Person or entity).

Notwithstanding any other provision of this Section 4.1, this Section 4.1 will not apply to the Transactions; *provided*, that the Company will execute and deliver a supplemental indenture in the form attached as Exhibit C.

ARTICLE V

REDEMPTION OF SECURITIES

SECTION 5.1. Notices to Trustee. Subject to Section 5.9 hereof, if the Issuer elects to redeem Notes pursuant to the optional redemption provisions of Section 5.7 hereof, it must furnish to the Trustee, at least 10 days but not more than 60 days before a redemption date, an Officer's Certificate setting forth:

- (1) the clause of this Indenture pursuant to which the redemption shall occur;
- (2) the redemption date;
- (3) the principal amount of Notes to be redeemed; and
- (4) the redemption price.

Any optional redemption referenced in such Officer's Certificate may be cancelled by the Issuer at any time prior to notice of redemption being sent to any Holder and thereafter shall be null and void.

SECTION 5.2. Selection of Notes to Be Redeemed or Purchased. If less than all of the Notes are to be redeemed pursuant to Section 5.7 or purchased in an Asset Disposition Offer pursuant to Section 3.5 or a redemption pursuant to Section 5.9, the Trustee will select Notes for redemption or purchase (a) if the Notes are in global form, on a pro rata basis, by lot, or by such other method in accordance with the applicable procedures of DTC and (b) if the Notes are in definitive form in their entirety, on a pro rata basis (subject to adjustments to maintain the authorized Notes denomination requirements) or by lot, except if otherwise required by law.

No Notes in an unauthorized denomination or of \$2,000 in aggregate principal amount or less shall be redeemed in part. In the event of partial redemption, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 10 days nor more than 60 days prior to the redemption or purchase date by the Trustee from the outstanding Notes not previously called for redemption or purchase; *provided* that the Issuer shall provide the Trustee with sufficient notice of such partial redemption to enable the Trustee to select the Notes for partial redemption.

The Trustee will promptly notify the Issuer in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in minimum principal amounts of \$2,000 and whole multiples of \$1,000 in excess of \$2,000; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not in a minimum principal amount of \$2,000 or a multiple of \$1,000 in excess thereof, shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

SECTION 5.3. Notice of Redemption. Subject to Section 5.9 hereof, at least 10 days but not more than 60 days before the redemption date, the Issuer will send or cause to be sent, by electronic delivery or by first class mail postage prepaid, a notice of redemption to each Holder (with a copy to the Trustee) whose Notes are to be redeemed at the address of such Holder appearing in the security register or otherwise in accordance with the applicable procedures of DTC, except that redemption notices may be delivered electronically or mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles VIII or XI hereto.

The notice will identify the Notes (including the CUSIP or ISIN number) to be redeemed and will state:

- (1) the redemption date;
- (2) the redemption price;
- (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (6) that, unless the Issuer defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Issuer's request, the Trustee will give the notice of redemption in the Issuer's name and at its expense; *provided, however*, that the Issuer has delivered to the Trustee, at least three (3) Business Days (or if any of the Notes to be redeemed are in definitive form, five (5) Business Days) prior to the date on which the Issuer instructs the Trustee to give the notice (or such shorter period as the Trustee may agree), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Notice of any redemption of the Notes may, at the Issuer's discretion, be given prior to the completion of a transaction (including but not limited to an Equity Offering, an incurrence of Indebtedness, a Change of Control or other transaction) and any redemption notice may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a related transaction. If such redemption or purchase is so subject to satisfaction of one or more conditions precedent such notice shall describe each such condition, and if applicable, shall state that, in the Issuer's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date as so delayed. In addition, the Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person.

SECTION 5.4. [Reserved].

SECTION 5.5. Deposit of Redemption or Purchase Price. Prior to 11:00 a.m. New York City Time on the redemption or purchase date, the Issuer will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return, on or following the applicable redemption or repurchase date, to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption or purchase price of, and accrued interest, if any, on all Notes to be redeemed or purchased.

If the Issuer complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after a record date but on or prior to the corresponding interest payment date, then any accrued and unpaid interest up to, but excluding, the redemption date or purchase date shall be paid on the redemption date or purchase date to the Person in whose name such Note was registered at the close of business on such record date in accordance with the applicable procedures of DTC. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 3.1 hereof.

SECTION 5.6. Notes Redeemed or Purchased in Part. Upon surrender of a Note issued in physical form that is redeemed or purchased in part, the Issuer will issue and the Trustee will authenticate for the Holder at the expense of the Issuer a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered; *provided*, that each such new Note will be in a minimum principal amount of \$2,000 or integral multiple of \$1,000 in excess thereof.

In the case of a Note issued as a global note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof; *provided*, that the unredeemed portion thereof will be in a minimum principal amount of \$2,000 or integral multiple of \$1,000 in excess thereof.

SECTION 5.7. Optional Redemption.

(a) At any time prior to February 15, 2022, the Company may redeem the Notes in whole or in part, at its option, upon not less than 10 nor more than 60 days' prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, at a redemption price (expressed as a percentage of the principal amount of the Notes to be redeemed) equal to 100.000% plus the relevant Applicable Premium as of, and accrued and unpaid interest, if any, to but excluding, the date of redemption (the "Redemption Date"), subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date.

(b) At any time and from time to time prior to February 15, 2022, the Company may, on one or more occasions, upon not less than 10 nor more than 60 days' prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, redeem up to 40.0% of the original aggregate principal amount of Notes issued under this Indenture on the Issue Date (together with Additional Notes) at a redemption price (expressed as a percentage of the principal amount of Notes to be redeemed) equal to 106.875%, plus accrued and unpaid interest, if any, to but excluding, the applicable Redemption Date, subject to the right of Holders of record of the Notes on the relevant record date to receive interest due on the relevant interest payment date, with the net cash proceeds received by the Company of one or more Equity Offerings of the Company; *provided* that not less than 50.0% of the original aggregate principal amount of then-outstanding Notes issued under this Indenture remains outstanding immediately after the occurrence of each such redemption (including Additional Notes but excluding Notes held by the Company or any of its Restricted Subsidiaries), unless all such Notes are redeemed substantially concurrently; *provided further* that each such redemption occurs not later than 180 days after the date of closing of the related Equity Offering. The Trustee shall select the Notes to be purchased in the manner described under Sections 5.1 through 5.6.

(c) Except pursuant to clauses (a) and (b) of this Section 5.7, the Notes will not be redeemable at the Company's option prior to February 15, 2022.

(d) At any time and from time to time on or after February 15, 2022, the Company may redeem the Notes, in whole or in part, upon not less than 10 nor more than 60 days' prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth in the table below, plus accrued and unpaid interest thereon, if any, to but excluding the applicable Redemption Date, subject to the right of Holders of record of the Notes on the relevant record date to receive interest due on the relevant interest payment date, if redeemed during the twelve-month period beginning on February 15 of each of the years indicated in the table below:

<u>Year</u>	<u>Percentage</u>
2022	103.438%
2023	101.719%
2024 and thereafter	100.000%

(e) Notwithstanding the foregoing, in connection with any tender offer for the Notes, including a Change of Control Offer, Collateral Asset Disposition Offer or Asset Disposition Offer, if Holders of not less than 90.0% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Company, or any third party making such tender offer in lieu of the Company, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company or such third party shall have the right upon not less than 10 nor more than 60 days' prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, given not more than 30 days following such purchase date to redeem all Notes that remain outstanding following such purchase at a redemption price equal to the price offered to each other Holder in such tender offer plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to but not including, the date of such redemption.

(f) Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable Redemption Date.

(g) Any redemption pursuant to this Section 5.7 shall be made pursuant to the provisions of Sections 5.1 through 5.6.

SECTION 5.8. Mandatory Redemption. The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes; *provided*, however, that under certain circumstances, the Company may be required to offer to purchase Notes under Section 3.5 and Section 3.9. As market conditions warrant, the Company and its equity holders, including the Investor, its respective Affiliates and members of our management, may from time to time seek to purchase its outstanding debt securities or loans, including the Notes, in privately negotiated or open market transactions, by tender offer or otherwise.

SECTION 5.9. [Reserved].

ARTICLE VI

DEFAULTS AND REMEDIES

SECTION 6.1. Events of Default.

(a) Each of the following is an “Event of Default”:

(1) default in any payment of interest on any Note when due and payable, continued for 30 days;

(2) default in the payment of the principal amount of or premium, if any, on any Note issued under this Indenture when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise;

(3) failure by the Company or any Guarantor to comply for 60 days after written notice by the Trustee on behalf of the Holders or by the Holders of 30% in aggregate principal amount of the outstanding Notes with any agreement or obligation contained in this Indenture; *provided* that in the case of a failure to comply with this Indenture provisions described under Section 3.10, such period of continuance of such default or breach shall be 270 days after written notice described in this clause has been given;

(4) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any Significant Subsidiary (or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary) (or the payment of which is Guaranteed by the Company or any Significant Subsidiary (or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary)) other than Indebtedness owed to the Company or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the date hereof, which default:

(A) is caused by a failure to pay principal of such Indebtedness, at its stated final maturity (after giving effect to any applicable grace periods provided in such Indebtedness); or

(B) results in the acceleration of such Indebtedness prior to its stated final maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default of principal at its stated final maturity (after giving effect to any applicable grace periods) or the maturity of which has been so accelerated, aggregates to the greater of \$150.0 million and 20.0% of LTM EBITDA or more at any one time outstanding;

(5) failure by the Company or a Significant Subsidiary (or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary) to pay final judgments aggregating in excess of the greater of \$150.0 million and 20.0% of LTM EBITDA other than any judgments covered by indemnities provided by, or insurance policies issued by, reputable and creditworthy companies, which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(6) (A) (x) any Guarantee of the Notes by a Significant Subsidiary ceases to be in full force and effect or (y) a Guarantor that is a Significant Subsidiary denies or disaffirms its obligations under its Guarantee of the Notes, other than, in the case of (x) and (y), in accordance with the terms of this Indenture, or (B) in connection with the bankruptcy of a Guarantor, so long as the aggregate assets of such Guarantor and any other Guarantor whose Note Guarantee ceased or ceases to be in full force as a result of a bankruptcy are less than the greater of \$150.0 million and 20.0% of LTM EBITDA;

(7) the Company or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries, would constitute a Significant Subsidiary) pursuant to or within the meaning of any Bankruptcy Law:

- (A) commences a voluntary case or proceeding;
- (B) consents to the entry of an order for relief against it in an involuntary case or proceeding;
- (C) consents to the appointment of a Custodian of it or for substantially all of its property;
- (D) makes a general assignment for the benefit of its creditors;
- (E) consents to or acquiesces in the institution of a bankruptcy or an insolvency proceeding against it; or
- (F) takes any comparable action under any foreign laws relating to insolvency;

(8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

- (A) is for relief against the Company or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries, would constitute a Significant Subsidiary) in an involuntary case;
- (B) appoints a Custodian of the Company or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited

consolidated financial statements for the Company and its Restricted Subsidiaries, would constitute a Significant Subsidiary) for substantially all of its property;

(C) orders the winding up or liquidation of the Company or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries, would constitute a Significant Subsidiary); or

(D) or any similar relief is granted under any foreign laws and the order, decree or relief remains unstayed and in effect for 60 consecutive days;

(9) (i) the Liens created by the Security Documents shall at any time not constitute a valid and perfected Lien on any material portion of the Collateral intended to be covered thereby (unless perfection is not required by this Indenture or the Security Documents) other than (A) in accordance with the terms of the relevant Security Document and this Indenture, (B) the satisfaction in full of all Obligations under this Indenture or (C) any loss of perfection that results from the failure of the Notes Collateral Agent to maintain possession of certificates delivered to it representing securities pledged under the Security Documents and (ii) such default continues for 30 days after receipt of written notice given by the Trustee or the Holders of not less than 30% in aggregate principal amount of the then outstanding Notes; and

(10) the Company or any Guarantor that is a Significant Subsidiary (or any group of Guarantors that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary) shall assert, in any pleading in any court of competent jurisdiction, that any security interest in any Security Document is invalid or unenforceable;

provided that a Default under clause (3), (4), (5) or (9) above will not constitute an Event of Default until the Trustee or the Holders of 30% in principal amount of the outstanding Notes notify the Company of the Default and, with respect to clauses (3), (5) and (9), the Company does not cure such Default within the time specified in clause (3), (5) or (9) after receipt of such notice.

(b) If a Default for a failure to report or failure to deliver a required certificate in connection with another default (the "Initial Default") occurs, then at the time such Initial Default is cured, such Default for a failure to report or failure to deliver a required certificate in connection with another default that resulted solely because of that Initial Default shall also be cured without any further action.

(c) Any Default or Event of Default for the failure to comply with the time periods prescribed in Section 3.10 hereof or otherwise to deliver any notice or certificate pursuant to any other provision of this Indenture shall be deemed to be cured upon the delivery of any such report required by such provision or such notice or certificate, as applicable, even though such delivery is not within the prescribed period specified in this Indenture.

SECTION 6.2. Acceleration. If any Event of Default (other than an Event of Default described in clause (7) or (8) of Section 6.1(a)) occurs and is continuing, the Trustee by written notice to the Company or the Holders of at least 30% in principal amount of the outstanding Notes by written notice to the Company and the Trustee, may declare the principal of and accrued and unpaid interest, if any, on all the Notes to be due and payable. Upon such a declaration, such principal and accrued and unpaid interest, will be due and payable immediately.

In the event of any Event of Default specified in clause (4) of Section 6.1(a), such Event of Default and all consequences thereof shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 30 days after such Event of Default arose:

(1) (x) the Indebtedness that gave rise to such Event of Default shall have been discharged in full; or

(y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or

(z) if the default that is the basis for such Event of Default has been cured; and

(2) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction.

If an Event of Default described in clause (7) or (8) of Section 6.1(a) occurs and is continuing, the principal of and accrued and unpaid interest, on all Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

SECTION 6.3. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, or premium, if any, or interest, if any, on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

SECTION 6.4. Waiver of Past Defaults. The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders, (a) waive, by their consent (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), an existing Default or Event of Default and its consequences under this Indenture and the Security Documents except (i) a Default or Event of Default in the payment of the principal of, or interest, on a Note or (ii) a Default or Event of Default in respect of a provision that under Section 9.2 cannot be amended without the consent of each Holder affected and (b) rescind any acceleration with respect to the Notes and its consequences if (1) such rescission would not conflict with any judgment or decree of a court of competent jurisdiction, (2) all existing Events of Default have been cured or waived except nonpayment of principal, premium, if any, interest, if any, that has become due solely because of the acceleration, (3) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid, (4) the Issuer has paid the Trustee its compensation and reimbursed the Trustee for its reasonable expenses, disbursements and advances and (5) in the event of the cure or waiver of an Event of Default of the type described in clause (4) of Section 6.1(a), the Trustee shall have received an Officer's Certificate and an Opinion of Counsel stating that such Event of Default has been cured or waived. No such rescission shall affect any subsequent Default or impair any right consequent thereto. When a Default or Event of Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any consequent right.

SECTION 6.5. Control by Majority. The Holders of a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or the Notes Collateral Agent or of exercising any trust or power conferred on the Trustee or the Notes Collateral Agent. However, the Trustee or the Notes Collateral Agent, as applicable, may refuse to follow any direction that conflicts with law or this Indenture or the Notes or, subject to Sections 7.1 and 7.2, that the Trustee determines is unduly prejudicial to the rights of other Holders or would involve the Trustee or Notes Collateral Agent in personal liability; *provided, however*, that the Trustee or Notes Collateral Agent, as applicable, may take any other action deemed proper by the Trustee or Notes Collateral Agent that is not inconsistent with such direction. Prior to taking any such action hereunder, the Trustee or Notes Collateral Agent, as applicable, shall be entitled to indemnification satisfactory to it against all fees, losses, liabilities and expenses (including attorney's fees and expenses) caused by taking or not taking such action.

SECTION 6.6. Limitation on Suits. Subject to Section 6.7, a Holder may not pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 30% in aggregate principal amount of the outstanding Notes have requested in writing the Trustee to pursue the remedy;
- (3) such Holders have offered in writing and, if requested, provided to the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the written request and the offer of security or indemnity; and
- (5) Holders of a majority in aggregate principal amount of the outstanding Notes have not given the Trustee a written direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

SECTION 6.7. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture (including, without limitation, Section 6.6), the contractual right of any Holder to receive payment of interest on the Notes held by such Holder or to institute suit for the enforcement of any such payment on or with respect to such Holder's Notes shall not be impaired or affected without the consent of such Holder (and, for the avoidance of doubt, the amendment, supplement or modification in accordance with the terms of this Indenture of Articles III and IV and Section 6.1(a)(3), (4), (5) and (6) and the related definitions shall be deemed not to impair the contractual right of any Holder to receive payments of principal of and interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder's Note).

SECTION 6.8. Collection Suit by Trustee. If an Event of Default specified in clauses (1) or (2) of Section 6.1(a) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.7.

SECTION 6.9. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuer, its Subsidiaries or its or their respective creditors or properties and, unless prohibited by law or applicable regulations, may be entitled and empowered to participate as a member of any official committee of creditors appointed in such matter and may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.7.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

109

SECTION 6.10. Priorities.

(a) Subject to the First Lien Intercreditor Agreement, if the Trustee collects any money or property pursuant to this Article VI (including upon exercise of remedies with respect to the Collateral), it shall pay out the money or property in the following order:

FIRST: to the Trustee and to the Notes Collateral Agent, in each case for amounts due to it under Section 7.7;

SECOND: to Holders for amounts due and unpaid on the Notes for principal of, or premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal of, or premium, if any, and interest, respectively; and

THIRD: to the Issuer, or to the extent the Trustee collects any amount for any Guarantor, to such Guarantor.

(b) The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Issuer shall send or cause to be sent to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by the Issuer, a suit by a Holder pursuant to Section 6.7 or a suit by Holders of more than 20.0% in outstanding aggregate principal amount of the Notes.

ARTICLE VII

TRUSTEE

SECTION 7.1. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith or willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates, opinions or orders furnished to the Trustee and conforming to the requirements of this Indenture or the Notes, as the case may be. However, in the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture or the Notes, as the case may be (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of Section 7.1(b);

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.5; and

(4) No provision of this Indenture or the Notes shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or thereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to clauses (a), (b) and (c) of this Section 7.1.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.1.

SECTION 7.2. Rights of Trustee. Subject to Section 7.1:

(a) The Trustee may conclusively rely on and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order or other paper or document (whether in its original or facsimile form) reasonably believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document. The Trustee shall receive and retain financial reports and statements of the Company as provided herein, but shall have no duty to review or analyze such reports or statements to determine compliance with covenants or other obligations of the Issuer.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate and/or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on an Officer's Certificate or Opinion of Counsel.

(c) The Trustee may execute any of the trusts and powers hereunder or perform any duties hereunder either directly or by or through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care by it hereunder.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture.

(e) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel relating to this Indenture or the Notes shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder or under the Notes in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee shall not be deemed to have notice of any Default or Event of Default or whether any entity or group of entities constitutes a Significant Subsidiary unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default or of any such Significant

Subsidiary is received by the Trustee at the corporate trust office of the Trustee specified in Section 3.12, and such notice references the Notes and this Indenture.

(g) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder, including the Notes Collateral Agent.

(h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture or the Notes at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which may be incurred therein or thereby.

(i) The Trustee shall not be deemed to have knowledge of any fact or matter unless such fact or matter is known to a Trust Officer of the Trustee.

(j) Whenever in the administration of this Indenture or the Notes the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder or thereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of negligence or willful misconduct on its part, conclusively rely upon an Officer's Certificate.

(k) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, report, notice, request, direction, consent, order, bond, debenture, coupon or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine, during business hours and upon reasonable notice, the books, records and premises of the Issuer and the Restricted Subsidiaries, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(l) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(m) The Trustee may request that the Issuer deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture or the Notes.

(n) In no event shall the Trustee be liable to any Person for special, punitive, indirect, consequential or incidental loss or damage of any kind whatsoever (including, but not limited to, lost profits), even if the Trustee has been advised of the likelihood of such loss or damage.

(o) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer shall be sufficient if signed by one Officer of the Issuer.

SECTION 7.3. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer, Guarantors or their Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11. In addition, the Trustee shall be permitted to engage in transactions with the Issuer and its Affiliates and Subsidiaries.

SECTION 7.4. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Notes, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, or the Security Documents, shall not be accountable for the Issuer's use of the proceeds from the sale of the Notes, shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee or any money paid to the Issuer pursuant to the terms of this Indenture and shall not be responsible for any statement of the Issuer in this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, the Security Documents or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication.

SECTION 7.5. Notice of Defaults. If a Default or Event of Default occurs and is continuing and if a Trust Officer has actual knowledge thereof, the Trustee shall send electronically or by first class mail to each Holder at the address set forth in the Notes Register notice of the Default or Event of Default within 60 days after it is actually known to a Trust Officer. Except in the case of a Default or Event of Default in payment of principal of or interest, if any, on any Note (including payments pursuant to the optional redemption or required repurchase provisions of such Note), the Trustee may withhold the notice if and so long it in good faith determines that withholding the notice is in the interests of Holders.

SECTION 7.6. [Reserved].

SECTION 7.7. Compensation and Indemnity. The Issuer shall pay to the Trustee from time to time compensation for its services hereunder and under the Notes as the Issuer and the Trustee shall from time to time agree in writing. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred or made by it, including, but not limited to, costs of collection, costs of preparing reports, certificates and other documents, costs of preparation and mailing of notices to Holders. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the agents, counsel, accountants and experts of the Trustee. The Issuer shall indemnify the Trustee, its directors, officers, employees and agents against any and all loss, liability, damages, claims or expense, including taxes (other than taxes based upon the income of the Trustee) (including reasonable attorneys' and agents' fees and expenses) incurred by it without willful misconduct or gross negligence, as determined by a final nonappealable order of a court of competent jurisdiction, on its part in connection with the administration of this trust and the performance of its duties hereunder and under the Notes, including the costs and expenses of enforcing this Indenture (including this Section 7.7) and the Notes and of defending itself against any claims (whether asserted by any Holder, the Issuer or otherwise). The Trustee shall notify the Issuer promptly of any claim for which it may seek indemnity of which it has received written notice. Failure by the Trustee to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend the claim and the Trustee shall provide reasonable cooperation at the Issuer's expense in the defense. The Trustee may have separate counsel and the Issuer shall pay the fees and expenses of such counsel; *provided that* the Issuer shall not be required to pay the fees and expenses of such separate counsel if it assumes the Trustee's defense, and, in the reasonable judgment of outside counsel to the Trustee, there is no conflict of interest between the Issuer and the Trustee in connection with such defense; *provided further that*, the Company shall be required to pay the reasonable fees and expenses of such counsel in evaluating such conflict.

To secure the Issuer's payment obligations in this Section 7.7, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes. Such lien shall survive the satisfaction and discharge of this Indenture. The Trustee's respective right to receive payment of any amounts due under this Section 7.7 shall not be subordinate to any other liability or Indebtedness of the Issuer.

The Issuer's payment obligations pursuant to this Section 7.7 shall survive the discharge of this Indenture and any resignation or removal of the Trustee under Section 7.8. Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs fees, expenses or renders services after the occurrence of a Default specified in clause (7) or clause (8) of Section 6.1(a), the fees and expenses (including the reasonable fees and expenses of its counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

SECTION 7.8. Replacement of Trustee. The Trustee may resign at any time by so notifying the Issuer in writing not less than 30 days prior to the effective date of such resignation. The Holders of a majority in aggregate principal amount of the Notes may remove the Trustee by so notifying the removed Trustee in writing not less than 30 days prior to the effective date of such removal and may appoint a successor Trustee with the Issuer's written consent, which consent will not be unreasonably withheld. The Issuer shall remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10 hereof;
- (2) the Trustee is adjudged bankrupt or insolvent;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed by the Issuer or by the Holders of a majority in principal amount of the Notes and such Holders do not reasonably promptly appoint a successor Trustee as described in the preceding paragraph, or if a vacancy exists in the office of the Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall, at the expense of the Issuer, promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.7.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of at least 10.0% in aggregate principal amount of the Notes may petition, at the Issuer's expense, any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder, who has been a bona fide holder of a Note for at least six months, may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section 7.8, the Issuer's obligations under Section 7.7 shall continue for the benefit of the retiring Trustee. The predecessor Trustee shall have no liability for any action or inaction of any successor Trustee.

SECTION 7.9. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture, any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; *provided* that the right to adopt the certificate of authentication of any predecessor Trustee or authenticate Notes in the name of any predecessor Trustee shall only apply to its successor or successors by merger, consolidation or conversion.

SECTION 7.10. Eligibility; Disqualification. This Indenture shall always have a Trustee. The Trustee shall have a combined capital and surplus of at least \$100 million as set forth in its most recent published annual report of condition.

SECTION 7.11. [Reserved].

SECTION 7.12. Trustee's Application for Instruction from the Issuer. Any application by the Trustee for written instructions from the Issuer may, at the option of the Trustee, set forth in writing any action proposed to be taken or omitted by the Trustee under this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective. The Trustee shall not be liable for any action taken by, or omission of, the Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than three (3) Business Days after the date any Officer of the Issuer actually receives such application, unless any such Officer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Trustee shall have received written instructions in response to such application specifying the action to be taken or omitted.

SECTION 7.13. Security Documents; Intercreditor Agreements. By their acceptance of the Notes, the Holders hereby authorize and direct the Trustee and the Notes Collateral Agent, as the case may be, to execute and deliver the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and any other Security Documents in which the Trustee or the Notes Collateral Agent, as applicable, is named as a party, including the Security Agreement and any Security Documents executed on or after the Issue Date. It is hereby expressly acknowledged and agreed that, in doing so, the Trustee and the Notes Collateral Agent are not responsible for the terms or contents of such agreements, or for the validity or enforceability thereof, or the sufficiency thereof for any purpose. Whether or not so expressly stated therein, in entering into, or taking (or forbearing from) any action under, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, or any other Security Documents, the Trustee and the Notes Collateral Agent each shall have all of the rights, privileges, benefits, immunities, indemnities and other protections granted to it under this Indenture (in addition to those that may be granted to it under the terms of such other agreement or agreements).

SECTION 7.14. Limitation on Duty of Trustee in Respect of Collateral; Indemnification.

(a) Beyond the exercise of reasonable care in the custody thereof, the Trustee shall have no duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and the Trustee shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. The Notes Collateral Agent shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords its own property and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Trustee in good faith.

(b) The Trustee and Notes Collateral Agent shall not be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes gross negligence or willful misconduct on the part of the Trustee and Notes Collateral Agent, for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title of the Issuer to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral (except with respect to certificates delivered to the Notes Collateral Agent representing securities pledged under the Security Documents). The Trustee and Notes Collateral Agent shall have no duty to ascertain or inquire as to the performance or observance of any of the terms of this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, or the Security Documents by the Issuer, any Guarantor, the Bank Collateral Agent or the Junior Lien Representative.

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 8.1. Option to Effect Legal Defeasance or Covenant Defeasance; Defeasance. The Issuer may, at its option and at any time, elect to have either Section 8.2 or 8.3 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article VIII.

SECTION 8.2. Legal Defeasance and Discharge. Upon the Issuer's exercise under Section 8.1 hereof of the option applicable to this Section 8.2, the Issuer and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Guarantees) and the Security Documents with respect to such Series on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, Legal Defeasance means that the Issuer and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.5 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all of their other obligations under the Note Documents (and the Trustee, on written demand of and at the expense of the Issuer, shall execute such instruments reasonably requested by the Issuer acknowledging the same) and the Security Documents, and to have cured all then existing Events of Default, except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of Notes issued under this Indenture to receive payments in respect of the principal of, premium, if any, and interest, if any, on the Notes when such payments are due solely out of the trust referred to in Section 8.4 hereof;
- (2) the Issuer's obligations with respect to the Notes under Article II concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and Section 3.12 hereof concerning the maintenance of an office or agency for payment and money for security payments held in trust;
- (3) the rights, powers, trusts, duties and immunities of the Trustee and the Issuer's or Guarantors' obligations in connection therewith; and
- (4) this Article VIII with respect to provisions relating to Legal Defeasance.

SECTION 8.3. Covenant Defeasance. Upon the Issuer's exercise under Section 8.1 hereof of the option applicable to this Section 8.3, the Issuer and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, be released from each of their obligations under the covenants contained in Section 3.2, 3.3, 3.4, 3.5, 3.6, 3.7, 3.8, 3.9, 3.10, 3.11, 3.15, 3.16, 3.19, 3.20, 3.21, and Section 4.1 (except Section 4.1(a)(1) and (a)(2)) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.4 hereof are satisfied (hereinafter, "Covenant Defeasance"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder. For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Guarantees, the Issuer and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.1(a) hereof, but, except as specified above, the remainder of this Indenture and such Notes and Guarantees will be unaffected thereby. In addition, upon the Issuer's exercise under Section 8.1 hereof of the option applicable to this Section 8.3, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, Sections 6.1(a)(3) (other than with respect to Section 4.1(a)(1) and (a)(2)), 6.1(a)(4), 6.1(a)(5), 6.1(a)(6), 6.1(a)(7) (with respect only to a Guarantor that is a Significant Subsidiary or any group of Guarantors that taken together would constitute a Significant Subsidiary),

6.1(a)(8) (with respect only to a Guarantor that is a Significant Subsidiary or any group of Guarantors that taken together would constitute a Significant Subsidiary), 6.1(a)(9) and 6.1(a)(10) hereof shall not constitute Events of Default.

SECTION 8.4. Conditions to Legal or Covenant Defeasance. In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.2 or 8.3 hereof:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in Dollars, U.S. Government Obligations, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of and premium, if any, interest, due on the Notes issued under this Indenture on the stated maturity date or on the applicable redemption date, as the case may be, and the Issuer must specify whether such Notes are being defeased to maturity or to a particular redemption date; *provided*, that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of redemption (any such amount, the “*Applicable Premium Deficit*”) only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer’s Certificate delivered to the Trustee at least two (2) Business Days prior to the redemption date that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(2) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that, subject to customary assumptions and exclusions;

(A) the Issuer has received from, or there has been published by, the United States Internal Revenue Service a ruling; or

(B) since the issuance of such Notes, there has been a change in the applicable U.S. federal income tax law;

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the beneficial owners of the Notes, in their capacity as beneficial owners of the Notes, will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that, subject to customary assumptions and exclusions, the beneficial owners of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under the Credit Facilities or any other material agreement or instrument (other than this Indenture) to which, the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound;

(6) [reserved];

(7) the Issuer shall have delivered to the Trustee an Officer's Certificate to the effect that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of the Issuer or any Guarantor; and

(8) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each to the effect that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

SECTION 8.5. Deposited Money and U.S. Government Obligations to be Held in Trust; Other Miscellaneous Provisions. Subject to Section 8.6 hereof, all money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.5, the "Trustee") pursuant to Section 8.4 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or U.S. Government Obligations deposited pursuant to Section 8.4 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article VIII to the contrary, the Trustee will deliver or pay to the Issuer from time to time upon the request of the Issuer any money or U.S. Government Obligations held by it as provided in Section 8.4 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.4(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.6. Repayment to the Issuer. Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium or interest on, any Note and remaining unclaimed for two years after such principal, premium or interest has become due and payable shall be paid to the Issuer on its written request unless an abandoned property law designates another Person or (if then held by the Issuer) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Issuer for payment thereof unless an abandoned property law designates another Person, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, shall at the expense of the Issuer cause to be published once, in The New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

SECTION 8.7. Reinstatement. If the Trustee or Paying Agent is unable to apply any money or Dollars or U.S. Government Obligations in accordance with Section 8.2 or 8.3 hereof, as the case may be, by reason of any order or judgment of any court or Governmental Authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's and the Guarantors' obligations under this Indenture and the Notes and the Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.2 or 8.3 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.2 or 8.3 hereof, as the case may be; *provided, however*, that, if the Issuer make any payment of principal of, premium, or interest on, any Note following the reinstatement of its obligations, the Issuer will be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

AMENDMENTS

SECTION 9.1. Without Consent of Holders. Notwithstanding Section 9.2 of this Indenture, the Issuer, any Guarantor (with respect to its Guarantee, this Indenture or the Security Documents), the Trustee and/or the Notes Collateral Agent may amend, supplement or modify this Indenture, any Guarantee, the Security Documents and the Notes without the consent of any Holder:

- (1) to cure any ambiguity, omission, mistake, defect, error or inconsistency, conform any provision to any provision under the heading “Description of Secured Notes” in the Offering Memorandum or reduce the minimum denomination of the Notes;
- (2) to provide for the assumption by a successor Person of the obligations of the Issuer or a Guarantor under any Note Document or to comply with Section 4.1;
- (3) to provide for uncertificated Notes in addition to or in place of certificated Notes or to alter the provisions of this Indenture relating to the form of the Notes (including related definitions);
- (4) to add or modify the covenants or provide for a Note Guarantee for the benefit of the Holders or to surrender any right or power conferred upon the Issuer or any Restricted Subsidiary;
- (5) to make any change (including changing the CUSIP or other identifying number on any Notes) that would provide any additional rights or benefits to the Holders or that does not materially and adversely affect the rights of any Holder in any material respect;
- (6) at the Issuer’s election, comply with any requirement of the SEC in connection with the qualification of this Indenture under the Trust Indenture Act, if such qualification is required;
- (7) make such provisions as necessary for the issuance of Additional Notes;
- (8) provide for any Restricted Subsidiary to provide a Guarantee in accordance with Section 3.2, to add Guarantees with respect to the Notes, to add security to or for the benefit of the Notes, or to confirm and evidence the release, termination, discharge or retaking of any Guarantee or Lien with respect to or securing the Notes when such release, termination, discharge or retaking is provided for under this Indenture;
- (9) evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee, a successor Notes Collateral Agent or successor Paying Agent thereunder pursuant to the requirements hereof or to provide for the accession by the Trustee to any Note Document;
- (10) secure the Notes and/or the related Guarantees or to add collateral thereto;
- (11) add an obligor or a Guarantor under this Indenture;
- (12) make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including to facilitate the issuance and administration of Notes; *provided, however*, that such amendment does not materially and adversely affect the rights of Holders to transfer the Notes;
- (13) comply with the rules and procedures of any applicable securities depositary;
- (14) to mortgage, pledge, hypothecate or grant any other Lien in favor of the Trustee or the Notes Collateral Agent for the benefit of the Holders, as additional security for the payment and

performance of all or any portion of the First Lien Notes Obligations, in any property or assets, including any which are required to be mortgaged, pledged or hypothecated, or in which a Lien is required to be granted to or for the benefit of the Trustee or the Notes Collateral Agent pursuant to this Indenture, any of the Security Documents or otherwise;

(15) to add Additional First Lien Secured Parties to any Security Documents;

(16) to enter into the Junior Lien Intercreditor Agreement, or any intercreditor agreement having substantially similar terms with respect to the Holders as those set forth in the First Lien Intercreditor Agreement or Junior Lien Intercreditor Agreement, in each case, taken as a whole, or any joinder thereto;

(17) in the case of any Security Document, to include therein any legend required to be set forth therein pursuant to the First Lien Intercreditor Agreement or to modify any such legend as required by the First Lien Intercreditor Agreement; and

(18) to provide for the succession of any parties to the Security Documents (and other amendments that are administrative or ministerial in nature) in connection with an amendment, renewal, extension, substitution, refinancing, restructuring, replacement, supplementing or other modification from time to time of the Credit Agreement or any other agreement that is not prohibited by this Indenture.

Subject to Section 9.2, upon the request of the Issuer and upon receipt by the Trustee and the Notes Collateral Agent of the documents described in Sections 9.6 and 13.2 hereof, the Trustee and/or the Notes Collateral Agent will join with the Issuer and the Guarantors in the execution of such amended or supplemental indenture, security documents or intercreditor agreements, unless such amended or supplemental indenture, security documents or intercreditor agreements affects the Trustee's or Notes Collateral Agent's own rights, duties, liabilities or immunities under this Indenture and the Security Documents or otherwise, in which case the Trustee or Notes Collateral Agent, as applicable, may in its discretion, but will not be obligated to, enter into such amended or supplemental indenture, security documents or intercreditor agreements.

SECTION 9.2. With Consent of Holders. Except as provided below in this Section 9.2, the Issuer, the Guarantors, the Trustee and the Notes Collateral Agent may amend or supplement this Indenture, any Guarantee, the Security Documents and the Notes issued hereunder with the consent of the Holders of at least a majority in principal amount of all the outstanding Notes issued under this Indenture, including, without limitation, consents obtained before or after a Change of Control or in connection with a purchase of, or tender offer or exchange offer for, Notes, and any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Notes, the Guarantees or the Security Documents may be waived with the consent of the Holders of at least a majority in principal amount of all the outstanding Notes issued under this Indenture (including consents obtained before or after a Change of Control or in connection with a purchase of or tender offer or exchange offer for Notes). Section 2.12 hereof and Section 13.4 hereof shall determine which Notes are considered to be "outstanding" for the purposes of this Section 9.2.

Upon the request of the Issuer, and upon delivery to the Trustee and the Notes Collateral Agent, as applicable, of evidence of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee and/or the Notes Collateral Agent of the documents described in Section 9.6 and 13.2 hereof, the Trustee and/or the Notes Collateral Agent will join with the Issuer and the Guarantors in the execution of such amended or supplemental indenture, security documents or intercreditor agreements unless such amended or supplemental indenture, security documents or intercreditor agreements affect the Trustee's or the Notes Collateral Agent's own rights, duties, liabilities or immunities under this Indenture or otherwise, in which case the Trustee or the Notes Collateral Agent, as applicable, may in its discretion, but will not be obligated to, enter into such amended or supplemental indenture, security documents or intercreditor agreements.

Without the consent of each Holder of Notes affected, an amendment, supplement or waiver may not, with respect to any Notes issued thereunder and held by a nonconsenting Holder:

- (1) reduce the principal amount of such Notes whose Holders must consent to an amendment;
- (2) reduce the stated rate of or extend the stated time for payment of interest on any such Note (other than provisions relating to Section 3.5 and Section 3.9);
- (3) reduce the principal of or extend the Stated Maturity of any such Note (other than provisions relating to Section 3.5 and Section 3.9);
- (4) reduce the premium payable upon the redemption of any such Note or change the time at which any such Note may be redeemed, in each case as set forth in Section 5.7;
- (5) make any such Note payable in currency other than that stated in such Note;
- (6) impair the right of any Holder to institute suit for the enforcement of any payment of principal of and interest on such Holder's Notes on or after the due dates therefor;
- (7) waive a Default or Event of Default with respect to the nonpayment of principal, premium or interest (except pursuant to a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of such Notes outstanding and a waiver of the payment default that resulted from such acceleration); or
- (8) make any change in the amendment or waiver provisions which require the Holders' consent described in this Section 9.2.

Notwithstanding the foregoing, without the consent of the Holders of at least 66-2/3% in aggregate principal amount of the Notes then outstanding, no amendment or waiver may (A) make any change in any Security Document or the provisions in this Indenture dealing with Collateral or application of trust proceeds of the Collateral with the effect of releasing the Liens on all or substantially all of the Collateral which secure the Obligations in respect of the Notes or (B) change or alter the priority of the Liens securing the Obligations in respect of the Notes in any material portion of the Collateral in any way materially adverse, taken as a whole, to the Holders, other than, in each case, as provided under the terms of this Indenture, the Security Documents or the First Lien Intercreditor Agreement.

It shall not be necessary for the consent of the Holders under this Indenture to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof. A consent to any amendment, supplement or waiver under this Indenture by any Holder of the Notes given in connection with a tender or exchange of such Holder's Notes will not be rendered invalid by such tender or exchange.

SECTION 9.3. [Reserved].

SECTION 9.4. Revocation and Effect of Consents and Waivers. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent or waiver as to such Holder's Note or portion of its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described in this Section 9.4 or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.5. Notation on or Exchange of Notes. The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Issuer Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.6. Trustee to Sign Amendments. The Trustee and the Notes Collateral Agent shall sign any amended or supplemental indenture, security documents or intercreditor agreements authorized pursuant to this Article IX if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee or the Notes Collateral Agent, as applicable. In executing any amended or supplemental indenture, the Trustee will be entitled to receive and (subject to Sections 7.1 and 7.2 hereof) shall be fully protected in conclusively relying upon, in addition to the documents required by Section 13.2 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture or security documents or intercreditor agreements is authorized or permitted by this Indenture and is valid, binding and enforceable against the Issuer or any Guarantor, as the case may be, in accordance with its terms. Notwithstanding the foregoing, no Opinion of Counsel shall be required in connection with the supplemental indenture to be delivered by the Company and the Guarantors on the Issue Date in the form attached hereto as Exhibit C.

ARTICLE X

GUARANTEE

SECTION 10.1. Guarantee. Subject to the provisions of this Article X, each Guarantor that executes this Indenture or a supplemental indenture hereto will fully, unconditionally and irrevocably guarantee, as primary obligor and not merely as surety, jointly and severally with each other Guarantor, to each Holder, the Trustee and the Notes Collateral Agent the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, premium, if any, and interest on the Notes and all other obligations and liabilities of the Issuer under this Indenture (including without limitation interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Issuer or any Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding and the obligations under Section 7.7), (all the foregoing being hereinafter collectively called the "Guaranteed Obligations"). Each Guarantor agrees that the Guaranteed Obligations will rank equally in right of payment with other Indebtedness of such Guarantor, except to the extent such other Indebtedness is subordinate to the Guaranteed Obligations, in which case the obligations of the Guarantors under the Guarantees will rank senior in right of payment to such other Indebtedness.

To evidence its Guarantee set forth in this Section 10.1, each Guarantor hereby agrees that this Indenture shall be executed on behalf of such Guarantor by an Officer of such Guarantor.

Each Guarantor hereby agrees that its Guarantee set forth in this Section 10.1 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Guarantee shall be valid nevertheless.

Each Guarantor further agrees (to the extent permitted by law) that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it will remain bound under this Article X notwithstanding any extension or renewal of any Guaranteed Obligation.

Each Guarantor waives presentation to, demand of payment from and protest to the Issuer of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Notes or the Guaranteed Obligations.

Each Guarantor further agrees that its Guarantee herein constitutes a Guarantee of payment when due (and not a Guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guaranteed Obligations.

Except as set forth in Section 10.2, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guaranteed Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the Guaranteed Obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by (a) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Issuer or any other person under this Indenture, the Notes or any other agreement or otherwise; (b) any extension or renewal of any thereof; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (d) the release of any security held by any Holder for the Guaranteed Obligations; (e) the failure of any Holder to exercise any right or remedy against any other Guarantor; (f) any change in the ownership of the Issuer; (g) any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations; or (h) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

Each Guarantor agrees that its Guarantee herein shall remain in full force and effect until payment in full of all the Guaranteed Obligations or such Guarantor is released from its Guarantee in compliance with Section 10.2, Article VIII or Article XI. Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of, premium, if any, interest on any of the Guaranteed Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Issuer or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuer to pay any of the Guaranteed Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee on behalf of the Holders an amount equal to the sum of (i) the unpaid amount of such Guaranteed Obligations then due and owing and (ii) accrued and unpaid interest on such Guaranteed Obligations then due and owing (but only to the extent not prohibited by law) (including interest accruing after the filing of any petition in bankruptcy or the commencement of any insolvency, reorganization or like proceeding relating to the Issuer or any Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding).

Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Guaranteed Obligations, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of this Guarantee.

Each Guarantor also agrees to pay any and all fees, costs and expenses (including attorneys' fees and expenses) incurred by the Trustee, the Notes Collateral Agent or the Holders in enforcing any rights under this Section 10.1.

SECTION 10.2. Limitation on Liability; Termination, Release and Discharge.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the obligations of each Guarantor hereunder will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal, foreign, state or provincial law and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally.

(b) Any Note Guarantee of a Guarantor shall be automatically and unconditionally released and discharged upon:

(1) a sale, exchange, transfer or other disposition (including by way of merger, amalgamation, consolidation, dividend distribution or otherwise) of the Capital Stock of such Guarantor (including any sale, exchange, transfer or other disposition) of all or substantially all the assets of the Guarantor to a Person other than to the Company or a Restricted Subsidiary and as otherwise permitted by this Indenture;

(2) the designation in accordance with this Indenture of the Guarantor as an Unrestricted Subsidiary or the occurrence of any event after which the Guarantor is no longer a Restricted Subsidiary;

(3) defeasance or discharge of the Notes pursuant to Article VIII or Article XI;

(4) to the extent that such Guarantor is not an Immaterial Subsidiary solely due to the operation of clause (i) of the definition of "Immaterial Subsidiary," upon the release of the guarantee referred to in such clause;

(5) such Guarantor being (or being substantially concurrently) released or discharged from all of (i) its obligations under all of its Guarantees of payment by the Issuer of any Indebtedness of the Issuer under the Credit Agreement or (ii) in the case of a Note Guarantee made by a Guarantor (each, an "Other Guarantee") as a result of its guarantee of other Indebtedness of the Issuer or a Guarantor pursuant to Section 3.7 hereof, the relevant Indebtedness, except in the case of (i) or (ii), a release as a result of the payment under such Guarantee (it being understood that a release subject to a contingent reinstatement is still considered a release, and if any such Guarantee of such Guarantor under the Credit Agreement or any Other Guarantee is so reinstated, such Note Guarantee shall also be reinstated);

(6) upon the merger, amalgamation or consolidation of any Guarantor with and into the Company or another Guarantor or upon the liquidation of such Guarantor, in each case, in compliance with the applicable provisions of this Indenture; or

(7) upon the achievement of Investment Grade Status by the Notes; *provided* that such Note Guarantee shall be reinstated upon the Reversion Date.

SECTION 10.3. Right of Contribution. Each Guarantor hereby agrees that to the extent that any Guarantor shall have paid more than its proportionate share of any payment made on the obligations under the Guarantees, such Guarantor shall be entitled to seek and receive contribution from and against the Issuer or any other Guarantor who has not paid its proportionate share of such payment. The provisions of this Section 10.3 shall in no respect limit the obligations and liabilities of each Guarantor to the Trustee and the Holders and each

Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

SECTION 10.4. No Subrogation. Notwithstanding any payment or payments made by each Guarantor hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Issuer or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Guaranteed Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Issuer or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Issuer on account of the Guaranteed Obligations are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guaranteed Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guaranteed Obligations.

ARTICLE XI

SATISFACTION AND DISCHARGE

SECTION 11.1. Satisfaction and Discharge. This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(a) either:

(1) all Notes that have been authenticated and delivered, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(2) all such Notes not theretofore delivered to the Trustee for cancellation (i) have become due and payable by reason of the making of a notice of redemption or otherwise or (ii) will become due and payable within one year at their Stated Maturity or (iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee, in the name, and at the expense of the Issuer;

(b) the Issuer has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in Dollars, U.S. Government Obligations, or a combination thereof, in such amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on such Notes not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest to the date of deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or redemption date, as the case may be; *provided* that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the date of redemption, and any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee at least two (2) Business Days prior to the redemption date that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(c) no Default or Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and the granting of Liens in connection therewith) with respect to this Indenture or the Notes issued hereunder shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under the Credit Facilities or any other material agreement or instrument (other than this Indenture) to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound;

125

(d) the Issuer has paid or caused to be paid all sums payable by the Issuer under this Indenture; and

(e) the Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money in Dollars toward the payment of such Notes issued hereunder at maturity or the redemption date, as the case may be.

In addition, the Issuer shall deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, the Issuer's obligations to the Trustee in Section 7.7 hereof and, if money in Dollars has been deposited with the Trustee pursuant to clause (a)(2) of this Section 11.1, the provisions of Sections 11.2 and 8.6 hereof will survive.

SECTION 11.2. Application of Trust Money. Subject to the provisions of Section 8.6 hereof, all money in Dollars or U.S. Government Obligations deposited with the Trustee pursuant to Section 11.1 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium) and interest for whose payment such money in Dollars or U.S. Government Obligations has been deposited with the Trustee; but such money in Dollars or U.S. Government Obligations need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 11.1 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or Governmental Authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.1 hereof; *provided* that if the Issuer have made any payment of principal of, premium or interest on, any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE XII

SECTION 12.1. Security Documents.

(a) The due and punctual payment of the principal of, premium and interest on the Notes when and as the same shall be due and payable, whether on an Interest Payment Date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of, premium and interest on the Notes and performance of all other Obligations of the Issuer and the Guarantors to the Holders, the Trustee or the Notes Collateral Agent under this Indenture, the Notes, the Note Guarantees, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and the Security Documents, according to the terms hereunder or thereunder, shall be secured as provided in the Security Documents, which define the terms of the Liens that secure First Lien Notes Obligations, subject to the terms of the First Lien Intercreditor Agreement. The Trustee, the Issuer and the Guarantors hereby acknowledge and agree that the Notes Collateral Agent holds the Collateral in trust for the benefit of the Holders, the Trustee and the Notes Collateral Agent and pursuant to the terms of the Security Documents and the First Lien Intercreditor Agreement. Each Holder, by accepting a Note, consents and agrees to the terms of the Security Documents (including the provisions providing for the possession, use, release and foreclosure of Collateral) and the First Lien Intercreditor Agreement and Junior Lien Intercreditor Agreement, if any, each as may be in effect or may be amended from time to time in accordance with their terms and this Indenture, and authorizes and directs the Notes Collateral Agent to enter into the Security Documents and the First Lien Intercreditor Agreement on the Issue Date, and the Security Documents and the Junior Lien Intercreditor Agreement, if any, at any time after the Issue Date, if applicable, and to perform its obligations and exercise its rights thereunder in accordance therewith. The Issuer shall deliver to the Notes Collateral Agent copies of all documents required to be filed pursuant to the Security Documents, and will do or cause to be done all such acts

and things as may be reasonably required by the next sentence of this Section 12.1, to assure and confirm to the Notes Collateral Agent the security interest in the Collateral contemplated hereby, by the Security Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Notes secured hereby, according to the intent and purposes herein expressed. On or following the Issue Date and subject to the First Lien Intercreditor Agreement, the Issuer and the Guarantors shall execute, file or cause the filing of any and all further documents, financing statements (including continuation statements and amendments to financing statements), agreements and instruments, and take all further action that may be required under applicable law in order to grant, preserve, maintain, protect and perfect (or continue the perfection of) the validity and priority of the Liens and security interests created or intended to be created by the Security Documents in the Collateral and cause the Collateral Requirement to be and remain satisfied; *provided* that for so long as there are outstanding any Senior Secured Credit Facility Obligations, no actions shall be required to be taken with respect to the perfection of the security interests in the Collateral to the extent such actions are not required to be taken with respect to the Credit Agreement.

(b) Notwithstanding anything to the contrary herein, the security interests in the Collateral securing the Notes (other than as set forth in the following proviso) will not be required to be in place on the Issue Date and will not be perfected on such date, but will be required to be put in place no later than 90 days after the Issue Date or as promptly as reasonably practicable thereafter; *provided, however*, the perfection of the security interests (1) in the certificated Capital Stock of the Company and, to the extent received by the Company after use of its commercially reasonable efforts to obtain such certificates, the Company's Wholly Owned Domestic Subsidiaries will be required to be delivered on the Issue Date (it being understood that delivery to the Bank Collateral Agent in accordance with the Intercreditor Agreement shall satisfy this obligation) and (2) in other assets with respect to which a Lien may be perfected by the filing of a UCC financing statement (or equivalent), which UCC financing statement (or equivalent) will be required to be filed as of the Issue Date.

SECTION 12.2. Release of Collateral.

(a) Collateral may be released from the Lien and security interest created by the Security Documents at any time and from time to time in accordance with the provisions of the Security Documents, the First Lien Intercreditor Agreement and this Indenture. Notwithstanding anything to the contrary in the Security Documents, the First Lien Intercreditor Agreement and this Indenture, the Issuer and the Guarantors will be entitled to the release of property and other assets constituting Collateral from the Liens securing the Notes and the First Lien Notes Obligations under any one or more of the following circumstances:

(1) to enable the Company and/or one or more Guarantors to consummate the sale, transfer or other disposition (including by the termination of capital leases or the repossession of the leased property in a capital lease by the lessor) of such property or assets (to a Person that is not the Company or a Subsidiary of the Company) to the extent permitted by Section 3.5;

(2) in the case of a Guarantor that is released from its Guarantee with respect to the Notes pursuant to the terms of this Indenture, the release of the property and assets of such Guarantor;

(3) upon the occurrence of an Investment Grade Event;

(4) the release of Collateral Excess Proceeds or Excess Proceeds that remain unexpended after the conclusion of an Asset Disposition Offer or a Collateral Asset Disposition Offer conducted in accordance with this Indenture; or

(5) as described under Article IX hereof.

(b) The Liens on the Collateral securing the Notes and the Guarantees also will be released:

(1) upon payment in full of the principal of, together with accrued and unpaid interest on, the Notes and all other Obligations under this Indenture, the Guarantees and the Security Documents that

are due and payable at or prior to the time such principal, together with accrued and unpaid interest, are paid,

(2) upon a Legal Defeasance or Covenant Defeasance under this Indenture as described under Section 8.2 and Section 8.3 hereof, or a discharge of this Indenture as described under Section 11.1 hereof, or

(3) pursuant to the Security Documents or the First Lien Intercreditor Agreement.

(c) Notwithstanding Section 12.2(a)(3) hereof, if, after any Investment Grade Event, both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating, the Company and the Guarantors shall use commercially reasonable efforts to take all actions reasonably necessary to provide to the Notes Collateral Agent for its benefit and the benefit of the Trustee and the Holders of the Notes valid, perfected, first priority security interests (subject to Permitted Liens) in the Collateral within ninety (90) days after such Reversion Date or as soon as reasonably practicable thereafter.

(d) With respect to any release of Collateral, upon receipt of an Officer's Certificate stating that all conditions precedent under this Indenture, the Security Documents and the First Lien Intercreditor Agreement, as applicable, to such release have been met and that it is permitted for the Trustee and/or Notes Collateral Agent to execute and deliver the documents requested by the Issuer in connection with such release and any necessary or proper instruments of termination, satisfaction or release prepared by the Issuer, the Trustee and the Notes Collateral Agent shall, execute, deliver or acknowledge (at the Issuer's expense) such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents or the First Lien Intercreditor Agreement and shall do or cause to be done (at the Issuer's expense) all acts reasonably requested of them to release such Lien as soon as is reasonably practicable. Neither the Trustee nor the Notes Collateral Agent shall be liable for any such release undertaken in reliance upon any such Officer's Certificate, and notwithstanding any term hereof or in any Security Document or in the First Lien Intercreditor Agreement to the contrary, the Trustee and the Notes Collateral Agent shall not be under any obligation to release any such Lien and security interest, or execute and deliver any such instrument of release, satisfaction or termination, unless and until it receives such Officer's Certificate, upon which it shall be entitled to conclusively rely.

SECTION 12.3. Suits to Protect the Collateral.

Subject to the provisions of Article VII and the Security Documents and the First Lien Intercreditor Agreement, the Trustee may or may direct the Notes Collateral Agent to take all actions it determines in order to:

- (a) enforce any of the terms of the Security Documents; and
- (b) collect and receive any and all amounts payable in respect of the Obligations hereunder.

Subject to the provisions of the Security Documents and the First Lien Intercreditor Agreement, the Trustee and the Notes Collateral Agent shall have the power to institute and to maintain such suits and proceedings as the Trustee or the Notes Collateral Agent may determine to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of any of the Security Documents or this Indenture, and such suits and proceedings as the Trustee or the Notes Collateral Agent may determine to preserve or protect its interests and the interests of the Holders in the Collateral. Nothing in this Section 12.3 shall be considered to impose any such duty or obligation to act on the part of the Trustee or the Notes Collateral Agent.

SECTION 12.4. Authorization of Receipt of Funds by the Trustee Under the Security Documents.

Subject to the provisions of the First Lien Intercreditor Agreement, the Trustee is authorized to receive any funds for the benefit of the Holders distributed under the Security Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture.

SECTION 12.5. Purchaser Protected.

In no event shall any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Notes Collateral Agent or the Trustee to execute the applicable release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or rights permitted by this Article XII to be sold be under any obligation to ascertain or inquire into the authority of the Issuer or the applicable Guarantor to make any such sale or other transfer.

SECTION 12.6. Powers Exercisable by Receiver or Trustee.

In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article XII upon the Issuer or a Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or a Guarantor or of any Officer or Officers thereof required by the provisions of this Article XII; and if the Trustee or the Notes Collateral Agent shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee or the Notes Collateral Agent.

SECTION 12.7. Notes Collateral Agent.

(a) The Issuer and each of the Holders by acceptance of the Notes hereby designates and appoints the Notes Collateral Agent as its agent under this Indenture, the Security Documents, the First Lien Intercreditor Agreement and the Junior Lien Intercreditor Agreement, if any, and the Issuer and each of the Holders by acceptance of the Notes hereby irrevocably authorizes the Notes Collateral Agent to take such action on its behalf under the provisions of this Indenture, the Security Documents, the First Lien Intercreditor Agreement and the Junior Lien Intercreditor Agreement, if any, and to exercise such powers and perform such duties as are expressly delegated to the Notes Collateral Agent by the terms of this Indenture, the Security Documents, the First Lien Intercreditor Agreement and the Junior Lien Intercreditor Agreement, if any, and consents and agrees to the terms of the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and each Security Document, as the same may be in effect or may be amended, restated, supplemented or otherwise modified from time to time in accordance with their respective terms. The Notes Collateral Agent agrees to act as such on the express conditions contained in this Section 12.7. Each Holder agrees that any action taken by the Notes Collateral Agent in accordance with the provisions of this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and the Security Documents, and the exercise by the Notes Collateral Agent of any rights or remedies set forth herein and therein shall be authorized and binding upon all Holders. Notwithstanding any provision to the contrary contained elsewhere in this Indenture, the Security Documents, the First Lien Intercreditor Agreement and the Junior Lien Intercreditor Agreement, if any, the duties of the Notes Collateral Agent shall be ministerial and administrative in nature, and the Notes Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein and in the Security Documents, the First Lien Intercreditor Agreement and the Junior Lien Intercreditor Agreement, if any, to which the Notes Collateral Agent is a party, nor shall the Notes Collateral Agent have or be deemed to have any trust or other fiduciary relationship with the Trustee, any Holder or any Grantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture, the Security Documents, the First Lien Intercreditor Agreement and the Junior Lien Intercreditor Agreement, if any, or otherwise exist against the Notes Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term “agent” in this Indenture with reference to the Notes Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) The Notes Collateral Agent may perform any of its duties under this Indenture, the Security Documents, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, by or through receivers, agents, employees, attorneys-in-fact or with respect to any specified Person, such Person’s Affiliates, and the respective officers, directors, employees, agents, advisors and attorneys-in-fact of such Person and its Affiliates (a

“Related Person”), and shall be entitled to advice of counsel concerning all matters pertaining to such duties, and shall be entitled to act upon, and shall be fully protected in taking action in reliance upon any advice or opinion given by legal counsel. The Notes Collateral Agent shall not be responsible for the negligence or misconduct of any receiver, agent, employee, attorney-in-fact or Related Person that it selects as long as such selection was made in good faith and with due care.

(c) The Notes Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, certification, telephone message, statement, or other communication, document or conversation (including those by telephone or e-mail) believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer or any other Grantor), independent accountants and other experts and advisors selected by the Notes Collateral Agent. The Notes Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document. The Notes Collateral Agent shall be fully justified in failing or refusing to take any action under this Indenture, the Security Documents, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, unless it shall first receive such advice or concurrence of the Trustee or the Holders of a majority in aggregate principal amount of the Notes as it determines and, if it so requests, it shall first be indemnified to its satisfaction by the Holders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Notes Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Indenture, the Security Documents, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, in accordance with a request, direction, instruction or consent of the Trustee or the Holders of a majority in aggregate principal amount of the then outstanding Notes and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Holders.

(d) [Reserved]

(e) The Notes Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless a Trust Officer of the Notes Collateral Agent shall have received written notice from the Trustee or the Issuer referring to this Indenture, describing such Default or Event of Default and stating that such notice is a “notice of default.” The Notes Collateral Agent shall take such action with respect to such Default or Event of Default as may be requested by the Trustee in accordance with Article VI or the Holders of a majority in aggregate principal amount of the Notes (subject to this Section 12.7).

(f) The Notes Collateral Agent may resign at any time by 30 days’ written notice to the Trustee and the Issuer, such resignation to be effective upon the acceptance of a successor agent to its appointment as Notes Collateral Agent. If the Notes Collateral Agent resigns under this Indenture, the Issuer shall appoint a successor collateral agent. If no successor collateral agent is appointed prior to the intended effective date of the resignation of the Notes Collateral Agent (as stated in the notice of resignation), the Trustee, at the direction of the Holders of a majority of the aggregate principal amount of the Notes then outstanding, may appoint a successor collateral agent, subject to the consent of the Issuer (which consent shall not be unreasonably withheld and which shall not be required during a continuing Event of Default). If no successor collateral agent is appointed and consented to by the Issuer pursuant to the preceding sentence within thirty (30) days after the intended effective date of resignation (as stated in the notice of resignation) the Notes Collateral Agent shall be entitled to petition a court of competent jurisdiction to appoint a successor. Upon the acceptance of its appointment as successor collateral agent hereunder, such successor collateral agent shall succeed to all the rights, powers and duties of the retiring Notes Collateral Agent, and the term “Notes Collateral Agent” shall mean such successor collateral agent, and the retiring Notes Collateral Agent’s appointment, powers and duties as the Notes Collateral Agent shall be terminated. After the retiring Notes Collateral Agent’s resignation hereunder, the provisions of this Section 12.7 (and Section 7.7 hereof) shall continue to inure to its benefit and the retiring Notes Collateral Agent shall not by reason of such resignation be deemed to be released from liability as to any actions taken or omitted to be taken by it while it was the Notes Collateral Agent under this Indenture.

(g) Wilmington Trust, National Association shall initially act as Notes Collateral Agent and shall be authorized to appoint co-Notes Collateral Agents as necessary in its sole discretion. (i) If at any time or times the Trustee shall receive (i) by payment, foreclosure, set-off or otherwise, any proceeds of Collateral or any payments with respect to the Obligations arising under, or relating to, this Indenture, except for any such proceeds or payments received by the Trustee from the Notes Collateral Agent pursuant to the terms of this Indenture, or (ii) payments from the Notes Collateral Agent in excess of the amount required to be paid to the Trustee pursuant to Article VI, the Trustee shall promptly turn the same over to the Notes Collateral Agent, in kind, and with such endorsements as may be required to negotiate the same to the Notes Collateral Agent such proceeds to be applied by the Notes Collateral Agent pursuant to the terms of this Indenture, the Security Documents and the Intercreditor Agreements.

(j) The Notes Collateral Agent is each Holder's agent for the purpose of perfecting the Holders' security interest in assets which, in accordance with Article 9 of the Uniform Commercial Code, can be perfected only by possession. Should the Trustee obtain possession of any such Collateral, upon request from the Issuer, the Trustee shall notify the Notes Collateral Agent thereof and promptly shall deliver such Collateral to the Notes Collateral Agent or otherwise deal with such Collateral in accordance with the Notes Collateral Agent's instructions.

(k) The Notes Collateral Agent shall have no obligation whatsoever to the Trustee or any of the Holders to assure that the Collateral exists or is owned by any Grantor or is cared for, protected, or insured or has been encumbered, or that the Notes Collateral Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, maintained or enforced or are entitled to any particular priority, or to determine whether all or the Grantor's property constituting Collateral intended to be subject to the Lien and security interest of the Security Documents has been properly and completely listed or delivered, as the case may be, or the genuineness, validity, marketability or sufficiency thereof or title thereto, or to exercise at all or in any particular manner or under any duty of care, disclosure, or fidelity, or to continue exercising, any of the rights, authorities, and powers granted or available to the Notes Collateral Agent pursuant to this Indenture, any Security Document, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, other than pursuant to the instructions of the Holders of a majority in aggregate principal amount of the Notes or as otherwise provided in the Security Documents.

(l) If the Issuer or any Guarantor (i) incurs any obligations in respect of First Lien Obligations or Junior Lien Obligations at any time when no applicable intercreditor agreement is in effect or at any time when Indebtedness constituting First Lien Obligations or Junior Lien Obligations entitled to the benefit of an existing First Lien Intercreditor Agreement or Junior Lien Intercreditor Agreement is concurrently retired, and (ii) delivers to the Trustee and the Notes Collateral Agent an Officer's Certificate so stating and requesting the Trustee and Notes

Collateral Agent, if applicable, to enter into an intercreditor agreement (on substantially the same terms as the applicable First Lien Intercreditor Agreement or Junior Lien Intercreditor Agreement) in favor of a designated agent or representative for the holders of the First Lien Obligations or Junior Lien Obligations so incurred, together with an Opinion of Counsel, the Notes Collateral Agent and Trustee, if applicable, shall (and is hereby authorized and directed to) enter into such intercreditor agreement (at the sole expense and cost of the Issuer, including legal fees and expenses of the Trustee and Notes Collateral Agent), bind the Holders on the terms set forth therein and perform and observe its obligations thereunder; provided that neither an Officer's Certificate nor an Opinion of Counsel shall be required in connection with the First Lien Intercreditor Agreement to be entered into by the Notes Collateral Agent and Trustee on the Issue Date.

(m) No provision of this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, or any Security Document shall require the Notes Collateral Agent (or the Trustee) to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or take any action at the request or direction of Holders (or the Trustee in the case of the Notes Collateral Agent) unless it shall have received indemnity satisfactory to the Notes Collateral Agent and the Trustee against potential costs and liabilities incurred by the Notes Collateral Agent relating thereto. Notwithstanding anything to the contrary contained in this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, or the Security Documents, in the event the Notes Collateral Agent is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, the Notes Collateral Agent shall not be required to commence any such action or exercise any remedy or to inspect or conduct any studies of any property under the mortgages or take any such other action if the Notes Collateral Agent has determined that the Notes Collateral Agent may incur personal liability as a result of the presence at, or release on or from, the Collateral or such property, of any hazardous substances. The Notes Collateral Agent shall at any time be entitled to cease taking any action described in this clause (m) if it no longer reasonably deems any indemnity, security or undertaking from the Issuer or the Holders to be sufficient.

(n) The Notes Collateral Agent (i) shall not be liable for any action taken or omitted to be taken by it in connection with this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and the Security Documents or instrument referred to herein or therein, except to the extent that any of the foregoing are found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from its own gross negligence or willful misconduct, (ii) shall not be liable for interest on any money received by it except as the Notes Collateral Agent may agree in writing with the Issuer (and money held in trust by the Notes Collateral Agent need not be segregated from other funds except to the extent required by law) and (iii) may consult with counsel of its selection and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it in good faith and in accordance with the advice or opinion of such counsel. The grant of permissive rights or powers to the Notes Collateral Agent shall not be construed to impose duties to act.

(o) Neither the Notes Collateral Agent nor the Trustee shall be liable for delays or failures in performance resulting from acts beyond its control. Such acts shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, communication line failures, computer viruses, power failures, earthquakes or other disasters. Neither the Notes Collateral Agent nor the Trustee shall be liable for any indirect, special, punitive, incidental or consequential damages (included but not limited to lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action.

(p) The Notes Collateral Agent does not assume any responsibility for any failure or delay in performance or any breach by the Issuer or any other Grantor under this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and the Security Documents. The Notes Collateral Agent shall not be responsible to the Holders or any other Person for any recitals, statements, information, representations or warranties contained in this Indenture, the Security Documents, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, or in any certificate, report, statement, or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this

Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, or any Security Document; the execution, validity, genuineness, effectiveness or enforceability of the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and any Security Documents of any other party thereto; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Collateral, or the validity, effectiveness, enforceability, sufficiency, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Obligations; the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any obligor; or for any failure of any obligor to perform its Obligations under this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and the Security Documents. The Notes Collateral Agent shall have no obligation to any Holder or any other Person to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any obligor of any terms of this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and the Security Documents, or the satisfaction of any conditions precedent contained in this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and any Security Documents. The Notes Collateral Agent shall not be required to initiate or conduct any litigation or collection or other proceeding under this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and the Security Documents unless expressly set forth hereunder or thereunder. The Notes Collateral Agent shall have the right at any time to seek instructions from the Holders with respect to the administration of this Indenture, the Security Documents, the First Lien Intercreditor Agreement and the Junior Lien Intercreditor Agreement, if any.

(q) The parties hereto and the Holders hereby agree and acknowledge that neither the Notes Collateral Agent nor the Trustee shall assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including but not limited to, any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, the Security Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the Holders hereby agree and acknowledge that in the exercise of its rights under this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and the Security Documents, the Notes Collateral Agent may hold or obtain indicia of ownership primarily to protect the security interest of the Notes Collateral Agent in the Collateral and that any such actions taken by the Notes Collateral Agent shall not be construed as or otherwise constitute any participation in the management of such Collateral. In the event that the Notes Collateral Agent or the Trustee is required to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any fiduciary or trust obligation for the benefit of another, which in either of the Notes Collateral Agent or the Trustee's sole discretion may cause the Notes Collateral Agent or the Trustee, as applicable, to be considered an "owner or operator" under the provisions of the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. §9601, et seq., or otherwise cause the Notes Collateral Agent or the Trustee to incur liability under CERCLA or any other federal, state or local law, each of the Notes Collateral Agent and the Trustee reserves the right, instead of taking such action, to either resign as the Notes Collateral Agent or the Trustee or arrange for the transfer of the title or control of the asset to a court-appointed receiver. Neither the Notes Collateral Agent nor the Trustee shall be liable to the Issuer, the Guarantors or any other Person for any environmental claims or contribution actions under any federal, state or local law, rule or regulation by reason of either of the Notes Collateral Agent's or the Trustee's actions and conduct as authorized, empowered and directed hereunder or relating to the discharge, release or threatened release of hazardous materials into the environment. If at any time it is necessary or advisable for property to be possessed, owned, operated or managed by any Person (including the Notes Collateral Agent or the Trustee) other than the Issuer or the Guarantors, Holders of a majority in aggregate principal amount of the then outstanding Notes shall direct the Notes Collateral Agent or the Trustee to appoint an appropriately qualified Person (excluding the Notes Collateral Agent or the Trustee) who they shall designate to possess, own, operate or manage, as the case may be, the property.

(r) Upon the receipt by the Notes Collateral Agent of a written request of the Issuer signed by an Officer (a "Security Document Order"), the Notes Collateral Agent is hereby authorized to execute and enter into, and shall execute and enter into, without the further consent of any Holder or the Trustee, any Security Document or

amendment or supplement thereto to be executed after the Issue Date; provided that the Notes Collateral Agent shall not be required to execute or enter into any such Security Document which, in the Notes Collateral Agent's reasonable opinion is reasonably likely to adversely affect the rights, duties, liabilities or immunities of the Notes Collateral Agent or that the Notes Collateral Agent determines is reasonably likely to involve the Notes Collateral Agent in personal liability. Such Security Document Order shall (i) state that it is being delivered to the Notes Collateral Agent pursuant to, and is a Security Document Order referred to in, this Section 12.7(r), and (ii) instruct the Notes Collateral Agent to execute and enter into such Security Document. Other than as set forth in this Indenture, any such execution of a Security Document shall be at the direction and expense of the Issuer, upon delivery to the Notes Collateral Agent of an Officer's Certificate and Opinion of Counsel stating that all conditions precedent to the execution and delivery of the Security Document have been satisfied. The Holders, by their acceptance of the Notes, hereby authorize and direct the Notes Collateral Agent to execute such Security Documents (subject to the first sentence of this Section 12.7(r)).

(s) Subject to the provisions of the applicable Security Documents, the First Lien Intercreditor Agreement and the Junior Lien Intercreditor Agreement, if any, each Holder, by acceptance of the Notes, agrees that the Notes Collateral Agent shall execute and deliver the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, and the Security Documents to which it is a party and all agreements, documents and instruments incidental thereto, and act in accordance with the terms thereof. For the avoidance of doubt, the Notes Collateral Agent shall have no discretion under this Indenture, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, if any, or the Security Documents and shall not be required to make or give any determination, consent, approval, request or direction without the written direction of the Holders of a majority in aggregate principal amount of the then outstanding Notes or the Trustee, as applicable. Each Holder, by acceptance of the Notes, authorizes and directs the Trustee to execute and deliver the First Lien Intercreditor Agreement, in its capacity as Authorized Representative (as defined therein) and all agreements, documents and instruments incidental thereto, and act in accordance with the terms thereof.

(t) After the occurrence and continuance of an Event of Default, the Trustee, acting at the direction of the Holders of a majority of the aggregate principal amount of the Notes then outstanding, may direct the Notes Collateral Agent in connection with any action required or permitted by this Indenture, the Security Documents or the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any.

(u) The Notes Collateral Agent is authorized to receive any funds for the benefit of itself, the Trustee and the Holders distributed under the Security Documents or the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, and to the extent not prohibited under the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, for turnover to the Trustee to make further distributions of such funds to itself, the Trustee and the Holders in accordance with the provisions of Section 6.10 and the other provisions of this Indenture.

(v) In each case that the Notes Collateral Agent may or is required hereunder or under any Security Document, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, to take any action (an "Action"), including without limitation to make any determination, to give consents, to exercise rights, powers or remedies, to release or sell Collateral or otherwise to act hereunder or under any Security Document or the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, the Notes Collateral Agent may seek direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. The Notes Collateral Agent shall not be liable with respect to any Action taken or omitted to be taken by it in accordance with the direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. If the Notes Collateral Agent shall request direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes with respect to any Action, the Notes Collateral Agent shall be entitled to refrain from such Action unless and until the Notes Collateral Agent shall have received direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes, and the Notes Collateral Agent shall not incur liability to any Person by reason of so refraining.

(w) Notwithstanding anything to the contrary in this Indenture or in any Security Document or the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any, in no event shall the Notes

Collateral Agent or the Trustee be responsible for, or have any duty or obligation with respect to, the recording, filing, registering, perfection, protection or maintenance of the security interests or Liens intended to be created by this Indenture, the Security Documents, the First Lien Intercreditor Agreement or the Junior Lien Intercreditor Agreement, if any (including without limitation the filing or continuation of any UCC financing or continuation statements or similar documents or instruments), nor shall the Notes Collateral Agent or the Trustee be responsible for, and neither the Notes Collateral Agent nor the Trustee makes any representation regarding, the validity, effectiveness or priority of any of the Security Documents or the security interests or Liens intended to be created thereby.

(x) Before the Notes Collateral Agent acts or refrains from acting in each case at the request or direction of the Issuer or the Guarantors, other than as set forth in this Indenture, it may require an Officer's Certificate and an Opinion of Counsel, which shall conform to the provisions of this Section 12.7 and Section 13.2 hereof. The Notes Collateral Agent shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(y) Notwithstanding anything to the contrary contained herein, the Notes Collateral Agent shall act pursuant to the instructions of the Holders and the Trustee with respect to the Security Documents and the Collateral.

(z) The rights, privileges, benefits, immunities, indemnities and other protections given to the Trustee are extended to, and shall be enforceable by, the Notes Collateral Agent as if the Notes Collateral Agent were named as the Trustee herein and the Security Documents were named as this Indenture herein. The Notes Collateral Agent shall be entitled to compensation, reimbursement and indemnity as set forth in Section 7.7, as if references therein to Trustee were references to Notes Collateral Agent.

In giving such Opinion of Counsel, counsel may rely as to factual matters on an Officer's Certificate or on certificates of public officials.

SECTION 13.4. When Notes Disregarded. In determining whether the Holders of the required aggregate principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer, any Guarantor or any Affiliate of them shall be disregarded and deemed not to be outstanding, except that, for the purpose of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes which a Trust Officer of the Trustee actually knows are so owned shall be so disregarded. Also, subject to the foregoing, only Notes outstanding at the time shall be considered in any such determination.

SECTION 13.5. Rules by Trustee, Paying Agent and Registrar. The Trustee may make reasonable rules for action by, or at meetings of, Holders. The Registrar and the Paying Agent may make reasonable rules for their functions.

SECTION 13.6. Legal Holidays. A "Legal Holiday" is a Saturday, a Sunday or other day on which commercial banking institutions are authorized or required to be closed in New York, New York or the jurisdiction of the place of payment. If a payment date or a Redemption Date is a Legal Holiday, payment shall be made on the next succeeding day that is not a Legal Holiday, and no interest shall accrue for the intervening period. If a regular record date is a Legal Holiday, the record date shall not be affected.

SECTION 13.7. Governing Law. THIS INDENTURE, THE NOTES AND THE GUARANTEES AND THE RIGHTS OF THE PARTIES HEREUNDER AND THEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 13.8. Jurisdiction. The Issuer and the Guarantors agree that any suit, action or proceeding against the Issuer or any Guarantor brought by any Holder, the Trustee or the Notes Collateral Agent arising out of or based upon this Indenture, the Guarantee or the Notes may be instituted in any state or Federal court in the Borough of Manhattan, New York, New York, and any appellate court from any thereof, and each of them irrevocably submits to the non-exclusive jurisdiction of such courts in any suit, action or proceeding. The Issuer and the Guarantors irrevocably waive, to the fullest extent permitted by law, any objection to any suit, action, or proceeding that may be brought in connection with this Indenture, the Guarantee or the Notes, including such actions, suits or proceedings relating to securities laws of the United States of America or any state thereof, in such courts whether on the grounds of venue, residence or domicile or on the ground that any such suit, action or proceeding has been brought in an inconvenient forum. The Issuer and the Guarantors agree that final judgment in any such suit, action or proceeding brought in such court shall be conclusive and binding upon the Issuer or the Guarantors, as the case may be, and may be enforced in any court to the jurisdiction of which the Issuer or the Guarantors, as the case may be, are subject by a suit upon such judgment.

SECTION 13.10. USA PATRIOT Act. The parties hereto acknowledge that in accordance with Section 326 of the USA PATRIOT Act, the Trustee and the Notes Collateral Agent, like all financial institutions and

in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account. The parties to this Indenture agree that they will provide the Trustee and the Notes Collateral Agent with such information as it may request in order to satisfy the requirements of the USA PATRIOT Act.

SECTION 13.11. No Recourse Against Others. No director, officer, employee, incorporator or shareholder of the Issuer or any of its respective Subsidiaries or Affiliates, or such (other than the Issuer and the Guarantors), shall have any liability for any obligations of the Issuer or the Guarantors under the Notes, the Guarantees or this Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

SECTION 13.12. Successors. All agreements of the Issuer and each Guarantor in this Indenture and the Notes shall bind their respective successors. All agreements of the Trustee and the Notes Collateral Agent in this Indenture shall bind their respective successors.

SECTION 13.13. Multiple Originals. The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. The exchange of copies of this Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

The table of contents, cross-reference table and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not intended to be considered a part hereof and shall not modify or restrict any of the terms or provisions hereof.

SECTION 13.15. Force Majeure. In no event shall the Trustee or the Notes Collateral Agent be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services, it being understood that the Trustee and Notes Collateral Agent shall use reasonable best efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

SECTION 13.16. Severability. In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 13.17. [Reserved].

SECTION 13.18. Waiver of Immunities. To the extent that the Issuer or any Guarantor or any of its properties, assets or revenues may have or may hereafter become entitled to, or have attributed to them, any right of immunity, on the grounds of sovereignty, from any legal action, suit or proceeding, from set-off or counterclaim, from the jurisdiction of any court, from service of process, from attachment upon or prior to judgment, or from attachment in aid of execution of judgment, or from execution of judgment, or other legal process or proceeding for the giving of any relief or for the enforcement of any judgment, in any jurisdiction in which proceedings may at any time be commenced, with respect to their obligations, liabilities or any other matter under or arising out of or in connection with this Indenture, the Notes or the Note Guarantees, the Issuer and each Guarantor hereby irrevocably and unconditionally, to the extent permitted by applicable law, waives and agrees not to plead or claim any such immunity and consents to such relief and enforcement.

SECTION 13.19. Judgment Currency. The Issuer and each Guarantor agrees to indemnify the recipient against any loss incurred by such recipient as a result of any judgment or order being given or made against the Issuer or any Guarantor for any amount due hereunder and such judgment or order being expressed and paid in a currency (the “Judgment Currency”) other than Dollars and as a result of any variation as between (i) the rate of exchange at which the Dollar amount is converted into the Judgment Currency for the purpose of such judgment or order, and (ii) the rate of exchange in The City of New York at which such party on the date of payment of such judgment or order is able to purchase Dollars with the amount of the Judgment Currency actually received by such party if such party had utilized such amount of Judgment Currency to purchase Dollars as promptly as practicable upon such party’s receipt thereof. The foregoing indemnity shall constitute a separate and independent obligation of the Issuer and each Guarantor and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term “rate of exchange” shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, the relevant currency.

SECTION 13.20. Intercreditor Agreements. Reference is made to the First Lien Intercreditor Agreement and Junior Lien Intercreditor Agreement, if any. Each Holder, by its acceptance of a Note, (a) agrees that it will be bound by and will take no actions contrary to the provisions of the First Lien Intercreditor Agreement and Junior Lien Intercreditor Agreement, if any, and (b) authorizes and instructs the Trustee and the Notes Collateral Agent to enter into the First Lien Intercreditor Agreement and Junior Lien Intercreditor Agreement, if any, as Trustee and as Notes Collateral Agent, as the case may be, and on behalf of such Holder, including without limitation, making the representations of the Holders contained therein. The foregoing provisions are intended as an inducement to the lenders under the Credit Agreement to extend credit and such lenders are intended third party beneficiaries of such provisions and the provisions of the First Lien Intercreditor Agreement and Junior Lien Intercreditor Agreement, if any.

[FORM OF REVERSE SIDE OF NOTE]
THE DUN & BRADSTREET CORPORATION
6.875% SENIOR FIRST LIEN NOTES DUE 2026

Capitalized terms used herein and not defined herein have the meanings ascribed thereto in the Indenture.

1. Interest

The Issuer promises to pay interest on the principal amount of this Note at 6.875% per annum from February 8, 2019 until maturity. The Issuer will pay interest semi-annually in arrears every February 15 and August 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “Interest Payment Date”). Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided*, that the first Interest Payment Date shall be August 15, 2019. The Issuer shall pay interest on overdue principal at the rate specified herein, and it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful. Interest on the Notes will be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. Method of Payment

By no later than 11:00 a.m. (New York City time) on the date on which any principal of, premium, if any, or interest, on any Note is due and payable, the Issuer shall deposit with the Paying Agent a sum sufficient in immediately available funds to pay such principal, premium, interest when due. Interest on any Note which is payable, and is timely paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name such Note (or one or more Predecessor Notes) is registered at the close of business on the preceding February 1 and August 1 at the office or agency of the Issuer maintained for such purpose pursuant to Section 2.3 of the Indenture. The principal of (and premium, if any) and interest on the Notes shall be payable at the office or agency of Paying Agent or Registrar designated by the Issuer maintained for such purpose (which shall initially be the office of the Trustee maintained for such purpose), or at such other office or agency of the Issuer as may be maintained for such purpose pursuant to Section 2.3 of the Indenture; *provided, however*, that, at the option of the Paying Agent, each installment of interest may be paid by (i) check mailed to addresses of the Persons entitled thereto as such addresses shall appear on the Notes Register or (ii) wire transfer to an account located in the United States maintained by the payee, subject to the third to the last sentence of this paragraph. Payments in respect of Notes represented by a Global Note (including principal, premium, if any, and interest) will be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or any successor depository. Payments in respect of Notes represented by Definitive Notes (including principal, premium, if any, and interest) held by a Holder of at least \$1,000,000 aggregate principal amount of Notes represented by Definitive Notes will be made in accordance with the Notes Register, or by wire transfer to a Dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 15 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion). If an Interest Payment Date or a Redemption Date is a Legal Holiday, payment shall be made on the next succeeding day that is not a Legal Holiday, and no interest shall accrue for the intervening period. If a regular record date is a Legal Holiday, the record date shall not be affected.

3. Paying Agent and Registrar

The Issuer initially appoints Wilmington Trust, National Association (the “Trustee”) as Registrar and Paying Agent for the Notes. The Issuer may change any Registrar or Paying Agent without prior notice to the Holders. The Issuer or any Guarantor may act as Paying Agent, Registrar or transfer agent.

4. Indenture

The Issuer issued the Notes under an Indenture dated as of February 8, 2019, among the Issuer, the Trustee and the Notes Collateral Agent, as supplemented by the First Supplemental Indenture dated as of February 8, 2019, among the Issuer, the Guarantors named therein and the Trustee (as it may be further amended or supplemented from time to time in accordance with the terms thereof, the “Indenture”). The terms of the Notes include those stated in the Indenture. The Notes are subject to all terms and provisions of the Indenture, and Holders are referred to the Indenture for a statement of those terms. In the event of a conflict between the terms of the Notes and the terms of the Indenture, the terms of the Indenture shall control.

The Notes are senior secured obligations of the Issuer. The aggregate principal amount of Notes that may be authenticated and delivered under the Indenture is unlimited. This Note is one of the 6.875% Senior First Lien Notes due 2026 referred to in the Indenture. The Notes include (i) \$700,000,000 principal amount of the Issuer’s 6.875% Senior First Lien Notes due 2026 issued under the Indenture on February 8, 2019 (the “Initial Notes”) and (ii) if and when issued, additional Notes that may be issued from time to time under the Indenture subsequent to February 8, 2019 (the “Additional Notes”) as provided in Section 2.1(a) of the Indenture. The Initial Notes and the Additional Notes shall be considered collectively as a single class for all purposes of the Indenture; *provided* that the Additional Notes will not be issued with the same CUSIP as the existing Notes unless such Additional Notes are fungible with the existing Notes for U.S. federal income tax purposes. The Indenture imposes certain limitations on the incurrence of indebtedness, the making of restricted payments, the sale of assets, the incurrence of certain liens, the making of payments for consents, the entering into of agreements that restrict distribution from restricted subsidiaries and the consummation of mergers and consolidations. The Indenture also imposes requirements with respect to the provision of financial information and the provision of guarantees of the Notes by certain subsidiaries.

5. Guarantees

From and after the Issue Date, to guarantee the due and punctual payment of the principal, premium, if any, interest (including post-filing or post-petition interest in any proceeding under Bankruptcy Law) on the Notes and all other amounts payable by the Issuer under the Indenture and the Notes when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Notes and the Indenture, each Guarantor will unconditionally guarantee (and future guarantors, jointly and severally with the Guarantors, will fully and unconditionally Guarantee) such obligations on a senior secured basis pursuant to the terms of the Indenture.

6. Redemption

(a) At any time prior to February 15, 2022, the Company may redeem the Notes in whole or in part, at its option, upon not less than 10 nor more than 60 days’ prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, at a redemption price (expressed as a percentage of the principal amount of the Notes to be redeemed) equal to 100.000% plus the relevant Applicable Premium as of, and accrued and unpaid interest, if any, to but excluding the date of redemption (the “Redemption Date”), subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date.

(b) At any time and from time to time prior to February 15, 2022, the Company may on one or more occasions, upon not less than 10 nor more than 60 days’ prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, redeem up to 40.0% of the original principal amount of Notes issued under the Indenture on the Issue Date (together with Additional Notes) at a redemption price (expressed as a percentage of the principal amount of Notes to be redeemed) equal to 106.875%, plus accrued and unpaid interest, if any, to but excluding, the applicable Redemption Date, subject to the right of Holders of record of the Notes on the relevant record date to receive interest due on the relevant interest payment date, with the Net Cash Proceeds received by the Company of one or more Equity Offerings of the Company; *provided* that not less than 50.0% of the original principal amount of the then-outstanding Notes initially issued under the Indenture remains outstanding immediately after the occurrence of each such redemption (including Additional Notes but excluding

Notes held by the Company or any of its Restricted Subsidiaries), unless all such notes are redeemed substantially concurrently; *provided further* that each such redemption occurs not later than 180 days after the date of closing of the related Equity Offering. The Trustee shall select the Notes to be purchased in the manner described under Sections 5.1 through 5.6 of the Indenture.

(c) Except pursuant to clauses (a) and (b) of this paragraph 6, the Notes will not be redeemable at the Company's option prior to February 15, 2022.

(d) At any time and from time to time on or after February 15, 2022, the Company may redeem the Notes, in whole or in part, upon not less than 10 nor more than 60 days' prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth in the table below, plus accrued and unpaid interest thereon, if any, to but excluding the applicable Redemption Date, subject to the right of Holders of record of the Notes on the relevant record date to receive interest due on the relevant interest payment date, if redeemed during the twelve-month period beginning on February 15 of each of the years indicated in the table below:

Year	Percentage
2022	103.438%
2023	101.719%
2024 and thereafter	100.000%

(e) Notwithstanding the foregoing, in connection with any tender offer for the Notes, including a Change of Control Offer, Asset Disposition Offer, Collateral Asset Sale Offer or Collateral Advance Offer, if Holders of not less than 90.0% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Company, or any third party making such tender offer in lieu of the Company, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company or such third party shall have the right upon not less than 10 nor more than 60 days' prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, given not more than 30 days following such purchase date to redeem all Notes that remain outstanding following such purchase at a redemption price equal to the price offered to each other Holder in such tender offer plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to but not including, the date of such redemption.

(f) Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable Redemption Date.

(g) Any redemption pursuant to this paragraph 6 shall be made pursuant to the provisions of Section 5.1 through 5.6 of the Indenture.

The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

7. Reserved

8. Repurchase Provisions

If a Change of Control occurs, each Holder will have the right to require the Issuer to repurchase from each Holder all or any part (equal to a minimum denomination of \$2,000 or an integral multiple of \$1,000 in excess thereof) of such Holder's Notes at a purchase price in cash equal to 101.0% of the aggregate principal amount thereof plus accrued and unpaid interest, to but excluding the date of purchase; provided that if the repurchase date is on or after the record date and on or before the corresponding interest payment date, then Holders in whose name the Notes are registered at the close of business on such record date will receive the interest due on the repurchase date, as provided in, and subject to the terms of, the Indenture.

Upon certain Asset Dispositions, the Issuer may be required to use the Excess Proceeds from such Asset Dispositions to offer to purchase Notes and, at the Issuer's option, Pari Passu Indebtedness out of the Excess Proceeds in accordance with the procedures set forth in Section 3.5 and in Article V of the Indenture.

9. Denominations; Transfer; Exchange

The Notes shall be issuable only in fully registered form in minimum denominations of principal amount of \$2,000 and any integral multiple of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay a sum sufficient to cover any tax and fees required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange of any Note (A) for a period beginning (1) fifteen (15) calendar days before the mailing of a notice of an offer to repurchase or redeem Notes and ending at the close of business on the day of such mailing or (2) fifteen (15) calendar days before an Interest Payment Date and ending on such Interest Payment Date or (B) called for redemption, except the unredeemed portion of any Note being redeemed in part.

10. Persons Deemed Owners

The registered Holder of this Note may be treated as the owner of it for all purposes.

11. Unclaimed Money

If money for the payment of principal, premium, if any, interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Issuer at its written request unless an abandoned property law designates another Person to receive such money. After any such payment, Holders entitled to the money must look only to the Issuer and not to the Trustee for payment as general creditors unless an abandoned property law designates another person for payment.

12. Discharge and Defeasance

Subject to certain exceptions and conditions set forth in the Indenture, the Issuer at any time may terminate some or all of its obligations under the Notes and the Indenture if the Issuer deposits with the Trustee money or U.S. Government Obligations for the payment of principal, premium, if any and interest on the Notes to redemption or maturity, as the case may be.

13. Amendment, Supplement, Waiver

Subject to certain exceptions contained in the Indenture, the Indenture, the Notes and the Security Documents may be amended, or a Default thereunder may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Issuer, the Guarantors, the Trustee and the Notes Collateral Agent, as applicable, may amend or supplement the Indenture, the Notes and the Security Documents as provided in the Indenture.

14. Defaults and Remedies

If an Event of Default (other than an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Issuer or certain Guarantors) occurs and is continuing, the Trustee by notice to the Issuer, or the Holders of at least 30.0% in aggregate principal amount of the outstanding Notes by notice to the Issuer and the Trustee, may declare the principal of and accrued and unpaid interest, and any other monetary obligations on all the Notes to be due and payable immediately. Upon the effectiveness of such declaration, such principal, interest, and other monetary obligations will be due and payable immediately. If a bankruptcy, insolvency or reorganization of the Issuer or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements for the Issuer and its Restricted Subsidiaries, would constitute a Significant Subsidiary) occurs and is continuing, the principal of and accrued and unpaid interest and any other monetary

obligations on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. Under certain circumstances, the Holders of a majority in aggregate principal amount of the outstanding Notes may rescind any such acceleration with respect to the Notes and its consequences.

15. Trustee Dealings with the Issuer

Subject to certain limitations set forth in the Indenture, the Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer, Guarantors or their Affiliates with the same rights it would have if it were not Trustee. In addition, the Trustee shall be permitted to engage in transactions with the Issuer and its Affiliates and Subsidiaries.

16. No Recourse Against Others

No director, officer, employee, incorporator or shareholder of the Issuer or any of its Subsidiaries or Affiliates, as such (other than the Issuer and the Guarantors), shall have any liability for any obligations of the Issuer or the Guarantors under the Notes, the Guarantees or the Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting a note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

17. Authentication

This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent acting on its behalf) manually signs the certificate of authentication on the other side of this Note.

18. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (= tenants in common), TEN ENT (= tenants by the entirety), JT TEN (= joint tenants with rights of survivorship and not as tenants in common), CUST (= custodian) and U/G/M/A (= Uniform Gift to Minors Act).

19. CUSIP and ISIN Numbers

The Issuer has caused CUSIP and ISIN numbers, if applicable, to be printed on the Notes and has directed the Trustee to use CUSIP and ISIN numbers, if applicable, in notices of redemption or purchase as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption or purchase and reliance may be placed only on the other identification numbers placed thereon.

20. Governing Law

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

21. Security

The Notes and the related Guarantees will be secured by the Collateral on the terms and subject to the conditions set forth in the Indenture and the Security Documents. The Trustee and the Notes Collateral Agent, as the case may be, hold the Collateral in trust for the benefit of the Holders of the Notes, in each case pursuant to the Security Documents and the First Lien Intercreditor Agreement and Junior Lien Intercreditor Agreement, if any. Each Holder, by accepting this Note, consents and agrees to the terms of the Security Documents (including the provisions providing for the foreclosure and release of Collateral) and the First Lien Intercreditor Agreement and Junior Lien Intercreditor Agreement, if any, each as may be in effect or may be amended from time to time in accordance with their terms and the Indenture, and authorizes and directs each of the Trustee and the Notes

Collateral Agent, as applicable, to enter into the Security Documents and the First Lien Intercreditor Agreement on the Issue Date, and the Security Documents and the Junior Lien Intercreditor Agreement, if any, at any time after the Issue Date, if applicable, and to perform its obligations and exercise its rights thereunder in accordance therewith.

The Issuer will furnish to any Holder upon written request and without charge to the Holder a copy of the Indenture. Requests may be made to:

ARTICLE I

DEFINITIONS AND INCORPORATION BY REFERENCE

SECTION 1.1. Definitions.

“Acquired Indebtedness” means with respect to any Person (x) Indebtedness of any other Person or any of its Subsidiaries existing at the time such other Person becomes a Restricted Subsidiary or merges or amalgamates with or into or consolidates or otherwise combines with the Company or any Restricted Subsidiary and (y) Indebtedness secured by a Lien encumbering any asset acquired by such Person. Acquired Indebtedness shall be deemed to have been incurred, with respect to clause (x) of the preceding sentence, on the date such Person becomes a Restricted Subsidiary or on the date of the relevant merger, amalgamation, consolidation, acquisition or other combination.

“Acquisition” means the transactions contemplated by the Acquisition Agreement.

“Acquisition Agreement” means the Agreement and Plan of Merger, by and among the Company, Star Parent, L.P. and Merger Sub, dated as of August 8, 2018, as the same may be amended prior to the Issue Date.

“Additional Assets” means:

- (1) any property or assets (other than Capital Stock) used or to be used by the Company, a Restricted Subsidiary or otherwise useful in a Similar Business (it being understood that capital expenditures on property or assets already used in a Similar Business or to replace any property or assets that are the subject of such Asset Disposition shall be deemed an investment in Additional Assets);

“Affiliate” of any specified Person means any other Person, directly or indirectly, controlling or controlled by or under direct or indirect common control with such specified Person. In the event that the Company or any Restricted Subsidiary incurs, assumes, guarantees, redeems, defeases, retires or extinguishes any Indebtedness (other than Indebtedness incurred under any revolving credit facility unless such Indebtedness has been permanently repaid and has not been replaced), has caused any Reserved Indebtedness Amount to be deemed to be incurred during such period or issues or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the reference period but prior to or simultaneously with the event for which the calculation of the Fixed Charge Coverage Ratio is made (the “*Fixed Charge Coverage Ratio Calculation Date*”), then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect to such incurrence, deemed incurrence, assumption, guarantee, redemption, defeasance, retirement or extinguishment of Indebtedness, or such issuance or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period.

If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged or amalgamated with or into the Company or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, merger, amalgamation, consolidation or disposed or discontinued operation that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving pro forma

Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Company to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed with a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the reference period except as set forth in the first paragraph of this definition. - (9) all amounts expressed in this Indenture or in any of the Notes in terms of money refer to the lawful currency of the United States of America;
- (10) the words “herein,” “hereof” and “hereunder” and other words of similar import refer to this Indenture as a whole and not to any particular Article, Section or other subdivision;

(11) except as otherwise stated, (a) references herein to Articles, Sections and Exhibit mean the Articles and Sections of and Exhibits to this Indenture and (b) each reference herein to a particular Article or Section includes the Sections, subsections and paragraphs subsidiary thereto; and

(12) unless otherwise specifically indicated, the term “consolidated” with respect to any Person refers to such Person consolidated with its Restricted Subsidiaries, and excludes from such consolidation any Unrestricted Subsidiary as if such Unrestricted Subsidiary were not an Affiliate of such Person.

(b) Notwithstanding anything to the contrary herein, in the event an item of Indebtedness (or any portion thereof) is incurred or issued, any Lien is incurred or other transaction is undertaken in reliance on a ratio basket based on the Fixed Charge Coverage Ratio, Consolidated Secured Leverage Ratio or Consolidated Total Leverage ratio, such ratio(s) shall be calculated with respect to such incurrence, issuance or other transaction without giving effect to amounts being utilized under any other basket (other than a ratio basket based on the Fixed Charge Coverage Ratio, Consolidated Secured Leverage Ratio or Consolidated Total Leverage Ratio) on the same date. Each item of Indebtedness that is incurred or issued, each Lien incurred and each other transaction undertaken will be deemed to have been incurred, issued or taken first, to the extent available, pursuant to the relevant Fixed Charge Coverage Ratio, Consolidated Secured Leverage Ratio or Consolidated Total Leverage Ratio test.

Notwithstanding anything to the contrary herein, in the event an item of Indebtedness (or any portion thereof) is incurred or issued, any Lien is incurred or other transaction is undertaken in reliance on a ratio basket based on a Fixed Charge Coverage Ratio, Consolidated Secured Leverage Ratio or Consolidated Total Leverage Ratio, such ratio(s) shall be calculated without regard to the incurrence of any Indebtedness under any revolving facility or letter of credit facility (1) immediately prior to or in connection therewith or (2) used to finance working capital needs of the Company and its Restricted Subsidiaries.

Any calculation or measure that is determined with reference to the Company’s financial statements (including EBITDA, Consolidated Interest Expense, Consolidated Net Income, Fixed Charges, Fixed Charge Coverage Ratio, Consolidated Secured Leverage Ratio and Consolidated Total Leverage Ratio) may be determined with reference to the financial statements of a Parent Entity instead, so long as such Parent Entity does not hold any material assets other than, directly or indirectly, the Capital Stock of the Company.

(c) When calculating the availability under any basket or ratio under this Indenture or compliance with any provision of this Indenture in connection with any Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness and the use of proceeds thereof, the incurrence or creation of Liens, repayments, Restricted Payments and Asset Dispositions), in each case, at the option of the Company (the Company’s election to exercise such option, an “LCT Election”), the date of determination for availability under any such basket or ratio and whether any such action or transaction is permitted (or any requirement or condition therefor is complied with or satisfied (including as to the absence of any continuing Default or Event of Default)) under this Indenture shall be deemed to be the date (the “LCT Test Date”) either (a) the definitive agreement for such Limited Condition Transaction is entered into (or, if applicable, the date of delivery of an irrevocable declaration of a Restricted Payment or similar event), or (b) solely in connection with an acquisition to which the United Kingdom City Code on Takeovers and Mergers applies, the date on which a “Rule 2.7 announcement” of a firm intention to make an offer (or equivalent announcement in another jurisdiction) (an “LCT Public Offer”) in respect of a target of a Limited Condition Transaction and, in each case, if, after giving pro forma effect to the Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness and the use of proceeds thereof, the incurrence or creation of Liens, repayments, Restricted Payments and Asset Dispositions) and any related pro forma adjustments, the Company or any of its Restricted Subsidiaries would have been permitted to take such actions or consummate such transactions on the relevant LCT Test Date in compliance with such ratio, test or basket (and any related requirements and conditions), such ratio, test or basket (and any related requirements and conditions) shall be deemed to have been complied with (or satisfied) for all purposes (in the case of Indebtedness, for example, whether such Indebtedness is committed,

issued, assumed or incurred at the LCT Test Date or at any time thereafter); provided, that (a) if financial statements for one or more subsequent fiscal quarters shall have become available, the Company may elect, in its sole discretion, to redetermine all such ratios, tests or baskets on the basis of such financial statements, in which case, such date of redetermination shall thereafter be the applicable LCT Test Date for purposes of such ratios, tests or baskets, (b) except as contemplated in the foregoing clause (a), compliance with such ratios, test or baskets (and any related requirements and conditions) shall not be determined or tested at any time after the applicable LCT Test Date for such Limited Condition Transaction and any actions or transaction related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness and the use of proceeds thereof, the incurrence or creation of Liens, repayments, Restricted Payments and Asset Dispositions) and (c) Consolidated Interest Expense for purposes of the Fixed Charge Coverage Ratio will be calculated using an assumed interest rate as reasonably determined by the Company.

For the avoidance of doubt, if the Company has made an LCT Election, (1) if any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would at any time after the LCT Test Date have been exceeded or otherwise failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in EBITDA or total assets of the Company or the Person subject to such Limited Condition Transaction, such baskets, tests or ratios will not be deemed to have been exceeded or failed to have been complied with as a result of such fluctuations; (2) if any related requirements and conditions (including as to the absence of any continuing Default or Event of Default) for which compliance or satisfaction was determined or tested as of the LCT Test Date would at any time after the LCT Test Date not have been complied with or satisfied (including due to the occurrence or continuation of an Default or Event of Default), such requirements and conditions will not be deemed to have been failed to be complied with or satisfied (and such Default or Event of Default shall be deemed not to have occurred or be continuing); and (3) in calculating the availability under any ratio, test or basket in connection with any action or transaction unrelated to such Limited Condition Transaction following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or date for redemption, purchase or repayment specified in an irrevocable notice for such Limited Condition Transaction is terminated, expires or passes (or, if applicable, the irrevocable notice is terminated, expires or passes or, as applicable, the offer in respect of an LCT Public Offer for, such acquisition is terminated), as applicable, without consummation of such Limited Condition Transaction, any such ratio, test or basket shall be determined or tested giving pro forma effect to such Limited Condition Transaction.

Notwithstanding anything to the contrary contained herein, the Issuer may not issue any Additional Notes, unless such issuance is in compliance with Section 3.2.

With respect to any Additional Notes, the Issuer shall set forth in one or more indentures supplemental hereto, the following information:

- (A) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture;

45

- (B) the issue price and the issue date of such Additional Notes, including the date from which interest shall accrue; and

- (C) whether such Additional Notes shall be Restricted Notes.

In authenticating and delivering Additional Notes, the Trustee shall be entitled to receive and shall be fully protected in relying upon, in addition to the Opinion of Counsel and Officer's Certificate required by Section 13.2, an Opinion of Counsel as to the due authorization, execution, delivery, validity and enforceability of such Additional Notes.

The Initial Notes and the Additional Notes shall be considered collectively as a single class for all purposes of this Indenture, *provided* that any Additional Notes will not be issued with the same CUSIP, ISIN or other identifying number as the Initial Notes unless such Additional Notes are fungible with the Initial Notes for U.S. federal income tax purposes. Holders of the Initial Notes and the Additional Notes will vote and consent together on all matters to which such Holders are entitled to vote or consent as one class, and none of the Holders of the Initial Notes or the Additional Notes shall have the right to vote or consent as a separate class on any matter to which such Holders are entitled to vote or consent.

(b) The Initial Notes are being offered and sold by the Issuer pursuant to a Purchase Agreement, dated February 1, 2019, among the Issuer and Citigroup Global Markets Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated and RBC Capital Markets, Inc. as representatives for the several Initial Purchasers. The Initial Notes and any Additional Notes (if issued as Restricted Notes) (the "Additional Restricted Notes") will be resold initially only to (A) Persons they reasonably believe to be QIBs in reliance on Rule 144A and (B) Non-U.S. Persons in reliance on Regulation S. Such Initial Notes and Additional Restricted Notes may thereafter be transferred to, among others, persons reasonably believed to be QIBs, purchasers in reliance on Regulation S, and AIs and IAIs in accordance with Rule 501 under the Securities Act in each case, in accordance with the procedure described herein. Additional Notes offered after the date hereof may be offered and sold by the Issuer from time to time pursuant to one or more purchase agreements in accordance with applicable law.

Initial Notes and Additional Restricted Notes offered and sold to persons reasonably believed to be QIBs in the United States of America in reliance on Rule 144A (the "Rule 144A Notes") shall be issued in the form of a permanent global Note substantially in the form of Exhibit A, which is hereby incorporated by reference and made a part of this Indenture, including appropriate legends as set forth in Section 2.1(d) (the "Rule 144A Global Note"), deposited with the Trustee, as custodian for DTC, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided. The Rule 144A Global Note may be represented by more than one certificate if so required by DTC's rules regarding the maximum principal amount to be

represented by a single certificate. The aggregate principal amount of the Rule 144A Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee, as custodian for DTC or its nominee, as hereinafter provided.

Initial Notes and any Additional Restricted Notes offered and sold to non-U.S. Persons outside the United States of America (the “Regulation S Notes”) in reliance on Regulation S shall be issued in the form of a permanent global Note substantially in the form of Exhibit A, including appropriate legends as set forth in Section 2.1(d) (the “Regulation S Global Note”). Each Regulation S Global Note will be deposited upon issuance with, or on behalf of, the Trustee as custodian for DTC in the manner described in this Article II. Prior to the 40th day after the later of the commencement of the offering of the Initial Notes and the Issue Date (such period through and including such 40th day, the “Restricted Period”), interests in the Regulation S Global Note may only be transferred to non-U.S. persons pursuant to Regulation S, unless exchanged for interests in a Global Note in accordance with the transfer and certification requirements described herein.

Investors may hold their interests in the Regulation S Global Note through organizations other than Euroclear Bank S.A./N.V. (“Euroclear”) or Clearstream Banking, *société anonyme* (“Clearstream”) that are participants in DTC’s system or directly through Euroclear or Clearstream, if they are participants in such systems, or indirectly through organizations which are participants in such systems. If such interests are held through Euroclear or Clearstream, Euroclear and Clearstream will hold such interests in the applicable Regulation S Global

Note on behalf of their participants through customers' securities accounts in their respective names on the books of their respective depositories. Such depositories, in turn, will hold such interests in the applicable Regulation S Global Note in customers' securities accounts in the depositories' names on the books of DTC.

The Regulation S Global Note may be represented by more than one certificate if so required by DTC's rules regarding the maximum principal amount to be represented by a single certificate. The aggregate principal amount of the Regulation S Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee, as custodian for DTC or its nominee, as hereinafter provided.

Initial Notes and Additional Restricted Notes resold to IAI's (the "Institutional Accredited Investor Notes") in the United States of America will be issued in the form of a permanent global Note substantially in the form of Exhibit A including appropriate legends as set forth in Section 2.1(d) (the "Institutional Accredited Investor Global Note") deposited with the Trustee, as custodian for DTC, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided. The Institutional Accredited Investor Global Note may be represented by more than one certificate, if so required by DTC's rules regarding the maximum principal amount to be represented by a single certificate. The aggregate principal amount of the Institutional Accredited Investor Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee, as custodian for DTC or its nominee, as hereinafter provided.

Initial Notes and Additional Restricted Notes resold to AIs in the United States of America will be issued in the form of a Definitive Note substantially in the form of Exhibit A including the legend as set forth in Section 2.1(d) (an "Accredited Investor Note").

The Rule 144A Global Note, the Regulation S Global Note and the Institutional Accredited Investor Global Note are sometimes collectively herein referred to as the "Global Notes."

The principal of (and premium, if any) and interest on the Notes shall be payable at the office or agency of the Paying Agent designated by the Issuer maintained for such purpose (which shall initially be the office of the Trustee maintained for such purpose), or at such other office or agency of the Issuer as may be maintained for such purpose pursuant to Section 2.3; *provided, however*, that, at the option of the Paying Agent, each installment of interest may be paid by (i) check mailed to addresses of the Persons entitled thereto as such addresses shall appear on the Notes Register or (ii) wire transfer to an account located in the United States maintained by the payee, subject to the last sentence of this paragraph. Payments in respect of Notes represented by a Global Note (including principal, premium, if any, and interest) will be made by wire transfer of immediately available funds to the accounts specified by DTC. Payments in respect of Notes represented by Definitive Notes (including principal, premium, if any, and interest) held by a Holder of at least \$1,000,000 aggregate principal amount of Notes represented by Definitive Notes will be made in accordance with the Notes Register, or by wire transfer to a Dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 15 days immediately preceding the relevant due date for payment (or such other date as the Trustee or Paying Agent, as applicable, may accept in its discretion).

The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage, in addition to those set forth on Exhibit A and in Section 2.1(d). The Issuer shall approve any notation, endorsement or legend on the Notes. Each Note shall be dated the date of its authentication. The terms of the Notes set forth in Exhibit A are part of the terms of this Indenture and, to the extent applicable, the Issuer, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to be bound by such terms.

(c) Denominations. The Notes shall be issuable only in fully registered form in minimum denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof.

(d) Restrictive and Global Note Legends.

(1) Unless and until (i) an Initial Note or an Additional Note issued as a Restricted Note is sold under an effective registration statement or (ii) the Issuer receives an Opinion of Counsel satisfactory to it to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act, the Rule 144A Global Note, the Regulation S Global Note, the Institutional Accredited Investor Global Note and the Accredited Investor Note shall each bear the following legend on the face thereof:

(e) Book-Entry Provisions. (i) This Section 2.1(e) shall apply only to Global Notes deposited with the Trustee, as custodian for DTC, and for which the applicable procedures of DTC shall govern.

(1) Each Global Note initially shall (x) be registered in the name of DTC or the nominee of DTC, (y) be delivered to the Notes Custodian for DTC and (z) bear legends as set forth in Section 2.1(d)(2). Transfers of a Global Note (but not a beneficial interest therein) will be limited to transfers thereof in whole, but not in part, to DTC, its successors or its respective nominees, except as set forth in Section 2.1(e)(4) and 2.1(f). If a beneficial interest in a Global Note is transferred or exchanged for a beneficial interest in another Global Note, the Notes Custodian will (x) record a decrease in the principal amount of the Global Note being transferred or exchanged equal to the principal amount of such transfer or exchange and (y) record a like increase in the principal amount of the other Global Note. Any beneficial interest in one Global Note that is transferred to a Person who takes delivery in the form of an interest in another Global Note, or exchanged for an interest in another Global Note, will, upon transfer or exchange, cease to be an interest in such Global Note and become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer and exchange restrictions, if any, and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

(2) Members of, or participants in, DTC ("Agent Members") shall have no rights under this Indenture with respect to any Global Note held on their behalf by DTC or by the Notes Custodian as the custodian of DTC or under such Global Note, and DTC may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices of DTC governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(3) In connection with any transfer of a portion of the beneficial interest in a Global Note pursuant to Section 2.1(f) to beneficial owners who are required to hold Definitive Notes, the Notes Custodian shall reflect on its books and records the date and a decrease in the principal amount of such Global Note in an amount equal to the principal amount of the beneficial interest in the Global Note to be transferred, and the Issuer shall execute, and the Trustee shall authenticate and make available for delivery, one or more Definitive Notes of like tenor and amount.

(4) In connection with the transfer of an entire Global Note to beneficial owners pursuant to Section 2.1(f), such Global Note shall be deemed to be surrendered to the Trustee for cancellation, and the Issuer shall execute, and the Trustee shall authenticate and make available for delivery, to each beneficial owner identified by DTC in exchange for its beneficial interest in such Global Note, an equal aggregate principal amount of Definitive Notes of authorized denominations.

(5) The registered Holder of a Global Note may grant proxies and otherwise authorize any person, including Agent Members and persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(6) Any Holder of a Global Note shall, by acceptance of such Global Note, agree that transfers of beneficial interests in such Global Note may be effected only through a book-entry system maintained by (i) the Holder of such Global Note (or its agent) or (ii) any holder of a beneficial interest in such Global Note, and that ownership of a beneficial interest in such Global Note shall be required to be reflected in a book entry.

(f) Definitive Notes. Except as provided below, owners of beneficial interests in Global Notes will not be entitled to receive Definitive Notes. Definitive Notes shall be transferred to all beneficial owners in exchange for their beneficial interests in a Global Note if (A) DTC notifies the Issuer that it is unwilling or unable to continue as Depository for such Global Note or DTC ceases to be a clearing agency registered under the Exchange Act, at a time when DTC is required to be so registered in order to act as depository, and in each case a successor depository is not appointed by the Issuer within 90 days of such notice, (B) the Issuer in its sole discretion executes and deliver to the Trustee and Registrar an Officer's Certificate stating that such Global Note shall be so exchangeable or (C) an Event of Default has occurred and is continuing and the Registrar has received a written request from DTC. In the event of the occurrence of any of the events specified in the second preceding sentence or in clause (A), (B) or (C) of the preceding sentence, the Issuer shall promptly make available to the Registrar a reasonable supply of Definitive Notes. In addition, any Note transferred to an affiliate (as defined in Rule 405 under the Securities Act) of the Issuer or evidencing a Note that has been acquired by an affiliate in a transaction or series of transactions not involving any public offering must, until one year after the last date on which either the Issuer or any affiliate of the Issuer was an owner of the Note, be in the form of a Definitive Note and bear the legend regarding transfer restrictions in Section 2.1(d)(1). If required to do so pursuant to any applicable law or regulation, beneficial owners may also obtain Definitive Notes in exchange for their beneficial interests in a Global Note upon written request in accordance with DTC's and the Registrar's procedures.

(1) Any Definitive Note delivered in exchange for an interest in a Global Note pursuant to Section 2.1(e) shall, except as otherwise provided by Section 2.6(d), bear the applicable legend regarding transfer restrictions applicable to the Global Note set forth in Section 2.1(d)(1).

(2) If a Definitive Note is transferred or exchanged for a beneficial interest in a Global Note, the Trustee will (x) cancel such Definitive Note, (y) record an increase in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (z) in the event that such transfer or exchange involves less than the entire principal amount of the canceled Definitive Note, the Issuer shall execute, and the Trustee shall authenticate and make available for delivery, to the transferring Holder a new Definitive Note representing the principal amount not so transferred.

(3) If a Definitive Note is transferred or exchanged for another Definitive Note, (x) the Trustee will cancel the Definitive Note being transferred or exchanged, (y) the Issuer shall execute, and the Trustee shall authenticate and make available for delivery, one or more new Definitive Notes in authorized denominations having an aggregate principal amount equal to the principal amount of such transfer or exchange to the transferee (in the case of a transfer) or the Holder of the canceled Definitive Note (in the case of an exchange), registered in the name of such transferee or Holder, as applicable, and (z) if such transfer or exchange involves less than the entire principal amount of the canceled Definitive Note, the Issuer shall execute, and the Trustee shall authenticate and make available for delivery to the Holder thereof, one or more Definitive Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Definitive Notes, registered in the name of the Holder thereof.

(4) Notwithstanding anything to the contrary in this Indenture, in no event shall a Definitive Note be delivered upon exchange or transfer of a beneficial interest in the Regulation S Global Note prior to the end of the Restricted Period.

SECTION 2.2. Execution and Authentication. One Officer of the Issuer shall sign the Notes for the Issuer by manual, facsimile or PDF signature. If the Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

A Note shall not be valid until an authorized officer of the Trustee manually authenticates the Note. The signature of the Trustee on a Note shall be conclusive evidence that such Note has been duly and validly authenticated and issued under this Indenture. A Note shall be dated the date of its authentication.

At any time and from time to time after the execution and delivery of this Indenture, the Trustee shall authenticate and make available for delivery: (1) Initial Notes for original issue on the Issue Date in an aggregate principal amount of \$750,000,000 and (2) subject to the terms of this Indenture, Additional Notes for original issue in an unlimited principal amount, in each case upon a written order of the Issuer signed by one Officer (the “Issuer Order”); provided that, with respect to the Initial Notes issued on the Issue Date described in clause (1) above, the Issuer Order shall be signed by one Officer of Merger Sub, requesting the authentication of the Initial Notes to be executed by the Company. Such Issuer Order shall specify whether the Notes will be in the form of Definitive Notes or Global Notes, the amount of the Notes to be authenticated, the date on which the original issue of Notes is to be authenticated, the Holder of the Notes and whether the Notes are to be Initial Notes or Additional Notes.

The Trustee may appoint an agent (the “Authenticating Agent”) reasonably acceptable to the Issuer to authenticate the Notes. Any such appointment shall be evidenced by an instrument signed by a Trust Officer, a copy of which shall be furnished to the Issuer. Unless limited by the terms of such appointment, any such Authenticating Agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by the Authenticating Agent. An Authenticating Agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

In case any of the Issuer or any Guarantor, pursuant to Article IV or Section 10.2, as applicable, shall be consolidated or merged with or into any other Person or shall convey, transfer, lease or otherwise dispose of its properties and assets substantially as an entirety to any Person, and the successor Person resulting from such consolidation, or surviving such merger, or into which the Issuer or any Guarantor shall have been merged, or the Person which shall have received a conveyance, transfer, lease or other disposition as aforesaid, shall have executed an indenture supplemental hereto with the Trustee pursuant to Article IV, any of the Notes authenticated or delivered prior to such consolidation, merger, conveyance, transfer, lease or other disposition may (but shall not be required), from time to time, at the request of the successor Person, be exchanged for other Notes executed in the name of the successor Person with such changes in phraseology and form as may be appropriate to reflect such successor Person, but otherwise in substance of like tenor as the Notes surrendered for such exchange and of like principal amount; and the Trustee, upon the Issuer Order of the successor Person, shall authenticate and make available for delivery Notes as specified in such order for the purpose of such exchange. If Notes shall at any time be authenticated and delivered in any new name of a successor Person pursuant to this Section 2.2 in exchange or substitution for or upon registration of transfer of any Notes, such successor Person, at the option of the Holders but without expense to them, shall provide for the exchange of all Notes at the time outstanding for Notes authenticated and delivered in such new name.

SECTION 2.3. Registrar and Paying Agent. The Issuer shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (the “Registrar”) and an office or agency where Notes may be presented for payment. The Registrar shall keep a register of the Notes and of their transfer and exchange (the “Notes Register”). The Issuer may have one or more co-registrars and one or more additional paying agents. The term “Paying Agent” includes any additional paying agent and the term “Registrar” includes any co-registrar.

The Issuer shall enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee in writing of the name and address of each such agent. If the Issuer fails to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.7. The Issuer or any Guarantor may act as Paying Agent, Registrar or Transfer Agent.

The Issuer initially appoints DTC to act as Depositary with respect to the Global Notes. The Issuer initially appoints the Trustee as Registrar and Paying Agent for the Notes. The Issuer may change any Registrar or Paying Agent without prior notice to the Holders, but upon written notice to such Registrar or Paying Agent and to the

Trustee; *provided, however*, that no such removal shall become effective until (i) acceptance of any appointment by a successor as evidenced by an appropriate agreement entered into by the Issuer and such successor Registrar or Paying Agent, as the case may be, and delivered to the Trustee and the passage of any waiting or notice periods required by DTC procedures or (ii) written notification to the Trustee that the Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Registrar or Paying Agent may resign at any time upon written notice to the Issuer and the Trustee.

SECTION 2.4. Paying Agent to Hold Money in Trust. By no later than 11:00 a.m. (New York City time) on the date on which any principal of, premium, if any, or interest on any Note is due and payable, the Issuer shall deposit with the Paying Agent a sum sufficient in immediately available funds to pay such principal, premium or interest when due. The Issuer shall require each Paying Agent (other than the Trustee) to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal of, premium, if any, or interest on the Notes (whether such assets have been distributed to it by the Issuer or other obligors on the Notes), shall notify the Trustee in writing of any default by the Issuer or any Guarantor in making any such payment and shall during the continuance of any default by the Issuer (or any other obligor upon the Notes) in the making of any payment in respect of the Notes, upon the written request of the Trustee, forthwith deliver to the Trustee all sums held in trust by such Paying Agent for payment in respect of the Notes together with a full accounting thereof. If the Issuer or a Subsidiary of the Issuer acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Issuer at any time may require a Paying Agent (other than the Trustee) to pay all money held by it to the Trustee and to account for any funds or assets disbursed by such Paying Agent. Upon complying with this Section 2.4, the Paying Agent (if other than the Issuer or a Subsidiary of the Issuer) shall have no further liability for the money delivered to the Trustee. Upon any bankruptcy, reorganization or similar proceeding with respect to the Issuer, the Trustee shall serve as Paying Agent for the Notes.

SECTION 2.5. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuer, on its own behalf and on behalf of each of the Guarantors, shall furnish or cause the Registrar to furnish to the Trustee, in writing at least five (5) Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

SECTION 2.6. Transfer and Exchange.

(a) A Holder may transfer a Note (or a beneficial interest therein) to another Person or exchange a Note (or a beneficial interest therein) for another Note or Notes of any authorized denomination by presenting to the Registrar a written request therefor stating the name of the proposed transferee or requesting such an exchange, accompanied by any certification, opinion or other document required by this Section 2.6. The Registrar will promptly register any transfer or exchange that meets the requirements of this Section 2.6 by noting the same in the Notes Register maintained by the Registrar for the purpose, and no transfer or exchange will be effective until it is registered in such Notes Register. The transfer or exchange of any Note (or a beneficial interest therein) may only be made in accordance with this Section 2.6 and Section 2.1(e) and 2.1(f), as applicable, and, in the case of a Global Note (or a beneficial interest therein), the applicable rules and procedures of DTC, Euroclear and Clearstream. The Registrar shall refuse to register any requested transfer or exchange that does not comply with this paragraph.

(b) Transfers of Rule 144A Notes and Institutional Accredited Investor Notes. The following provisions shall apply with respect to any proposed registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note prior to the date that is one year after the later of the date of its original issue and the last date on which the Issuer or any Affiliate of the Issuer was the owner of such Notes (or any predecessor thereto) (the “Resale Restriction Termination Date”):

(1) a registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note or a beneficial interest therein to a QIB shall be made upon the representation of the transferee in the form

as set forth on the reverse of the Note that it is purchasing for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a “qualified institutional buyer” within the meaning of Rule 144A, and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Issuer as the undersigned has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A; *provided* that no such written representation or other written certification shall be required in connection with the transfer of a beneficial interest in the Rule 144A Global Note to a transferee in the form of a beneficial interest in that Rule 144A Global Note in accordance with this Indenture and the applicable procedures of DTC;

(2) a registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Global Note or a beneficial interest therein to an IAI or an AI shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Section 2.8 or Section 2.10, respectively, from the proposed transferee and the delivery of an Opinion of Counsel, certification and/or other information satisfactory to the Issuer; and

(3) a registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note or a beneficial interest therein to a Non-U.S. Person shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Section 2.9 from the proposed transferee and the delivery of an Opinion of Counsel, certification and/or other information satisfactory to the Issuer.

(c) Transfers of Regulation S Notes. The following provisions shall apply with respect to any proposed transfer of a Regulation S Note prior to the expiration of the Restricted Period:

(1) a transfer of a Regulation S Note or a beneficial interest therein to a QIB shall be made upon the representation of the transferee, in the form of assignment on the reverse of the certificate, that it is purchasing the Note for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a “qualified institutional buyer” within the meaning of Rule 144A, is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Issuer as the undersigned has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A;

(2) a transfer of a Regulation S Note or a beneficial interest therein to an IAI or an AI shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Section 2.8 or Section 2.10, respectively, from the proposed transferee and the delivery of an Opinion of Counsel, certification and/or other information satisfactory to the Issuer; and

(3) a transfer of a Regulation S Note or a beneficial interest therein to a Non-U.S. Person shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Section 2.9 hereof from the proposed transferee and receipt by the Registrar or its agent of an Opinion of Counsel, certification and/or other information satisfactory to the Issuer.

After the expiration of the Restricted Period, interests in the Regulation S Note may be transferred in accordance with applicable law without requiring the certification set forth in Section 2.9 or any additional certification.

(d) Restricted Notes Legend. Upon the transfer, exchange or replacement of Notes not bearing a Restricted Notes Legend, the Registrar shall deliver Notes that do not bear a Restricted Notes Legend. Upon the transfer, exchange or replacement of Notes bearing a Restricted Notes Legend, the Registrar shall deliver only Notes that bear a Restricted Notes Legend unless (1) an Initial Note is being transferred pursuant to an effective registration statement, (2) Initial Notes are being exchanged for Notes that do not bear the Restricted Notes Legend in accordance with Section 2.6(e) or (3) there is delivered to the Registrar an Opinion of Counsel reasonably

satisfactory to the Issuer to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act. Any Additional Notes sold in a registered offering shall not be required to bear the Restricted Notes Legend.

(e) [Reserved].

(f) Retention of Written Communications. The Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 2.1 or this Section 2.6. The Issuer shall have the right to inspect and make copies of all such letters, notices or other written communications, at the Issuer's expense, at any reasonable time upon the giving of reasonable prior written notice to the Registrar.

(g) Obligations with Respect to Transfers and Exchanges of Notes. To permit registrations of transfers and exchanges, the Issuer shall, subject to the other terms and conditions of this Article II, execute and the Trustee shall authenticate Definitive Notes and Global Notes at the Issuer's and the Registrar's written request.

No service charge shall be made to a Holder for any registration of transfer or exchange, but the Issuer may require the Holder to pay a sum sufficient to cover any transfer tax assessments or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charges payable upon exchange or transfer pursuant to Sections 2.2, 2.6, 2.11, 2.13, 3.5, 5.6 or 9.5).

The Issuer (and the Registrar) shall not be required to register the transfer of or exchange of any Note (A) for a period beginning (1) fifteen (15) calendar days before the mailing (or electronic delivery) of a notice of an offer to repurchase or redeem Notes and ending at the close of business on the day of such mailing (or electronic delivery) or (2) fifteen (15) calendar days before an interest payment date and ending on such interest payment date or (B) called for redemption, except the unredeemed portion of any Note being redeemed in part.

Prior to the due presentation for registration of transfer of any Note, the Issuer, the Trustee, the Paying Agent or the Registrar may deem and treat the person in whose name a Note is registered as the owner of such Note for the purpose of receiving payment of principal of, premium, if any, and (subject to paragraph 2 of the forms of Notes attached hereto as Exhibit A) interest on such Note and for all other purposes whatsoever, including without limitation the transfer or exchange of such Note, whether or not such Note is overdue, and none of the Issuer, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

Any Definitive Note delivered in exchange for an interest in a Global Note pursuant to Section 2.1(f) shall, except as otherwise provided by Section 2.6(d), bear the applicable legend regarding transfer restrictions applicable to the Definitive Note set forth in Section 2.1(d)(1).

All Notes issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

(h) No Obligation of the Trustee. (1) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in, DTC or other Person with respect to the accuracy of the records of DTC or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than DTC) of any notice (including any notice of redemption or purchase) or the payment of any amount or delivery of any Notes (or other security or property) under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders in respect of the Notes shall be given or made only to or upon the order of the registered Holders (which shall be DTC or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through DTC subject to the applicable rules and procedures of DTC. The Trustee may rely and shall be fully protected in relying upon information furnished by DTC with respect to its members, participants and any beneficial owners.

Neither the Registrar nor the Trustee shall have any obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among DTC participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof. Neither the Trustee nor any of its agents shall have any responsibility for any actions taken or not taken by DTC.

The undersigned represents and warrants to you that:

4. I am an "accredited investor" (as defined in Rule 501(a)(4) under the U.S. Securities Act of 1933, as amended (the "Securities Act")) and I am acquiring the Notes not with a view to, or for offer or sale in connection with, any distribution in violation of the Securities Act. The foregoing restrictions on resale will not apply subsequent to the Resale Restriction Termination Date. Each purchaser acknowledges that the Issuer and the Trustee reserve the right prior to any offer, sale or other transfer prior to the Resale Termination Date of the Notes pursuant to clauses (d), (e) or (f) above to require the delivery of an opinion of counsel, certifications and/or other information satisfactory to the Issuer.

6. I understand and acknowledge that upon the issuance thereof, and until such time as the same is no longer required under applicable requirements of the Securities Act or state securities laws, the Notes that I acquire will be certificated Notes that will bear, and all certificates issued in exchange therefor or in substitution thereof will bear, a restrictive legend set forth in Section 2.1(d) of the Indenture.

SECTION 2.11. Mutilated, Destroyed, Lost or Stolen Notes.

If a mutilated Note is surrendered to the Registrar or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Note if the requirements of Section 8-405 of the UCC are met, such that the Holder (a) satisfies the Issuer and the Trustee that such Note has been lost, destroyed or wrongfully taken within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar has not registered a transfer prior to receiving such notification, (b) makes such request to the Issuer and the Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the UCC (a “protected purchaser”), (c) satisfies any other reasonable requirements of the Trustee and (d) provides an indemnity bond, as more fully described below; *provided, however*, if after the delivery of such replacement Note, a protected purchaser of the Note for which such replacement Note was issued presents for payment or registration such replaced Note, the Trustee and/or the Issuer shall be entitled to recover such replacement Note from the Person to whom it was issued and delivered or any Person taking therefrom, except a protected purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer or the Trustee in connection therewith. Such Holder shall furnish an indemnity bond sufficient in the judgment of the (i) Trustee to protect the Trustee and (ii) the Issuer to protect the Issuer, the Trustee, the Paying Agent and the Registrar, from any loss which any of them may suffer if a Note is replaced, and, in the absence of notice to the Issuer, any Guarantor or the Trustee that such Note has been acquired by a protected purchaser, the Issuer shall execute, and upon receipt of an Issuer Order, the Trustee shall authenticate and make available for delivery, in exchange for any such mutilated Note or in lieu of any such destroyed, lost or stolen Note, a new Note of like tenor and principal amount, bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Note, pay such Note.

Upon the issuance of any new Note under this Section 2.11, the Issuer may require that such Holder pay a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of counsel and of the Trustee) in connection therewith.

Subject to the proviso in the initial paragraph of this Section 2.11, every new Note issued pursuant to this Section 2.11, in lieu of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Issuer, any Guarantor (if applicable) and any other obligor upon the Notes, whether or not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section 2.11 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

SECTION 2.12. Outstanding Notes. Notes outstanding at any time are all Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those paid pursuant to Section 2.11 and those described in this Section 2.12 as not outstanding. A Note does not cease to be outstanding in the event the Issuer or an Affiliate of the Issuer holds the Note; *provided, however*, that (i) for purposes of determining which are outstanding for consent or voting purposes hereunder, the provisions of Section 13.4 shall apply and (ii) in determining whether the Trustee shall be protected in making a determination whether the Holders of the requisite principal amount of outstanding Notes are present at a meeting of Holders of Notes for quorum purposes or have consented to or voted in favor of any request, demand, authorization, direction, notice, consent, waiver, amendment or modification hereunder, or relying upon any such quorum, consent or vote, only Notes which a Trust Officer of the Trustee actually knows to be held by the Issuer or an Affiliate of the Issuer shall not be considered outstanding.

If a Note is replaced pursuant to Section 2.11 (other than a mutilated Note surrendered for replacement), it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the replaced Note is held by a protected purchaser. A mutilated Note ceases to be outstanding upon surrender of such Note and replacement pursuant to Section 2.11.

If the Paying Agent segregates and holds in trust, in accordance with this Indenture, on a Redemption Date or maturity date, money sufficient to pay all principal, premium, if any, and accrued interest payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.13. Temporary Notes. In the event that Definitive Notes are to be issued under the terms of this Indenture, until such Definitive Notes are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form, and shall carry all rights, of Definitive Notes but may have variations that the Issuer considers appropriate for temporary Notes. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate Definitive Notes. After the preparation of Definitive Notes, the temporary Notes shall be exchangeable for Definitive Notes upon surrender of the temporary Notes at any office or agency maintained by the Issuer for that purpose and such exchange shall be without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Issuer shall execute, and the Trustee shall, upon receipt of an Issuer Order, authenticate and make available for delivery in exchange therefor, one or more Definitive Notes representing an equal principal amount of Notes. Until so exchanged, the Holder of temporary Notes shall in all respects be entitled to the same benefits under this Indenture as a Holder of Definitive Notes.

SECTION 2.14. Cancellation. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and dispose of such Notes in accordance with its internal policies and customary procedures (subject to the record retention requirements of the Exchange Act and the Trustee). If the Issuer or any Guarantor acquires any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.14. The Issuer may not issue new Notes to replace Notes it has paid or delivered to the Trustee for cancellation for any reason other than in connection with a transfer or exchange.

At such time as all beneficial interests in a Global Note have either been exchanged for Definitive Notes, transferred, redeemed, repurchased or canceled, such Global Note shall be returned by DTC to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for Definitive Notes, transferred in exchange for an interest in another Global Note, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Notes Custodian

for such Global Note) with respect to such Global Note, by the Trustee or the Notes Custodian, to reflect such reduction.

SECTION 2.15. Payment of Interest; Defaulted Interest. Interest on any Note which is payable, and is punctually paid or duly provided for, on any interest payment date shall be paid to the Person in whose name such Note (or one or more Predecessor Notes) is registered at the close of business on the regular record date for such payment at the office or agency of the Issuer maintained for such purpose pursuant to Section 2.3.

Any interest on any Note which is payable, but is not paid when the same becomes due and payable and such nonpayment continues for a period of 30 days shall forthwith cease to be payable to the Holder on the regular record date, and such defaulted interest and (to the extent lawful) interest on such defaulted interest at the rate borne by the Notes (such defaulted interest and interest thereon herein collectively called “Defaulted Interest”) shall be paid by the Issuer, at its election, as provided in clause (a) or (b) below:

(a) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the close of business on a Special Record Date (as defined below) for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date (not less than 30 days after such notice) of the proposed payment (the “Special Interest Payment Date”), and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this Section 2.15(a). Thereupon the Issuer shall fix a record date (the “Special Record Date”) for the payment of such Defaulted Interest, which date shall be not more than twenty (20) calendar days and not less than fifteen (15) calendar days prior to the Special Interest Payment Date and not less than ten (10) calendar days after the receipt by the Trustee of the notice of the proposed payment. The Issuer shall promptly notify the Trustee in writing of such Special Record Date, and in the name and at the expense of the Issuer, the Trustee shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor to be given in the manner provided for in Section 13.1, not less than ten (10) calendar days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor having been so given, such Defaulted Interest shall be paid on the Special Interest Payment Date to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the provisions in Section 2.15(b).

(b) The Issuer may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after written notice given by the Issuer to the Trustee of the proposed payment pursuant to this Section 2.15(b), such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section 2.15, each Note delivered under this Indenture upon registration of, transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.16. CUSIP and ISIN Numbers.

The Issuer in issuing the Notes may use “CUSIP” and “ISIN” numbers and, if so, the Trustee shall use “CUSIP” and “ISIN” numbers in notices of redemption or purchase as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption or purchase and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption or purchase shall not be affected by any

defect in or omission of such CUSIP and ISIN numbers. The Issuer shall promptly notify the Trustee in writing of any change in the CUSIP and ISIN numbers.

ARTICLE III

COVENANTS

SECTION 3.1. Payment of Notes. The Issuer shall promptly pay the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal, premium, if any, and interest shall be considered paid on the date due if by 11:00 a.m. New York City time on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal, premium, if any, and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Issuer shall pay interest on overdue principal at the rate specified therefor in the Notes, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

Notwithstanding anything to the contrary contained in this Indenture, the Issuer may, to the extent it is required to do so by law, deduct or withhold income or other similar taxes imposed by the United States of America from principal or interest payments hereunder.

SECTION 3.2. Limitation on Indebtedness.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, incur any Indebtedness (including Acquired Indebtedness); provided, however, that the Company and any of its Restricted Subsidiaries may incur Indebtedness (including Acquired Indebtedness), if on the date of such incurrence and after giving pro forma effect thereto (including pro forma application of the proceeds thereof), either (i) the Fixed Charge Coverage Ratio of the Company and its Restricted Subsidiaries is greater than 2.00 to 1.00 or (ii) the Consolidated Total Leverage Ratio would have been no greater than 5.70 to 1.00; provided, further, that Non-Guarantors may not incur Indebtedness under this Section 3.2(a) if, after giving *pro forma* effect to such incurrence (including a pro forma application of the net proceeds therefrom), more than an aggregate of the greater of (a) \$260.0 million and (b) 35.0% of LTM EBITDA of Indebtedness of Non-Guarantors would be outstanding pursuant to this paragraph at such time.

(b) Section 3.2(a) will not prohibit the incurrence of the following Indebtedness (collectively, "Permitted Debt"):

(1) Indebtedness incurred under any Credit Facility (including letters of credit or bankers' acceptances issued or created under any Credit Facility), including the Secured Notes, and Guarantees in respect of such Indebtedness, up to an aggregate principal amount at the time of incurrence not exceeding the sum of (a) \$3,530.0 million, (b) the greater of \$740.0 million and 100.0% of LTM EBITDA and (c) an additional amount (with any amounts incurred under this clause (c) deemed to be Secured Indebtedness for this purpose) after all amounts have been incurred under clauses (1)(a) and (b), if after giving pro forma effect to the incurrence of such additional amount and the application of the proceeds therefrom, the Consolidated Secured Leverage Ratio would be no greater than 4.90 to 1.00 outstanding at any one time, and any Refinancing Indebtedness in respect thereof;

(2) Guarantees by the Company or any Restricted Subsidiary of Indebtedness or other obligations of the Company or any Restricted Subsidiary so long as the incurrence of such Indebtedness or other obligations is not prohibited by the terms of this Indenture;

(3) Indebtedness of the Company to any Restricted Subsidiary or Indebtedness of a Restricted Subsidiary to the Company or any Restricted Subsidiary; *provided, however*, that:

(i) any subsequent issuance or transfer of Capital Stock or any other event which results in any such Indebtedness being held by a Person other than the Company or a Restricted Subsidiary, and

(ii) any sale or other transfer of any such Indebtedness to a Person other than the Company or a Restricted Subsidiary,

shall be deemed, in each case, to constitute an incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be;

(4) Indebtedness represented by (a) the Notes (other than any Additional Notes), including any Guarantee thereof, (b) any Indebtedness (other than Indebtedness incurred pursuant to clauses (1), (3) or (4)(a) of this Section 3.2(b)) outstanding on the Issue Date and any Guarantees thereof, (c) Refinancing Indebtedness (including, with respect to the Notes and any Guarantee thereof) incurred in respect of any Indebtedness described in this clause (4) or clause (5) of this Section 3.2(b) or incurred pursuant to Section 3.2(a), and (d) Management Advances;

(5) Indebtedness of (x) the Company or any Restricted Subsidiary incurred or issued to finance an acquisition or Investment or (y) Persons that are acquired by the Company or any Restricted Subsidiary or merged into, amalgamated or consolidated with the Company or a Restricted Subsidiary in accordance with the terms of this Indenture (including designating an Unrestricted Subsidiary as a Restricted Subsidiary); *provided* that such Indebtedness is in an aggregate amount not to exceed (i) the greater of \$185.0 million and 25.0% of LTM EBITDA at the time of incurrence, plus (ii) unlimited additional Indebtedness if after giving pro forma effect to such acquisition, merger, amalgamation or consolidation, either:

(a) the Company would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to Section 3.2(a);

(b) either the Fixed Charge Coverage Ratio of the Company and its Restricted Subsidiaries would not be lower or the Consolidated Total Leverage Ratio of the Company and its Restricted Subsidiaries would not be higher, in each case, than it was immediately prior to such acquisition, merger, amalgamation or consolidation; or

(c) such Indebtedness constitutes Acquired Indebtedness (other than Indebtedness incurred in contemplation of the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was otherwise acquired by the Company or a Restricted Subsidiary); *provided* that, in the case of this clause (c), the only obligors with respect to such Indebtedness shall be those Persons who were obligors of such Indebtedness prior to such acquisition, merger, amalgamation or consolidation.

(6) Hedging Obligations (excluding Hedging Obligations entered into for speculative purposes);

(7) Indebtedness (i) represented by Capitalized Lease Obligations or Purchase Money Obligations in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness incurred pursuant to this clause (7)(i) and then outstanding, does not exceed the greater of (a) \$225.0 million and (b) 30.0% of LTM EBITDA at the time of incurrence and any Refinancing Indebtedness in respect thereof, and (ii) arising out of Sale and Leaseback Transactions in an aggregate outstanding principal amount, which when taken together with the principal amount of all other Indebtedness incurred pursuant to this clause (7)(ii) and then outstanding, does not exceed the greater of (a) \$150.0 million and (b) 20.0% of LTM EBITDA at the time of incurrence and any Refinancing Indebtedness in respect thereof;

(8) Indebtedness in respect of (a) workers' compensation claims, health, disability or other employee benefits, property, casualty or liability insurance, self-insurance obligations, customer guarantees, performance, indemnity, surety, judgment, bid, appeal, advance payment (including progress premiums), customs, value added or other tax or other guarantees or other similar bonds, instruments or obligations, completion guarantees and warranties or relating to liabilities, obligations or guarantees incurred in the ordinary course of business or consistent with past practice; (b) the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business or consistent with past practice; (c) customer deposits and advance payments (including progress premiums) received from customers for goods or services purchased in the ordinary course of business or consistent with past practice; (d) letters of credit, bankers' acceptances, discounted bills of exchange, discounting or factoring of receivables or payables for credit management purposes, warehouse receipts, guarantees or other similar instruments or obligations issued or entered into, or relating to liabilities or obligations incurred in the ordinary course of business or consistent with past practice; (e) Cash Management Obligations; and (f) Settlement Indebtedness;

(9) Indebtedness arising from agreements providing for guarantees, indemnification, obligations in respect of earn-outs, deferred purchase price or other adjustments of purchase price or, in each case, similar obligations, in each case, incurred or assumed in connection with the acquisition or disposition of any business, assets, a Person (including any Capital Stock of a Subsidiary) or Investment (other than Guarantees of Indebtedness incurred by any Person acquiring or disposing of such business, assets, Person or Investment for the purpose of financing such acquisition or disposition);

(10) Indebtedness in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness incurred pursuant to this clause and then outstanding, will not exceed 200% of the net cash proceeds received by the Company from the issuance or sale (other than to a Restricted Subsidiary) of its Capital Stock or otherwise contributed to the equity (in each case, other than through the issuance of Disqualified Stock, Designated Preferred Stock or an Excluded Contribution) of the Company, in each case, subsequent to the Issue Date, and any Refinancing Indebtedness in respect thereof; provided, however, that (i) any such net cash proceeds that are so received or contributed shall not increase the amount available for making Restricted Payments to the extent the Company and its Restricted Subsidiaries incur Indebtedness in reliance thereon and (ii) any net cash proceeds that are so received or contributed shall be excluded for purposes of incurring Indebtedness pursuant to this clause to the extent such net cash proceeds or cash have been applied to make Restricted Payments;

(11) Indebtedness of Non-Guarantors in an aggregate principal amount not to exceed the greater of (a) \$150.0 million and (b) 20.0% of LTM EBITDA at the time of incurrence, and any Refinancing Indebtedness in respect thereof;

(12) (a) Indebtedness issued by the Company or any of its Subsidiaries to any future, present or former employee, director, officer, manager, contractor, consultant or advisor (or their respective Controlled Investment Affiliates or Immediate Family Members) of the Company, any of its Subsidiaries or any Parent Entity, in each case to finance the purchase or redemption of Capital Stock of the Company or any Parent Entity that is permitted by Section 3.3 and (b) Indebtedness consisting of obligations under deferred compensation or any other similar arrangements incurred in the ordinary course of business, consistent with past practice or in connection with the Transactions, any Investment or any acquisition (by merger, consolidation, amalgamation or otherwise);

(13) Indebtedness of the Company or any of its Restricted Subsidiaries consisting of (i) the financing of insurance premiums or (ii) take-or-pay obligations contained in supply arrangements, in each case incurred in the ordinary course of business or consistent with past practice;

(14) Indebtedness in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness incurred pursuant to this clause and then outstanding and any Refinancing Indebtedness in respect thereof, will not exceed the greater of (x) \$295.0 million and (y) 40.0% of LTM EBITDA;

(15) Indebtedness in respect of any Qualified Securitization Financing or any Receivables Facility;

(16) any obligation, or guaranty of any obligation, of the Company or any Restricted Subsidiary to reimburse or indemnify a Person extending credit to customers of the Company or a Restricted Subsidiary incurred in the ordinary course of business or consistent with past practice for all or any portion of the amounts payable by such customers to the Person extending such credit;

(17) Indebtedness to a customer to finance the acquisition of any equipment necessary to perform services for such customer; provided that the terms of such Indebtedness are consistent with those entered into with respect to similar Indebtedness prior to the Issue Date, including that (i) the repayment of such Indebtedness is conditional upon such customer ordering a specific amount of goods or services and (ii) such Indebtedness does not bear interest or provide for scheduled amortization or maturity;

(18) Indebtedness incurred by the Company or any of its Restricted Subsidiaries to the extent that the net proceeds thereof are promptly deposited with the Trustee to satisfy or discharge the Notes or exercise the Company's legal defeasance or covenant defeasance, in each case, in accordance with this Indenture; and

(19) Indebtedness of the Company or any of its Restricted Subsidiaries arising pursuant to any Permitted Tax Restructuring.

(c) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness incurred pursuant to and in compliance with, this Section 3.2:

(1) in the event that all or any portion of any item of Indebtedness meets the criteria of more than one of the types of Indebtedness described in Section 3.2(a) and (b), the Company, in its sole discretion, shall classify, and may from time to time reclassify, such item of Indebtedness (or any portion thereof) and only be required to include the amount and type of such Indebtedness in Section 3.2(a) or one of the clauses of Section 3.2(b);

(2) additionally, all or any portion of any item of Indebtedness may later be reclassified as having been incurred pursuant to any type of Indebtedness described in Section 3.2(a) or (b) so long as such Indebtedness is permitted to be incurred pursuant to such provision and any related Liens are permitted to be incurred at the time of reclassification (it being understood that any Indebtedness incurred pursuant to one of the clauses of Section 3.2(b) shall cease to be deemed incurred or outstanding for purposes of such clause but shall be deemed incurred for the purposes of the Section 3.2(a) from and after the first date on which the Company or its Restricted Subsidiaries could have incurred such Indebtedness under Section 3.2(a) without reliance on such clause);

(3) all Indebtedness outstanding on the Issue Date under the Credit Agreement and the Secured Notes shall be deemed incurred on the Issue Date under Section 3.2(b)(1);

(4) in the case of any Refinancing Indebtedness, when measuring the outstanding amount of such Indebtedness, such amount shall not include the aggregate amount of accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing;

65

(5) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(6) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are incurred pursuant to any Credit Facility and are being treated as incurred pursuant to Section 3.2(a) or any clause of Section 3.2(b), and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;

(7) the principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(8) Indebtedness permitted by this Section 3.2 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 3.2 permitting such Indebtedness;

(9) for all purposes under this Indenture, including for purposes of calculating the Fixed Charge Coverage Ratio, the Consolidated Secured Leverage Ratio or the Consolidated Total Leverage Ratio, as applicable, in connection with the incurrence, issuance or assumption of any Indebtedness pursuant to Section 3.2(a) or Section 3.2(b) or the incurrence or creation of any Lien pursuant to the definition of "Permitted Liens," the Company may elect, at its option, to treat all or any portion of the committed amount of any Indebtedness (and the issuance and creation of letters of credit and bankers' acceptances thereunder) which is to be incurred (or any commitment in respect thereof) or secured by such Lien, as the case may be (any such committed amount elected until revoked as described below, the "Reserved Indebtedness Amount"), as being incurred as of such election date, and, if such Fixed Charge Coverage Ratio, the Consolidated Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Indenture, as applicable, is complied with (or satisfied) with respect thereto on such election date, any subsequent borrowing or reborrowing thereunder (and the issuance and creation of letters of credit and bankers' acceptances thereunder) will be deemed to be permitted under this Section 3.2 or the definition of "Permitted Liens," as applicable, whether or not the Fixed Charge Coverage Ratio, the Consolidated Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Indenture, as applicable, at the actual time of any subsequent borrowing or reborrowing (or issuance or creation of letters of credit or bankers' acceptances thereunder) is complied with (or satisfied) for all purposes (including as to the absence of any continuing Default or Event of Default); provided that for purposes of subsequent calculations of the Fixed Charge Coverage Ratio, the Consolidated Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Indenture, as applicable, the Reserved Indebtedness Amount shall be deemed to be outstanding, whether or not such amount is actually outstanding, for so long as such commitments are outstanding or until the Company revokes an election of a Reserved Indebtedness Amount;

(10) notwithstanding anything in this Section 3.2 to the contrary, in the case of any Indebtedness incurred to refinance Indebtedness initially incurred in reliance on Section 3.2(b) measured by reference to a percentage of LTM EBITDA at the time of incurrence, if such refinancing would cause the percentage of LTM EBITDA restriction to be exceeded if calculated based on the percentage of LTM EBITDA on the date of such refinancing, such percentage of LTM EBITDA restriction shall not be deemed to be exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced, plus accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing; and

(11) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined in accordance with GAAP.

Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP, will not be deemed to be an incurrence of Indebtedness for purposes of this Section 3.2.

If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be incurred by a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be incurred as of such date under this Section 3.2, the Company shall be in default of this Section 3.2).

For purposes of determining compliance with any Dollar-denominated restriction on the incurrence of Indebtedness, the Dollar equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; provided, that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed (a) the principal amount of such Indebtedness being refinanced plus (b) the aggregate amount of accrued and unpaid interest, dividends, premiums (including tender premiums) defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing.

Notwithstanding any other provision of this Section 3.2, the maximum amount of Indebtedness that the Company or a Restricted Subsidiary may incur pursuant to this Section 3.2 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

SECTION 3.3. Limitation on Restricted Payments.

(a) The Company shall not, and shall not permit any of the Restricted Subsidiaries, directly or indirectly, to:

(1) declare or pay any dividend or make any distribution on or in respect of the Company's or any Restricted Subsidiary's Capital Stock (including any such payment in connection with any merger or consolidation involving the Company or any of the Restricted Subsidiaries) except:

(i) dividends, payments or distributions payable in Capital Stock of the Company (other than Disqualified Stock) or in options, warrants or other rights to purchase such Capital Stock of the Company; and

(ii) dividends, payments or distributions payable to the Company or a Restricted Subsidiary (and, in the case of any such Restricted Subsidiary making such dividend or distribution, to holders of its Capital Stock other than the Company or another Restricted Subsidiary on no more than a *pro rata* basis);

(2) purchase, repurchase, redeem, retire or otherwise acquire or retire for value any Capital Stock of the Company or any Parent Entity held by Persons other than the Company or a Restricted Subsidiary;

(3) purchase, repurchase, redeem, defease or otherwise acquire or retire for value, prior to scheduled maturity, scheduled repayment or scheduled sinking fund payment, any Subordinated Indebtedness (other than (i) any such purchase, repurchase, redemption, defeasance or other acquisition or retirement in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case, due within one year of the date of purchase, repurchase, redemption, defeasance or other acquisition or retirement and (ii) any Indebtedness incurred pursuant to Section 3.2(b)(3)); or

(4) make any Restricted Investment;

(any such dividend, distribution, payment, purchase, redemption, repurchase, defeasance, other acquisition, retirement or Restricted Investment referred to in clauses (1) through (4) above are referred to herein as a “Restricted Payment”), if at the time the Company or such Restricted Subsidiary makes such Restricted Payment:

(i) in the case of a Restricted Payment other than a Restricted Investment, an Event of Default shall have occurred and be continuing (or would immediately thereafter result therefrom);

(ii) the Company is not able to incur an additional \$1.00 of Indebtedness pursuant to Section 3.2(a) immediately after giving effect, on a pro forma basis, to such Restricted Payment; or

(iii) the aggregate amount of such Restricted Payment and all other Restricted Payments made subsequent to the Issue Date (and not returned or rescinded) (including Permitted Payments made pursuant to Section 3.3(b)(1) (without duplication) and Section 3.3(b)(7), but excluding all other Restricted Payments permitted by Section 3.3(b)) would exceed the sum of (without duplication):

(A) 50% of Consolidated Net Income for the period (treated as one accounting period) from the first day of the first fiscal quarter in which the Issue Date occurs to the end of the most recent fiscal quarter ending prior to the date of such Restricted Payment for which consolidated financial statements are available (which may be internal financial statements) (or, in the case such Consolidated Net Income is a deficit, minus 100% of such deficit);

(B) 100% of the aggregate amount of cash, and the fair market value of property or assets or marketable securities, received by the Company from the issue or sale of its Capital Stock or as the result of a merger or consolidation with another Person subsequent to the Issue Date or otherwise contributed to the equity (in each case other than through the issuance of Disqualified Stock or Designated Preferred Stock) of the Company or a Restricted Subsidiary (including the aggregate principal amount of any Indebtedness of the Company or a Restricted Subsidiary contributed to the Company or a Restricted Subsidiary for cancellation) or that becomes part of the capital of the Company or a Restricted Subsidiary through consolidation or merger subsequent to the Issue Date (other than (x) net cash proceeds or property or assets or marketable securities received from an issuance or sale of such Capital Stock to a Restricted Subsidiary or an employee stock ownership plan or trust established by the Company or any Subsidiary of the Company for the benefit of their employees to the extent funded by the Company or any Restricted Subsidiary, (y) cash or property or assets or marketable securities to the extent that any Restricted Payment has been made from such proceeds in reliance on Section 3.3(b)(6) and (z) Excluded Contributions);

(C) 100% of the aggregate amount of cash, and the fair market value of property or assets or marketable securities, received by the Company or any Restricted Subsidiary from the issuance or sale (other than to the Company or a Restricted

Subsidiary or an employee stock ownership plan or trust established by the Company or any Subsidiary of the Company for the benefit of their employees to the extent funded by the Company or any Restricted Subsidiary) by the Company or any Restricted Subsidiary subsequent to the Issue Date of any Indebtedness, Disqualified Stock or Designated Preferred Stock that has been converted into or exchanged for Capital Stock of the Company (other than Disqualified Stock or Designated Preferred Stock) plus, without duplication, the amount of any cash, and the fair market value of property or assets or marketable securities, received by the Company or any Restricted Subsidiary upon such conversion or exchange;

(D) 100% of the aggregate amount received in cash and the fair market value, as determined in good faith by the Company, of marketable securities or other property received by means of: (i) the sale or other disposition (other than to the Company or a Restricted Subsidiary) of, or other returns on Investment from, Restricted Investments made by the Company or the Restricted Subsidiaries and repurchases and redemptions of, or cash distributions or cash interest received in respect of, such Investments from the Company or the Restricted Subsidiaries and repayments of loans or advances, and releases of guarantees, which constitute Restricted Investments by the Company or the Restricted Subsidiaries, in each case after the Issue Date; or (ii) the sale or other disposition (other than to the Company or a Restricted Subsidiary) of the Capital Stock of an Unrestricted Subsidiary or a dividend, payment or distribution from an Unrestricted Subsidiary (other than to the extent of the amount of the Investment that constituted a Permitted Investment or was made under Section 3.3(b)(17) and will increase the amount available under the applicable clause of the definition of "Permitted Investment" or Section 3.3(b)(17), as the case may be) or a dividend from a Person that is not a Restricted Subsidiary after the Issue Date;

(E) in the case of the redesignation of an Unrestricted Subsidiary as a Restricted Subsidiary or the merger, amalgamation or consolidation of an Unrestricted Subsidiary into the Company or a Restricted Subsidiary or the transfer of all or substantially all of the assets of an Unrestricted Subsidiary to the Company or a Restricted Subsidiary after the Issue Date, the fair market value of the Investment in such Unrestricted Subsidiary (or the assets transferred), as determined in good faith by the Company at the time of the redesignation of such Unrestricted Subsidiary as a Restricted Subsidiary or at the time of such merger, amalgamation or consolidation or transfer of assets (after taking into consideration any Indebtedness associated with the Unrestricted Subsidiary so designated or merged, amalgamated or consolidated or Indebtedness associated with the assets so transferred), other than to the extent of the amount of the Investment that constituted a Permitted Investment or was made under Section 3.3(b)(17) and will increase the amount available under the applicable clause of the definition of "Permitted Investment" or Section 3.3(b)(17), as the case may be; and

(F) \$250.0 million.

(b) Section 3.3(a) will not prohibit any of the following (collectively, "Permitted Payments"):

(1) the payment of any dividend or distribution within 60 days after the date of declaration thereof, if at the date of declaration such payment would have complied with the provisions of this Indenture or the redemption, repurchase or retirement of Indebtedness if, at the date of any redemption notice, such payment would have complied with the provisions of this Indenture as if it were and is deemed at such time to be a Restricted Payment at the time of such notice;

(2) (a) any prepayment, purchase, repurchase, redemption, defeasance, discharge, retirement or other acquisition of Capital Stock, including any accrued and unpaid dividends thereon ("Treasury).

(3) any prepayment, purchase, repurchase, exchange, redemption, defeasance, discharge, retirement or other acquisition of Subordinated Indebtedness made by exchange for, or out of the proceeds of the substantially concurrent sale of, Refinancing Indebtedness permitted to be incurred pursuant to Section 3.2;

(4) any prepayment, purchase, repurchase, exchange, redemption, defeasance, discharge, retirement or other acquisition of Preferred Stock of, the Company or a Restricted Subsidiary made by exchange for, or out of the proceeds of, the substantially concurrent sale of Preferred Stock of the Company or a Restricted Subsidiary, as the case may be, that, in each case, is permitted to be incurred pursuant to Section 3.2;

(5) any prepayment, purchase, repurchase, redemption, defeasance, discharge, retirement or other acquisition of Subordinated Indebtedness of the Company or a Restricted Subsidiary:

(i) from net cash proceeds to the extent permitted under Section 3.5, but only if the Company shall have first complied with Section 3.5 and purchased all Notes tendered pursuant to any offer to repurchase all the Notes required thereby, prior to prepaying, purchasing, repurchasing, redeeming, defeasing, discharging, retiring or otherwise acquiring such Subordinated Indebtedness; or

(22) investments or other Restricted Payments in an aggregate amount not to exceed an amount equal to Declined Excess Proceeds; and

(23) any Restricted Payment made in connection with a Permitted Intercompany Activity or Permitted Tax Restructuring.

For purposes of determining compliance with this Section 3.3, in the event that a Restricted Payment or Investment (or portion thereof) meets the criteria of more than one of the categories of Permitted Payments described in the clauses above, or is permitted pursuant to Section 3.3(a) and/or one or more of the clauses contained in the definition of “Permitted Investment”, the Company will be entitled to divide or classify (or later divide, classify or reclassify in whole or in part in its sole discretion) such Restricted Payment or Investment (or portion thereof) in any manner that complies with this Section 3.3, including as an Investment pursuant to one or more of the clauses contained in the definition of “Permitted Investment.”

The amount of all Restricted Payments (other than cash) shall be the fair market value on the date of such Restricted Payment of the asset(s) or securities proposed to be paid, transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to such Restricted Payment. The fair market value of any cash Restricted Payment shall be its face amount, and the fair market value of any non-cash Restricted Payment, property or assets other than cash shall be determined conclusively by the Company acting in good faith.

In connection with any commitment, definitive agreement or similar event relating to an Investment, the Company or applicable Restricted Subsidiary may designate such Investment as having occurred on the date of the commitment, definitive agreement or similar event relating thereto (such date, the “Election Date”) if, after giving pro forma effect to such Investment and all related transactions in connection therewith and any related pro forma adjustments, the Company or any of its Restricted Subsidiaries would have been permitted to make such Investment on the relevant Election Date in compliance with this Indenture, and any related subsequent actual making of such Investment will be deemed for all purposes under this Indenture to have been made on such Election Date, including for purposes of calculating any ratio, compliance with any test, usage of any baskets hereunder (if applicable) and EBITDA and for purposes of determining whether there exists any Default or Event of Default (and all such calculations on and after the Election Date until the termination, expiration, passing, rescission, retraction or rescindment of such commitment, definitive agreement or similar event shall be made on a pro forma basis giving effect thereto and all related transactions in connection therewith).

Unrestricted Subsidiaries may use value transferred from the Company and its Restricted Subsidiaries in a Permitted Investment to purchase or otherwise acquire Indebtedness or Capital Stock of the Company, any Parent Entity or any of the Company’s Restricted Subsidiaries, and to transfer value to the holders of the Capital Stock or any Parent Entity and to Affiliates thereof, and such purchase, acquisition, or transfer will not be deemed to be a “direct or indirect” action by the Company or its Restricted Subsidiaries.

If the Company or a Restricted Subsidiary makes a Restricted Payment which at the time of the making of such Restricted Payment would in the good faith determination of the Company be permitted under the provisions of this Indenture, such Restricted Payment shall be deemed to have been made in compliance with this Indenture

notwithstanding any subsequent adjustments made in good faith to the Company's financial statements affecting Consolidated Net Income or Consolidated EBITDA of the Company for any period.

For the avoidance of doubt, this Section 3.3 shall not restrict the making of, or dividends or other distributions in amounts sufficient to make, any "AHYDO catch-up payment" with respect to any Indebtedness of any Parent Entity, the Company or any of its Restricted Subsidiaries permitted to be incurred under this Indenture.

SECTION 3.4. Limitation on Restrictions on Distributions from Restricted Subsidiaries.

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, create or otherwise cause or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

- (1) pay dividends or make any other distributions in cash or otherwise on its Capital Stock or pay any Indebtedness or other obligations owed to the Company or any Restricted Subsidiary;

(b) The provisions of Section 3.4(a) shall not prohibit:

- (1) any encumbrance or restriction pursuant to any Credit Facility or any other agreement or instrument, in each case, in effect at or entered into on the Issue Date;
- (2) any encumbrance or restriction pursuant to this Indenture, the Notes or the Note Guarantees;
- (3) any encumbrance or restriction pursuant to applicable law, rule, regulation or order;
- (4) any encumbrance or restriction pursuant to an agreement or instrument of a Person or relating to any Capital Stock or Indebtedness of a Person, entered into on or before the date on which such Person was acquired by or merged, consolidated or otherwise combined with or into the Company or any Restricted Subsidiary, or was designated as a Restricted Subsidiary or on which such agreement or instrument is assumed by the Company or any Restricted Subsidiary in connection with an acquisition of assets (other than Capital Stock or Indebtedness incurred as consideration in, or to provide all or any portion of the funds utilized to consummate, the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was acquired by the Company or was merged, consolidated or otherwise combined with or into the Company or any Restricted Subsidiary or entered into in contemplation of or in connection with such transaction) and outstanding on such date; *provided* that, for the purposes of this clause (4), if another Person is the Successor Company, any Subsidiary thereof or agreement or instrument of such Person or any such Subsidiary shall be deemed acquired or assumed by the Company or any Restricted Subsidiary when such Person becomes the Successor Company;
- (5) any encumbrance or restriction: (i) that restricts in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease, license or similar contract or agreement, or the assignment or transfer of any lease, license or other contract or agreement; (ii) contained

in mortgages, pledges, charges or other security agreements permitted under this Indenture or securing Indebtedness of the Company or a Restricted Subsidiary permitted under this Indenture to the extent such encumbrances or restrictions restrict the transfer or encumbrance of the property or assets subject to such mortgages, pledges, charges or other security agreements; (iii) restrictions or conditions contained in any trading, netting, operating, construction, service, supply, purchase, sale or other agreement to which the Company or any of its Restricted Subsidiaries is a party entered into in the ordinary course of business or consistent with past practice; *provided* that such agreement prohibits the encumbrance of solely the property or assets of the Company or such Restricted Subsidiary that are subject to such agreement, the payment rights arising thereunder or the proceeds thereof and does not extend to any other asset or property of the Company or such Restricted Subsidiary or the assets or property of another Restricted Subsidiary; or (iv) pursuant to customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Company or any Restricted Subsidiary;

(6) any encumbrance or restriction pursuant to Purchase Money Obligations and Capitalized Lease Obligations permitted under this Indenture, in each case, that impose encumbrances or restrictions on the property so acquired;

(7) any encumbrance or restriction imposed pursuant to an agreement entered into for the direct or indirect sale or disposition to a Person of all or substantially all of the Capital Stock or assets of the Company or any Restricted Subsidiary (or the property or assets that are subject to such restriction) pending the closing of such sale or disposition;

(8) customary provisions in leases, licenses, equityholder agreements, joint venture agreements, organizational documents and other similar agreements and instruments;

(9) encumbrances or restrictions arising or existing by reason of applicable law or any applicable rule, regulation or order, or required by any regulatory authority;

- (10) any encumbrance or restriction on cash or other deposits or net worth imposed by customers under agreements entered into in the ordinary course of business or consistent with past practice;
- (11) any encumbrance or restriction pursuant to Hedging Obligations;
- (12) other Indebtedness of Foreign Subsidiaries permitted to be incurred or issued subsequent to the Issue Date pursuant to Section 3.2 that impose restrictions solely on the Foreign Subsidiaries party thereto or their Subsidiaries;
- (13) restrictions created in connection with any Qualified Securitization Financing or Receivables Facility that, in the good faith determination of the Company, are necessary or advisable to effect such Securitization Facility or Receivables Facility;
- (14) any encumbrance or restriction arising pursuant to an agreement or instrument relating to any Indebtedness permitted to be incurred subsequent to the Issue Date pursuant to Section 3.2 if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not materially less favorable to the Holders than (i) the encumbrances and restrictions contained in the Credit Agreement, together with the security documents associated therewith, or this Indenture as in effect on the Issue Date or (ii) in comparable financings (as determined in good faith by the Company) and where, in the case of clause (ii), either (A) the Company determines at the time of entry into such agreement or instrument that such encumbrances or restrictions will not adversely affect, in any material respect, the Company's ability to make principal or interest payments on the Notes or (B) such encumbrance or restriction applies only during the continuance of a default in respect of a payment relating to such agreement or instrument;

(15) any encumbrance or restriction existing by reason of any lien permitted under Section 3.6; or

(16) any encumbrance or restriction pursuant to an agreement or instrument effecting a refinancing of Indebtedness incurred pursuant to, or that otherwise refinances, an agreement or instrument referred to in the clauses above or this clause (16) (an “Initial Agreement”) or contained in any amendment, supplement or other modification to an agreement referred to in the clauses above or this clause (16); *provided, however*, that the encumbrances and restrictions with respect to such Restricted Subsidiary contained in any such agreement or instrument are no less favorable in any material respect to the Holders taken as a whole than the encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such refinancing or amendment, supplement or other modification relates (as determined in good faith by the Company).

SECTION 3.5. Limitation on Sales of Assets and Subsidiary Stock.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, make any Asset Disposition unless:

(1) the Company or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal to the fair market value (such fair market value to be determined on the date of contractually agreeing to such Asset Disposition), as determined in good faith by the Company, of the shares and assets subject to such Asset Disposition (including, for the avoidance of doubt, if such Asset Disposition is a Permitted Asset Swap);

(2) in any such Asset Disposition (except to the extent the Asset Disposition is a Permitted Asset Swap), at least 75% of the consideration from such Asset Disposition, together with all other Asset Dispositions since the Issue Date (on a cumulative basis), (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) received by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; and

(3) within 455 days from the later of (A) the date of such Asset Disposition and (B) the receipt of the Net Available Cash from such Asset Disposition (as may be extended by an Acceptable Commitment or a Second Commitment as set forth below, the “*Proceeds Application Period*”), an amount equal to 100% of such Net Available Cash is applied, to the extent the Company or any Restricted Subsidiary, as the case may be, elects:

(i) (a) to reduce, prepay, repay or purchase any Secured Indebtedness, including Indebtedness under the Credit Agreement (or any Refinancing Indebtedness in respect thereof), (b) to reduce, prepay, repay or purchase Pari Passu Indebtedness; *provided*, that the Company ratably repay the Notes, (c) to make an offer (in accordance with the procedures set forth below for an Asset Disposition Offer), redeem Notes as described under Section 5.7 or purchase Notes through open-market purchases or in privately negotiated transactions, or (d) to reduce, prepay, repay or purchase any Indebtedness of a Non-Guarantor (in each case, other than Indebtedness owed to the Company or any Restricted Subsidiary); *provided, however*, that, in connection with any reduction, prepayment, repayment or purchase of Indebtedness pursuant to this clause (i), the Company or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment (other than obligations in respect of any asset-based credit facility to the extent the assets sold or otherwise disposed of in connection with such Asset Disposition constituted “borrowing base assets”) to be reduced in an amount equal to the principal amount so reduced, prepaid, repaid or purchased;

(ii) (a) to invest (including capital expenditures) in or commit to invest in Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary); or

(b) to invest (including capital expenditures) in any one or more businesses (provided that any such business will be a Restricted Subsidiary), properties or assets that replace the businesses, properties and/or assets that are the subject of such Asset Disposition, with any such investment made by way of a capital or other lease valued at the present value of the minimum amount of payments under such lease (as reasonably determined by the Company); provided, however, that a binding agreement shall be treated as a permitted application of Net Available Cash from the date of such commitment with the good faith expectation that an amount equal to Net Available Cash will be applied to satisfy such commitment within 180 days of such commitment (an “Acceptable Commitment”) and, in the event of any Acceptable Commitment is later cancelled or terminated for any reason before such amount is applied in connection therewith, the Company or such Restricted Subsidiary enters into another Acceptable Commitment (a “Second Commitment”) within 180 days of such cancellation or termination; provided, further, that if any Second Commitment is later cancelled or terminated for any reason before such amount is applied, then such Net Available Cash shall constitute Excess Proceeds; or

(iii) any combination of the foregoing;

provided that (1) pending the final application of the amount of any such Net Available Cash pursuant to this Section 3.5, the Company or the applicable Restricted Subsidiaries may apply such Net Available Cash temporarily to reduce Indebtedness (including under the Senior Credit Facilities) or otherwise apply such Net Available Cash in any manner not prohibited by this Indenture and (2) the Company (or any Restricted Subsidiary, as the case may be) may elect to invest in Additional Assets prior to receiving the Net Available Cash attributable to any given Asset Disposition (provided that such investment shall be made no earlier than the earliest of notice to the Trustee of the relevant Asset Disposition, execution of a definitive agreement for the relevant Asset Disposition, and consummation of the relevant Asset Disposition) and deem the amount so invested to be applied pursuant to and in accordance with clause (ii) above with respect to such Asset Disposition.

If, with respect to any Asset Disposition, at the expiration of the Proceeds Application Period with respect to such Asset Disposition, there remains Net Available Cash in excess of the greater of \$75.0 million and 10.0% of LTM EBITDA (such amount, “Excess Proceeds”), then subject to the limitations with respect to Foreign Dispositions set forth below, the Company shall make an offer (an “Asset Disposition Offer”) no later than ten business days after the expiration of the Proceeds Application Period to all Holders of Notes and, if required by the terms of any Pari Passu Indebtedness, to all holders of such Pari Passu Indebtedness, to purchase the maximum principal amount of such Notes and Pari Passu Indebtedness, as appropriate, on a pro rata basis, that may be purchased out of such Excess Proceeds, if any, at an offer price, in the case of the Notes, in cash in an amount equal to 100% of the principal amount thereof (or in the event such other Indebtedness was issued with original issue discount, 100% of the accreted value thereof), plus accrued and unpaid interest, if any (or such lesser price with respect to Pari Passu Indebtedness, if any, as may be provided by the terms of such other Indebtedness), to, but not including, the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture and the agreement governing the Pari Passu Indebtedness, as applicable, in minimum denominations of \$2,000 and in integral multiples of \$1,000 in excess thereof. Notices of an Asset Disposition shall be sent by first class mail or sent electronically, at least 10 days but not more than 60 days before the purchase date to each Holder of the Notes at such Holder’s registered address or otherwise in accordance with the applicable procedures of DTC. The Company may satisfy the foregoing obligation with respect to any Net Available Cash from an Asset Disposition by making an Asset Disposition Offer prior to the expiration of the Proceeds Application Period (the “Advance Offer”) with respect to all or a part of the Net Available Cash (the “Advance Portion”) in advance of being required to do so by this Indenture.

(b) To the extent that the aggregate amount (or accreted value, as applicable) of Notes and, if applicable, any other Pari Passu Indebtedness validly tendered or otherwise surrendered in connection with an Asset Disposition Offer is less than the amount offered in an Asset Disposition Offer (or, in the case of an Advance Offer, the Advance Portion), the Company may use any remaining Excess Proceeds (or, in the case of an Advance

Offer, the Advance Portion) (the “Declined Excess Proceeds”) for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount (or accreted value, as applicable) of the Notes or, if applicable, Pari Passu Indebtedness validly tendered pursuant to any Asset Disposition Offer exceeds the amount of Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion), the Company shall allocate the Excess Proceeds among the Notes and Pari Passu Indebtedness to be purchased on a pro rata basis on the basis of the aggregate principal amount (or accreted value, as applicable) of tendered Notes and Pari Passu Indebtedness; provided that no Notes or other Pari Passu Indebtedness will be selected and purchased in an unauthorized denomination. Upon completion of any Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than Dollars, the amount thereof payable in respect of the Notes shall not exceed the net amount of funds in Dollars that is actually received by the Company upon converting such portion into Dollars.

(c) Notwithstanding any other provisions of this Section 3.5,

(i) to the extent that any of or all the Net Available Cash of any Asset Disposition are received or deemed to be received by a Foreign Subsidiary (a “Foreign Disposition”) is (x) prohibited or delayed by applicable local law, (y) restricted by applicable organizational documents or any agreement or (z) subject to other onerous organizational or administrative impediments from being repatriated to the United States, the portion of such Net Available Cash so affected will not be required to be applied in compliance with this Section 3.5, and such amounts may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law documents or agreements will not permit repatriation to the United States (the Company hereby agreeing to use reasonable efforts (as determined in the Company’s reasonable business judgment) to otherwise cause the applicable Foreign Subsidiary to within one year following the date on which the respective payment would otherwise have been required, promptly take all actions reasonably required by the applicable local law, applicable organizational impediments or other impediment to permit such repatriation), and if within one year following the date on which the respective payment would otherwise have been required such repatriation of any of such affected Net Available Cash is permitted under the applicable local law, applicable organizational impediment or other impediment, such repatriation will be promptly effected and the amount of such repatriated Net Available Cash will be promptly (and in any event not later than five Business Days after such repatriation could be made) applied (net of additional Taxes payable or reserved against as a result thereof) (whether or not repatriation actually occurs) in compliance with this Section 3.5; and

(ii) to the extent that the Company has determined in good faith that repatriation of any of or all the Net Available Cash of any Foreign Disposition would have an adverse Tax consequence (which for the avoidance of doubt, includes, but is not limited to, any prepayment out of any such Net Available Cash whereby doing so the Company, any of its Subsidiaries, any Parent Entity or any of their respective affiliates and/or equity owners would incur a Tax liability, including a Tax dividend, deemed dividend pursuant to Code Section 956 or a withholding Tax), the Net Available Cash so affected may be retained by the applicable Foreign Subsidiary. The non-application of any prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a Default or an Event of Default.

(d) For the purposes of Section 3.5(a)(2) hereof, the following will be deemed to be cash:

(1) the assumption by the transferee of Indebtedness or other liabilities, contingent or otherwise of the Company or a Restricted Subsidiary (other than Subordinated Indebtedness of the Company or a Guarantor) or the release of the Company or such Restricted Subsidiary from all liability on such Indebtedness or other liability in connection with such Asset Disposition;

(2) securities, notes or other obligations received by the Company or any Restricted Subsidiary from the transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents, or by their terms are required to be satisfied for cash and Cash Equivalents (to the

extent of the cash or Cash Equivalents received), in each case, within 180 days following the closing of such Asset Disposition;

(3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Company and each other Restricted Subsidiary are released from any Guarantee of payment of such Indebtedness in connection with such Asset Disposition;

(4) consideration consisting of Indebtedness of the Company (other than Subordinated Indebtedness) received after the Issue Date from Persons who are not the Company or any Restricted Subsidiary; and

(5) any Designated Non-Cash Consideration received by the Company or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this Section 3.5 that is at that time outstanding, not to exceed the greater of \$150.0 million and 20.0% of LTM EBITDA (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

(e) To the extent that the provisions of any securities laws, rules or regulations, including Rule 14e-1 under the Exchange Act, conflict with the provisions of this Indenture, the Company shall not be deemed to have breached its obligations described in this Indenture by virtue of compliance therewith.

(f) The provisions of this Indenture relative to the Company's obligation to make an offer to repurchase the Notes as a result of an Asset Disposition may be waived or modified with the written consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding.

SECTION 3.6. Limitation on Liens. The Company shall not, and shall not permit any Guarantor to, directly or indirectly, create, incur or permit to exist any Lien (except Permitted Liens) (each, an "Initial Lien") that secures obligations under any Indebtedness or any related guarantee, on any asset or property of the Company or any Guarantor, unless:

(1) in the case of Liens securing Subordinated Indebtedness, the Notes and related Guarantees are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; or

(2) in all other cases, the Notes or the Guarantees are equally and ratably secured,

except that the foregoing shall not apply to Liens securing the Notes and the related Guarantees.

Any Lien created for the benefit of the Holders pursuant to the preceding sentence shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien.

With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The "Increased Amount" of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

SECTION 3.7. Limitation on Guarantees.

(a) The Company shall not permit any of its Wholly Owned Domestic Subsidiaries that are Restricted Subsidiaries (and non-Wholly Owned Domestic Subsidiaries if such non-Wholly Owned Domestic Subsidiaries guarantee other capital markets debt securities of the Company), other than a Guarantor, a Foreign Subsidiary or a Securitization Subsidiary, to Guarantee the payment of (i) any syndicated Credit Facility permitted under Section 3.2(b)(1) or (ii) capital markets debt securities of the Company or any other Guarantor unless:

(1) such Restricted Subsidiary within 60 days executes and delivers a supplemental indenture to this Indenture providing for a Guarantee by such Restricted Subsidiary, except that with respect to a guarantee of Indebtedness of the Company or any Guarantor, if such Indebtedness is by its express terms subordinated in right of payment to the Notes or such Guarantor's Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the Notes or such Guarantor's Guarantee of the Notes; and

(2) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Guarantee until payment in full of Obligations under this Indenture.

provided that this Section 3.7 shall not be applicable (i) to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary, or (ii) in the event that the Guarantee of the Company's obligations under the Notes or this Indenture by such Subsidiary would not be permitted under applicable law.

(b) The Company may elect, in its sole discretion, to cause or allow, as the case may be, any Subsidiary or any of its Parent Entities that is not otherwise required to be a Guarantor to become a Guarantor, in which case, such Subsidiary or Parent Entity shall not be required to comply with the 60-day period described in Section 3.7(a), and such Guarantee may be released at any time in the Company's sole discretion so long as any Indebtedness of such Subsidiary then outstanding could have been incurred by such Subsidiary (either (x) when so incurred or (y) at the time of the release of such Guarantee) assuming such Subsidiary were not a Guarantor at such time.

(c) If any Guarantor becomes an Immaterial Subsidiary, the Company shall have the right, by delivery of a supplemental indenture executed by the Company to the Trustee, to cause such Immaterial Subsidiary to automatically and unconditionally cease to be a Guarantor, subject to the requirement described in Section 3.7(a) above that such Subsidiary shall be required to become a Guarantor if it ceases to be an Immaterial Subsidiary (except that if such Subsidiary has been properly designated as an Unrestricted Subsidiary it shall not be so required to become a Guarantor or execute a supplemental indenture); *provided, further*, that such Immaterial Subsidiary shall not be permitted to Guarantee the Credit Agreement or other Indebtedness of the Company or the other Guarantors, unless it again becomes a Guarantor.

SECTION 3.8. Limitation on Affiliate Transactions.

(a) The Company shall not, and shall not permit any Restricted Subsidiary to enter into or conduct any transaction (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Company (an "Affiliate Transaction") involving aggregate value in excess of the greater of \$60.0 million and 7.5% of LTM EBITDA unless:

(1) the terms of such Affiliate Transaction taken as a whole are not materially less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction or the execution of the agreement providing for such transaction in arm's length dealings with a Person who is not such an Affiliate; and

(2) in the event such Affiliate Transaction involves an aggregate value in excess of the greater of \$110.0 million and 15.0% of LTM EBITDA, the terms of such transaction have been approved by a majority of the members of the Board of Directors of the Company.

Any Affiliate Transaction shall be deemed to have satisfied the requirements set forth in clause (2) of this Section 3.8(a) if such Affiliate Transaction is approved by a majority of the Disinterested Directors of the Company, if any.

(9) any transaction between or among the Company or any Restricted Subsidiary and any Person (including a joint venture, but excluding an Unrestricted Subsidiary) that is an Affiliate of the Company or an Associate or similar entity solely because the Company or a Restricted Subsidiary or any Affiliate of the Company or a Restricted Subsidiary or any Affiliate of any Permitted Holder owns an equity interest in or otherwise controls such Affiliate, Associate or similar entity;

(10) any issuance, sale or transfer of Capital Stock (other than Disqualified Stock or Designated Preferred Stock) of the Company, any Parent Entity or any of its Restricted Subsidiaries or options, warrants or other rights to acquire such Capital Stock and the granting of registration and other customary rights (and the performance of the related obligations) in connection therewith or any contribution to capital of the Company or any Restricted Subsidiary;

(11) (i) payments by the Company or any Restricted Subsidiary to any Permitted Holder (whether directly or indirectly), including to its affiliates or its designees, of management, consulting, monitoring, refinancing, transaction, advisory, indemnities and other fees, costs and expenses (plus any unpaid management, consulting, monitoring, transaction, advisory, indemnities and other fees, costs and expenses accrued in any prior year) and any exit and termination fees (including any such cash lump sum or present value fee upon the consummation of a corporate event, including an initial public offering) pursuant to any management services or similar agreements or the management services or other relevant provisions in an investor rights agreement, limited partnership agreement, limited liability company agreement or other equityholders' agreement, as the case may be, between the Investors or certain of the management companies associated with the Investors or their advisors or Affiliates, if applicable, and the Company and/or its Parent Entities or Subsidiaries, as in effect on the Issue Date (including any amendment thereto or replacement thereof so long as any such amendment or replacement is not materially disadvantageous in the reasonable determination of the Company to the Holders when taken as a whole, as compared to the management services or similar agreements as in effect immediately prior to such amendment or replacement) and (ii) payments by the Company or any Restricted Subsidiary to any Permitted Holder (whether directly or indirectly, including through any Parent Entity) for financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including in connection with acquisitions or divestitures, which payments are approved in the case of each of clauses (i) and (ii) in the reasonable determination of the Company or do not exceed the greater of \$2.0 million and 0.25% of LTM EBITDA;

Within 30 days following any Change of Control, the Issuer will deliver or cause to be delivered a notice of such Change of Control Offer electronically in accordance with the applicable procedures of DTC or by first class mail, with a copy to the Trustee, to each Holder of Notes at the address of such Holder appearing in the security register or otherwise in accordance with the applicable procedures of DTC, with the following information:

(1) that a Change of Control Offer is being made pursuant to this Section 3.9, and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Issuer;

(2) the purchase price and the purchase date, which will be no earlier than 30 days nor later than 60 days from the date such notice is delivered (the “Change of Control Payment Date”);

85

(3) that any Note not properly tendered will remain outstanding and continue to accrue interest;

(4) that unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest, on the Change of Control Payment Date;

(5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of such Notes completed, to the applicable Paying Agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date, or otherwise comply with DTC procedures;

(6) that Holders will be entitled to withdraw their tendered Notes and their election to require the Issuer to purchase such Notes; *provided* that the applicable Paying Agent receives, not later than the close of business on the second Business Day prior to the expiration date of the Change of Control Offer, a telegram, facsimile transmission or letter setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased, or otherwise comply with DTC procedures;

(8) if such notice is delivered prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and

(9) the other instructions, as determined by the Issuer, consistent with this Section 3.9, that a Holder must follow.

The applicable Paying Agent will promptly deliver to each Holder of the Notes tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note will be in a minimum principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. The Issuer will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

If the Change of Control Payment Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest will be paid on the Change of Control Payment Date to the Person in whose name a Note is registered at the close of business on such record date.

(2) deposit with the applicable Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered, and

(3) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Issuer.

(c) The Issuer will not be required to make a Change of Control Offer following a Change of Control if (x) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer or (y) a notice of redemption of all outstanding Notes has been given pursuant to Section 5.7 hereof unless and until there is a default in the payment of the redemption price on the applicable redemption date or the redemption is not consummated due to the failure of a condition precedent contained in the applicable redemption notice to be satisfied.

(d) Notwithstanding anything to the contrary in this Section 3.9, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control.

(e) [Reserved]

(f) While the Notes are in global form and the Issuer makes an offer to purchase all of the Notes pursuant to the Change of Control Offer, a Holder may exercise its option to elect for the purchase of the Notes through the facilities of DTC, subject to its rules and regulations.

(g) The Issuer will comply, to the extent applicable, with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws, rules and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws, rules or regulations conflict with the provisions of this Indenture, the Issuer shall not be deemed to have breached its obligations described in this Indenture by virtue of compliance therewith.

SECTION 3.10. Reports.

(a) Notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, from and after the Issue Date, the Company shall deliver to the Trustee, within 15 days after the time periods specified below:

(1) within 120 days (or 135 days in the case of the fiscal year containing the Issue Date) after the end of each fiscal year (or if such day is not a Business Day, on the next succeeding Business Day), all financial information that would be required to be contained in an annual report on Form 10-K, or any successor or comparable form, filed with the SEC, including a “Management’s discussion and analysis of financial condition and results of operations” and a report on the annual financial statements by the Company’s independent registered public accounting firm;

(3) promptly after the occurrence of any of the following events, all current reports that would be required to be filed with the SEC on Form 8-K as in effect on the Issue Date (if the Company had been a reporting company under Section 15(d) of the Exchange Act); *provided*, that the foregoing shall not obligate the Company to make available (i) any information regarding the occurrence of any of the following events if the Company determines in its reasonable determination that such event that would otherwise be required to be disclosed is not material to the Holders or the business, assets, operations, financial positions or prospects of the Company and its Restricted Subsidiaries taken as a whole, (ii) an exhibit or a summary of the terms of, any employment or compensatory arrangement, agreement, plan or

understanding between the Company or any of its Subsidiaries and any director, officer or manager of the Company or any of its Subsidiaries, (iii) copies of any agreements, financial statements or other items that would be required to be filed as exhibits to a current report on Form 8-K or (iv) any trade secrets, privileged or confidential information obtained from another Person and competitively sensitive information:

- (A) the entry into or termination of material agreements;
- (B) significant acquisitions or dispositions (which shall only be with respect to acquisitions or dispositions that are significant pursuant to the definition of “Significant Subsidiary”);
- (C) bankruptcy;
- (D) cross-default under direct material financial obligations;
- (E) a change in the Company’s certifying independent auditor;
- (F) the appointment or departure of directors or executive officers (with respect to the principal executive officer, president, principal financial officer, principal accounting officer and principal operating officer only);
- (G) non-reliance on previously issued financial statements; and
- (H) change of control transactions,

in each case, in a manner that complies in all material respects with the requirements specified in such form, except as described above or below and subject to exceptions consistent with the presentation of information in the Offering Memorandum; *provided, however*, that the Company shall not be required to (i) comply with Regulation G under the Exchange Act or Item 10(e) of Regulation S-K with respect to any “non-GAAP” financial information contained therein, (ii) provide any information that is not otherwise similar to information currently included in the Offering Memorandum, (iii) provide separate financial statements or other information contemplated by Rules 3-05, 3-09, 3-10 or 3-16 of Regulation S-X, or in each case any successor provisions or any schedules required by Regulation S-X or (iv) contain any “segment reporting.” In addition, notwithstanding the foregoing, the Company will not be required to (i) comply with Sections 302, 906 and 404 of the Sarbanes-Oxley Act of 2002, as amended, or (ii) otherwise furnish any information, certificates or reports required by Items 307, 308 or 402 of Regulation S-K. To the extent any such information is not so filed or furnished, as applicable, within the time periods specified above and such information is subsequently filed or furnished, as applicable, the Company will be deemed to have satisfied its obligations with respect thereto at such time and any Default with respect thereto shall be deemed to have been cured; *provided* that such cure shall not otherwise affect the rights of the Holders under Section 6.1 hereof if Holders of at least 30.0% in aggregate principal amount of the outstanding Notes have declared the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately and such declaration shall not have been rescinded or cancelled prior to such cure. In addition, to the extent not satisfied by the foregoing, the Company shall agree that, for so long as any Notes are outstanding, it shall furnish to Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(b) If the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries and such Unrestricted Subsidiaries or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, would constitute a Significant Subsidiary of the Company, then the annual and quarterly financial information required by Section 3.10(a)(1) and (2) will include a presentation of selected financial metrics, in the Company’s sole discretion, of such Unrestricted Subsidiaries as a group in the “Management’s Discussion and Analysis of Financial Condition and Results of Operations.”

(c) Substantially concurrently with the furnishing of such information to the Trustee pursuant to Section 3.10(b), the Company shall also use its commercially reasonable efforts to post copies of such information required by Section 3.10(b) on a website (which may be nonpublic and may be maintained by the Company or a third party) to which access will be given to the Holders, prospective investors in the Notes (which prospective investors shall be limited to “qualified institutional buyers” within the meaning of Rule 144A of the Securities Act or non-U.S. persons (as defined in Regulation S under the Securities Act) that certify their status as such to the reasonable satisfaction of the Company), and securities analysts and market making financial institutions that are reasonably satisfactory to the Company. To the extent the Company determines in good faith that it cannot make such reports available in the manner described in the preceding sentence after the use of its commercially reasonable efforts, the Company shall furnish such reports to the Holders, upon their request. The Company may condition the delivery of any such reports to such Holders, prospective investors in the Notes and securities analysts and market making financial institutions on the agreement of such Persons to (i) treat all such reports (and the information contained therein) and information as confidential, (ii) not use such reports (and the information contained therein) and information for any purpose other than their investment or potential investment in the Notes and (iii) not publicly disclose any such reports (and the information contained therein) and information.

(d) The Company will participate in quarterly conference calls (which may be a single conference call together with investors and lenders holding other securities or Indebtedness of the Company, its Restricted Subsidiaries and/or any Parent Entity) to discuss results of operations. The conference call will be following the last day of each fiscal quarter of the Company and not later than twenty (20) Business Days from the time that the Company distributes the financial information as set forth in Section 3.10(a). No fewer than two days prior to the conference call, the Company will issue a press release or otherwise announce the time and date of such conference call and providing instructions for Holders, prospective investors in the Notes, securities analysts and market making financial institutions to obtain access to such call.

(e) The Company may satisfy its obligations pursuant to this Section 3.10 with respect to financial information relating to the Company by furnishing financial information relating to a Parent Entity; *provided* that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such Parent Entity (and other Parent Entities included in such information, if any), on the one hand, and the information relating to the Company and its Restricted Subsidiaries on a standalone basis, on the other hand. For the avoidance of doubt, the consolidating information referred to in the proviso in the preceding sentence need not be audited.

(f) Notwithstanding anything to the contrary set forth in this Section 3.10, if the Company or any Parent Entity has furnished to the Holders of Notes or filed with the SEC the reports described in this Section 3.10 with respect to the Company or any Parent Entity, the Company shall be deemed to be in compliance with the provisions of this Section 3.10.

(g) The Trustee shall have no duty to determine whether any filings or postings described in this Section 3.10 have been made.

SECTION 3.11. [Reserved].

SECTION 3.12. Maintenance of Office or Agency.

The Issuer will maintain an office or agency where the Notes may be presented or surrendered for payment, where, if applicable, the Notes may be surrendered for registration of transfer or exchange. The corporate trust office of the Trustee, which initially shall be located at Wilmington Trust, National Association, 50 South Sixth Street, Suite 1290, Minneapolis, Minnesota 55402, Attention: The Dun & Bradstreet Corporation Administrator, shall be such office or agency of the Issuer, unless the Issuer shall designate and maintain some other office or agency for one or more of such purposes. The Issuer will give prompt written notice to the Trustee of any change in the location of any such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations and surrenders may be made

or served at the corporate trust office of the Trustee, and the Issuer hereby appoints the Trustee as its agent to receive all such presentations and surrenders.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind any such designation. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and any change in the location of any such other office or agency. No office of the Trustee shall be an office or agency of the Issuer for the purposes of service of legal process on the Issuer or any Guarantor.

SECTION 3.13. [Reserved].

SECTION 3.14. [Reserved].

SECTION 3.15. [Reserved].

SECTION 3.16. Compliance Certificate. The Issuer shall deliver to the Trustee within 120 days after the end of each fiscal year of the Issuer an Officer's Certificate, the signer of which shall be the principal executive officer, principal financial officer, principal accounting officer, principal legal officer, secretary or treasurer the Issuer, stating that in the course of the performance by the signer of his or her duties as an Officer of the Issuer he or she would normally have knowledge of any Default or Event of Default and whether or not the signer knows of any Default or Event of Default that occurred during the previous fiscal year; *provided* that no such Officer's Certificate shall be required for any fiscal year ended prior to the Issue Date. If such Officer does have such knowledge, the certificate shall describe the Default or Event of Default, its status and the action the Issuer is taking or proposes to take with respect thereto.

SECTION 3.17. Further Instruments and Acts. Upon request of the Trustee or as necessary to comply with future developments or requirements, the Issuer will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 3.18. [Reserved].

SECTION 3.19. Statement by Officers as to Default. The Issuer shall deliver to the Trustee, as soon as possible and in any event within 30 days after the Issuer becomes aware of the occurrence of any Default or Event of Default, an Officer's Certificate setting forth the details of such Event of Default or Default, its status and the actions which the Issuer is taking or proposes to take with respect thereto.

SECTION 3.20. Designation of Restricted and Unrestricted Subsidiaries. The Company may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause an Event of Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate fair market value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments pursuant to Section 3.3 hereof or under one or more clauses of the definition of Permitted Investments, as determined by the Company. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Company may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause an Event of Default.

Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary will be evidenced to the Trustee by delivering to the Trustee an Officer's Certificate certifying that such designation complies with the preceding conditions and was permitted by Section 3.3 hereof. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary as of such date and, if such Indebtedness is not permitted to be incurred as of such date by Section 3.2 hereof, the Company will be in default of such covenant.

The Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under Section 3.2 hereof (including pursuant to Section 3.2(b)(5) treating such redesignation as an acquisition for the purpose of such clause), calculated on a *pro forma* basis as if such designation had occurred at the beginning of the applicable reference period; and (2) no Default or Event of Default would be in existence following such designation. Any such designation by the Company shall be evidenced to the Trustee by delivering to the Trustee an Officer's Certificate certifying that such designation complies with the preceding conditions.

SECTION 3.21. Suspension of Certain Covenants on Achievement of Investment Grade Status. Beginning on the first day (a) the Notes have achieved Investment Grade Status and (b) no Default or Event of Default has occurred and is continuing under this Indenture, and ending on a Reversion Date (such period a "Suspension Period"), the Company and its Restricted Subsidiaries will not be subject to Sections 3.2, 3.3, 3.4, 3.5, 3.7, 3.8 and 4.1(a) (3) (the "Suspended Covenants").

If at any time the Notes cease to have such Investment Grade Status, then the Suspended Covenants shall thereafter be reinstated as if such covenants had never been suspended (the "Reversion Date") and be applicable pursuant to the terms of this Indenture (including in connection with performing any calculation or assessment to determine compliance with the terms of this Indenture), unless and until the Notes subsequently attain Investment Grade Status and no Default or Event of Default is in existence (in which event the Suspended Covenants shall no longer be in effect for such time that the Notes maintain an Investment Grade Status); provided, however, that no Default, Event of Default or breach of any kind shall be deemed to exist under this Indenture, the Notes or the Note Guarantees with respect to the Suspended Covenants based on, and none of the Company or any of its Subsidiaries shall bear any liability for, any actions taken or events occurring during the Suspension Period, or any actions taken at any time pursuant to any contractual obligation arising prior to the Reversion Date, regardless of whether such actions or events would have been permitted if the applicable Suspended Covenants remained in effect during such period.

On the Reversion Date, all Indebtedness Incurred during the Suspension Period will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under Section 3.3(b)(4)(b). On and after the Reversion Date, all Liens created during the Suspension Period will be considered Permitted Liens. Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 3.3 will be made as though Section 3.3 had been in effect since the Issue Date and prior to, but not during, the Suspension Period. Accordingly, Restricted Payments made during the Suspension Period will not reduce the amount available to be made as Restricted Payments under Section 3.3(a). In addition, any future obligation to grant further Note Guarantees shall be released. All such further obligations to grant Guarantees shall be reinstated on the Reversion Date. As described above, however, no Default, Event of Default or breach of any kind shall be deemed to have occurred as a result of the Reversion Date occurring on the basis of any actions taken or the continuance of any circumstances resulting from actions taken or the performance of obligations under agreements entered into by the Company or any of the Restricted Subsidiaries during the Suspension Period (other than agreements to take actions after the Reversion Date that would not be permitted outside of the Suspension Period entered into in contemplation of the Reversion Date).

On and after each Reversion Date, the Company and its Subsidiaries will be permitted to consummate the transactions contemplated by any contract entered into during the Suspension Period, so long as such contract and such consummation would have been permitted during such Suspension Period.

The Trustee shall have no duty to monitor the ratings of the Notes, shall not be deemed to have any knowledge of the ratings of the Notes and shall have no duty to notify Holders if the Notes achieve Investment Grade Status or of the occurrence of a Reversion Date.

SUCCESSOR COMPANY; SUCCESSOR PERSONSECTION 4.1. Merger and Consolidation.

(a) The Company shall not consolidate with or merge with or into, or convey, transfer or lease all or substantially all its assets, in one transaction or a series of related transactions, to any Person, unless:

(1) the Company is the surviving Person or the resulting, surviving or transferee Person (the “*Successor Company*”) will be a Person organized or existing under the laws of the jurisdiction of the Company or the United States of America, any State of the United States or the District of Columbia and the Successor Company (if not the Company) will expressly assume all the obligations of the Company under the Notes and this Indenture pursuant to supplemental indentures or other documents and instruments;

(2) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the applicable Successor Company or any Subsidiary of the applicable Successor Company as a result of such transaction as having been incurred by the applicable Successor Company or such Subsidiary at the time of such transaction), no Event of Default shall have occurred and be continuing;

(3) immediately after giving pro forma effect to such transaction, either (a) the applicable Successor Company or the Company would be able to incur at least an additional \$1.00 of Indebtedness pursuant to Section 3.2(a) hereof, (b) the Fixed Charge Coverage Ratio of the Company and its Restricted Subsidiaries would not be lower than it was immediately prior to giving effect to such transaction or (c) the Consolidated Total Leverage Ratio of the Company and its Restricted Subsidiaries would not be higher than it was immediately prior to giving effect to such transaction; and

(4) the Company shall have delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture and an Opinion of Counsel stating that such supplemental indenture (if any) is a legal and binding agreement enforceable against the Successor Company; *provided* that in giving an Opinion of Counsel, counsel may rely on an Officer’s Certificate as to any matters of fact, including as to satisfaction of clauses (2) and (3) above.

(b) [Reserved].

(c) The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Company under the Notes and this Indenture, and the Company will automatically and unconditionally be released and discharged from its obligations under the Notes and this Indenture (except in the case of (x) a lease or (y) a sale of less than all of its assets).

(d) Notwithstanding any other provisions of this Section 4.1, (i) the Company may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to a Guarantor, (ii) the Company may consolidate or otherwise combine with or merge into an Affiliate organized or existing under the laws of the jurisdiction of the Company or the United States of America, any State of the United States or the District of Columbia incorporated or organized for the purpose of changing the legal domicile of the Company, reincorporating the Company in another jurisdiction, or changing the legal form of the Company, (iii) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to the Company or a Guarantor, (iv) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to any other Restricted Subsidiary and (v) the Company and its Restricted Subsidiaries may complete any Permitted Tax Restructuring.

(e) The foregoing provisions (other than the requirements of clause (a)(2)) shall not apply to the creation of a new Subsidiary as a Restricted Subsidiary.

(f) Subject to Section 10.2(b), no Guarantor may consolidate with or merge with or into, or convey, transfer or lease all or substantially all of its assets, in one or a series of related transactions, to any Person, unless:

(1)(a) the other Person is the Company or any Restricted Subsidiary that is a Guarantor or becomes a Guarantor concurrently with the transaction; or

either (x) the Company or a Guarantor is the continuing Person or (y) the resulting, surviving or transferee Person expressly assumes all the obligations of the Guarantor under its Note Guarantee and this Indenture; and

(b) immediately after giving effect to the transaction, no Event of Default shall have occurred and be continuing; or

(2) the transaction constitutes a sale, disposition or transfer of the Guarantor or the conveyance, transfer or lease of all or substantially all of the assets of the Guarantor (in each case other than to the Company or a Restricted Subsidiary) otherwise permitted by this Indenture.

Notwithstanding any other provision of this Section 4.1, any Guarantor may (a) consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to another Guarantor or the Company, (b) consolidate or otherwise combine with or merge into an Affiliate incorporated or organized for the purpose of changing the legal domicile of the Guarantor, reincorporating the Guarantor in another jurisdiction, or changing the legal form of the Guarantor, (c) convert into a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor, (d) liquidate or dissolve or change its legal form if the Company determines in good faith that such action is in the best interests of the Company and (e) complete any Permitted Tax Restructuring. Notwithstanding anything to the contrary in this Section 4.1, the Company may contribute Capital Stock of any or all of its Subsidiaries to any Guarantor.

Any reference herein to a merger, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, limited partnership or trust, or an allocation of assets to a series of a limited liability company, limited partnership or trust (or the unwinding of such a division or allocation), as if it were a merger, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, as applicable, to, of or with a separate Person. Any division of a limited liability company, limited partnership or trust shall constitute a separate Person hereunder (and each division of any limited liability company, limited partnership or trust that is a Subsidiary, Restricted Subsidiary, Unrestricted Subsidiary, joint venture or any other like term shall also constitute such a Person or entity).

Notwithstanding any other provision of this Section 4.1, this Section 4.1 will not apply to the Transactions; *provided*, that the Company will execute and deliver a supplemental indenture in the form attached as Exhibit C.

ARTICLE V

REDEMPTION OF SECURITIES

SECTION 5.1. Notices to Trustee. Subject to Section 5.9 hereof, if the Issuer elects to redeem Notes pursuant to the optional redemption provisions of Section 5.7 hereof, it must furnish to the Trustee, at least 10 days but not more than 60 days before a redemption date, an Officer's Certificate setting forth:

(1) the clause of this Indenture pursuant to which the redemption shall occur;

(2) the redemption date;

- (3) the principal amount of Notes to be redeemed; and
- (4) the redemption price.

Any optional redemption referenced in such Officer's Certificate may be cancelled by the Issuer at any time prior to notice of redemption being sent to any Holder and thereafter shall be null and void.

SECTION 5.2. Selection of Notes to Be Redeemed or Purchased. If less than all of the Notes are to be redeemed pursuant to Section 5.7 or purchased in an Asset Disposition Offer pursuant to Section 3.5 or a redemption pursuant to Section 5.9, the Trustee will select Notes for redemption or purchase (a) if the Notes are in global form, on a pro rata basis, by lot, or by such other method in accordance with the applicable procedures of DTC and (b) if the Notes are in definitive form in their entirety, on a pro rata basis (subject to adjustments to maintain the authorized Notes denomination requirements) or by lot, except if otherwise required by law.

No Notes in an unauthorized denomination or of \$2,000 in aggregate principal amount or less shall be redeemed in part. In the event of partial redemption, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 10 days nor more than 60 days prior to the redemption or purchase date by the Trustee from the outstanding Notes not previously called for redemption or purchase; *provided* that the Issuer shall provide the Trustee with sufficient notice of such partial redemption to enable the Trustee to select the Notes for partial redemption.

The Trustee will promptly notify the Issuer in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in minimum principal amounts of \$2,000 and whole multiples of \$1,000 in excess of \$2,000; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not in a minimum principal amount of \$2,000 or a multiple of \$1,000 in excess thereof, shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

SECTION 5.3. Notice of Redemption. Subject to Section 5.9 hereof, at least 10 days but not more than 60 days before the redemption date, the Issuer will send or cause to be sent, by electronic delivery or by first class mail postage prepaid, a notice of redemption to each Holder (with a copy to the Trustee) whose Notes are to be redeemed at the address of such Holder appearing in the security register or otherwise in accordance with the applicable procedures of DTC, except that redemption notices may be delivered electronically or mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles VIII or XI hereto.

The notice will identify the Notes (including the CUSIP or ISIN number) to be redeemed and will state:

- (1) the redemption date;
- (2) the redemption price;
- (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(6) that, unless the Issuer defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Issuer's request, the Trustee will give the notice of redemption in the Issuer's name and at its expense; *provided, however*, that the Issuer has delivered to the Trustee, at least three (3) Business Days (or if any of the Notes to be redeemed are in definitive form, five (5) Business Days) prior to the date on which the Issuer instructs the Trustee to give the notice (or such shorter period as the Trustee may agree), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Notice of any redemption of the Notes may, at the Issuer's discretion, be given prior to the completion of a transaction (including but not limited to an Equity Offering, an incurrence of Indebtedness, a Change of Control or other transaction) and any redemption notice may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a related transaction. If such redemption or purchase is so subject to satisfaction of one or more conditions precedent such notice shall describe each such condition, and if applicable, shall state that, in the Issuer's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date as so delayed. In addition, the Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person.

SECTION 5.4. [Reserved].

SECTION 5.5. Deposit of Redemption or Purchase Price. Prior to 11:00 a.m. New York City Time on the redemption or purchase date, the Issuer will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return, on or following the applicable redemption or repurchase date, to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption or purchase price of, and accrued interest, if any, on all Notes to be redeemed or purchased.

If the Issuer complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after a record date but on or prior to the corresponding interest payment date, then any accrued and unpaid interest up to, but excluding, the redemption date or purchase date shall be paid on the redemption date or purchase date to the Person in whose name such Note was registered at the close of business on such record date in accordance with the applicable procedures of DTC. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 3.1 hereof.

SECTION 5.6. Notes Redeemed or Purchased in Part. Upon surrender of a Note issued in physical form that is redeemed or purchased in part, the Issuer will issue and the Trustee will authenticate for the Holder at the expense of the Issuer a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered; *provided*, that each such new Note will be in a minimum principal amount of \$2,000 or integral multiple of \$1,000 in excess thereof.

In the case of a Note issued as a global note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof; *provided*, that the unredeemed portion thereof will be in a minimum principal amount of \$2,000 or integral multiple of \$1,000 in excess thereof.

SECTION 5.7. Optional Redemption.

(a) At any time prior to February 15, 2022, the Company may redeem the Notes in whole or in part, at its option, upon not less than 10 nor more than 60 days' prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, at a redemption price (expressed as a percentage of the principal amount of the Notes to be redeemed) equal to 100.000% plus the relevant Applicable Premium as of, and accrued and unpaid interest, if any, to but excluding, the date of redemption (the "Redemption Date"), subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date.

(b) At any time and from time to time prior to February 15, 2022, the Company may, on one or more occasions, upon not less than 10 nor more than 60 days' prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, redeem up to 40.0% of the original aggregate principal amount of Notes issued under this Indenture on the Issue Date (together with Additional Notes) at a redemption price (expressed as a percentage of the principal amount of Notes to be redeemed) equal to 110.250%, plus accrued and unpaid interest, if any, to but excluding, the applicable Redemption Date, subject to the right of Holders of record of the Notes on the relevant record date to receive interest due on the relevant interest payment date, with the net cash proceeds received by the Company of one or more Equity Offerings of the Company; *provided* that not less than 50.0% of the original aggregate principal amount of then-outstanding Notes issued under this Indenture remains outstanding immediately after the occurrence of each such redemption (including Additional Notes but excluding Notes held by the Company or any of its Restricted Subsidiaries), unless all such Notes are redeemed substantially concurrently; *provided further* that each such redemption occurs not later than 180 days after the date of closing of the related Equity Offering. The Trustee shall select the Notes to be purchased in the manner described under Sections 5.1 through 5.6.

(c) Except pursuant to clauses (a) and Section 5.7(b) of this Section 5.7, the Notes will not be redeemable at the Company's option prior to February 15, 2022.

(d) At any time and from time to time on or after February 15, 2022, the Company may redeem the Notes, in whole or in part, upon not less than 10 nor more than 60 days' prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth in the table below, plus accrued and unpaid interest thereon, if any, to but excluding the applicable Redemption Date, subject to the right of Holders of record of the Notes on the relevant record date to receive interest due on the relevant interest payment date, if redeemed during the twelve-month period beginning on February 15 of each of the years indicated in the table below:

Year	Percentage
2022	105.125%
2023	102.563%
2024 and thereafter	100.000%

(e) Notwithstanding the foregoing, in connection with any tender offer for the Notes, including a Change of Control Offer or Asset Disposition Offer, if Holders of not less than 90.0% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Company, or any third party making such tender offer in lieu of the Company, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company or such third party shall have the right upon not less than 10 nor more than 60 days' prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, given not more than 30 days following such purchase date to redeem all Notes that remain outstanding following such purchase at a redemption price equal to the price offered to each

other Holder in such tender offer plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to but not including, the date of such redemption.

(f) Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable Redemption Date.

(g) Any redemption pursuant to this Section 5.7 shall be made pursuant to the provisions of Sections 5.1 through 5.6.

SECTION 5.8. Mandatory Redemption. The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes; *provided*, however, that under certain circumstances, the Company may be required to offer to purchase Notes under Section 3.5 and Section 3.9. As market conditions warrant, the Company and its equity holders, including the Investor, its respective Affiliates and members of our management, may from time to time seek to purchase its outstanding debt securities or loans, including the Notes, in privately negotiated or open market transactions, by tender offer or otherwise.

SECTION 5.9. [Reserved].

ARTICLE VI

DEFAULTS AND REMEDIES

SECTION 6.1. Events of Default.

(a) Each of the following is an “Event of Default”:

(1) default in any payment of interest on any Note when due and payable, continued for 30 days;

(2) default in the payment of the principal amount of or premium, if any, on any Note issued under this Indenture when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise;

(3) failure by the Company or any Guarantor to comply for 60 days after written notice by the Trustee on behalf of the Holders or by the Holders of 30% in aggregate principal amount of the outstanding Notes with any agreement or obligation contained in this Indenture; *provided* that in the case of a failure to comply with this Indenture provisions described under Section 3.10, such period of continuance of such default or breach shall be 270 days after written notice described in this clause has been given;

(4) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any Significant Subsidiary (or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary) (or the payment of which is Guaranteed by the Company or any Significant Subsidiary (or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary)) other than Indebtedness owed to the Company or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the date hereof, which default:

(A) is caused by a failure to pay principal of such Indebtedness, at its stated final maturity (after giving effect to any applicable grace periods provided in such Indebtedness); or

- (B) results in the acceleration of such Indebtedness prior to its stated final maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default of principal at its stated final maturity (after giving effect to any applicable grace periods) or the maturity of which has been so accelerated, aggregates to the greater of \$150.0 million and 20.0% of LTM EBITDA or more at any one time outstanding;

(5) failure by the Company or a Significant Subsidiary (or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary) to pay final judgments aggregating in excess of the greater of \$150.0 million and 20.0% of LTM EBITDA other than any judgments covered by indemnities provided by, or insurance policies issued by, reputable and creditworthy companies, which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(6) (A) (x) any Guarantee of the Notes by a Significant Subsidiary ceases to be in full force and effect or (y) a Guarantor that is a Significant Subsidiary denies or disaffirms its obligations under its Guarantee of the Notes, other than, in the case of (x) and (y), in accordance with the terms of this Indenture, or (B) in connection with the bankruptcy of a Guarantor, so long as the aggregate assets of such Guarantor and any other Guarantor whose Note Guarantee ceased or ceases to be in full force as a result of a bankruptcy are less than the greater of \$150.0 million and 20.0% of LTM EBITDA;

(7) the Company or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries, would constitute a Significant Subsidiary) pursuant to or within the meaning of any Bankruptcy Law:

- (A) commences a voluntary case or proceeding;
- (B) consents to the entry of an order for relief against it in an involuntary case or proceeding;
- (C) consents to the appointment of a Custodian of it or for substantially all of its property;
- (D) makes a general assignment for the benefit of its creditors;
- (E) consents to or acquiesces in the institution of a bankruptcy or an insolvency proceeding against it; or
- (F) takes any comparable action under any foreign laws relating to insolvency;

(8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

- (A) is for relief against the Company or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated

financial statements for the Company and its Restricted Subsidiaries, would constitute a Significant Subsidiary) in an involuntary case;

(B) appoints a Custodian of the Company or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries, would constitute a Significant Subsidiary) for substantially all of its property;

(C) orders the winding up or liquidation of the Company or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries, would constitute a Significant Subsidiary); or

(D) or any similar relief is granted under any foreign laws and the order, decree or relief remains unstayed and in effect for 60 consecutive days;

provided that a Default under clause (3), (4) or (5) above will not constitute an Event of Default until the Trustee or the Holders of 30% in principal amount of the outstanding Notes notify the Company of the Default and, with respect to clauses (3) and (5), the Company does not cure such Default within the time specified in clause (3) or (5) after receipt of such notice.

(b) If a Default for a failure to report or failure to deliver a required certificate in connection with another default (the “Initial Default”) occurs, then at the time such Initial Default is cured, such Default for a failure to report or failure to deliver a required certificate in connection with another default that resulted solely because of that Initial Default shall also be cured without any further action.

(c) Any Default or Event of Default for the failure to comply with the time periods prescribed in Section 3.10 hereof or otherwise to deliver any notice or certificate pursuant to any other provision of this Indenture shall be deemed to be cured upon the delivery of any such report required by such provision or such notice or certificate, as applicable, even though such delivery is not within the prescribed period specified in this Indenture.

SECTION 6.2. Acceleration. If any Event of Default (other than an Event of Default described in clause (7) or (8) of Section 6.1(a)) occurs and is continuing, the Trustee by written notice to the Company or the Holders of at least 30% in principal amount of the outstanding Notes by written notice to the Company and the Trustee, may declare the principal of and accrued and unpaid interest, if any, on all the Notes to be due and payable. Upon such a declaration, such principal and accrued and unpaid interest, will be due and payable immediately.

In the event of any Event of Default specified in clause (4) of Section 6.1(a), such Event of Default and all consequences thereof shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 30 days after such Event of Default arose:

- (1) (x) the Indebtedness that gave rise to such Event of Default shall have been discharged in full; or
- (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or
- (z) if the default that is the basis for such Event of Default has been cured; and
- (2) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction.

If an Event of Default described in clause (7) or (8) of Section 6.1(a) occurs and is continuing, the principal of and accrued and unpaid interest, on all Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

SECTION 6.3. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, or premium, if any, or interest, if any, on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

SECTION 6.4. Waiver of Past Defaults. The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders, (a) waive, by their consent (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), an existing Default or Event of Default and its consequences under this Indenture except (i) a Default or Event of Default in the payment of the principal of, or interest, on a Note or (ii) a Default or Event of Default in respect of a provision that under Section 9.2 cannot be amended without the consent of each Holder affected and (b) rescind any acceleration with respect to the Notes and its consequences if (1) such rescission would not conflict with any judgment or decree of a court of competent jurisdiction, (2) all existing Events of Default have been cured or waived except nonpayment of principal, premium, if any, interest, if any, that has become due solely because of the acceleration, (3) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid, (4) the Issuer has paid the Trustee its compensation and reimbursed the Trustee for its reasonable expenses, disbursements and advances and (5) in the event of the cure or waiver of an Event of Default of the type described in clause (4) of Section 6.1(a), the Trustee shall have received an Officer's Certificate and an Opinion of Counsel stating that such Event of Default has been cured or waived. No such rescission shall affect any subsequent Default or impair any right consequent thereto. When a Default or Event of Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any consequent right.

SECTION 6.5. Control by Majority. The Holders of a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or the Notes or, subject to Sections 7.1 and 7.2, that the Trustee determines is unduly prejudicial to the rights of other Holders or would involve the Trustee in personal liability; *provided, however*, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any such action hereunder, the Trustee shall be entitled to indemnification satisfactory to it against all fees, losses, liabilities and expenses (including attorney's fees and expenses) caused by taking or not taking such action.

SECTION 6.6. Limitation on Suits. Subject to Error! Reference source not found., a Holder may not pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 30% in aggregate principal amount of the outstanding Notes have requested in writing the Trustee to pursue the remedy;
- (3) such Holders have offered in writing and, if requested, provided to the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt of the written request and the offer of security or indemnity; and

(5) Holders of a majority in aggregate principal amount of the outstanding Notes have not given the Trustee a written direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

SECTION 6.7. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture (including, without limitation, Section 6.6), the contractual right of any Holder to receive payment of interest on the Notes held by such Holder or to institute suit for the enforcement of any such payment on or with respect to such Holder's Notes shall not be impaired or affected without the consent of such Holder (and, for the avoidance of doubt, the amendment, supplement or modification in accordance with the terms of this Indenture of Article III and IV and Section 6.1(a)(3), (4), (5) and (6) and the related definitions shall be deemed not to impair the contractual right of any Holder to receive payments of principal of and interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder's Note).

SECTION 6.8. Collection Suit by Trustee. If an Event of Default specified in clauses (1) or (2) of Section 6.1(a) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.7.

SECTION 6.9. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuer, its Subsidiaries or its or their respective creditors or properties and, unless prohibited by law or applicable regulations, may be entitled and empowered to participate as a member of any official committee of creditors appointed in such matter and may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.7.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.10. Priorities.

(a) If the Trustee collects any money or property pursuant to this Article VI, it shall pay out the money or property in the following order:

FIRST: to the Trustee for amounts due to it under Section 7.7;

SECOND: to Holders for amounts due and unpaid on the Notes for principal of, or premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal of, or premium, if any, and interest, respectively; and

THIRD: to the Issuer, or to the extent the Trustee collects any amount for any Guarantor, to such Guarantor.

(b) The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Issuer shall send or cause to be sent to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by the Issuer, a suit by a Holder pursuant to Error! Reference source not found., or a suit by Holders of more than 20.0% in outstanding aggregate principal amount of the Notes.

ARTICLE VII

TRUSTEE

SECTION 7.1. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith or willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates, opinions or orders furnished to the Trustee and conforming to the requirements of this Indenture or the Notes, as the case may be. However, in the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture or the Notes, as the case may be (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of Section 7.1(b);

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.5; and

(4) No provision of this Indenture or the Notes shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or

thereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

- (d) Every provision of this Indenture that in any way relates to the Trustee is subject to clauses (a), (b) and (c) of this Section 7.1.
- (e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.
- (f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.
- (g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.1.

SECTION 7.2. Rights of Trustee. Subject to Section 7.1:

- (a) The Trustee may conclusively rely on and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order or other paper or document (whether in its original or facsimile form) reasonably believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document. The Trustee shall receive and retain financial reports and statements of the Company as provided herein, but shall have no duty to review or analyze such reports or statements to determine compliance with covenants or other obligations of the Issuer.
- (b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate and/or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on an Officer's Certificate or Opinion of Counsel.
- (c) The Trustee may execute any of the trusts and powers hereunder or perform any duties hereunder either directly or by or through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care by it hereunder.
- (d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture.
- (e) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel relating to this Indenture or the Notes shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder or under the Notes in good faith and in accordance with the advice or opinion of such counsel.
- (f) The Trustee shall not be deemed to have notice of any Default or Event of Default or whether any entity or group of entities constitutes a Significant Subsidiary unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default or of any such Significant Subsidiary is received by the Trustee at the corporate trust office of the Trustee specified in Section 3.12, and such notice references the Notes and this Indenture.
- (g) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder.
- (h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture or the Notes at the request, order or direction of any of the Holders pursuant to the provisions of this

Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which may be incurred therein or thereby.

(i) The Trustee shall not be deemed to have knowledge of any fact or matter unless such fact or matter is known to a Trust Officer of the Trustee.

(j) Whenever in the administration of this Indenture or the Notes the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder or thereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of negligence or willful misconduct on its part, conclusively rely upon an Officer's Certificate.

(k) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, report, notice, request, direction, consent, order, bond, debenture, coupon or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine, during business hours and upon reasonable notice, the books, records and premises of the Issuer and the Restricted Subsidiaries, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(l) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(m) The Trustee may request that the Issuer deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture or the Notes.

(n) In no event shall the Trustee be liable to any Person for special, punitive, indirect, consequential or incidental loss or damage of any kind whatsoever (including, but not limited to, lost profits), even if the Trustee has been advised of the likelihood of such loss or damage.

(o) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer shall be sufficient if signed by one Officer of the Issuer.

SECTION 7.3. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer, Guarantors or their Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11. In addition, the Trustee shall be permitted to engage in transactions with the Issuer and its Affiliates and Subsidiaries.

SECTION 7.4. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, shall not be accountable for the Issuer's use of the proceeds from the sale of the Notes, shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee or any money paid to the Issuer pursuant to the terms of this Indenture and shall not be responsible for any statement of the Issuer in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication.

SECTION 7.5. Notice of Defaults. If a Default or Event of Default occurs and is continuing and if a Trust Officer has actual knowledge thereof, the Trustee shall send electronically or by first class mail to each Holder at the address set forth in the Notes Register notice of the Default or Event of Default within 60 days after it is actually known to a Trust Officer. Except in the case of a Default or Event of Default in payment of principal or interest, if any, on any Note (including payments pursuant to the optional redemption or required repurchase provisions of such Note), the Trustee may withhold the notice if and so long it in good faith determines that withholding the notice is in the interests of Holders.

SECTION 7.7. Compensation and Indemnity. The Issuer shall pay to the Trustee from time to time compensation for its services hereunder and under the Notes as the Issuer and the Trustee shall from time to time agree in writing. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred or made by it, including, but not limited to, costs of collection, costs of preparing reports, certificates and other documents, costs of preparation and mailing of notices to Holders. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the agents, counsel, accountants and experts of the Trustee. The Issuer shall indemnify the Trustee, its directors, officers, employees and agents against any and all loss, liability, damages, claims or expense, including taxes (other than taxes based upon the income of the Trustee) (including reasonable attorneys' and agents' fees and expenses) incurred by it without willful misconduct or gross negligence, as determined by a final nonappealable order of a court of competent jurisdiction, on its part in connection with the administration of this trust and the performance of its duties hereunder and under the Notes, including the costs and expenses of enforcing this Indenture (including this Section 7.7) and the Notes and of defending itself against any claims (whether asserted by any Holder, the Issuer or otherwise). The Trustee shall notify the Issuer promptly of any claim for which it may seek indemnity of which it has received written notice. Failure by the Trustee to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend the claim and the Trustee shall provide reasonable cooperation at the Issuer's expense in the defense. The Trustee may have separate counsel and the Issuer shall pay the fees and expenses of such counsel; *provided that* the Issuer shall not be required to pay the fees and expenses of such separate counsel if it assumes the Trustee's defense, and, in the reasonable judgment of outside counsel to the Trustee, there is no conflict of interest between the Issuer and the Trustee in connection with such defense; *provided further that*, the Company shall be required to pay the reasonable fees and expenses of such counsel in evaluating such conflict.

To secure the Issuer's payment obligations in this Section 7.7, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes. Such lien shall survive the satisfaction and discharge of this Indenture. The Trustee's respective right to receive payment of any amounts due under this Section 7.7 shall not be subordinate to any other liability or Indebtedness of the Issuer.

The Issuer's payment obligations pursuant to this Section 7.7 shall survive the discharge of this Indenture and any resignation or removal of the Trustee under Section 7.8. Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs fees, expenses or renders services after the occurrence of a Default specified in clause (7) or clause (8) of Section 6.1(a), the fees and expenses (including the reasonable fees and expenses of its counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

SECTION 7.8. Replacement of Trustee. The Trustee may resign at any time by so notifying the Issuer in writing not less than 30 days prior to the effective date of such resignation. The Holders of a majority in aggregate principal amount of the Notes may remove the Trustee by so notifying the removed Trustee in writing not less than 30 days prior to the effective date of such removal and may appoint a successor Trustee with the Issuer's written consent, which consent will not be unreasonably withheld. The Issuer shall remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10 hereof;
- (2) the Trustee is adjudged bankrupt or insolvent;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed by the Issuer or by the Holders of a majority in principal amount of the Notes and such Holders do not reasonably promptly appoint a successor Trustee as described in the preceding

paragraph, or if a vacancy exists in the office of the Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall, at the expense of the Issuer, promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.7.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of at least 10.0% in aggregate principal amount of the Notes may petition, at the Issuer's expense, any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder, who has been a bona fide holder of a Note for at least six months, may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section 7.8, the Issuer's obligations under Section 7.7 shall continue for the benefit of the retiring Trustee. The predecessor Trustee shall have no liability for any action or inaction of any successor Trustee.

SECTION 7.9. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture, any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; *provided that* the

right to adopt the certificate of authentication of any predecessor Trustee or authenticate Notes in the name of any predecessor Trustee shall only apply to its successor or successors by merger, consolidation or conversion.

SECTION 7.10. Eligibility; Disqualification. This Indenture shall always have a Trustee. The Trustee shall have a combined capital and surplus of at least \$100 million as set forth in its most recent published annual report of condition.

SECTION 7.11. [Reserved].

SECTION 7.12. Trustee's Application for Instruction from the Issuer. Any application by the Trustee for written instructions from the Issuer may, at the option of the Trustee, set forth in writing any action proposed to be taken or omitted by the Trustee under this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective. The Trustee shall not be liable for any action taken by, or omission of, the Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than three (3) Business Days after the date any Officer of the Issuer actually receives such application, unless any such Officer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Trustee shall have received written instructions in response to such application specifying the action to be taken or omitted.

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 8.1. Option to Effect Legal Defeasance or Covenant Defeasance; Defeasance. The Issuer may, at its option and at any time, elect to have either Section 8.2 or 8.3 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article VIII.

SECTION 8.2. Legal Defeasance and Discharge. Upon the Issuer's exercise under Section 8.1 hereof of the option applicable to this Section 8.2, the Issuer and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Guarantees) on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, Legal Defeasance means that the Issuer and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.5 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all of their other obligations under the Note Documents (and the Trustee, on written demand of and at the expense of the Issuer, shall execute such instruments reasonably requested by the Issuer acknowledging the same) and to have cured all then existing Events of Default, except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of Notes issued under this Indenture to receive payments in respect of the principal of, premium, if any, and interest, if any, on the Notes when such payments are due solely out of the trust referred to in Section 8.4 hereof;
- (2) the Issuer's obligations with respect to the Notes under Article II concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and Section 3.12 hereof concerning the maintenance of an office or agency for payment and money for security payments held in trust;
- (3) the rights, powers, trusts, duties and immunities of the Trustee and the Issuer's or Guarantors' obligations in connection therewith; and
- (4) this Article VIII with respect to provisions relating to Legal Defeasance.

SECTION 8.3. Covenant Defeasance. Upon the Issuer's exercise under Section 8.1 hereof of the option applicable to this Section 8.3, the Issuer and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, be released from each of their obligations under the covenants contained in Section 3.2, 3.3, 3.4, 3.5, 3.6, 3.7, 3.8, 3.9, 3.10, 3.11, 3.16, 3.19, 3.20, 3.21 and Section 4.1 (except Section 4.1(a)(1) and (a)(2)) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.4 hereof are satisfied (hereinafter, "Covenant Defeasance"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder. For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Guarantees, the Issuer and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.1(a) hereof, but, except as specified above, the remainder of this Indenture and such Notes and Guarantees will be unaffected thereby. In addition, upon the Issuer's exercise under Section 8.1 hereof of the option applicable to this Section 8.3, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, Sections 6.1(a)(3) (other than with respect to Section 4.1(a)(1) and (a)(2)), 6.1(a)(4), 6.1(a)(5), 6.1(a)(6), 6.1(a)(7) (with respect only to a Guarantor that is a Significant Subsidiary or any group of Guarantors that taken together would constitute a Significant Subsidiary), and 6.1(a)(8) (with respect only to a Guarantor that is a Significant

Subsidiary or any group of Guarantors that taken together would constitute a Significant Subsidiary) hereof shall not constitute Events of Default.

SECTION 8.4. Conditions to Legal or Covenant Defeasance. In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.2 or 8.3 hereof:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in Dollars, U.S. Government Obligations, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of and premium, if any, interest, due on the Notes issued under this Indenture on the stated maturity date or on the applicable redemption date, as the case may be, and the Issuer must specify whether such Notes are being defeased to maturity or to a particular redemption date; *provided*, that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of redemption (any such amount, the “*Applicable Premium Deficit*”) only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer’s Certificate delivered to the Trustee at least two (2) Business Days prior to the redemption date that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(2) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that, subject to customary assumptions and exclusions;

(A) the Issuer has received from, or there has been published by, the United States Internal Revenue Service a ruling; or

(B) since the issuance of such Notes, there has been a change in the applicable U.S. federal income tax law;

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the beneficial owners of the Notes, in their capacity as beneficial owners of the Notes, will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that, subject to customary assumptions and exclusions, the beneficial owners of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under the Credit Facilities or any other material agreement or instrument (other than this Indenture) to which, the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound;

(6) [reserved];

(7) the Issuer shall have delivered to the Trustee an Officer's Certificate to the effect that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of the Issuer or any Guarantor; and

(8) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each to the effect that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

SECTION 8.5. Deposited Money and U.S. Government Obligations to be Held in Trust; Other Miscellaneous Provisions. Subject to Section 8.6 hereof, all money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.5, the "Trustee") pursuant to Section 8.4 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or U.S. Government Obligations deposited pursuant to Section 8.4 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article VIII to the contrary, the Trustee will deliver or pay to the Issuer from time to time upon the request of the Issuer any money or U.S. Government Obligations held by it as provided in Section 8.4 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.4(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.6. Repayment to the Issuer. Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium or interest on, any Note and remaining unclaimed for two years after such principal, premium or interest has become due and payable shall be paid to the Issuer on its written request unless an abandoned property law designates another Person or (if then held by the Issuer) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Issuer for payment thereof unless an abandoned property law designates another Person, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, shall at the expense of the Issuer cause to be published once, in The New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

SECTION 8.7. Reinstatement. If the Trustee or Paying Agent is unable to apply any money or Dollars or U.S. Government Obligations in accordance with Section 8.2 or 8.3 hereof, as the case may be, by reason of any order or judgment of any court or Governmental Authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's and the Guarantors' obligations under this Indenture and the Notes and the Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.2 or 8.3 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.2 or 8.3 hereof, as the case may be; *provided, however*, that, if the Issuer make any payment of principal of, premium, or interest on, any Note following the reinstatement of its obligations, the Issuer will be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE IX

AMENDMENTS

SECTION 9.1. Without Consent of Holders. Notwithstanding Section 9.2 of this Indenture, the Issuer, any Guarantor (with respect to its Guarantee or this Indenture) and the Trustee may amend, supplement or modify this Indenture, any Guarantee and the Notes without the consent of any Holder:

- (1) to cure any ambiguity, omission, mistake, defect, error or inconsistency, conform any provision to any provision under the heading “Description of Unsecured Notes” in the Offering Memorandum or reduce the minimum denomination of the Notes;
- (2) to provide for the assumption by a successor Person of the obligations of the Issuer or a Guarantor under any Note Document or to comply with Section 4.1;
- (3) to provide for uncertificated Notes in addition to or in place of certificated Notes or to alter the provisions of this Indenture relating to the form of the Notes (including related definitions);
- (4) to add or modify the covenants or provide for a Note Guarantee for the benefit of the Holders or to surrender any right or power conferred upon the Issuer or any Restricted Subsidiary;
- (5) to make any change (including changing the CUSIP or other identifying number on any Notes) that would provide any additional rights or benefits to the Holders or that does not materially and adversely affect the rights of any Holder in any material respect;
- (6) at the Issuer’s election, comply with any requirement of the SEC in connection with the qualification of this Indenture under the Trust Indenture Act, if such qualification is required;
- (7) make such provisions as necessary for the issuance of Additional Notes;
- (8) provide for any Restricted Subsidiary to provide a Guarantee in accordance with Section 3.2, to add Guarantees with respect to the Notes, to add security to or for the benefit of the Notes, or to confirm and evidence the release, termination, discharge or retaking of any Guarantee or Lien with respect to or securing the Notes when such release, termination, discharge or retaking is provided for under this Indenture;
- (9) evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee or successor Paying Agent thereunder pursuant to the requirements hereof or to provide for the accession by the Trustee to any Note Document;
- (10) secure the Notes and/or the related Guarantees or to add collateral thereto;
- (11) add an obligor or a Guarantor under this Indenture;
- (12) make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including to facilitate the issuance and administration of Notes; provided, however, that such amendment does not materially and adversely affect the rights of Holders to transfer the Notes; and
- (13) comply with the rules and procedures of any applicable securities depository.

Subject to Section 9.2, upon the request of the Issuer and upon receipt by the Trustee of the documents described in Sections 9.6 and 13.2 hereof, the Trustee will join with the Issuer and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture affects the Trustee’s own

rights, duties, liabilities or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental indenture.

SECTION 9.2. With Consent of Holders. Except as provided below in this Section 9.2, the Issuer, the Guarantors and the Trustee may amend or supplement this Indenture, any Guarantee and the Notes issued hereunder with the consent of the Holders of at least a majority in principal amount of all the outstanding Notes issued under this Indenture, including, without limitation, consents obtained before or after a Change of Control or in connection with a purchase of, or tender offer or exchange offer for, Notes, and any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Notes and the Guarantees may be waived with the consent of the Holders of at least a majority in principal amount of all the outstanding Notes issued under this Indenture (including consents obtained before or after a Change of Control or in connection with a purchase of or tender offer or exchange offer for Notes). Section 2.12 hereof and Section 13.4 hereof shall determine which Notes are considered to be “outstanding” for the purposes of this Section 9.2.

Upon the request of the Issuer, and upon delivery to the Trustee of evidence of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 9.6 and 13.2 hereof, the Trustee will join with the Issuer and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture affects the Trustee’s own rights, duties, liabilities or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental indenture.

Without the consent of each Holder of Notes affected, an amendment, supplement or waiver may not, with respect to any Notes issued thereunder and held by a nonconsenting Holder:

- (1) reduce the principal amount of such Notes whose Holders must consent to an amendment;
- (2) reduce the stated rate of or extend the stated time for payment of interest on any such Note (other than provisions relating to Section 3.5 and Section 3.9);
- (3) reduce the principal of or extend the Stated Maturity of any such Note (other than provisions relating to Section 3.5 and Section 3.9);
- (4) reduce the premium payable upon the redemption of any such Note or change the time at which any such Note may be redeemed, in each case as set forth in Section 5.7;
- (5) make any such Note payable in currency other than that stated in such Note;
- (6) impair the right of any Holder to institute suit for the enforcement of any payment of principal of and interest on such Holder’s Notes on or after the due dates therefor;
- (7) waive a Default or Event of Default with respect to the nonpayment of principal, premium or interest (except pursuant to a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of such Notes outstanding and a waiver of the payment default that resulted from such acceleration); or
- (8) make any change in the amendment or waiver provisions which require the Holders’ consent described in this Section 9.2.

It shall not be necessary for the consent of the Holders under this Indenture to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof. A consent to any amendment, supplement or waiver under this Indenture by any Holder of the Notes given

in connection with a tender or exchange of such Holder's Notes will not be rendered invalid by such tender or exchange.

SECTION 9.3. [Reserved].

SECTION 9.4. Revocation and Effect of Consents and Waivers. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent or waiver as to such Holder's Note or portion of its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described in this Section 9.4 or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.5. Notation on or Exchange of Notes. The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Issuer Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.6. Trustee to Sign Amendments. The Trustee shall sign any amended or supplemental indenture authorized pursuant to this Article IX if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. In executing any amended or supplemental indenture, the Trustee will be entitled to receive and (subject to Sections 7.1 and 7.2 hereof) shall be fully protected in conclusively relying upon, in addition to the documents required by Section 13.2 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and is valid, binding and enforceable against the Issuer or any Guarantor, as the case may be, in accordance with its terms. Notwithstanding the foregoing, no Opinion of Counsel shall be required in connection with the supplemental indenture to be delivered by the Company and the Guarantors on the Issue Date in the form attached hereto as Exhibit C.

ARTICLE X

GUARANTEE

SECTION 10.1. Guarantee. Subject to the provisions of this Article X, each Guarantor that executes this Indenture or a supplemental indenture hereto will fully, unconditionally and irrevocably guarantee, as primary obligor and not merely as surety, jointly and severally with each other Guarantor, to each Holder, and the Trustee the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, premium, if any, and interest on the Notes and all other obligations and liabilities of the Issuer under this Indenture (including without limitation interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Issuer or any Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding and the obligations under Section 7.7) (all the foregoing being hereinafter collectively called the "Guaranteed Obligations"). Each Guarantor agrees

that the Guaranteed Obligations will rank equally in right of payment with other Indebtedness of such Guarantor, except to the extent such other Indebtedness is subordinate to the Guaranteed Obligations, in which case the obligations of the Guarantors under the Guarantees will rank senior in right of payment to such other Indebtedness.

To evidence its Guarantee set forth in this Section 10.1, each Guarantor hereby agrees that this Indenture shall be executed on behalf of such Guarantor by an Officer of such Guarantor.

Each Guarantor hereby agrees that its Guarantee set forth in this Section 10.1 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Guarantee shall be valid nevertheless.

Each Guarantor further agrees (to the extent permitted by law) that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it will remain bound under this Article X notwithstanding any extension or renewal of any Guaranteed Obligation.

Each Guarantor waives presentation to, demand of payment from and protest to the Issuer of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Notes or the Guaranteed Obligations.

Each Guarantor further agrees that its Guarantee herein constitutes a Guarantee of payment when due (and not a Guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guaranteed Obligations.

Except as set forth in Section 10.2, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guaranteed Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the Guaranteed Obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by (a) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Issuer or any other person under this Indenture, the Notes or any other agreement or otherwise; (b) any extension or renewal of any thereof; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (d) the release of any security held by any Holder for the Guaranteed Obligations; (e) the failure of any Holder to exercise any right or remedy against any other Guarantor; (f) any change in the ownership of the Issuer; (g) any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations; or (h) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

Each Guarantor agrees that its Guarantee herein shall remain in full force and effect until payment in full of all the Guaranteed Obligations or such Guarantor is released from its Guarantee in compliance with Section 10.2, Article VIII or Article XI. Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of, premium, if any, or interest on any of the Guaranteed Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Issuer or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuer to pay any of the Guaranteed Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee on behalf of the Holders an amount equal to the sum of (i) the unpaid amount of such Guaranteed Obligations then due and owing and (ii) accrued and unpaid interest on

such Guaranteed Obligations then due and owing (but only to the extent not prohibited by law) (including interest accruing after the filing of any petition in bankruptcy or the commencement of any insolvency, reorganization or like proceeding relating to the Issuer or any Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding).

Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Guaranteed Obligations, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of this Guarantee.

Each Guarantor also agrees to pay any and all fees, costs and expenses (including attorneys' fees and expenses) incurred by the Trustee or the Holders in enforcing any rights under this Section 10.1.

SECTION 10.2. Limitation on Liability; Termination, Release and Discharge.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the obligations of each Guarantor hereunder will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal, foreign, state or provincial law and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally.

(b) Any Note Guarantee of a Guarantor shall be automatically and unconditionally released and discharged upon:

(1) a sale, exchange, transfer or other disposition (including by way of merger, amalgamation, consolidation, dividend distribution or otherwise) of the Capital Stock of such Guarantor (including any sale, exchange, transfer or other disposition) of all or substantially all the assets of the Guarantor to a Person other than to the Company or a Restricted Subsidiary and as otherwise permitted by this Indenture;

(2) the designation in accordance with this Indenture of the Guarantor as an Unrestricted Subsidiary or the occurrence of any event after which the Guarantor is no longer a Restricted Subsidiary;

(3) defeasance or discharge of the Notes pursuant to Article VIII or Article XI;

(4) to the extent that such Guarantor is not an Immaterial Subsidiary solely due to the operation of clause (i) of the definition of "Immaterial Subsidiary," upon the release of the guarantee referred to in such clause;

(5) such Guarantor being (or being substantially concurrently) released or discharged from all of (i) its obligations under all of its Guarantees of payment by the Issuer of any Indebtedness of the Issuer under the Credit Agreement or (ii) in the case of a Note Guarantee made by a Guarantor (each, an "Other Guarantee") as a result of its guarantee of other Indebtedness of the Issuer or a Guarantor pursuant to Section 3.7 hereof, the relevant Indebtedness, except in the case of (5) or (5), a release as a result of the payment under such Guarantee (it being understood that a release subject to a contingent reinstatement is still considered a release, and if any such Guarantee of such Guarantor under the Credit Agreement or any Other Guarantee is so reinstated, such Note Guarantee shall also be reinstated);

(6) upon the merger, amalgamation or consolidation of any Guarantor with and into the Company or another Guarantor or upon the liquidation of such Guarantor, in each case, in compliance with the applicable provisions of this Indenture; or

(7) upon the achievement of Investment Grade Status by the Notes; *provided* that such Note Guarantee shall be reinstated upon the Reversion Date.

SECTION 10.3. Right of Contribution. Each Guarantor hereby agrees that to the extent that any Guarantor shall have paid more than its proportionate share of any payment made on the obligations under the Guarantees, such Guarantor shall be entitled to seek and receive contribution from and against the Issuer or any other Guarantor who has not paid its proportionate share of such payment. The provisions of this Section 10.3 shall in no respect limit the obligations and liabilities of each Guarantor to the Trustee and the Holders and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

SECTION 10.4. No Subrogation. Notwithstanding any payment or payments made by each Guarantor hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Issuer or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Guaranteed Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Issuer or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Issuer on account of the Guaranteed Obligations are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guaranteed Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guaranteed Obligations.

ARTICLE XI

SATISFACTION AND DISCHARGE

SECTION 11.1. Satisfaction and Discharge. This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(a) either:

(1) all Notes that have been authenticated and delivered, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(2) all such Notes not theretofore delivered to the Trustee for cancellation (i) have become due and payable by reason of the making of a notice of redemption or otherwise or (ii) will become due and payable within one year at their Stated Maturity or (iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee, in the name, and at the expense of the Issuer;

(b) the Issuer has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in Dollars, U.S. Government Obligations, or a combination thereof, in such amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on such Notes not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest to the date of deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or redemption date, as the case may be; *provided* that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the

115

extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the date of redemption, and any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee at least two (2) Business Days prior to the redemption date that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(c) no Default or Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and the granting of Liens in connection therewith) with respect to this Indenture or the Notes issued hereunder shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under the Credit Facilities or any other material agreement or instrument (other than this Indenture) to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound;

(d) the Issuer has paid or caused to be paid all sums payable by the Issuer under this Indenture; and

(e) the Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money in Dollars toward the payment of such Notes issued hereunder at maturity or the redemption date, as the case may be.

In addition, the Issuer shall deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, the Issuer's obligations to the Trustee in Section 7.7 hereof and, if money in Dollars has been deposited with the Trustee pursuant to clause (a)(2) of this Section 11.1, the provisions of Sections 11.2 and 8.6 hereof will survive.

SECTION 11.2. Application of Trust Money. Subject to the provisions of Section 8.6 hereof, all money in Dollars or U.S. Government Obligations deposited with the Trustee pursuant to Section 11.1 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium) and interest for whose payment such money in Dollars or U.S. Government

Obligations has been deposited with the Trustee; but such money in Dollars or U.S. Government Obligations need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 11.1 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or Governmental Authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.1 hereof; *provided* that if the Issuer have made any payment of principal of, premium or interest on, any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

SECTION 13.2. Certificate and Opinion as to Conditions Precedent.

Upon any request or application by the Issuer or any of the Guarantors to the Trustee to take or refrain from taking any action under this Indenture, the Issuer or such Guarantor, as the case may be, shall furnish to the Trustee:

(1) an Officer's Certificate in form satisfactory to the Trustee (which shall include the statements set forth in Section 13.3 hereof) stating that, in the opinion of the signers, all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been satisfied; and

(2) an Opinion of Counsel in form satisfactory to the Trustee (which shall include the statements set forth in Section 13.3 hereof) stating that, in the opinion of such counsel, all such conditions precedent have been satisfied and all covenants have been complied with.

SECTION 13.3. Statements Required in Certificate or Opinion. Each certificate or opinion with respect to compliance with a covenant or condition provided for in this Indenture:

(1) a statement that the individual making such certificate or opinion has read such covenant or condition;

(2) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(3) a statement that, in the opinion of such individual, he has made such examination or investigation as is necessary to enable such individual to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(4) a statement as to whether or not, in the opinion of such individual, such covenant or condition has been complied with.

In giving such Opinion of Counsel, counsel may rely as to factual matters on an Officer's Certificate or on certificates of public officials.

SECTION 13.4. When Notes Disregarded. In determining whether the Holders of the required aggregate principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer, any Guarantor or any Affiliate of them shall be disregarded and deemed not to be outstanding, except that, for the purpose of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes which a Trust Officer of the Trustee actually knows are so owned shall be so disregarded. Also, subject to the foregoing, only Notes outstanding at the time shall be considered in any such determination.

SECTION 13.5. Rules by Trustee, Paying Agent and Registrar. The Trustee may make reasonable rules for action by, or at meetings of, Holders. The Registrar and the Paying Agent may make reasonable rules for their functions.

SECTION 13.6. Legal Holidays. A "Legal Holiday" is a Saturday, a Sunday or other day on which commercial banking institutions are authorized or required to be closed in New York, New York or the jurisdiction of the place of payment. If a payment date or a Redemption Date is a Legal Holiday, payment shall be made on the next succeeding day that is not a Legal Holiday, and no interest shall accrue for the intervening period. If a regular record date is a Legal Holiday, the record date shall not be affected.

SECTION 13.7. Governing Law. THIS INDENTURE, THE NOTES AND THE GUARANTEES AND THE RIGHTS OF THE PARTIES HEREUNDER AND THEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 13.8. Jurisdiction. The Issuer and the Guarantors agree that any suit, action or proceeding against the Issuer or any Guarantor brought by any Holder or the Trustee arising out of or based upon this Indenture, the Guarantee or the Notes may be instituted in any state or Federal court in the Borough of Manhattan, New York, New York, and any appellate court from any thereof, and each of them irrevocably submits to the non-exclusive jurisdiction of such courts in any suit, action or proceeding. The Issuer and the Guarantors irrevocably waive, to the fullest extent permitted by law, any objection to any suit, action, or proceeding that may be brought in connection

with this Indenture, the Guarantee or the Notes, including such actions, suits or proceedings relating to securities laws of the United States of America or any state thereof, in such courts whether on the grounds of venue, residence or domicile or on the ground that any such suit, action or proceeding has been brought in an inconvenient forum. The Issuer and the Guarantors agree that final judgment in any such suit, action or proceeding brought in such court shall be conclusive and binding upon the Issuer or the Guarantors, as the case may be, and may be enforced in any court to the jurisdiction of which the Issuer or the Guarantors, as the case may be, are subject by a suit upon such judgment.

SECTION 13.9. Waivers of Jury Trial. EACH OF THE ISSUER, THE GUARANTORS AND THE TRUSTEE HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE GUARANTEES AND FOR ANY COUNTERCLAIM THEREIN.

SECTION 13.10. USA PATRIOT Act. The parties hereto acknowledge that in accordance with Section 326 of the USA PATRIOT Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order to satisfy the requirements of the USA PATRIOT Act.

SECTION 13.11. No Recourse Against Others. No director, officer, employee, incorporator or shareholder of the Issuer or any of its respective Subsidiaries or Affiliates, or such (other than the Issuer and the Guarantors), shall have any liability for any obligations of the Issuer or the Guarantors under the Notes, the Guarantees or this Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

SECTION 13.12. Successors. All agreements of the Issuer and each Guarantor in this Indenture and the Notes shall bind their respective successors. All agreements of the Trustee in this Indenture shall bind its successors.

SECTION 13.13. Multiple Originals. The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. The exchange of copies of this Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

SECTION 13.14. Table of Contents; Headings. The table of contents, cross-reference table and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not intended to be considered a part hereof and shall not modify or restrict any of the terms or provisions hereof.

SECTION 13.15. Force Majeure. In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services, it being understood that the Trustee shall use reasonable best efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

SECTION 13.16. Severability. In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 13.17. [Reserved].

SECTION 13.18. Waiver of Immunities. To the extent that the Issuer or any Guarantor or any of its properties, assets or revenues may have or may hereafter become entitled to, or have attributed to them, any right of immunity, on the grounds of sovereignty, from any legal action, suit or proceeding, from set-off or counterclaim, from the jurisdiction of any court, from service of process, from attachment upon or prior to judgment, or from attachment in aid of execution of judgment, or from execution of judgment, or other legal process or proceeding for the giving of any relief or for the enforcement of any judgment, in any jurisdiction in which proceedings may at any time be commenced, with respect to their obligations, liabilities or any other matter under or arising out of or in connection with this Indenture, the Notes or the Note Guarantees, the Issuer and each Guarantor hereby irrevocably and unconditionally, to the extent permitted by applicable law, waives and agrees not to plead or claim any such immunity and consents to such relief and enforcement.

SECTION 13.19. Judgment Currency. The Issuer and each Guarantor agrees to indemnify the recipient against any loss incurred by such recipient as a result of any judgment or order being given or made against the Issuer or any Guarantor for any amount due hereunder and such judgment or order being expressed and paid in a currency (the "Judgment Currency") other than Dollars and as a result of any variation as between (i) the rate of exchange at which the Dollar amount is converted into the Judgment Currency for the purpose of such judgment or order, and (ii) the rate of exchange in The City of New York at which such party on the date of payment of such judgment or order is able to purchase Dollars with the amount of the Judgment Currency actually received by such party if such party had utilized such amount of Judgment Currency to purchase Dollars as promptly as practicable upon such party's receipt thereof. The foregoing indemnity shall constitute a separate and independent obligation of the Issuer and each Guarantor and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term "rate of exchange" shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, the relevant currency.

[FORM OF REVERSE SIDE OF NOTE]
THE DUN & BRADSTREET CORPORATION
10.250% SENIOR NOTES DUE 2027

Capitalized terms used herein and not defined herein have the meanings ascribed thereto in the Indenture.

1. Interest

The Issuer promises to pay interest on the principal amount of this Note at 10.250% per annum from February 8, 2019 until maturity. The Issuer will pay interest semi-annually in arrears every February 15 and August 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “Interest Payment Date”). Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided*, that the first Interest Payment Date shall be August 15, 2019. The Issuer shall pay interest on overdue principal at the rate specified herein, and it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful. Interest on the Notes will be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. Method of Payment

By no later than 11:00 a.m. (New York City time) on the date on which any principal of, premium, if any, or interest, on any Note is due and payable, the Issuer shall deposit with the Paying Agent a sum sufficient in immediately available funds to pay such principal, premium, interest when due. Interest on any Note which is payable, and is timely paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name such Note (or one or more Predecessor Notes) is registered at the close of business on the preceding February 1 and August 1 at the office or agency of the Issuer maintained for such purpose pursuant to Section 2.3 of the Indenture. The principal of (and premium, if any) and interest on the Notes shall be payable at the office or agency of Paying Agent or Registrar designated by the Issuer maintained for such purpose (which shall initially be the office of the Trustee maintained for such purpose), or at such other office or agency of the Issuer as may be maintained for such purpose pursuant to Section 2.3 of the Indenture; *provided, however*, that, at the option of the Paying Agent, each installment of interest may be paid by (i) check mailed to addresses of the Persons entitled thereto as such addresses shall appear on the Notes Register or (ii) wire transfer to an account located in the United States maintained by the payee, subject to the third to the last sentence of this paragraph. Payments in respect of Notes represented by a Global Note (including principal, premium, if any, and interest) will be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or any successor depository. Payments in respect of Notes represented by Definitive Notes (including principal, premium, if any, and interest) held by a Holder of at least \$1,000,000 aggregate principal amount of Notes represented by Definitive Notes will be made in accordance with the Notes Register, or by wire transfer to a Dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 15 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion). If an Interest Payment Date or a Redemption Date is a Legal Holiday, payment shall be made on the next succeeding day that is not a Legal Holiday, and no interest shall accrue for the intervening period. If a regular record date is a Legal Holiday, the record date shall not be affected.

3. Paying Agent and Registrar

The Issuer initially appoints Wilmington Trust, National Association (the “Trustee”) as Registrar and Paying Agent for the Notes. The Issuer may change any Registrar or Paying Agent without prior notice to the Holders. The Issuer or any Guarantor may act as Paying Agent, Registrar or transfer agent.

A-4

4. Indenture

The Issuer issued the Notes under an Indenture dated as of February 8, 2019, among the Issuer and the Trustee, as supplemented by the First Supplemental Indenture dated as of February 8, 2019, among the Issuer, the Guarantors named therein and the Trustee (as it may be further amended or supplemented from time to time in accordance with the terms thereof, the “Indenture”). The terms of the Notes include those stated in the Indenture. The Notes are subject to all terms and provisions of the Indenture, and Holders are referred to the Indenture for a statement of those terms. In the event of a conflict between the terms of the Notes and the terms of the Indenture, the terms of the Indenture shall control.

The Notes are senior obligations of the Issuer. The aggregate principal amount of Notes that may be authenticated and delivered under the Indenture is unlimited. This Note is one of the 10.250% Senior Notes due 2027 referred to in the Indenture. The Notes include (i) \$750,000,000 principal amount of the Issuer’s 10.250% Senior Notes due 2027 issued under the Indenture on February 8, 2019 (the “Initial Notes”) and (ii) if and when issued, additional Notes that may be issued from time to time under the Indenture subsequent to February 8, 2019 (the “Additional Notes”) as provided in Section 2.1(a) of the Indenture. The Initial Notes and the Additional Notes shall be considered collectively as a single class for all purposes of the Indenture; *provided* that the Additional Notes will not be issued with the same CUSIP as the existing Notes unless such Additional Notes are fungible with the existing Notes for U.S. federal income tax purposes. The Indenture imposes certain limitations on the incurrence of indebtedness, the making of restricted payments, the sale of assets, the incurrence of certain liens, the making of payments for consents, the entering into of agreements that restrict distribution from restricted subsidiaries and the consummation of mergers and consolidations. The Indenture also imposes requirements with respect to the provision of financial information and the provision of guarantees of the Notes by certain subsidiaries.

5. Guarantees

From and after the Issue Date, to guarantee the due and punctual payment of the principal, premium, if any, interest (including post-filing or post-petition interest in any proceeding under Bankruptcy Law) on the Notes and all other amounts payable by the Issuer under the Indenture and the Notes when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Notes and the Indenture, each Guarantor will unconditionally guarantee (and future guarantors, jointly and severally with the Guarantors, will fully and unconditionally Guarantee) such obligations on a senior basis pursuant to the terms of the Indenture.

6. Redemption

(a) At any time prior to February 15, 2022, the Company may redeem the Notes in whole or in part, at its option, upon not less than 10 nor more than 60 days’ prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, at a redemption price (expressed as a percentage of the principal amount of the Notes to be redeemed) equal to 100.000% plus the relevant Applicable Premium as of, and accrued and unpaid interest, if any, to but excluding the date of redemption (the “Redemption Date”), subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date.

(b) At any time and from time to time prior to February 15, 2022, the Company may on one or more occasions, upon not less than 10 nor more than 60 days’ prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, redeem up to 40.0% of the original principal amount of Notes issued under the Indenture on the Issue Date (together with Additional Notes) at a redemption price (expressed as a percentage of the principal amount of Notes to be redeemed) equal to 110.250%, plus accrued and unpaid interest, if any, to but excluding, the applicable Redemption Date, subject to the right of Holders of record of the Notes on the relevant record date to receive interest due on the relevant interest payment date, with the Net Cash Proceeds received by the Company of one or more Equity Offerings of the Company; *provided* that not less than 50.0% of the original principal amount of the then-outstanding Notes initially issued under the Indenture remains outstanding immediately after the occurrence of each such redemption (including Additional Notes but excluding Notes held by the Company or any of its Restricted Subsidiaries), unless all such notes are redeemed substantially

concurrently; *provided further* that each such redemption occurs not later than 180 days after the date of closing of the related Equity Offering. The Trustee shall select the Notes to be purchased in the manner described under Sections 5.1 through 5.6 of the Indenture.

(c) Except pursuant to clauses (a) and (b) of this paragraph 6, the Notes will not be redeemable at the Company's option prior to February 15, 2022.

(d) At any time and from time to time on or after February 15, 2022, the Company may redeem the Notes, in whole or in part, upon not less than 10 nor more than 60 days' prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth in the table below, plus accrued and unpaid interest thereon, if any, to but excluding the applicable Redemption Date, subject to the right of Holders of record of the Notes on the relevant record date to receive interest due on the relevant interest payment date, if redeemed during the twelve-month period beginning on February 15 of each of the years indicated in the table below:

Year	Percentage
2022	105.125%
2023	102.563%
2024 and thereafter	100.000%

(e) Notwithstanding the foregoing, in connection with any tender offer for the Notes, including a Change of Control Offer or Asset Disposition Offer, if Holders of not less than 90.0% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Company, or any third party making such tender offer in lieu of the Company, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company or such third party shall have the right upon not less than 10 nor more than 60 days' prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, given not more than 30 days following such purchase date to redeem all Notes that remain outstanding following such purchase at a redemption price equal to the price offered to each other Holder in such tender offer plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to but not including, the date of such redemption.

(f) Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable Redemption Date.

(g) Any redemption pursuant to this paragraph 6 shall be made pursuant to the provisions of Section 5.1 through 5.6 of the Indenture.

The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

7. Reserved

8. Repurchase Provisions

If a Change of Control occurs, each Holder will have the right to require the Issuer to repurchase from each Holder all or any part (equal to a minimum denomination of \$2,000 or an integral multiple of \$1,000 in excess thereof) of such Holder's Notes at a purchase price in cash equal to 101.0% of the aggregate principal amount thereof plus accrued and unpaid interest, to but excluding the date of purchase; provided that if the repurchase date is on or after the record date and on or before the corresponding interest payment date, then Holders in whose name the Notes are registered at the close of business on such record date will receive the interest due on the repurchase date, as provided in, and subject to the terms of, the Indenture.

Upon certain Asset Dispositions, the Issuer may be required to use the Excess Proceeds from such Asset Dispositions to offer to purchase Notes and, at the Issuer's option, Pari Passu Indebtedness out of the Excess Proceeds in accordance with the procedures set forth in Section 3.5 and in Article V of the Indenture.

9. Denominations; Transfer; Exchange

The Notes shall be issuable only in fully registered form in minimum denominations of principal amount of \$2,000 and any integral multiple of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay a sum sufficient to cover any tax and fees required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange of any Note (A) for a period beginning (1) fifteen (15) calendar days before the mailing of a notice of an offer to repurchase or redeem Notes and ending at the close of business on the day of such mailing or (2) fifteen (15) calendar days before an Interest Payment Date and ending on such Interest Payment Date or (B) called for redemption, except the unredeemed portion of any Note being redeemed in part.

10. Persons Deemed Owners

The registered Holder of this Note may be treated as the owner of it for all purposes.

11. Unclaimed Money

If money for the payment of principal, premium, if any, interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Issuer at its written request unless an abandoned property law designates another Person to receive such money. After any such payment, Holders entitled to the money must look only to the Issuer and not to the Trustee for payment as general creditors unless an abandoned property law designates another person for payment.

12. Discharge and Defeasance

Subject to certain exceptions and conditions set forth in the Indenture, the Issuer at any time may terminate some or all of its obligations under the Notes and the Indenture if the Issuer deposits with the Trustee money or U.S. Government Obligations for the payment of principal, premium, if any and interest on the Notes to redemption or maturity, as the case may be.

13. Amendment, Supplement, Waiver

Subject to certain exceptions contained in the Indenture, the Indenture and the Notes may be amended, or a Default thereunder may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Issuer, the Guarantors and the Trustee may amend or supplement the Indenture and the Notes as provided in the Indenture.

14. Defaults and Remedies

If an Event of Default (other than an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Issuer or certain Guarantors) occurs and is continuing, the Trustee by notice to the Issuer, or the Holders of at least 30.0% in aggregate principal amount of the outstanding Notes by notice to the Issuer and the Trustee, may declare the principal of and accrued and unpaid interest, and any other monetary obligations on all the Notes to be due and payable immediately. Upon the effectiveness of such declaration, such principal, interest, and other monetary obligations will be due and payable immediately. If a bankruptcy, insolvency or reorganization of the Issuer or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements for the Issuer and its Restricted Subsidiaries, would constitute a Significant Subsidiary) occurs and is continuing, the principal of and accrued and unpaid interest and any other monetary obligations on all the Notes will become and be immediately due and payable without any declaration or other act on

the part of the Trustee or any Holders. Under certain circumstances, the Holders of a majority in aggregate principal amount of the outstanding Notes may rescind any such acceleration with respect to the Notes and its consequences.

15. Trustee Dealings with the Issuer

Subject to certain limitations set forth in the Indenture, the Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer, Guarantors or their Affiliates with the same rights it would have if it were not Trustee. In addition, the Trustee shall be permitted to engage in transactions with the Issuer and its Affiliates and Subsidiaries.

16. No Recourse Against Others

No director, officer, employee, incorporator or shareholder of the Issuer or any of its Subsidiaries or Affiliates, as such (other than the Issuer and the Guarantors), shall have any liability for any obligations of the Issuer or the Guarantors under the Notes, the Guarantees or the Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting a note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

17. Authentication

This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent acting on its behalf) manually signs the certificate of authentication on the other side of this Note.

18. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (= tenants in common), TEN ENT (= tenants by the entirety), JT TEN (= joint tenants with rights of survivorship and not as tenants in common), CUST (= custodian) and U/G/M/A (= Uniform Gift to Minors Act).

19. CUSIP and ISIN Numbers

The Issuer has caused CUSIP and ISIN numbers, if applicable, to be printed on the Notes and has directed the Trustee to use CUSIP and ISIN numbers, if applicable, in notices of redemption or purchase as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption or purchase and reliance may be placed only on the other identification numbers placed thereon.

20. Governing Law

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

The Issuer will furnish to any Holder upon written request and without charge to the Holder a copy of the Indenture. Requests may be made to:

STAR PARENT, L.P.

LONG TERM INCENTIVE PLAN FOR EXECUTIVE EMPLOYEES

ARTICLE I
ESTABLISHMENT AND PURPOSE; ADMINISTRATION

1.1 Establishment. This plan shall be known as Star Parent, L.P. Long Term Incentive Plan for Executive Employees (this “Plan”) and shall be effective as of March 11, 2019 (the “Effective Date”).

1.2 Purpose. This Plan is intended to promote the long-term growth and profitability of Dun & Bradstreet Corporation (the “Company”) by providing certain executives and key employees of the Company who are or will be involved in the growth of the Company with an opportunity to acquire an indirect interest in Star Parent, L.P. (“Star Parent”), the Company’s indirect parent, thereby encouraging such persons to contribute to and participate in the success of the Company. Under the Plan, the Administrator may grant Incentive Units to, or for the benefit of, such Participants as may be selected in the sole discretion of the Administrator.

1.3 Administration. The Administrator shall have the power and authority to prescribe, amend and rescind rules and procedures governing the administration of this Plan, including, but not limited to, the full power and authority to: (a) interpret the terms of this Plan, the terms of any Grant Agreement, the terms of the LP Agreement that are applicable to any Incentive Units granted under this Plan, and the rules and procedures established by the Administrator governing any such Incentive Units, (b) determine the rights of any person under this Plan, or the meaning of requirements imposed by the terms of this Plan or any rule or procedure established by the Administrator, (c) select the Participants to receive Incentive Units under this Plan, (d) set the Threshold Amount of any Incentive Units granted under this Plan, (e) establish performance and vesting standards, (f) impose such limitations, restrictions and conditions upon such Incentive Units as it shall deem appropriate, (g) adopt, amend, and rescind administrative guidelines and other rules and regulations relating to this Plan, (h) correct any defect or omission or reconcile any inconsistency in this Plan, (i) enter into Grant Agreements with Participants that contain provisions that supplement, vary from, or modify, the terms of the Plan, and (j) make all other determinations and take all other actions necessary or advisable for the implementation and administration of this Plan. Each action and determination of the Administrator shall be final, binding and conclusive on all persons. The Administrator is not required to treat any Participants similarly and shall have the discretion and authority to distinguish between Participants on any basis the Administrator determines. In the absence of specific rules to the contrary, action by the Administrator shall require the consent of a majority of the members of the Administrator, expressed either orally at a meeting of the Administrator or in writing in the absence of a meeting. The Administrator may appoint any member of the Administrator to act in his or her individual capacity with respect to any matter set forth herein on behalf of the entire Administrator.

ARTICLE II DEFINITIONS

As used in this Plan, the following terms shall have the meanings set forth below:

“Administrator” means the General Partner of Star Parent.

“Affiliate” of a Person means any other person, entity, or investment fund controlling, controlled by, or under common control with such Person and, in the case of a Person which is a partnership, any partner of such Person.

“Cause” shall (a) have the same meaning ascribed to such term in any employment or severance agreement then in effect between Participant and the Company or any of its Affiliates, or if no such agreement containing a definition of “Cause” is then in effect, (b) mean the termination of Participant’s employment after Participant’s: (i) material breach of the Plan, a Grant Agreement, an employment agreement or any other material written agreement between Participant and the Company or any of its Affiliates, (ii) a material breach of any fiduciary, confidentiality, non-disclosure, non-competition, non-solicitation, non-interference, non- disparagement obligations to the Company or any of its Affiliates, (iii) willful refusal or failure to perform Participant’s material duties to the Company or any of its Affiliates (including, without limitation, full cooperation in any audit or investigation involving the Company and/or any of its Affiliates) other than due to Participant’s death or disability, (iv) failure to follow the lawful directives of Participant’s superior, the General Partner of Star Parent or the board of directors of the Company or its Affiliates, (v) commission, conviction or plea of nolo contendere of any felony or a misdemeanor involving moral turpitude, (vi) fraudulent activity, (vii) material violation of any material policies of the Company and/or any of its Affiliates, (viii) disclosure of a Grant Agreement (or the terms thereof) to any person or entity, other than immediate family members, legal advisors or personal tax or financial advisors or as may be required by applicable law and (ix) any other misconduct or omission by Participant which is injurious to the financial condition or business reputation of, or is otherwise materially injurious to, the Company and/or any of its Affiliates. For the avoidance of doubt, a resignation by Participant shall be treated as a termination for “Cause” if there were grounds to terminate Participant for Cause prior to or at the time of such resignation.

“Change in Control” means the consummation of a transaction that constitutes a Sale of the Partnership as defined in the LP Agreement.

“Subsidiary” means any entity or entities which are controlled by or majority-owned, directly or indirectly, by the Company.

“Termination Date” means (i) for a Participant who is employed by the Company or its Subsidiaries, the first date on which the Participant is no longer employed by the Company or its Subsidiaries for any reason and (ii) for a Participant who is solely a consultant or independent contractor to the Company or its Subsidiaries, the first date on which the Participant is no longer engaged by the Company or its Subsidiaries for any reason.

“Threshold Amount” means the Hurdle Class C Amount for each Incentive Unit issued to the Participant. The Threshold Amount applicable to any Incentive Unit granted hereunder shall

be no less than the amount determined by the Administrator to be necessary to cause such Incentive Unit to constitute a “profits interest” within the meaning of Revenue Procedures 93-27 and 2001-43.

“Vesting Termination Date” means the earlier of (i) a Participant’s Termination Date and (ii) the date either party provides the notice of termination of the Participant’s employment with the Company or a Related Person.

ARTICLE III AWARDS AND ELIGIBILITY

3.1 Awards. Awards of Incentive Units under this Plan shall be made pursuant to a written Grant Agreement containing such restrictions, terms, and conditions, if any, as the Administrator may require; provided that, except as otherwise expressly provided in a Grant Agreement, if there is any conflict between any provision of this Plan and a Grant Agreement, the provisions of this Plan shall govern.

3.2 Maximum Units Available. An aggregate of 14,647.2072 Incentive Units shall initially be reserved for issuance as Incentive Units under this Plan. Any change in the number of Incentive Units available for issuance under the LP Agreement shall automatically apply to this Plan without the need for any further action. All Incentive Units shall be subject to adjustment by the Administrator as set forth herein. In the event of any Incentive Unit split, combination of Incentive Units, or merger or consolidation of Star Parent, the Administrator may make such changes in the number of Incentive Units and the terms applicable thereto as the Administrator determines are necessary to prevent dilution or enlargement of rights of the Participants under this Plan.

3.3 Eligibility. The Administrator may, from time to time, (i) select the executive employees of the Company or its Subsidiaries who shall be eligible to participate in this Plan and (ii) determine the number of Incentive Units to be granted to each such Participant. The Administrator may consider any factors it deems relevant in selecting Participants and in granting Incentive Units to such Participants. The Administrator’s determinations under this Plan (including determinations of which persons are to receive Incentive Units and in what amount) need not be uniform and may be made by it selectively among Participants.

3.4 Scope of Participation. The Administrator shall specify a Participant’s scope of participation in the Plan from time to time. A Participant shall not be entitled to participate in the Plan until such time as the Administrator authorizes such participation, and then only to the extent of participation defined and expressly granted by the Administrator. Participation in the Plan shall not entitle the Participant to participate in economics beyond those attributable to the Incentive Units.

3.5 No Right to Continued Employment and/or Service. Nothing in this Plan or in any Grant Agreement, as applicable, shall confer on any Participant any right to continue in the

employment and/or service of the Company or any Subsidiary, interfere in any way with the right of the Company or any Subsidiary to terminate such Participant's employment and/or service at any time for any reason or no reason, or to continue such Participant's present (or any other) rate of compensation.

3.6 Securities Laws. This Plan has been instituted by the Company to provide certain compensatory incentives to the Participants and is intended to qualify for an exemption from the registration requirements (a) under the Securities Act pursuant to Rule 701 promulgated under the Securities Act, and (b) under applicable state securities laws.

ARTICLE IV INCENTIVE UNITS

4.1 Incentive Units. The Administrator shall have the right and power to grant to any Participant, at any time prior to the termination of this Plan, Incentive Units in such quantity, at such price, on such terms and subject to such conditions as established by the Administrator. Incentive Units granted under this Plan shall be subject to such terms and conditions and evidenced by Grant Agreements, as shall be determined from time to time by the Administrator. Any securities or property received in respect of Incentive Units will continue to be subject to the terms of this Plan and the applicable Grant Agreement.

4.2 Vesting of Incentive Units. Unless otherwise set forth in an applicable Grant Agreement, the Incentive Units granted hereunder shall vest ratably over a three year period beginning on the date of grant, subject to the Participant's continued employment with the Company or any Subsidiary. Upon a Change in Control, the Incentive Units will accelerate and fully vest, subject to the Participant's continued employment with the Company or its Subsidiaries through the Change in Control. Upon an IPO, Incentive Units will remain subject to the vesting schedule applicable to such Incentive Units. The Administrator may, in addition, impose at the time of grant additional vesting or other restrictions on the Incentive Units granted under this Plan as the Administrator determines in its sole discretion.

4.3 Rights as Participants and of Incentive Units. This Plan and the LP Agreement set forth the rights and privileges of Participants if and when they hold Incentive Units, including the rights to profits, losses and distributions as set forth therein.

4.4 Treatment on Termination. Unless otherwise set forth in a Grant Agreement or as otherwise determined by the Administrator, a Participant's Incentive Units that have not vested under will be immediately forfeited on the Participant's Vesting Termination Date, without payment of any consideration therefore. Additionally, if the Participant's Vesting Termination Date is the result of a termination by the Company or any Subsidiary for Cause, or otherwise occurs at a time when Cause exists, all vested Incentive Units will be immediately forfeited without payment of consideration and such forfeiture shall be given effect as of the Participant's Vesting Termination Date.

4.5 Non-Transferability. Except for transfer by will or the laws of descent and distribution, a Participant may not transfer Incentive Units (or any interests therein), whether voluntarily or involuntarily, or by operation of law by judgment, levy, attachment, garnishment or any other legal or equitable proceedings, including bankruptcy. Any attempted transfer of any Incentive Units or any rights under this Plan shall be a breach of the applicable Grant Agreement, the LP Agreement and this Plan, and shall be null and void and of no force or effect whatsoever.

ARTICLE V

CERTAIN REPRESENTATIONS

5.1 Representations and Warranties of the Participant. In connection with any grant of Incentive Units hereunder, a Participant shall, by the act of accepting the Incentive Units and executing the corresponding Grant Agreement (and without any further action on the part of the Participant), represent and warrant to Star Parent as follows:

(a) The Incentive Units will be received for the Participant's own account and not with a view to, or intention of, distribution thereof in violation of the Securities Act, any applicable state securities laws or the terms of this Plan, the applicable Grant Agreement or the LP Agreement, and the Participant will not dispose of the Participant's interests in the Incentive Units in contravention of any such laws or agreements.

(b) The Participant is able to bear the economic risk of the investment in the Incentive Units for an indefinite period of time, and the Participant understands that the Incentive Units are subject to the transfer restrictions contained in this Plan, the applicable Grant Agreement and the LP Agreement and have not been registered under the Securities Act.

(c) The Participant has had an opportunity to ask questions and receive answers concerning the terms and conditions of the offering of the Incentive Units and has had full access to such other information concerning Star Parent as the Participant has requested. The Participant has reviewed, or has had an opportunity to review, a copy of the LP Agreement.

(d) Each of this Plan, the applicable Grant Agreement and the LP Agreement constitutes the legal, valid and binding obligation of the Participant, enforceable against the Participant in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and limitations on the availability of equitable remedies. The execution, delivery, and performance of this Plan, the applicable Grant Agreement or the LP Agreement by the Participant does not and will not conflict with, violate, or cause a breach of any agreement, contract, or instrument to which the Participant is a party or any judgment, order, or decree to which the Participant is subject.

(e) The Participant is an "Accredited Investor," as that term is defined in Regulation D under the Securities Act, or an employee of the Company or a Subsidiary, and the

Participant considers himself or herself, either alone or with a purchaser representative, to be an experienced and sophisticated investor and to have such knowledge and experience in financial and business matters as are necessary to evaluate the merits and risks of an investment in the Incentive Units. The Participant acknowledges and understands that an investment in the Incentive Units involves substantial risks, and the Participant is able to bear the economic risks of an investment in the Incentive Units pursuant to the terms hereof, including the complete loss of the Participant's investment in the Incentive Units.

(f) The Participant acknowledges and agrees that, upon request from the Administrator, the Participant will transfer their Incentive Units to an aggregator entity in exchange for corresponding incentive units with equal economic value and corresponding economics.

5.2 **83(b) Election.** The Incentive Units issued pursuant to this Plan are intended to be characterized as "profits interests" within the meaning of Revenue Procedures 93-27 (1993-2 C.B. 343) and 2001-43 (2001-2 C.B. 191). As a condition to the issuance of the Incentive Units pursuant to this Plan and the applicable Grant Agreement, within thirty (30) days of the grant date, each Participant shall (a) execute and deliver to the Internal Revenue Service (the "IRS") an election under Section 83(b) of the Code, in the form attached hereto as Annex A, with respect to the Incentive Units (the "**83(b) Election**"), on a protective basis, and (b) provide a copy of the 83(b) Election to the Company. Each Participant understands that under Section 83(b) of the Code, the regulations promulgated thereunder, and certain IRS administrative announcements, in the absence of an effective election under Section 83(b) of the Code, the excess of the fair market value of any Incentive Units, on the date on which any forfeiture restrictions applicable to such Incentive Units lapse, over the price paid for such Incentive Units, could be reportable as ordinary income at that time. For this purpose, the term "forfeiture restrictions" includes the restrictions on transferability and the vesting and repurchase provisions imposed under this Plan. Each Participant understands that (i) in making the 83(b) Election, the Participant may be taxed at the time the Incentive Units are received hereunder to the extent the fair market value of the Incentive Units exceeds the price paid for such Incentive Units; and (ii) in order to be effective, the 83(b) Election must be filed with the IRS within thirty (30) days after the grant date. Each Participant hereby acknowledges that: (A) the foregoing description of the tax consequences of the 83(b) Election is not intended to be complete and, among other things, does not describe state, local or foreign income and other tax consequences; (B) none of Star Parent or any Related Person has provided or is providing the Participant with tax advice regarding the 83(b) Election or any other matter, and the Company has urged the Participant to consult the Participant's own tax advisor with respect to income taxation consequences of receiving, holding and disposing of the Incentive Units; and (C) none of Star Parent or any Related Person has advised the Participant to rely on any determination by it or its representatives as to the fair market value specified in the 83(b) Election and will have no liability to the Participant if the actual fair market value of the Incentive Units on the grant date exceeds the amount specified in the 83(b) Election. A Participant shall be solely responsible for the payment of all federal and state

income taxes that may be payable by such Participant as a result of the grant of Incentive Units pursuant hereto or the distribution of amounts (if any) on account thereof.

5.3 **No Representation as to Value.** As a condition to receiving, directly or indirectly, the Incentive Units pursuant to this Plan, each Participant acknowledges that: (a) none of Star Parent nor any Related Person has made any representation or warranty, express or implied, as to the future performance of the Company or the present or future value of the Incentive Units; (b) all forecasts, projections or illustrations of amounts that might be realized as a result of the Participant's receipt of the Incentive Units that Star Parent or a Related Person shared with the Participant (collectively, "**Illustrations**"), if any, were purely hypothetical; (c) none of Star Parent nor any Related Person intended for the Participant to rely upon such Illustrations in the process of making an investment decision; and (d) the Participant has not relied on such Illustrations in the process of making an investment decision.

ARTICLE VI JOINDERS

Receipt of any Incentive Units shall constitute agreement by the Participant receiving such Incentive Units to be bound by all of the terms and conditions of the LP Agreement, including with respect to any other equity securities issuable to or held by such Participant. In furtherance thereof, upon the receipt of any Incentive Units, and without any further required action of the Participant, Star Parent or any other Person, the Participant shall automatically become a party to the LP Agreement. If requested by the Administrator, the Participant agrees to execute any document prescribed by the Administrator to implement this Article and shall forfeit any Incentive Units if the Participant fails to execute such document within thirty (30) days of such request. All of the terms of the LP Agreement are incorporated by reference into this Plan and each Grant Agreement.

ARTICLE VII REPURCHASE RIGHTS

Any repurchase rights of Star Parent and the Participant regarding the Incentive Units shall be governed by Section 3.08 of the LP Agreement.

ARTICLE VIII OTHER PROVISIONS

8.1 **Indemnification.** In addition to such other rights of indemnification as they may have, the Administrator shall be indemnified by Star Parent against all costs and expenses reasonably incurred by them in connection with any action, suit or proceeding to which they or any of them may be party by reason of any action taken or failure to act under or in connection with this Plan or any rights granted hereunder, and against all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by Star Parent or a Subsidiary) or paid by them in satisfaction of a judgment in any such action,

suit or proceeding; provided that any such Administrator shall be entitled to the indemnification rights set forth in this Section 8.1 only if such member has acted in good faith and in a manner that such member reasonably believed to be in or not opposed to the best interests of Star Parent and, with respect to any criminal action or proceeding, had no reasonable cause to believe that such conduct was unlawful; and provided, further, that upon the institution of any such action, suit or proceeding, such Administrator shall give Star Parent written notice thereof and an opportunity, at its own expense, to handle and defend the same before such Administrator undertakes to handle and defend it on such Administrator's own behalf.

8.2 Amendment, Suspension and Termination. This Plan and any Grant Agreement may be wholly or partially amended or otherwise modified, suspended or terminated at any time or from time to time by the Administrator, in its sole and absolute discretion, with or without any reason. For the sake of clarity, the Administrator may require any Participant to exchange Incentive Units for other equity interests in connection with or related to a Change in Control or IPO on such terms as the Administrator determines equitable in its reasonable discretion. Notwithstanding the foregoing, no amendment, modification, suspension, exchange or termination will (A) materially reduce the intrinsic value of the security held by the Participant as determined immediately before and immediately after such action or (B) impose additional vesting conditions on the Participant's Incentive Units.

8.3 Data Protection. By participating, or accepting any rights granted under, this Plan, each Participant consents to the collection and processing of personal data relating to the Participant so that the Company and its Affiliates can fulfill their obligations and exercise their rights under this Plan and generally administer and manage this Plan. This data will include, but may not be limited to, data about participation in this Plan and Incentive Units offered or received, purchased or sold under this Plan from time to time and other appropriate financial and other data (such as the date on which the Incentive Units were granted) about the Participant and the Participant's participation in this Plan.

8.4 Notices. Notices required or permitted to be made under this Plan shall be in writing and shall be deemed given, delivered and effective on the earliest of: (a) the date of transmission, if such notice or communication is delivered via email prior to 5:00 p.m. (New York time) on a business day, (b) the first business day after the date of transmission, if such notice or communication is delivered via email either on a day that is not a business day or later than 5:00 p.m. (New York time) on any business day and earlier than 11:59 p.m. (New York time) on the day preceding the next business day, (c) one (1) business day after when sent, if sent by nationally recognized overnight courier service (charges prepaid), or (d) upon actual receipt by the person to whom such notice is required to be given. All notices shall be addressed: (i) to a Participant at such Participant's address as set forth in the books and records of the Company and its Subsidiaries, or (ii) to the Company or the Administrator at the principal office of the Administrator clearly marked "Attention: Board - Star GP Holding, LLC".

8.5 Severability. Whenever possible, each provision of this Plan shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Plan is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or any other jurisdiction, but this Plan shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

8.6 Prior Agreements. No provision of any employment, severance, incentive award, or other similar agreement entered into by a Participant, on the one hand, and the Company or any of its Subsidiaries, on the other hand, prior to the Effective Date shall modify or have any effect in any manner on any provision of this Plan or any term or condition of any Grant Agreement to which such Participant is a party. Without limiting the generality of the foregoing, any provision in any such agreement that purports to apply in any manner to Incentive Units, equity-based awards or the like shall not apply to or have any effect on any Incentive Units under this Plan.

8.7 Governing Law; No Jury Trial. This Plan shall be governed by the laws of the State of Delaware, without giving effect to any choice of law provisions that might otherwise refer construction or interpretation of this Plan to the substantive law of another jurisdiction. THE COMPANY AND EACH PARTICIPANT IRREVOCABLY AND UNCONDITIONALLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY PROCEEDING (WHETHER BASED ON CONTRACT, TORT, OR OTHERWISE) ARISING OUT OF OR RELATING TO THE PLAN OR ANY INCENTIVE UNITS GRANTED HEREUNDER. This Plan shall be construed and interpreted in accordance with the laws of the State of Delaware.

8.8 Construction. Dear :

I am very pleased to share that you will participate in the Dun & Bradstreet (D&B) Cost Savings Achievement Plan.

The cost savings incentive earned will be based on the achievement of specified levels of cost savings achieved beginning February 8, 2019. Cost savings are defined as the annualized net expense savings from specific actions taken by management. The Board of Directors (or the Compensation Committee of the Board of Directors) has final authority to determine whether a specific amount will qualify as a cost savings. No incentive bonus will be earned until the annualized cost savings amount reaches \$75 million. Your target incentive at various total cost savings levels are as follows (subject to the provisions below). If the cost savings achieved are between levels in the table below, your target incentive amount will be interpolated.

Total Cost Savings		Target Incentive Amount	
\$	100 million	\$	xxx,xxx
\$	125 million	\$	xxx,xxx
\$	200 million	\$	xxx,xxx
\$	250 million	\$	xxx,xxx

50% of your target incentive amount will be paid based on the cost savings achieved, and 50% will be paid at the discretion of D&B's CEO and President based on your contributions to the success of the Cost Savings Achievement Plan. Payouts are contingent upon your continued employment.

The payout schedule is as follows:

- **Q1 2020:** 100% of your target incentive paid based on 2019 cost savings achieved (50% based on cost savings achievement and 50% paid at the discretion of the CEO and President based upon your contribution to the cost savings achievement)
- **Q2 2020:** 50% of your target incentive paid based on Q1 2020 cost savings achieved, with the remaining 50% paid out 1 year later at the discretion of the CEO and President based upon your contribution to the cost savings achievement
- **Q3 2020:** 50% of your target incentive paid based on Q2 2020 cost savings achieved, with the remaining 50% paid out 1 year later at the discretion of the CEO and President based upon your contribution to the cost savings achievement

The quarterly payout pattern modeled in Q2 2020 and Q3 2020 will continue until the end of the Cost Savings Achievement Plan, which is determined at the discretion of the Board of Directors (or the Compensation Committee of the Board of Directors).

Congratulations on being a part of this critical program. You are among a small group of executives who have the greatest impact on the performance of D&B. We are counting on you to drive organizational performance. Thank you for your dedication to D&B.

Sincerely,

Anthony Jabbour

CHANGE IN REGISTRANT’S CERTIFYING ACCOUNTANT

On August 12, 2019, the audit committee of the board of directors dismissed PricewaterhouseCoopers LLP (“PwC”), effective as of August 13, 2019, and retained KPMG LLP (“KPMG”) as our independent registered public accounting firm on September 5, 2019.

PwC’s reports on the Company’s two most recent fiscal years ended December 31, 2018 and 2017 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

We had no disagreements with PwC on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to its satisfaction, would have caused PwC to make reference in connection with its opinion to the subject matter of the disagreement during its audits for each of the two fiscal years prior to its dismissal or the subsequent interim period through August 13, 2019. During the two most recent fiscal years preceding PwC’s dismissal, and the subsequent interim period through August 13, 2019, there were no “reportable Events” as such term is defined in Item 304(a)(1)(v) of Regulation S-K.

We have provided PwC with a copy of the foregoing disclosure and have requested that PwC furnish us with a letter addressed to the SEC stating whether PwC agrees with the above statements and, if not, stating the respects in which it does not agree. A copy of the letter from PwC, dated June 9, 2020, is filed as an exhibit to the registration statement of which this prospectus is a part.

During the two years ended December 31, 2018 and December 31, 2017, and the subsequent interim period through August 13, 2019, neither we, nor anyone acting on our behalf, consulted with KPMG on matters that involved the application of accounting principles to a specified transaction, either completed or proposed, the type of audit opinion that might be rendered on our audited financial statements, and neither a written report nor oral advice was provided to us by KPMG that KPMG concluded was an important factor considered by us in reaching a decision as to the accounting, auditing or financial reporting issue or any other matter that was the subject of a disagreement as to the accounting, auditing or financial reporting issue or any other matter that was the subject of a disagreement as that term is used in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K or a reportable event as that term is used in Item 304(a)(1)(v) and the related instructions to Item 304 of Regulation S-K.
